

**FIFTH AMENDMENT TO DISPOSITION AND DEVELOPMENT AGREEMENT FOR  
ALAMEDA POINT – SITE A AND TO GROUND LEASES FOR BLOCK 8**

This Fifth Amendment to Disposition and Development Agreement for Alameda Point – Site A and to Ground Leases for Block 8 ("Fifth Amendment") is entered into as of October \_\_\_\_, 2018 ("Effective Date") by and between the City of Alameda, a California charter city (the "City"), and Eden Housing, Inc., a California nonprofit public benefit corporation ("Eden").

**RECITALS**

- A. The City and Alameda Point Partners, LLC, a Delaware limited liability company (the "Developer") have entered into that certain Disposition and Development Agreement for Alameda Point-Site A, dated as of August 6, 2015 (the "Original DDA"), as amended by that certain First Amendment to Disposition and Development Agreement, dated as of February 8, 2017, and effective as of March 9, 2017 (the "First Amendment"), and as further amended by that certain Second Amendment to Disposition and Development Agreement, dated as of July 19, 2017 ("Second Amendment"), and as further amended by that certain Third Amendment to Disposition and Development Agreement dated as of March 7, 2018, and as further amended by that certain Fourth Amendment to Disposition and Development Agreement dated as of October \_\_\_\_, 2018 and clarified by Operating Memoranda dated September 16, 2015, October 26, 2015, March 6, 2017, December 8, 2017 and March 7, 2018 (collectively, the "Operating Memoranda"). The Original DDA, as so amended and clarified, is referred to herein as the "DDA."
- B. In accordance with the Affordable Housing Implementation Plan, which is attached to and incorporated into the DDA, the Developer assigned to Eden certain rights and obligations under the DDA, including under the Affordable Housing Implementation Plan pursuant to that certain Partial Assignment and Assumption Agreement dated as of March 7, 2016 ("Partial Assignment"). The City consented to the Partial Assignment and determined that Eden is a Qualified Affordable Housing Developer pursuant to the provisions of the DDA and the Affordable Housing Implementation Plan.
- C. The City, the Developer and Eden entered into that certain Fourth Operating Memorandum dated as of December 8, 2017, which among other things, approved the conveyance of Block 8 of the Site also referred to as the Affordable Housing Site in the Affordable Housing Implementation Plan to Eden in one or more ground leases. The Fourth Operating Memorandum also amended the Affordable Housing Milestone Schedule.
- D. The City and Eden have entered into two Ground Leases, dated as of November 8, 2017 (for the Senior Project) and December 8, 2017 (for the Family Project) ("Ground Leases"), whereby the City leased to Eden Block 8 for the development of 130 units of housing affordable to very low- and low-income households. The terms of the Ground Leases do not commence and Eden is not entitled to possession of Block 8 until Eden has met all of the conditions for conveyance of the Affordable Housing Site in the DDA

and the Affordable Housing Implementation Agreement, which conditions are required to be met no later than December 31, 2018.

- E. Eden has requested that the City agree to amendments to the DDA and the Affordable Housing Implementation Plan in order to extend certain dates set forth in the Affordable Housing Milestone Schedule as a result of Eden, despite good faith efforts, being unable to secure the sources of financing necessary for the construction of either Phase 1 (herein referred to as the "Senior Project") or Phase II (herein referred to as the "Family Project") of the Affordable Housing Development.
- F. Eden has demonstrated feasible options for securing financing necessary for the Affordable Housing Development.
- G. The City and Eden now desire to amend the DDA, including the Affordable Housing Implementation Agreement as well as the Ground Leases in accordance with the terms and conditions of this Fifth Amendment to reflect changes in the financing and Schedule of the Affordable Housing Development. In accordance with the terms of the Partial Assignment, the Developer has consented to these amendments as evidenced by the Developer's acknowledgement of this Fifth Amendment.

## **AGREEMENT**

WITH REFERENCE TO THE FACTS RECITED ABOVE, the City and Eden agree as follows:

1. **Definitions.** Capitalized terms not defined in the Fifth Amendment shall have the same meaning set forth in the DDA.
2. **Affordable Housing Development Financing.** Sections 3.5 and 3.6 of the Affordable Housing Implementation Plan are hereby deleted in their entirety and replaced with the following:

**3.5 Affordable Housing Development Financing and Schedule.** Qualified Affordable Housing Developer has proposed a financing option for the development of both the Senior Project and the Family Project of the Affordable Housing Development as set forth in Exhibit A attached hereto ("Financing Scenario"). The Qualified Affordable Housing Developer shall submit the necessary funding applications to obtain full funding of the Affordable Housing Development within the time frames set forth in the Affordable Housing Development Milestone Schedule attached hereto as Exhibit B and submit an Affordable Housing Development Financing Plan within the times set forth in the Affordable Housing Development Milestone Schedule. The Qualified Affordable Housing Developer may pursue alternative financing from that set forth in the Financing Scenario shown in Exhibit A in order to submit a feasible Affordable Housing Development Financing Plan, but shall provide the City with written notice of any such alternative financing and the application schedules for such financing as soon as Qualified Affordable Housing Developer determines to pursue such alternative financing. Receipt of financing commitments for all financing necessary for the development of each of the Senior Project and the Family Project of the Affordable Housing Development is a condition to Closing for each applicable Phase of the Affordable Housing Development Site.

