

**50 Meter x 25 Yard Pool**

**Pros**

- Allows opportunity for long course competitions
- Increases number of lap swimming lanes

**Cons**

- Accommodates less programming elements
- Decreases learn-to-swim opportunities
- Provides less diverse aquatics programming
- Decreases equity & access to water activities
- Provides only one temperature for both training & slower paced classes
- Increases soil stabilization construction cost to mitigate differential settlement
- Increases dewatering & costs associated with shallow water table pool uplift
- Increases future operating cost; more volume to heat, clean, & replace
