5-B Jim's on the Course Restaurant Report

Tom Geanekos spoke of the new umbrellas. He stated that the bathroom renovation was being finalized and should be complete by the end of July 2024.

5-C Recreation and Park Director Report

Director Long gave an update that summer programs and camps are in full swing and stated that this year's July 4th Parade was a great success. He shared that registration is open for anyone interested in fall and after school programs.

5-D Corica Park Golf Complex User Experience Survey

Commissioner Tong presented a PowerPoint for the commissioners to see and discuss the survey results. There was a relatively large discussion around the fact that there was a limited data set and that some of the questions were about fees. The commissioners were surprised by the large number of respondents around it. It was determined that the survey results did not provide the city with a lot of direction, however, the survey serves a purpose to inform the city about current user experiences. The commissioners asked if the information would be shared with Greenway Golf. Director Long replied yes, also it is a public document available on the City of Alameda website under Golf Commission.
