LEASE AGREEMENT

THIS LEASE AGREEMENT is made and entered into by and between CITY OF ALAMEDA, a charter city and municipal corporation (“**Landlord**”) and NATEL ENERGY, INC., a Delaware corporation (“**Tenant**”). The Basic Lease Information, the Exhibits and this Lease Agreement are and shall be construed as a single instrument and are referred to herein as the “**Lease**”.

1. DEMISE.

1.1 Lease Grant. In consideration for the rents and all other charges and payments payable by Tenant, and for the agreements, terms and conditions to be performed by Tenant in this Lease, and subject to City Council approval, Landlord does hereby lease to Tenant and Tenant does hereby hire and take from Landlord, the Premises described below, upon the agreements, terms and conditions of this Lease for the Term hereinafter stated.

1.2 Termination of Existing Lease. Tenant currently occupies those certain premises located at 1090 West tower Avenue, known as Building 400A under a Lease Agreement, dated July, 2014 (the “**400A Lease**”), which premises Tenant has subleased to Saildrone LLC (“**Saildrone**”). Google Inc. (“**Google**”) is presently in negotiations with Landlord to lease Building 400A and with Saildrone for a new sublease for said premises. It is the intent of the parties hereto that the 400A Lease shall be and is terminated as of the earlier of (i) midnight on the day before the effective date of a lease with Google for Building 400A, or (ii) April 1, 2016. Upon such termination, Landlord shall return the Security Deposit in accordance with Article 7 of said lease.

2. PREMISES.

2.1 Premises. The Premises demised by this Lease are as specified in the Basic Lease Information. Said Premises are located on property commonly referred to as the former Naval Air Station Alameda (“**Property**”). The Premises have the address and contain the square footage specified in the Basic Lease Information; provided, however, that any statement of square footage set forth in this Lease is an approximation which Landlord and Tenant agree is reasonable and no economic terms based thereon shall be subject to revision whether or not the actual square footage is more or less.

2.2 Land and Parking. Provided that Tenant shall not be in Default under the terms and conditions of this Lease, in addition to the Premises, Landlord grants to Tenant a license to use the land area appurtenant to the Premises as generally depicted on **Exhibit A** attached hereto (“**Land**”). Landlord further grant Tenant a license for Tenant and its employees, agents, suppliers, customers and patrons the right to use those portions of the Land designated on **Exhibit A-2** for parking purposes (the “**Parking Area**”). Tenant may also use the Parking Area for the loading and unloading of trucks shipping items to and from the Premises. Landlord shall not be required to enforce Tenant’s rights to use any parking spaces on the Parking Area. Landlord reserves the right, from time to time, to stripe, restripe or otherwise designate those areas of the Land (exclusive of the Parking Area) which may be used for parking purposes. Under no circumstances may the Land or Parking Area be utilized for the storage (beyond 72

hours), repair or maintenance of any vehicles. Should Tenant or its agents, employees or invitees use the Land or Parking Area or any portion thereof in violation of this Section 2.2, Landlord shall have the right, without notice, in addition to such other rights and remedies that it may have, to tow away any vehicle involved and charge the cost of towing and storage to Tenant, which cost shall be immediately payable upon demand by Landlord as Additional Rent. Neither Landlord nor any Landlord Related Party (as defined in Section 14.1 below) shall be liable for: (a) loss or damage to any vehicle or other personal property parked or located upon or within the Land or Parking Area, whether pursuant to this license or otherwise and whether caused by fire, theft, explosions, strikes, riots, or any other cause whatsoever; or (b) injury to or death of any person in, about or around any parking spaces or any portion of the Land or Parking Area or any vehicles parked thereon whether caused by fire, theft, assault, explosion, riot or any other cause whatsoever, except to the extent caused by the gross negligence or willful misconduct of Landlord or Landlord Related Party (as defined at Section 14.1) and Tenant hereby waives any claims for, or in respect to, the above. Tenant shall not assign any of its rights under this Section 2.2 except in connection with an assignment of Tenant's interests in the Lease or a sublease in accordance with Article 13 below and in the event an attempt to assign is made, it shall be void. Landlord shall have no maintenance obligations for the Land or Parking Area and all provisions of this Lease concerning Tenant's rights and obligations governing its use and occupancy of the Premises that are not inconsistent with this Section 2.2 shall be applicable to the Land and Parking Areas. In addition to the foregoing, if Tenant desires storage rights or other such uses of the Land, Tenant shall provide a narrative written description and plans showing such uses for Landlord's review and approval. If Tenant obtains Landlord's approval for outside storage or other uses, the same shall be properly screened. The foregoing notwithstanding, Tenant shall have the right to store up to twenty (20) storage containers on the Land behind the Premises, in the area so identified on **Exhibit A-3**. Said containers shall not be stacked and shall be uniform in design and color and shall be maintained in good repair. Tenant may place a fence around only those portions of the Land as shown on **Exhibit A-1**.

2.3 [Intentionally Omitted.]

2.4 Possession. Tenant accepts the Premises in "AS IS" "WITH ALL FAULTS" condition and configuration without any representations or warranties by Landlord, and subject to all matters of record and all applicable laws, ordinances, rules and regulations, with no obligation of Landlord to make alterations or improvements to the Premises. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the suitability of the Premises, Building or infrastructure for the conduct of Tenant's business. Landlord shall not be liable for any latent or patent defects in the Building or Premises. Tenant shall be responsible for requesting an inspection and obtaining a Certificate of Occupancy from the City of Alameda. This shall include, but is not limited to any necessary fire sprinkler upgrades, electrical service upgrades, compliance with the ADA (as defined at Section 6.2 below), and any other requirements mandated by the Certificate of Occupancy inspection.

2.5 Landlord's Reserved Rights. Subject to the requirements set forth in Section 27.8, Landlord hereby reserves the right, and at any time and from time to time, without the same constituting an actual or constructive eviction, to enter the Premises for purposes of inspecting the Premises to determine whether Tenant is complying with its obligation under the

Lease and to show the Premises to prospective tenants or other interested parties during the last six (6) months of the Term. In connection with any of the foregoing activities, Landlord shall use reasonable efforts to minimize any interference with Tenant's use of the Premises. No rights to any view or to light or air over any property, whether belonging to Landlord or any other person, are granted to Tenant by this Lease.

3. TERM.

3.1 Term. The term of this Lease ("**Term**") shall be for the period specified in the Basic Lease Information, commencing on the later of (a) the Estimated Commencement Date or (b) one (1) day after this Lease has been approved by the City Council, the date of which approval shall be deemed to be the effective date of an ordinance approving this Lease as required by the City Charter; or (c) one (1) day after the current occupant of the Premises vacates ("**Commencement Date**"). This Lease shall terminate at midnight on the last day of the one hundred and twentieth (120th) full calendar month following the Commencement Date ("**Expiration Date**"), unless sooner terminated or extended as hereinafter provided. Promptly following the Commencement Date, Landlord and Tenant shall enter into a letter agreement substantially in the form attached hereto as **Exhibit B**, specifying and confirming the Commencement Date and the Expiration Date; if Tenant fails to execute and deliver such letter agreement to Landlord within ten (10) business days after Landlord's delivery of the same to Tenant, said letter agreement will be deemed final and binding upon Tenant.

3.2 Delay and Delivery. If for any reason Landlord has not delivered to Tenant possession of the Premises by the Estimated Commencement Date set forth in the Basic Lease Information, this Lease shall remain in effect and Landlord shall not be liable to Tenant for any loss or damage resulting therefrom.

3.3 Option to Renew.

(a) Renewal Options. Tenant shall have one (1) option to extend the Term (a "**Renewal Option**") for a period of five (5) years ("**Renewal Term**"). The Renewal Option may be exercised only by the entity identified as the Tenant in the Basic Lease Information or an assignee that is a Tenant Affiliate and may not be exercised by any other sublessee or assignee or by any other successor or assign. The Renewal Option shall be effective only if Tenant is not in Default under this Lease, either at the time of exercise of the Renewal Option or the time of commencement of the Renewal Term. Tenant shall exercise its Renewal Option, if at all, by written notice ("**Election Notice**") from Tenant to Landlord, in a form substantially the same as **Exhibit C**, given not more than twelve (12) months nor less than nine (9) months prior to expiration of the initial Term. Any such notice given by Tenant to Landlord shall be irrevocable. If Tenant fails to exercise the Renewal Option in a timely manner as provided for above, said Renewal Option shall be void.

(b) Terms and Conditions. If Tenant exercises the Renewal Option, the Term shall be extended for an additional period of five (5) years upon the same terms and conditions as the initial Term except that (i) there shall be no further Renewal Option available to Tenant at the expiration of the Renewal Term, (ii) Tenant shall continue to occupy the Premises in its "as-is" condition without any tenant improvement allowance from Landlord,

and (iii) the Base Rent during the Renewal Term (the “**Renewal Rate**”) shall be an amount equal to the greater of (A) the “Fair Market Rent” prevailing at the commencement of said Renewal Term or (B) the Base Rent in effect at the end of the initial Term.

Tenant shall be responsible for all brokerage costs and/or finder’s fees associated with Tenant’s exercise of the Renewal Option made by parties claiming through Tenant. Landlord shall be responsible for all brokerage costs and/or finder fees associated with Tenant’s exercise of the Renewal Options made by parties claiming through Landlord.

