A PROVEN PARTNER

The reuse of Alameda's historical aerospace assets has uniquely aligned with Astra's design/build/test culture.

2017-2022

ASTRA WORKED WITH REGULATORS TO REUSE AND REHABILITATE THE NAVY'S DEFUNCT ENGINE REFURBISHMENT SPACES AND WAREHOUSES FOR R&D, DEVELOPMENT, AND LIMITED PRODUCTION.

ENABLED PATHWAY TO SUCCESSFUL LAUNCH AND PUBLIC OFFERING.

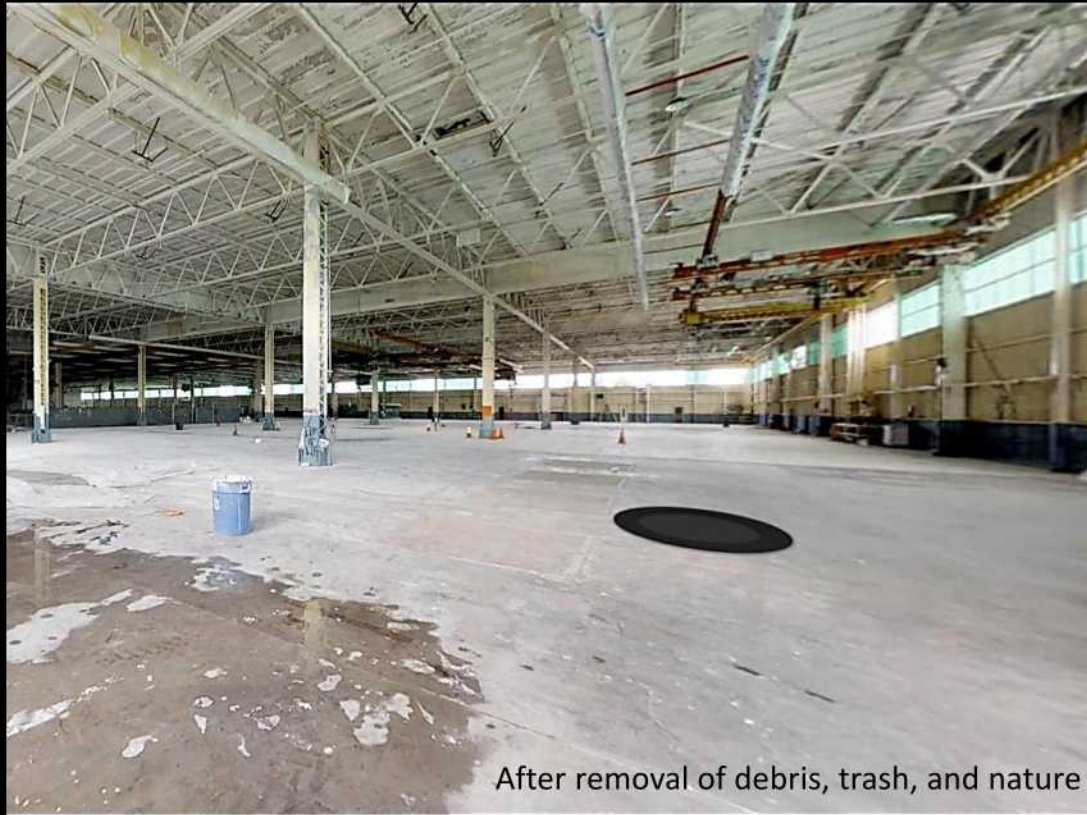

1690 ORION STREET: REUSE & REVITALIZATION (BEFORE AND AFTER)

Astra's first home: Required costly clean-up and improvements.

1900 SKYHAWK STREET: REUSE & REVITALIZATION (BEFORE AND AFTER)

Today, Astra occupies more than 200,000sf of rehabilitated space at Alameda Point.
