Subject: 7B - Pull by Staff
Date: Tuesday, July 18, 2023 4:12:11 PM

Dear Mayor and Council,

The City Manager and I have agreed to pull item 7B from the Agenda Tonight. It will return to Council in September. We concluded that the item can be simplified to only request an update to reflect the Total Not To Exceed Amount for the entire 10-year contract, with a corresponding update to the compensation table in the contract. Staff will be making these clarifying revisions in the Staff Report and the Contract Amendment for the September Council Meeting.

Many Thanks

Y