(c) Renewal Rate. For purposes of this Section 3.3, “**Fair Market Rent**” means the prevailing rental rate per square foot then being obtained by landlords for comparable buildings or spaces located in the City of Alameda, taking into account (in either case) applicable base years, tenant improvement allowances, free rent periods and other tenant concessions, existing improvements and configuration of the space, any additional rent and all other payments and escalations payable hereunder and by tenants under leases of such comparable spaces as determined by the following process:

(i) Within thirty (30) days after Landlord’s receipt of an Election Notice or as soon as thereafter as is reasonably practicable, Landlord shall notify Tenant in writing of the Renewal Rate (“**Renewal Rate Notice**”).

(ii) Tenant shall have twenty (20) days (“**Response Period**”) after receipt of the Renewal Rate Notice to advise Landlord whether or not Tenant agrees with Landlord’s determination of the Renewal Rate. If Tenant does not respond to Landlord in writing within the Response Period, then Tenant shall be deemed to have accepted the Renewal Rate specified by Landlord in the Renewal Rate Notice. If Tenant agrees or is deemed to have agreed with Landlord’s determination of the Renewal Rate, then such determination shall be final and binding on the parties.

(iii) If Tenant notifies Landlord in writing during the Response Period that Tenant disagrees with Landlord’s determination of the Renewal Rate, then within twenty (20) days after Landlord’s receipt of Tenant’s written notice, Landlord and Tenant shall each retain a licensed commercial real estate broker with at least five (5) years’ experience negotiating commercial lease transactions in the cities of Alameda and Oakland, California and Fair Market Rent shall be determined as follows:

A. If only one broker is appointed by the parties during such period, then said broker shall, within twenty (20) days after his or her appointment, determine the Fair Market Rent.

B. If Landlord and Tenant each appoint a broker during such period, then the brokers shall meet and confer during the thirty (30) day period commencing on the date on which the last of the brokers has been appointed (“**Broker Negotiation Period**”) to attempt to mutually agree upon Fair Market Rent.

C. If the brokers cannot agree upon Fair Market Rent as of the expiration of the Broker Negotiation Period, the two brokers shall, within twenty

(20) days thereafter, attempt to select a third broker meeting the qualifications stated in this Section.

D. If the two brokers are unable to agree on the third broker, either Landlord or Tenant, by giving fifteen (15) days written notice to the other party, can apply to then Presiding Judge of the Superior Court of Alameda County for the selection of a third broker who meets the qualifications stated in this paragraph.

E. Landlord and Tenant shall each bear one half (1/2) cost of appointing the third broker and paying the third broker's fees.

F. The third broker, however selected, shall be a person who has not previously acted in any capacity for either Landlord or Tenant. The third broker shall, within twenty (20) days after his or her appointment, make a determination of Fair Market Rent. The determinations of Fair Market Rent prepared by all three (3) brokers shall be compared and the Renewal Rent Rate shall be whichever of the determinations by Landlord broker or Tenant's broker is closer to the determination of the third broker (and if they are equally close, the Renewal Rate shall be the determination of the third broker). Such determination shall be final and binding upon the parties. Promptly following determination of a Renewal Rate pursuant to this Section, the parties shall execute an amendment to this Lease memorializing such Renewal Rate.

(d) Month Base Rent Increase. After the Renewal Rate has been determined for the first year of the Renewal Term, the Monthly Base Rent for the Premises shall increase at the annual rate of three percent (3%) throughout said Renewal Term.

3.4 Inspection Contingency. Subject to the terms and conditions of this Lease and provided Landlord has received the pre-paid Base Rent required by Section 4.1 below, and the Security Deposit pursuant to Article 7 and all evidence of insurance required by Article 15, Tenant shall be permitted to enter the Premises from and after the date that it signs this Lease through December 15, 2015 (the "**Inspection Period**") and at Tenant's sole risk, solely for the purpose of inspecting the Premises to determine its suitability for Tenant's Permitted Use. Such inspection may include the roof and structural of the Building. Landlord may withdraw such permission to enter the Premises prior to the Commencement Date at any time that Landlord reasonably determines that such entry by Tenant is causing a dangerous situation. Such early entry shall be subject to all the terms and provisions of this Lease, except that Tenant shall have no obligation to pay Rent or other charges during such early access period. Notwithstanding anything to the contrary set forth in this Lease, Tenant shall indemnify, defend and protect Landlord and hold Landlord harmless from and against any and all claims, proceedings, losses, costs, damages, causes of action, liability, injury or expenses arising out of or related to claims of injury to or death of persons or damage to property occurring or resulting directly or indirectly from the presence in the Premises or the Building of Tenant or Tenant's contractors, agents, employees or representatives or the activities of the same in or about the Premises or Building during such Inspection Period, such indemnity to include, without limitation, the obligation to provide all reasonable costs of defense against such claims. If as a result of such inspection Tenant discovers structural conditions in the Building that it determines are unacceptable, it may, before the expiration of the Inspection Period, deliver to landlord an written request for a further

abatement of rent to help offset Tenant's costs of repair. Such notice shall identify with specificity the anticipated scope work, the estimated costs thereof and the amount of rent abatement requested. Landlord shall be under no obligation to grant such request. If Landlord denies such requests, make a counter offer, or fails to respond with ten (10) business days of Tenant's delivery of such written request, Tenant may deliver written notice of its termination of this Lease. No such notice shall be effective to terminate this Lease unless received by Landlord before the Commencement Date of this Lease. If such notice is timely delivered by Tenant, then this Lease shall be deemed terminated and Tenant shall immediately vacate the Premises and Landlord shall return the Security Deposit and any prepaid rent within thirty (30) days thereof.

4. RENT.

4.1 Base Rent.

(a) Generally. From and after the Commencement Date, Tenant shall pay to Landlord, in advance of the first day of each calendar month, without any setoff or deduction and without further notice or demand, the monthly installments of rent specified in the Basic Lease Information ("**Base Rent**"). One full installment of Monthly Base Rent shall be due and payable on the date of execution of this Lease by Tenant and shall be applied to the first full calendar month for which Monthly Base Rent is due. If the Commencement Date should be on a date other than the first day of a calendar month, the Monthly Base Rent installment paid for any fractional month during the Term shall be prorated based upon a thirty (30) day calendar month. Upon execution of this Lease, Tenant shall also pay to Landlord the amount of the Security Deposit as specified in the Basic Lease Information.

(b) Abatement. Notwithstanding anything in this Article 4 to the contrary, so long as Tenant is not in Default hereunder, Tenant shall be entitled to an abatement of Base Rent for the first eight (8) full calendar months of the Term (the "**Abatement Period**"). The total amount of Base Rent abated during the Abatement Period is referred to herein as the "**Abated Base Rent**". If Tenant is in Default hereunder at any time during the Term, and if Landlord terminates this Lease based on such Default, Tenant shall immediately pay to Landlord all previously Abated Base Rent multiplied by a fraction which numerator is the number of months left in the Term following the date Landlord terminates this Lease based on Tenant's Default and the denominator is 120 (the number of months in the initial Term). If such Default occurs prior to the expiration of the Abatement Period, there shall be no further abatement of Base Rent pursuant to this Section 4.1(b). The payment by Tenant of the Abated Base Rent in the event of a Default shall not limit or affect any of Landlord's rights pursuant to this Lease or at law or in equity.

4.2 Additional Rent. As used in this Lease, the term "**Additional Rent**" shall mean all sums of money, other than Base Rent, that are due and payable by Tenant under the terms of this Lease including, but not limited to, Tenant's share of Utilities in accordance with Article 8 of this Lease. The term "**Rent**," as used herein, shall mean all Base Rent, Additional Rent and all other amounts payable hereunder from Tenant to Landlord. Unless otherwise specified herein, all items of Rent other than Base Rent shall be due and payable by Tenant on or before the date that is thirty (30) days after billing by Landlord.

4.3 Late Charge. Other remedies for non-payment of Rent notwithstanding, if any Monthly Base Rent installment or Additional Rent is not received by Landlord on or before the fifth (5th) day following the due date, or any payment due Landlord by Tenant which does not have a scheduled date is not received by Landlord on or before the thirtieth (30th) day following the date Tenant was invoiced for such charge, a late charge of five percent (5%) of such past due amount shall be immediately due and payable as Additional Rent. Notwithstanding the foregoing, the first three (3) occurrences of any delinquent payment by Tenant under this Lease during the Term shall give rise to a late charge only if Tenant fails to cure such delinquency within five (5) business days after written notice from Landlord thereof.

4.4 Interest. Any installment of Rent and any other sum due from Tenant under this Lease which is not received by Landlord within five (5) days from when the same is due shall bear interest from the date such payment was originally due under this Lease until paid at the lesser of: (a) an annual rate equal to the maximum rate of interest permitted by law, or (b) ten percent (10%) per annum. Payment of such interest shall not excuse or cure any Default by Tenant.

5. OPERATING EXPENSES AND TAXES.

5.1 Definitions. For purposes of this Article 5, the following terms shall have the meanings hereinafter set forth:

(a) **Tenant's Share** shall mean the percentage figure so specified in the Basic Lease Information. The rentable area of the Premises specified in the Basic Lease Information is conclusive and binding upon Tenant. Tenant's Share has been computed by dividing the rentable area of the Premises by the total rentable area of the Building. In the event that either the rentable area of the Premises or the total rentable area of the Building is changed or remeasured by Landlord (which Landlord shall have the right to do from time to time), Tenant's Share and the rentable area of the Premises and Building will be appropriately adjusted; and, as to the Tax and Expense Year in which such change occurs, for purposes of this Article 5, Tenant's Share shall be determined on the basis of the number of days during such Tax and Expense Year that each such percentage is applicable.

