

HOUSING & HUMAN SERVICES

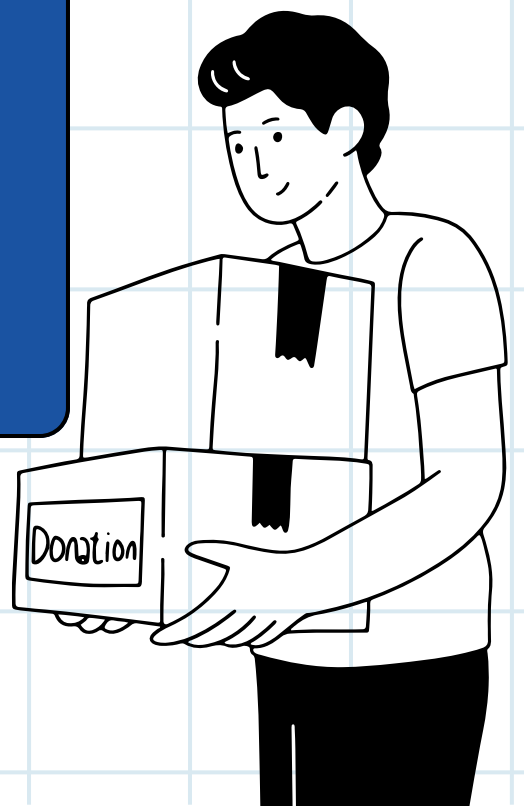

INTRODUCTION OF INTERN

Hi, I'm Allie. I am a rising senior at Alameda High School. This summer, I'm enrolled in an internship with the City of Alameda's Housing & Human Services division. I am so excited that I get to work with SSHRB and that I can learn about how Housing & Human Services works to prevent and reduce homelessness. I have gained valuable experience in this internship, learning about how this division helps our community every day and how services and resources are provided to those in need. I am happy to have witnessed how HHS improves our community's social equity and how they ensure that everyone has access to affordable housing and basic essentials.
