\*The "Determination Date" is the date when the requestor is to be informed (1) whether there are records in response to the request, (2) whether all or some of the records will be disclosed, (3) if all or some of the records will not be disclosed, the reason(s) why, and (4) the estimated date when the records will be produced (assuming there are records and all or some are disclosable). The Determination Date is generally within 10 days of the receipt of the request but that 10 days may be extended by 14 days for "unusual circumstances"