(b) **Tax and Expense Year** shall mean each twelve (12) consecutive month period commencing July 1st and ending on June 30th of each year or partial year during the Term, provided that Landlord, upon notice to Tenant, may change the Tax and Expense Year from time to time (but not more frequently than once in any twelve (12) month period) to any other twelve (12) consecutive month period and, in the event of any such change, Tenant's Share of Taxes and Expenses shall be equitably adjusted for the Tax and Expense Years involved in any such change.

(c) **Taxes** shall mean all taxes, assessments, fees, impositions, assessments and charges levied (if at all) upon or with respect to the Building, Land, or Common Areas, any personal property of Landlord used in the operation of the Building or Common Areas, or Landlord's interest in the Building or Common Areas, other than Personal Property Taxes or Possessory Interest Taxes which are the subject of Article 9. Taxes shall include, without limitation and whether now existing or hereafter enacted or imposed, all general real

property taxes, all general and special assessments, all charges, fees and levies for or with respect to transit, housing, police, fire or other governmental or quasi-governmental services or purported benefits to or burdens attributable to the Building or any occupants thereof, all service payments in lieu of taxes, and any tax, fee or excise on the act of entering into this Lease or any other lease of space in the Building or any occupants thereof, on the use or occupancy of the Building, on the rent payable under any lease or in connection with the business of renting space in the Building, that are now or hereafter levied or assessed against Landlord or the Building by the United States of America, the State of California, the City of Alameda, or any other political or public entity, and shall also include any other tax, fee or other excise, however described, that may now or hereafter be levied or assessed as a substitute for, or as an addition to, in whole or in part, any other Taxes, whether or not now customary or in the contemplation of the parties on the date of this Lease. Notwithstanding the foregoing, in the event Landlord has the right to elect to have assessments amortized over different time periods, Landlord will elect (or will charge such assessment through to Tenant as if Landlord had so elected) to have such assessment amortized over the longest period permitted by the assessing authority, and only the amortized portion of such assessment (with interest at the lesser of the actual interest rate paid by Landlord or the then maximum rate of interest not prohibited or made usurious by Law) shall be included in Taxes on an annual basis. Taxes shall not include any franchise, transfer or inheritance or capital stock taxes, or any income taxes measured by the net income of Landlord from all sources, unless due to a change in the method of taxation any such taxes are levied or assessed against Landlord as a substitute for, or as an addition to, in whole or in part, any other tax that would otherwise constitute a Tax. Taxes shall also include reasonable legal fees and other costs and disbursements incurred by Landlord in connection with proceedings to contest, determine or reduce Taxes provided, however, that Landlord shall pay to Tenant promptly after receipt by Landlord an amount equal to Tenant's Share of any refunded or recovered Tax previously paid by Tenant.

(d) **Expenses** shall mean all costs of Landlord's property insurance, if any.

5.2 Determination and Payment of Operating Expenses and Taxes. Tenant shall pay to Landlord as Additional Rent one-twelfth (1/12th) of Tenant's Share of the Taxes and the Expenses for each Tax and Expense Year, or portion thereof, on or before the first day of each month during such Tax and Expense Year, in advance, in an amount estimated by Landlord set forth in an annual statement delivered by Landlord to Tenant; provided that Landlord shall have the right to revise such estimates not more than twice per Tax and Expense Year and Tenant shall thereafter make payments hereunder on the basis of such revised estimates. With reasonable promptness after the end of each Tax and Expense Year, Landlord shall submit to Tenant a statement showing the actual amount which should have been paid by Tenant with respect to Taxes and Expenses for the past Tax and Expense Year, the amount thereof actually paid during that year by Tenant and the amount of the resulting balance due thereof, or overpayment thereof, as the case may be ("**Landlord's Statement**"). Landlord's Statement shall set forth in reasonable detail, and shall contain a line-item breakdown showing at least the following major categories: (i) maintenance and repairs; (ii) landscaping; (iii) utilities (electricity; gas; water and sewer); and (iv) insurance. Any balance shown to be due pursuant to said statement shall be paid by Tenant to Landlord within thirty (30) days following Tenant's receipt thereof; and any overpayment shall be immediately credited against Tenant's obligation

to make monthly payments for Taxes and Expenses for the then current Tax and Expense Year, or, if by reason of any termination of this Lease no such obligation exists, any such overpayment shall be refunded to Tenant. As an alternative to the monthly payment of Tenant's Share of Taxes and Expenses, and at Landlord's sole discretion, Landlord may direct Tenant to pay, within thirty (30) days of Landlord's delivery of Landlord's Statement, the full annual amount set forth therein. If the Expiration Date shall occur on a date other than the last day of a Tax and Expense Year, Tenant's Share of Taxes and Expenses for the Tax and Expense Year in which the Expiration Date occurs shall be in the proportion that the number of days from and including the first day of the Tax and Expense Year in which the Expiration Date occurs to and including the Expiration Date bears to 365. Where the calculation of Expenses and Taxes for a Tax and Expense Year cannot be made until after expiration or termination of this Lease, the obligation of Tenant to pay its proportionate share as Additional Rent shall survive the expiration or termination hereof and such Additional Rent for such period shall be payable by Tenant upon demand by Landlord.

6. USE; COMPLIANCE WITH LAWS.

6.1 Use. The Premises shall be used for the Permitted Use and for no other use whatsoever. At no time shall Tenant have the right to install, operate or maintain telecommunications or any other equipment on the roof or exterior areas of the Building, except as set forth in **Exhibit G** attached hereto or as may be necessary for Tenant's Permitted Use of the Premises and Tenant's installation of such equipment is done in full compliance with Article 10. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the Premises, Buildings or with respect to the suitability or fitness of either for the conduct Tenant's business or for any other purpose.

6.2 Compliance with Laws. Tenant shall comply with all laws, ordinances, rules, regulations and codes, of all municipal, county, state and federal authorities, including the Americans With Disabilities Act, as amended, (42 U.S.C. Section 1201 et seq. [the "ADA"]) (collectively, "**Laws**") pertaining to Tenant's use and occupancy of the Premises and the conduct of its business. Tenant shall be responsible for making all improvements and alterations necessary to bring the Premises into compliance with applicable ADA requirements and to ensure that the Premises remain in compliance throughout the Term of this Lease. Tenant shall not commit, or suffer to be committed, any waste upon the Premises or any public or private nuisance, or other act or thing which disturbs the quiet enjoyment of any other tenant in the Building, nor shall Tenant store any materials on the Premises which are visible from areas adjacent to the Premises, unless otherwise specifically set forth in this lease. Tenant shall not permit any objectionable odor to escape or be emitted from the Premises and shall ensure that the Premises remain free from infestation from rodents or insects. Tenant shall not do or permit anything to be done on or about the Premises or bring or keep anything into the Premises which will in any way increase the rate of, invalidate, or prevent the procuring of any insurance, protecting against loss or damage to the Buildings or any of its contents by fire or other casualty or against liability for damage to property or injury to person in or about the Buildings. Notwithstanding anything to the contrary in this Section 6.2, Tenant shall have no obligation to remediate any Hazardous Materials (as defined in Section 12.1 below) existing in or under the Premises or the Land prior to the Commencement Date in order to comply with any Laws, except to the extent such remediation is required because of Tenant's Alterations.

6.3 Compliance with Restrictions. The Premises is located on property known as the former Naval Air Station Alameda, portions of which were conveyed to the City by the United States of America, acting by and through the Department of the Navy by a quitclaim deed dated June 4, 2013, recorded June 6, 2013 as Series No. 2013-199799 of Official Records in the Office of the County Recorder, Alameda County, California ("**Quitclaim Deed**"). Said Quitclaim Deed conveyed the Premises and Land subject to certain covenants, conditions, restrictions, easements, and encumbrances as set forth therein. The Premises and Land are further encumbered by those certain restrictions set forth in the Declaration of Restrictions (Former Naval Air Station Alameda) dated June 4, 2013 and recorded June 6, 2013 as Series No.: 2013-199782 in the Office of the County Recorder of Alameda County ("**Declaration of Restrictions**"). Copies of the Quitclaim Deed and Declaration of Restrictions have been delivered to Tenant and, concurrently with the execution of this Lease, Tenant shall sign and return to Landlord the Acknowledgment of Receipt, attached hereto as **Exhibit D**. Use of the Premises and Land is further restricted by the Covenant to Restrict Use of Property Environmental Restrictions recorded June 6, 2013 as Series No. 2013-199838 in the office of the County Recorder, Alameda County, CA (the "**CRUP**"), the National Environmental Protection Act Record of Decision ("**ROD**") for the disposal and reuse of the former Naval Air Station Alameda, and all conditions contained therein. A copy of the ROD is available for review at Landlord's office during normal business hours. The covenants, conditions, restrictions, easements, rights-of-way, reservations, rights, agreements, and encumbrances set forth in the Quitclaim Deed, Declaration of Restrictions and the ROD, as they affect the Building, Common Areas or Premises, are collectively referred to herein as the "**Restrictions.**" Any use of the Premises or Land shall comply with the Restrictions and a failure to so comply shall constitute a Default under this Lease.

