Urgent Need for New Housing

Delivering Affordable Housing & Supporting Residents

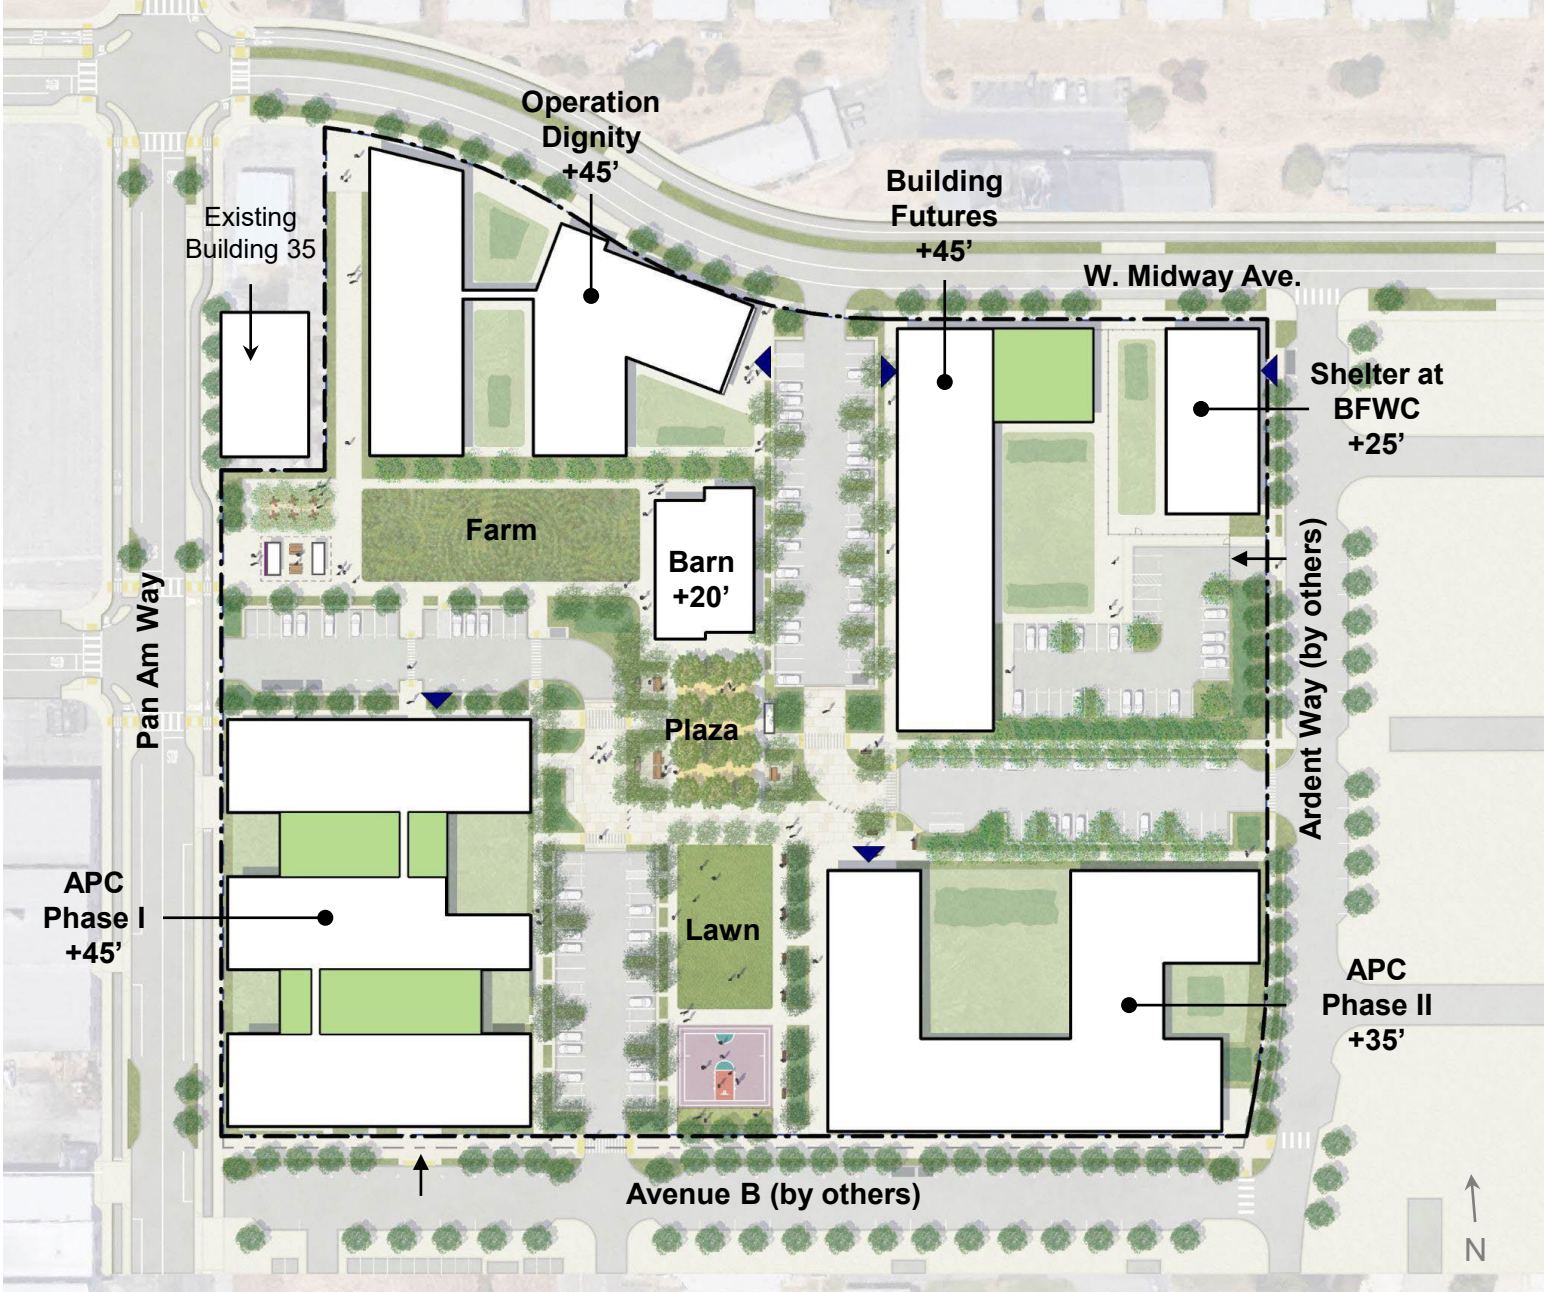

A Shared Vision: Collaborating Partners' Objectives

- Provide **high quality affordable housing** and **enriched supportive services** for formerly homeless families, veterans, and survivors of domestic violence.
- **Create a thriving Community** whose deep and robust input informed the design process, layout, open space, and community flow.
- Establish **safe spaces and access for residents** who may have suffered from past traumas, while also providing **opportunities to connect to the West Midway Neighborhood.**