If Qualified Affordable Housing Developer does not receive a commitment of Veterans Housing and Homelessness Prevention funds for the Senior Project of the Affordable Housing Development, Qualified Affordable Housing Developer shall commit either its own funds or funds from an alternative funding source in the amount necessary to ensure that the financing for the Senior Project can be obtained within the times set forth in the Affordable Housing Development Milestone Schedule, not to exceed One Million Seven Hundred Thousand Dollars (\$1,700,000).

If the Qualified Affordable Housing Developer fails to receive any of the necessary funding for either the Senior Project or the Family Project of the Affordable Housing Development by the outside date specified in the Affordable Housing Development Milestone Schedule for receipt of such funds, then the City, the Developer and the Qualified Affordable Housing Developer shall meet in good faith for a period not to exceed sixty (60) days to determine if feasible and mutually acceptable alternate arrangements can be made to finance development of the applicable phase of the Affordable Housing Development. If no agreement is reached by the parties within such sixty (60) day period regarding the alternative financing structure for the construction of the Affordable Housing Development or any phase which remains unfunded at such time, the Developer shall have sixty (60) days to provide the City with a feasible proposal for how it expects to meet the Affordable Housing obligations under the DDA. Failure of the Developer to submit to the City a feasible proposal for meeting the Affordable Housing obligations within sixty (60) days shall be considered a Developer Event of Default under the DDA and an event of default under the Ground Leases, which after expiration of applicable notice and cure periods, will allow the City to exercise any of its remedies, including termination of the DDA and the Ground Leases, provided however, that if the Qualified Affordable Housing Developer has met the conditions to conveyance in the DDA as amended by this Fifth Amendment for the Senior Project of the Affordable Housing Development and conveyance of the portion of Block 8 for the Senior Project has occurred, then the failure of the Qualified Affordable Housing Developer or the Developer to meet the milestones for the Family Project shall not be deemed to be a Developer Event of Default under the DDA or an event of default under the Ground Lease with respect to the Senior Project of the Affordable Housing Development. Any agreement that is reached between the parties regarding an alternative financing plan for the construction of the Affordable Housing Development shall be memorialized in an operating memorandum to the DDA.

Notwithstanding anything to the contrary contained herein, the Qualified Affordable Housing Developer hereby agrees to use commercially reasonable efforts to obtain any and all necessary or required approvals to reallocate to the Senior Project of the Affordable Housing Development \$1,500,000 of the Alameda County Housing Bond A-1 Funds currently committed to the Family Project of the Affordable Housing Development (the "Family Project County Funds") in a manner that does not materially and adversely affect the financing for the Senior Project. If the Qualified Affordable Housing Developer obtains such approvals, the City, Qualified Affordable Housing Developer and Developer agree that \$1,500,000 of the committed Developer Affordable Housing (AH) Funds shall be reallocated from the Senior Project to the Family Project of the Affordable Housing Development. In the event that the Qualified Affordable Housing Developer is unable to obtain such approvals, the Qualified Affordable Housing Developer's obligations set forth in this paragraph shall terminate, and Qualified Affordable Housing Developer may use all \$3,000,000 of the Developer AH Funds for the Senior Project of the Affordable Housing Development.

**3. Affordable Housing Development Milestone Schedule.** The parties hereby agree to amend the Affordable Housing Development Milestone Schedule by deleting Attachment A to

Exhibit M of the Original DDA as amended by the Fourth Operating Memorandum and replacing it with Exhibit B attached to this Fifth Amendment.

**4. Ground Lease.** In accordance with the terms of the Ground Leases, extension of the date for Closing in the DDA automatically extends the date of Closing in the Ground Leases and the parties agree that the Ground Leases remain in full force and effect. The Milestone Schedule attached to the Ground Lease for the Block 8 Senior Housing as Exhibit C is deleted and replaced by Exhibit C attached to this Fifth Amendment. The Milestone Schedule attached to the Ground Lease for the Block 8 Family Housing as Exhibit C is deleted and replaced by Exhibit D attached to this Fifth Amendment.

**5. Effect of Amendment.** Except to the extent amended in this Fifth Amendment, the DDA shall remain in full force and effect. In the event of a conflict between this Fifth Amendment and the DDA, this Fifth Amendment shall control.