6.4 Use Permit. Tenant and any of its subtenants shall maintain a City of Alameda Use Permit and other applicable City permits and approvals for the intended use of the Premises (collectively "**Use Permit**").

7. **SECURITY DEPOSIT.**

Concurrently with its execution of this Lease, Tenant shall deliver to Landlord the amount identified in the Basic Lease Information as the Security Deposit to be held by Landlord without liability for interest (unless required by Law) as security for the performance of Tenant's obligations. The Security Deposit is not an advance payment of Rent or a measure of damages. Landlord may from time to time and without prejudice to any other remedy provided in this Lease or by Law, use all or a portion of the Security Deposit to the extent necessary to satisfy past due Rent or to satisfy Tenant's breach under this Lease or to reimburse or compensate Landlord for any liability, expense, loss or damage which Landlord may suffer or incur by reason thereof. If Landlord so uses or applies all or any portion of the Security Deposit, then within fifteen (15) days after demand therefore, Tenant shall deposit cash with Landlord in an amount sufficient to restore the deposit to the full amount thereof, and Tenant's failure to do so shall constitute a Default under this Lease. If there are no payments to be made from the Security Deposit as set out in this paragraph, or if there is any balance of the Security Deposit remaining after all payments have been made, the Security Deposit, or such balance thereof remaining, will be refunded to the Tenant within thirty (30) days after the expiration or earlier termination of this Lease. Tenant hereby waives the benefit of the provisions of California Civil

Code Section 1950.7. In the event of an act of bankruptcy by or insolvency of Tenant or the appointment of a receiver for Tenant or general assignment for the benefit of Tenant's creditors, the Security Deposit shall be deemed immediately assigned to Landlord.

8. UTILITIES.

8.1 Payments for Utilities and Services. Tenant shall contract directly with the providers of, and shall pay all charges for, water, sewer, storm water, gas, electricity, heat, cooling, telephone, refuse collection, janitorial, pest control, security and monitoring services furnished to the Premises, together with all related installation or connection charges or deposits ("Utilities"). If any Utilities are provided by Alameda Municipal Power ("AMP") it is understood and agreed that such entity is separate and distinct from Landlord and Tenant must contract directly with AMP for any such Utilities. If any such Utilities are not separately metered or billed to Tenant for the Premises but rather are billed to and paid by Landlord, Tenant shall pay to Landlord, as Additional Rent, its pro rata share of the cost of such services, as reasonably determined by Landlord. If any Utilities are not separately metered, Landlord shall have the right to determine Tenant's consumption by either submetering, survey or other methods designed to measure consumption with reasonable accuracy. In accordance with California Public Resources Code section 25402.10, Tenant shall, upon written request, promptly provide Landlord with monthly electrical and natural gas (if any) usage data (in either electronic or paper format) for the Premises for the period of time so requested by Landlord. In the alternative, and at Landlord's option, Tenant shall provide any written authorization or other documentation required by Landlord to request information regarding Tenant's electrical and natural gas usage data with respect to the Premises directly from the utility company providing electricity and natural gas to the Premises.

8.2 No Liability of Landlord. Except in the case of Landlord's gross negligence or willful misconduct, in no event shall Landlord be liable or responsible for any loss, damage, expense or liability, including, without limitation, loss of business or any consequential damages, arising from any failure or inadequacy of any service or Utilities provided to the Premises or Buildings, whether resulting from any change, failure, interference, disruption or defect in supply or character of the service or Utilities provided to the Premises or Building, or arising from the partial or total unavailability of the service or utility to the Premises or Buildings, from any cause whatsoever, or otherwise, nor shall any such failure, inadequacy, change, interference, disruption, defect or unavailability constitute an actual or constructive eviction of Tenant, or entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from its obligations under this Lease. Notwithstanding the foregoing, if the Premises, or a material portion of the Premises, is made untenantable, inaccessible or unsuitable for the ordinary conduct of Tenant's business, as a result of an interruption in any of the Utilities attributable to an act or omission of Landlord (or Landlord's agents, employees or subcontractors), then (a) Landlord shall use commercially reasonable good faith efforts to restore the same as soon as is reasonably possible, and (b) if, despite such commercially reasonable good faith efforts by Landlord, such interruption persists for a period in excess of five (5) consecutive business days, then Tenant, as its sole remedy, shall be entitled to receive an abatement of Base Rent payable hereunder during the period beginning on the sixth (6th) consecutive business day of such interruption and ending on the day the Utility or service has been restored.

9. PERSONAL PROPERTY AND POSSESSORY INTEREST TAXES.

9.1 Tenant's Tax Obligation. "Taxes" shall mean all taxes, assessments and governmental charges, whether federal, state, county or municipal, and whether general or special, ordinary or extraordinary, foreseen or unforeseen, imposed upon Tenant's personal property or trade fixtures, the Premises, or any possessory interest therein, or their operation, whether or not directly paid by Landlord, but excluding those Taxes paid by Landlord as defined at Section 5.1(c) above.

9.2 Personal Property Taxes. Tenant shall pay all Taxes (as hereinafter defined) levied or imposed against the Premises or Tenant's personal property or trade fixtures placed by Tenant in or about the Premises during the Term ("**Personal Property Taxes**").

9.3 Possessory Interest Taxes. The interest created by this Lease may at some time be subject to property taxation under the laws of the State of California. If property taxes are imposed, the party in whom the possessory interest is vested may be subject to the payment of the taxes levied on such interest. This notice is included in this Lease pursuant to the requirements of section 107.6 (a) of the Revenue and Taxation Code of the State of California.

9.4 Payment. Tenant shall pay the Personal Property Taxes or possessory interest taxes in accordance with the instructions of the taxing entity. Tenant shall pay the Personal Property Taxes, if any, originally imposed upon Landlord, upon Landlord's election, either (a) annually within thirty (30) days after the date Landlord provides Tenant with a statement setting forth in reasonable detail such Taxes, or (b) monthly in advance based on estimates provided by Landlord based upon the previous year's tax bill. All Personal Property Taxes originally imposed upon Landlord and payable by Tenant with respect to the Premises shall be prorated on a per diem basis for any partial tax year included in the Term. Tenant's obligation to pay Taxes during the last year of the Term shall survive the termination of this Lease.

10. ALTERATIONS.

10.1 Landlord Consent Required. Tenant shall not make any alterations, improvements, or additions (each an "**Alteration**") in or about the Premises or any part thereof without the prior written consent of Landlord, which consent may be reasonably conditioned upon criteria and/or requirements deemed necessary by Landlord acting in its proprietary capacity; provided, however, that Landlord shall have the right in its sole and absolute discretion to withhold its consent to any Alteration which affects the structural components of the Building, including the roof, support structures, foundations, the exterior of the Building and/or the systems serving the Premises or the Building. Landlord hereby approves the initial Alterations (the "Initial Alterations") that Tenant intends to make to the Premises which are set forth in **Exhibit G**. Any such approval by Landlord shall be in its proprietary capacity as Landlord and no such approval shall be deemed an approval by the City of Alameda in its regulatory capacity. Notwithstanding the foregoing, Tenant shall have the right to make Alterations to the Premises with prior written notice to, but without the consent of, Landlord provided that such Alterations (a) do not require the procurement of a building permit, (b) do not affect the structural portion of the Building or the systems serving the Building, (c) the reasonably estimated costs of the Alterations, together with the costs of any other Alteration made during the immediately

preceding twelve (12) months period, do not exceed Fifty Thousand Dollars (\$50,000), and (d) are performed in full compliance with the terms Sections 10.2 through 10.4 below.

10.2 Alterations. Any Alterations to the Premises shall be at Tenant's sole cost and expense, and made in compliance with all applicable Laws and all reasonable requirements requested by Landlord. Prior to starting work, Tenant shall furnish Landlord with plans and specifications (which shall be in CAD format if requested by Landlord); names of contractors reasonably acceptable to Landlord; required permits and approvals; evidence of contractors and subcontractors insurance in amounts reasonably required by Landlord and naming Landlord, the managing agent for the Building and such other persons or entities as Landlord may reasonably request, as additional insureds; and any security for payment in performance and amounts reasonably required by Landlord. In addition, if any such Alteration requires the removal of asbestos, an appropriate asbestos disposal plan, identifying the proposed disposal site of all such asbestos, must be included with the plans and specifications provided to Landlord. Tenant shall reimburse Landlord for any sums paid by Landlord for third party examination of Tenant's plans for Alterations. Landlord agrees to respond to Tenant's request for consent to any Alterations within fifteen (15) days following Tenant's delivery of such request, accompanied by plans and specifications depicting the proposed Alterations ("**Plans**") and a designation of Tenant's general contractor (and major subcontractors) to perform such work. Landlord's response shall be in writing and, if Landlord withholds its consent to any Alterations, Landlord shall specify in reasonable detail in Landlord's notice of disapproval, the basis for such disapproval. If Landlord fails to timely notify Tenant of Landlord's approval or disapproval of any such Plans, Tenant shall have the right to provide Landlord with a second written request for approval (a "**Second Request**") that specifically identifies the applicable Plans and contains the following statement in bold and capital letters: "**THIS IS A SECOND REQUEST FOR APPROVAL OF PLANS PURSUANT TO THE PROVISIONS OF SECTION 10.2 OF THE LEASE.**" If Landlord fails to respond to such Second Request within five (5) business days after receipt by Landlord, the Plans in question shall be deemed disapproved by Landlord. If Landlord disapproves of any Plans, Tenant may revise Tenant's Plans and resubmit such Plans to Landlord; in such event the scope of Landlord's review of such Plans shall be limited to Tenant's correction of the items to which Landlord had previously objected. Landlord's review and approval (or deemed approval) of such revised Plans shall be governed by the provisions as set forth above in this Section 10.2. The procedure set forth above for approval of Tenant's Plans will also apply to any change, addition or amendments to Tenant's Plans. Landlord's approval of an Alteration shall not be deemed a representation by Landlord that the Alteration complies with Law. Upon completion, Tenant shall furnish Landlord with at least three (3) sets of "as built" Plans (as well as a set in CAD format, if requested by Landlord) for the Alterations, completion affidavit and full and final unconditional waivers of liens and will cause a Notice of Completion to be recorded in the Office of the Recorder of the County of Alameda. Any Alteration shall at once become the property of Landlord; provided, however, that Landlord, at its option, may require Tenant to remove any Alterations prior to the expiration or sooner termination of this Lease. If Tenant serves a request in writing together with Tenant's request for Landlord's consent to any such Alterations ("**Removal Request**"), Landlord will notify Tenant at the time of Landlord's consent to any such Alterations as to whether Landlord requires their removal. Except as otherwise expressly provided in **Exhibit G**, Tenant shall not be required to remove the Initial Alterations. All costs of any Alterations (including, without limitation, the removal thereof, if required) shall be borne by Tenant. If Tenant fails to promptly complete the removal of any Alterations and/or

to repair any damage caused by the removal, Landlord may do so and may charge the reasonable costs thereof to Tenant. All Alterations shall be made in a good and workmanlike manner and in a manner that will not disturb other tenants, in accordance with Landlord's then-current guideline for construction, and Tenant shall maintain appropriate liability and builders' risk insurance throughout the construction. Tenant shall indemnify, defend, protect and hold Landlord harmless from and against any and all claims for injury to or death of persons or damage or destruction of property arising out of or relating to the performance of any Alterations by or on behalf of Tenant. Under no circumstances shall Landlord be required to pay, during the Term (as the same may be extended or renewed) any ad valorem or other Taxes on such Alterations, Tenant hereby covenanting to pay all such taxes when they become due.

10.3 Excavations. In the event Tenant intends to perform any Alterations requiring excavations below the surface of the Premises (whether inside or outside of the Buildings) or construction of a permanent structure on the Premises, Tenant must determine the actual location of all utilities using standard methods (i.e., potholing, metal fish line, etc.) and submit this information with an application to excavate or application to build a permanent structure to Landlord for approval (which shall also include the approval of other applicable governmental authorities). The application shall include a site plan showing the location of utilities and that construction will not take place above the utility line or within the utility easement, specifically showing that no permanent structure will be constructed in these areas. Tenant shall be responsible for complying with the provisions of the City of Alameda's Marsh Crust Ordinance, as well as the Covenant to Restrict Use of Property Environmental Restrictions recorded June 6, 2013 as Series No. 2013- 199838 of Official Records of the County of Alameda, the Site Management Plan for Alameda Point and, if required, shall obtain a Marsh Crust Permit.

10.4 Liens. Tenant shall pay when due all claims for labor or materials furnished Tenant for use in the Premises. Tenant shall not permit any mechanic liens, stop notices, or any other liens against the Premises, Building, Alterations or any of Tenant's interests under this Lease for any labor or materials furnished to Tenant in connection with work performed on or about the Premises by or at the direction of Tenant. Tenant shall indemnify, hold harmless and defend Landlord (by counsel reasonably satisfactory to Landlord) from any liens and encumbrances arising out of any work performed or materials furnished by or at the direction of Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien or stop notice, cause such lien or stop notice to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided herein or by law, the right, but not the obligation, to cause the same to be released by such means as it may deem proper, including payment of the claim giving rise to such lien. All such sums paid by Landlord and expenses reasonably incurred in connection therewith, including attorneys' fees and costs, shall be payable to Landlord by Tenant on demand.

11. MAINTENANCE AND REPAIR OF PREMISES.

11.1 Maintenance and Repair by Tenant.

(a) Tenant Maintenance. Tenant shall, at its sole cost and expense, maintain the Premises in good repair and in a neat and clean condition, including making all necessary repairs and replacements. Tenant's repair and maintenance obligations

include, without limitation, repairs to: (i) floor coverings; (ii) partitions; (iii) doors; (iv) demising walls; (v) fire life safety systems, including sprinklers, fire alarms and/or smoke detectors; (vi) Alterations, described in Article 10; (vii) heating, ventilation and air conditioning (HVAC) systems exclusively serving the Premises; (viii) kitchens; (ix) plumbing; (x) all structural elements of the Building; (xi) the roof; (xii) Parking Areas; and (xiii) telephone and data equipment, and cabling.

(b) Tenant Repair. Tenant shall further, at its own costs and expense, repair or restore any damage or injury to all or any part of the Building caused by Tenant or Tenant's agents, employees, invitees, licensees, visitors or contractors, including but not limited to repairs or replacements necessitated by (i) the construction or installation of improvements to the Premises by or on behalf of Tenant and (ii) the moving of any property into or out of the Premises. If Tenant fails to make such repairs or replacement within fifteen (15) days after notice from Landlord, then Landlord may, at its option, upon prior reasonable notice to Tenant (except in an emergency) make the required repairs and replacements and the costs of such repairs or replacement (including Landlord's administrative charge) shall be charged to Tenant as Additional Rent and shall become due and payable by Tenant with the monthly installment of Base Rent next due hereunder.

11.2 [Intentionally Omitted.]

12. ENVIRONMENTAL PROTECTION PROVISIONS.

12.1 Hazardous Materials. "**Hazardous Materials**" shall mean any material, substance or waste that is or has the characteristic of being hazardous, toxic, ignitable, reactive, flammable, explosive, radioactive or corrosive, including, without limitation, petroleum, solvents, lead, acids, pesticides, paints, printing ink, PCBs, asbestos, materials commonly known to cause cancer or reproductive harm and those materials, substances and/or wastes, including wastes which are or later become regulated by any local governmental authority, the state in which the Premises are located or the United States Government, including, but not limited to, substances defined as "hazardous substances," "hazardous materials," "toxic substances" or "hazardous wastes" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. §1801, et seq.; the Resource Conservation and Recovery Act; all environmental laws of the state where the Premises are located, and any other environmental law, regulation or ordinance now existing or hereinafter enacted. "**Hazardous Materials Laws**" shall mean all present and future federal, state and local laws, ordinances and regulations, prudent industry practices, requirements of governmental entities and manufacturer's instructions relating to industrial hygiene, environmental protection or the use, analysis, generation, manufacture, storage, presence, disposal or transportation of any Hazardous Materials, including without limitation the laws, regulations and ordinances referred to in the preceding sentence.

12.2 Reportable Uses Required Consent. Except as permitted in this Article 12, Tenant hereby agrees that Tenant and Tenant's officers, employees, representatives, agents, contractors, subcontractors, successors, assigns, subtenants, concessionaires, invitees and any other occupants of the Premises (for purposes of this Article 12, referred to collectively herein as "**Tenant Parties**") shall not cause or permit any Hazardous Materials to be used, generated,

manufactured, refined, produced, processed, stored or disposed of, on, under or about the Premises or Building or transported to or from the Premises or Building without the express prior written consent of Landlord, which consent may be reasonably limited in scope and predicated on strict compliance by Tenant with all applicable Hazardous Materials Laws and such other reasonable rules, regulations and safeguards as may be required by Landlord (or any insurance carrier, environmental consultant or lender of Landlord, or environmental consultant retained by any lender of Landlord) in connection with using, generating, manufacturing, refining, producing, processing, storing or disposing of Hazardous Materials on, under or about the Premises or the Building. In connection therewith, Tenant shall, at its own expense, procure, maintain in effect and comply with all conditions of any and all permits, licenses and other governmental and regulatory approvals required for the storage or use by Tenant or any of Tenant Parties of Hazardous Materials on the Premises or the Building, including without limitation, discharge of (appropriately treated) materials or wastes into or through any sanitary sewer serving the Premises or the Building. The foregoing notwithstanding, Tenant may use ordinary and customary materials reasonably required to be used in the course of the Permitted Use, ordinary office supplies (copier, toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Hazardous Materials Laws and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Landlord to any liability therefor.

12.3 Remediation Obligations. If at any time during the Term, any contamination of the Premises by Hazardous Materials shall occur where such contamination is caused by the act or omission of Tenant or Tenant Parties ("**Tenant's Contamination**"), then Tenant, at Tenant's sole cost and expense, shall promptly and diligently remediate such Hazardous Materials from the Premises or the groundwater underlying the Premises to the extent required to comply with applicable Hazardous Materials Laws. Tenant shall not take any required remedial action in response to any Tenant's Contamination in or about the Premises or enter into any settlement agreement, consent, decree or other compromise in respect to any claims relating to any Tenant's Contamination without first obtaining the prior written consent of Landlord, which may be subject to conditions imposed by Landlord as determined in Landlord's reasonable discretion. Such prior written consent shall not be required to the extent the delay caused by the requirement to obtain consent may increase the damage to the Premises or the risk of harm to human health, safety, the environment or security caused by the Tenant's Contamination. If Tenant's Contamination is discovered, Landlord and Tenant shall jointly prepare a remediation plan in compliance with all Hazardous Materials Laws and the provisions of this Lease. In addition to all other rights and remedies of Landlord hereunder, if Tenant does not promptly and diligently take all steps to prepare and obtain all necessary approvals of a remediation plan for any Tenant's Contamination, and thereafter commence the required remediation of any Hazardous Materials released or discharged in connection with Tenant's Contamination within thirty (30) days after all necessary approvals and consents have been obtained, and thereafter continue to prosecute such remediation to completion in accordance with the approved remediation plan, then Landlord, at its sole discretion, shall have the right, but not the obligation, to cause such remediation to be accomplished, and Tenant shall reimburse Landlord within fifteen (15) business days of Landlord's demand for reimbursement of all amounts reasonably paid by Landlord (together with interest on such amounts at the highest lawful rate until paid), when such demand is accompanied by proof of payment by Landlord of the amounts demanded. Tenant shall promptly deliver to Landlord, copies of hazardous waste manifests reflecting the legal and

proper disposal of all Hazardous Materials removed from the Premises as part of Tenant's remediation of any Tenant's Contamination. The foregoing notwithstanding, "Tenant's Contamination" shall not refer to or include any Hazardous Materials that were not clearly introduced to the Premises by Tenant or Tenant Parties. As an example, if lead dust or asbestos are found on the Premises, unless there is clear evidence that Tenant introduced those Hazardous Materials to the Premises or they were dislodged by a Tenant Alteration, those Hazardous Materials shall not be considered "Tenant's Contamination," and it shall not be Tenant's responsibility to take remedial action relating to such Hazardous Materials.

12.4 Environmental Permits. Tenant and Tenant Parties shall be solely responsible for obtaining and complying with, at their cost and sole expense, any environmental permits required for Tenant's operations under this Lease, independent of any existing permits held by Landlord. Tenant shall not conduct operations or activities under any environmental permit that names Landlord as a secondary discharger or co-permittee. Tenant shall provide prior written notice to Landlord of all environmental permits and permit applications required for any of Tenant's operations or activities. Tenant acknowledges that Landlord will not consent to being named a secondary discharger or co-permittee for any operations or activities of Tenant, its contractors, assigns or subtenants. Tenant shall strictly comply with any and all environmental permits (including any hazardous waste permit required under the Resource Conservation and Recovery Act or its state equivalent) and must provide, at its own expense, any hazardous waste management facilities complying with all Hazardous Material Laws.

12.5 Landlord's Inspection Right. Landlord shall have the right to inspect, upon reasonable notice to Tenant and subject to Tenant's security and confidentiality requirements set forth in Section 27.8, the Premises for Tenant's compliance with this Article 12. Landlord normally will give Tenant twenty-four (24) hours' prior notice of its intention to enter the Premises unless it determines the entry is required for exigent circumstances related to health, safety, or security; provided, however, Landlord agrees to use its best commercial efforts to provide Tenant with the maximum advance notice of any such entrance and will, without representation or warranty, attempt to structure such entrance in the least intrusive manner possible. Tenant shall have no claim against Landlord, or any officer, agent, employee, contractor or subcontractor of Landlord by reason of entrance of such Landlord officer, agent, employee, contractor or subcontractor onto the Premises in compliance with this Section 12.5.

12.6 Hazardous Materials Handling Plan. Prior to the execution of this Lease, Tenant shall complete, execute and deliver to Landlord an Environmental Questionnaire Disclosure Statement (the "**Environmental Questionnaire**"), in the form of **Exhibit E** attached hereto and shall require any Subtenant who will bring to, or use at the Premises, any Hazardous Materials to also execute and deliver to Landlord an Environmental Questionnaire. To the extent Tenant intends to store, use, treat or dispose of Hazardous Materials on the Premises, Tenant shall prepare and submit together with the Environmental Questionnaire a Hazardous Materials Handling Plan (the "**Hazardous Materials Handling Plan**"). For a period of fifteen (15) days following Landlord's receipt of the Environmental Questionnaire and Hazardous Materials Handling Plan, if applicable, Landlord shall have the right to reasonably approve or disapprove such documents. The failure of Landlord to approve such documents shall be deemed Landlord's disapproval thereof. Landlord approval of the Environmental Questionnaire and the Hazardous Materials Handling Plan shall constitute approval for Tenant's use of the Hazardous

Materials set forth therein in compliance with Hazardous Materials Laws and the Hazardous Materials Handling Plan. Following approval of the Hazardous Materials Handling Plan, Tenant shall comply therewith throughout the Term. To the extent Tenant is permitted to utilize Hazardous Materials upon the Premises, such use shall be limited to the items set forth in the Environmental Questionnaire, shall comply with Hazardous Materials Laws and the Hazardous Materials Handling Plan and Tenant shall promptly provide Landlord with complete and legible copies of all the following environmental items relating thereto: reports filed pursuant to any self-reporting requirements; permit applications, permits, monitoring reports, workplace exposure and community exposure warnings or notices and all other reports, disclosures, plans or documents relating to water discharges, air pollution, waste generation or disposal, and underground storage tanks for hazardous materials; orders, reports, notices, listing and correspondence of or concerning the release, investigation of, compliance, cleanup, remedial and corrective actions, and abatement of hazardous materials; and all complaints, pleadings and other legal documents filed by or against Tenant related to Tenant's use, handling, storage or disposal of Hazardous Materials. If, in conjunction with Tenant's Permitted Use of the Premises, Tenant desires to commence the use, treatment, storage or disposal of previously undisclosed Hazardous Materials, prior to such usage thereof, Tenant shall notify Landlord thereof, by written summary detailing the scope of such proposed usage and updating the Hazardous Materials Handling Plan to the extent required by such proposed usage. For a period of fifteen (15) days following Landlord's receipt of such notice, Landlord shall have the right to reasonably approve or disapprove of such documents. The failure of Landlord to approve of such documents within such time period shall be deemed Landlord's disapproval thereof.

12.7 Hazardous Materials Indemnity. In addition to any other provisions of this Lease, Tenant shall, and does hereby agree, to, indemnify and hold harmless Landlord from any costs, expenses, liabilities, fines or penalties resulting from discharges, emissions, spills, storage or disposal arising from Tenant's occupancy, use or operations, or any other action by Tenant or its contractors, employees, agents, assigns, invitees, or subtenants giving rise to liability, civil or criminal, or any other action by Tenant or its contractors, employees, agents, assigns, or subtenants giving rise to responsibility under any Hazardous Materials Laws. Tenant's obligations hereunder shall apply whenever Landlord incurs costs or liabilities for Tenant's activities or for the activities of Tenant's contractors, employees, agents, assigns, invitees, or subtenants as provided hereunder. This provision shall survive the expiration or termination of this Lease. Except as otherwise provided at Section 12.3 above, Tenant shall have no indemnity obligations hereunder for any costs, expenses, liabilities, fines or penalties resulting from any Hazardous Materials existing in or under the Premises or the Land prior to the Commencement Date or any Hazardous Materials brought upon, stored or handled at, released in or onto the Premises or the Land by Landlord or Landlord's employees, agents, contractors or tenants.

13. ASSIGNMENT AND SUBLETTING.

13.1 Landlord Consent Required. Subject to Sections 13.5 and 13.6 below, Tenant shall not voluntarily or by operation of law, (a) mortgage, pledge, hypothecate or encumber this Lease or any interest therein, (b) assign or transfer this Lease or any interest herein, sublease the Premises or any part thereof or any right or privilege appurtenant thereto, or allow any other person (the employees and invitees of Tenant excepted) to occupy or use the Premises, or any portion thereof, without first obtaining the written consent of Landlord, which consent shall not

be withheld unreasonably provided that (i) Tenant is not then in Default under this Lease nor is any event then occurring, with the giving of notice or the passage of time, or both, would constitute a Default hereunder, and (ii) Tenant has not previously assigned or transferred this Lease or any interest herein or subleased the Premises or any part thereof. A transfer of greater than fifty percent (50%) interest (whether stock, partnership interest, membership interest or otherwise) of Tenant, either in one (1) transaction or a series of transaction shall be deemed to be an assignment under this Lease.

13.2 Landlord Recapture. In the event of an assignment of this Lease or subletting of more than thirty percent (30%) of the rentable square footage of the Premises, Landlord shall have the right to recapture the portion of the Premises that Tenant is proposing to transfer. If Landlord exercises its right to recapture, this Lease shall automatically be amended (or terminated if the entire Premises is being assigned or sublet) to delete the applicable portion of the Premises effective on the proposed effective date of the Transfer, although Landlord may require Tenant to execute a reasonable amendment or other document reflecting such reduction or termination. In addition, if Landlord exercises its right to recapture for less than the entire Premises and Tenant reasonably determines that the remaining portion of the Premises needs to be demised from the recaptured portion of the Premises in order to protect sensitive proprietary information of Tenant relating to Tenant's operations allowed by Tenant's Permitted Use, Landlord, at its sole expense, shall demise the portion of the Premises retained by Tenant from the portion of the Premises recaptured by Landlord.

13.3 Reasonable Consent. If Tenant intends to assign this Lease or sublet the Premises or any part thereof, Tenant shall give Landlord written notice of such intent ("**Transfer Notice**"). Tenant's Transfer Notice shall be accompanied by a copy of the proposed assignment or sublease between Tenant and the proposed assignee or subtenant, together with current and three (3) years' prior financial statements, if available, for the proposed assignee or subtenant, which financial statement shall be prepared in accordance with generally accepted accounting principles. Tenant shall provide Landlord with any additional information or documentation reasonably requested by Landlord within ten (10) business days after receiving Landlord's request. Landlord shall then have a period of thirty (30) days following receipt of such additional information (or 30 days after receipt of Tenant's Transfer Notice if no additional information is requested) within which to notify Tenant in writing that Landlord elects either (a) to exercise its recapture rights in accordance with Section 13.2 in which event Tenant will be relieved of all further obligations hereunder as to such space as of the date specified in Landlord's notice terminating the Lease with respect to the relevant space, (b) to permit Tenant to assign this Lease or sublet such space as described in the Transfer Notice, subject, however, to prior written consent to the proposed assignment or sublease or (c) deny Tenant's request to assign this Lease or sublet such space. Among other factors upon which Landlord may base a withholding of consent are the following: (i) the use of the Premises by such proposed assignee or subtenant would not be a Permitted Use; (ii) the financial condition of the proposed assignee or subtenant is such that, in Landlord's reasonable determination, it would be unable to perform its obligations under the proposed sublease or assignment; (iii) the portion of the Premises proposed to be sublet is irregular in shape and/or does not permit safe or otherwise appropriate means of ingress and egress, or does not comply with other Laws or regulations; (iv) Landlord or Landlord's agents have negotiated with the proposed assignee or subtenant with regard to the leasing of space at the Property, at any time within the preceding six (6) months provided that

Landlord has space available that is reasonably comparable to the space that would be subject to the proposed assignment or sublease; or (v) any other reasonable basis that Landlord may assert.

13.4 Transfer Premium. If Landlord consents to any requested assignment or sublease (each a “**Transfer**”) and the assignee or subtenant pays to Tenant an amount in excess of the Rent due under this Lease (after deducting Tenant’s reasonable, actual expenses in obtaining such assignment or sublease, such expenses being limited to (a) any Alterations to the subject space made in order to achieve the Transfer, or contributions to the cost thereof, amortized in equal monthly installments over the then remainder of the Term and (b) any commercially reasonable brokerage commissions, reasonable attorneys’ fees and reasonable advertising and marketing costs incurred by Tenant in connection with the Transfer) (“**Transfer Premium**”). Tenant shall pay fifty percent (50%) of such Transfer Premium to Landlord as and when the monthly payments are received by Tenant.

13.5 Tenant Affiliates. Notwithstanding anything to the contrary contained in Section 13.1, Tenant may, without obtaining the prior consent of Landlord and without triggering Landlord’s recapture right under Section 13.2, and without the payment of any amounts pursuant to Section 13.4, sublet or license the use of all or any part of the Premises or assign this Lease to a Tenant Affiliate, provided that (a) Tenant shall give not less than thirty (30) days’ prior written notice thereof to Landlord (to the extent such notice is permitted by applicable Law), (b) Tenant shall continue to be fully obligated under this Lease, and (c) any such assignee or sublessee shall expressly assume and agree to perform all the terms and conditions of this Lease to be performed by Tenant and to use the Premises only for a Permitted Use (but with respect to a sublease, only with respect to that portion of the Premises that is the subject of the sublease and excluding all rental obligations of Tenant hereunder). As used herein, “**Tenant Affiliate**” means (i) an entity controlling, controlled by or under common control with Tenant, (ii) a successor corporation or limited liability company related to Tenant by merger, consolidation, nonbankruptcy reorganization, or government action, or (iii) a purchaser of substantially all of Tenant’s assets located in the Premises; and a party shall be deemed to “control” another party for purposes of the definition contained in the aforesaid clause (i) only if the first party owns more than fifty percent (50%) of the stock or other beneficial interests of the second party or has the power to direct or cause the direction of the management or policy of the second party, or the first and second party share the same, or substantially the same (defined as a majority of directors on the “controlled” entity’s board are also on the other entity’s board), board of directors. Within five (5) business days of execution of any such sublease or license with a Tenant Affiliate, Tenant shall deliver to Landlord a copy of the fully executed assignment, sublease or license.

13.6 No Release. No Transfer shall release or discharge Tenant of or from any liability, whether past, present or future, under this Lease, and Tenant shall continue to be fully liable hereunder. Each subtenant or assignee shall agree, in a form reasonably satisfactory to Landlord, to comply with and be bound by all of the terms, covenants, conditions, provisions and agreements of this Lease. The assignment or sublease agreement, as the case may be, after approval by Landlord, shall not be amended without Landlord’s prior written consent, and shall contain a provision directing the assignee or subtenant to pay the rent and other sums due thereunder directly to Landlord upon receiving written notice from Landlord that Tenant is in default under this Lease with respect to the payment of Rent. In the event that, notwithstanding the giving of such notice, Tenant collects any rent or other sums from the assignee or subtenant,

then Tenant shall hold such sums in trust for the benefit of Landlord and shall immediately forward the same to Landlord. Landlord's collection of such rent and other sums shall not constitute an acceptance by Landlord of attornment by such assignee or subtenant. Tenant shall deliver to Landlord promptly after execution an executed copy of each Transfer and an agreement of compliance by each such subtenant or assignee.

13.7 Expenses and Attorneys' Fees. Tenant shall pay to Landlord all reasonable costs and expenses (including without limitation, the fees of Landlord's counsel) reasonably incurred in connection Landlord's review and processing of documents regarding any proposed Transfer (which under no circumstances shall be less than \$750 per proposed Transfer).

13.8 Limitations on Transfer Reasonable. Tenant acknowledges and agrees that the restrictions, conditions, and limitations imposed by this Article 13 on Tenant's ability to assign or transfer this Lease or any other interests herein, to sublet the Premises or any part thereof, are, for purposes of California Civil Code Section 1951.4, as amended from time to time, and for all other purposes, reasonable at the time this Lease was entered into and shall be deemed to be reasonable at the time that Tenant seeks to assign or transfer this Lease or any interest herein, to sublet the Premises or any part thereof, or transfer or assign any right or privilege appurtenant to the Premises.

14. INDEMNITY AND WAIVER OF CLAIMS.

14.1 Tenant Indemnification. Tenant shall indemnify, defend and hold Landlord and Landlord Related Parties harmless against and from all liabilities, obligations, damages, penalties, claims, actions, costs, charges, judgment and expenses (including reasonable attorneys' fees, costs and disbursements) (collectively referred to as "**Losses**"), arising from (a) the use of, or any activity done, permitted or suffered in or about the Premises (b) any activity done, permitted or suffered by Tenant or Tenant's agents in or about the Buildings (c) any act, neglect, fault, willful misconduct of Tenant or Tenant's agents, or (d) from any breach or default in the terms of this Lease by Tenant or Tenant's agents, except to the extent such claims arise out of or relate to the gross negligence or willful misconduct of Landlord. If any action or proceeding is brought against Landlord by reason of any such claim, upon notice from Landlord, Tenant shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord. As a material part of the consideration to Landlord, Tenant hereby releases Landlord and its trustees, members, principals, beneficiaries, partners, officers, directors, employees, property managers, Mortgagees and agents ("**Landlord Related Parties**") from responsibility for, waives its entire claim of recovery for and assumes all risks of (i) damage to property or injury to person in or about the Premises or the Building from any cause whatsoever except to the extent caused by the gross negligence or willful misconduct of Landlord, any Landlord Related Parties or Landlord's contractors, or (ii) loss resulting from business interruption or loss of income at the Premises.

14.2 Waiver of Claims. Except in the event of the gross negligence or willful misconduct of Landlord, Landlord Related Parties, or Landlord's contractors Landlord shall not be liable to Tenant and Tenant hereby waives all claims against Landlord and Landlord Related Parties for any injury or damage to any person or property occurring or incurred in connection with or in any way relating to the Premises or Building from any cause. Without limiting the

foregoing, neither Landlord nor any Landlord Related Party shall be liable for and there shall be no abatement rent for (a) any damage to Tenant's property stored with or entrusted to any Landlord Related Party, (b) loss of or damage to any property by theft or any other wrongful or illegal act, or (c) any injury or damage to person or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Premises or Building or from the pipes, appliances, appurtenance or plumbing works thereof or from the roof, street or surface or from any other place or resulting from dampness or any other cause whatsoever or from the acts or omissions of other tenants, occupants or other visitors to the Premises or Building or from any other cause whatsoever, (d) any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Premises or (e) any latent or other defects in the Premises or the Building. Tenant agrees that in no case shall Landlord or any Landlord Related Party be responsible or liable on any theory for any injury to Tenant's business, loss of profits, loss of income or any other form of consequential damage.

14.3 Survival/No Impairment. The obligations of Tenant under this Article 14 shall survive any termination of this Lease. The foregoing indemnity obligations shall not relieve any insurance carrier of its obligations under any policies required to be carried by either party pursuant to this Lease, to the extent that such policies cover the peril or currents that results in the claims that is subject to the foregoing indemnity.

15. INSURANCE.

15.1 Tenant's Insurance.

(a) Liability Insurance. Tenant shall maintain in full force throughout the Term, commercial general liability insurance providing coverage on an occurrence form basis with limits of not less than Two Million Dollars (\$2,000,000.00) each occurrence for bodily injury and property damage combined, or such larger amount as Landlord may prudently require from time to time, covering bodily injury and property damage liability and product liability if a product is sold from the Premises. Each policy of liability insurance required by this Section shall: (i) contain a cross liability endorsement or separation of insureds clause; (ii) provide that any waiver of subrogation rights or release prior to a loss does not void coverage; (iii) provide that it is primary to and not contributing with, any policy of insurance carried by Landlord covering the same loss; (iv) provide that any failure to comply with the reporting provisions shall not affect coverage provided to Landlord, its partners, property managers and Mortgagees; and (v) name Landlord, PM Realty Group L.P. and such other parties in interest as Landlord may from time to time reasonably designate to Tenant in writing, as additional insureds in an Additional Insured Endorsement. Such additional insureds shall be provided at least the same extent of coverage as is provided to Tenant under such policies. The additional insured endorsement shall be in a form at least as broad as endorsement form number CG 20 11 01 96 promulgated by the Insurance Services Office.

(b) Personal Property Insurance. Tenant shall maintain in full force and effect on all of its personal property, furniture, furnishings, trade fixtures and equipment from time to time located in, on or upon the Premises ("**Tenant's Property**"), and any Alterations (as defined in Article 10) in an amount not less than one hundred percent (100%) of their full replacement value from time to time during the Term, providing protection against

all perils, included within the standard form of "all-risk" (i.e., "Special Cause of Loss") fire and casualty insurance policy. Landlord shall have no interest in the insurance upon Tenant's Property or Alterations and will sign all documents reasonably necessary in connection with the settlement of any claims or loss by Tenant. Landlord will not carry insurance on Tenant's Property or Alterations.

(c) Worker's Compensation Insurance; Employer's Liability Insurance. Tenant shall, at Tenant's expense, maintain in full force and effect during the Term of this Lease, worker's compensation insurance with not less than the minimum limits required by law, and employer's liability insurance with a minimum limit of coverage of One Million Dollars (\$1,000,000.00).

(d) Pollution Legal Liability.

(i) Commercial Pollution Legal Liability. Tenant shall maintain a Commercial Pollution Legal Liability Insurance with coverage limits of not less than Two Million Dollars (\$2,000,000) annual aggregate covering claims arising out of or related to Tenant's Contamination during the term of this Lease.

(ii) Contractor's Pollution Legal Liability. Tenant shall cause any contractors retained for performing any Alterations of the Premises, the total cost of which exceed Two Hundred Thousand dollars (\$200,000) to obtain and maintain Contractor's Pollution Liability Insurance covering the general contractor and all subcontractors in an amount of not less than Two Million Dollars (\$2,000,000) with a maximum deductible of One Hundred Thousand Dollars (\$100,000) with coverage continuing for ten years after completion of construction. Any such policy shall name the City as an additional insured.

(e) Business Interruption Insurance. Tenant shall, at Tenant's expense, maintain in full force and effect during the Term of this Lease, Business Interruption Insurance with a limit of liability representing loss of at least approximately twelve (12) months of income.

(f) Automobile Liability. If Tenant-owned vehicles are operated on or about the Building or Land, Tenant shall, at its expense, maintain in full force and effect during the Term of this Lease, Commercial Automobile Liability. Such policy shall be in an amount of not less than One Million Dollars (\$1,000,000) combined singled limit. Such policy of insurance shall be issued by an insurance company authorized to do business in the state of California and rated A-: VII or better in the Best's Key Rating Guide.

15.2 Requirements For All Policies. Each policy of insurance required under Section 15.1 (but excluding any policy required under Section 15.1(b)) shall: (a) be in a form, and written by an insurer, reasonably acceptable to Landlord, (b) be maintained at Tenant's sole cost and expense, and (c) require at least thirty (30) days' written notice to Landlord prior to any cancellation, nonrenewal or modification of insurance coverage; provided, however, that if Tenant's insurers are unwilling to issue such endorsement, then Tenant agrees as follows: If Tenant is notified by any insurer of the insurance coverage required under this Article 15 that the insurer is canceling any required policy, Tenant shall immediately provide Landlord with written

notice of having received such notice from its insurer and shall take all reasonable action to either preserve the existing policy/policies or replace the canceled insurance with other such policy/policies of insurance meeting the requirements of this Article 15 before the effective date of such cancellation. Insurance companies issuing such policies shall have rating classifications of "A-" or better and financial size category ratings of "VII" or better according to the latest edition of the Best Key Rating Guide. All insurance companies issuing such policies shall be admitted carriers licensed to do business in the state where the Property is located. Any deductible amount under such insurance shall not exceed \$5,000. Tenant shall provide to Landlord, upon request, evidence that the insurance required to be carried by Tenant pursuant to this Section, including any endorsement affecting the additional insured status, is in full force and effect and that premiums therefor have been paid. Tenant shall, at least thirty (30) days prior to expiration of each policy, furnish Landlord with certificates of renewal thereof and shall provide Landlord with at least thirty days prior written notice of any cancellation or modification. Landlord and Tenant agree, to the extent such waivers are commercially reasonable, to have their respective insurance companies waive any rights of subrogation that such company may have against Landlord or Tenant, as the case may be.

15.3 Certificates of Insurance. Upon execution of this Lease by Tenant, and not less than thirty (30) days prior to expiration of any policy thereafter, Tenant shall furnish to Landlord a certificate of insurance reflecting that the insurance required by this Article is in force, accompanied by an endorsement(s) showing the required additional insureds satisfactory to Landlord in substance and form.

15.4 Landlord's Insurance. During the Term, Landlord shall keep in effect property insurance covering the Building in amounts not less than the full insurance replacement value thereof (but not on any Alterations or any of Tenant's Property) with customary limits and deductibles, together with such other types of insurance coverage, if any, as Landlord, in Landlord's sole discretion, may elect to carry.

15.5 Subrogation. Notwithstanding anything to the contrary set forth hereinabove, Landlord and Tenant do hereby waive any and all claims against one another for damage to or destruction of real or personal property to the extent such damage or destruction can be covered by the property insurance of the type described in Sections 15.1(b) and 15.4 above. The risk to be borne by each party shall also include the satisfaction of any deductible amounts required to be paid under the applicable fire and casualty insurance carried by the party whose property is damaged, and each party agrees that the other party shall not be responsible for satisfaction of such deductible (this will not preclude Landlord from including deductible payments in Expenses). These waivers shall apply if the damage would have been covered by a customary "all risks" insurance policy, even if the party fails to obtain such coverage. The intent of this provision is that each party shall look solely to its insurance with respect to property damage or destruction which can be covered by "all risks" insurance of the type described in Section 15.1(b) and 15.4. To the extent available, each such policy shall include a waiver of all rights of subrogation by the insurance carrier against the other party, its agents and employees with respect to property damage covered by the applicable "all risks" fire and casualty insurance policy. The foregoing notwithstanding, it is understood that the insurance pool issuing the contractual property insurance to the City of Alameda does not include waiver of subrogation

provisions in its pool coverage contracts, consequently, the terms of this Section 15.5 shall not apply so long as the Landlord is the City of Alameda.

16. DAMAGE OR DESTRUCTION.

16.1 Definitions.

(a) **“Premises Partial Damage”** shall mean damage or destruction to the improvements on the Premises (or Hazardous Material Condition for which Tenant is not responsible), other than Tenant’s Property (as defined at Section 15.1(b)), or Alterations (as defined at Article 10), which can reasonably be repaired in six (6) months or less from the date of the damage or destruction. Landlord shall notify Tenant in writing within thirty (30) days from the date of the damage or destruction as to whether or not the damage is Partial or Total and the estimated time for repairing said damage. Notwithstanding the foregoing, Premises Partial Damage shall not include damage to windows, doors, and/or other similar items which Tenant has the responsibility to repair or replace pursuant to the provisions of Section 11.1.

(b) **“Premises Total Destruction”** shall mean damage or destruction to the Premises (or Hazardous Material Condition for which Tenant is not responsible), other than Tenant’s Property (as defined at Section 15.1(b)), or Alterations (as defined at Article 10), which cannot reasonably be repaired in six (6) months or less from the date of the damage or destruction. Landlord shall notify Tenant in writing within thirty (30) days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) **“Insured Loss”** shall mean damage or destruction to improvements on the Premises, other than Tenant’s Property (as defined at Section 15.1(b)), or Alterations (as defined at Article 10), which was caused by an event required to be covered by the insurance described in Section 15.4, irrespective of any deductible amounts or coverage limits involved.

(d) **“Replacement Cost”** shall mean the cost to repair or rebuild the improvements owned by Landlord (excluding Alterations) at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Laws governing the Premises, and without deduction for depreciation.

(e) **“Hazardous Material Condition”** shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Material as (defined in Section 12.1), in, on, or under the Premises which requires repair, remediation, or restoration.

16.2 Partial Damage - Insured Loss. If a Premises Partial Damage that is an Insured Loss occurs, Landlord shall repair such damage (but not Tenant’s Property or Alterations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Tenant shall, at Landlord’s election, make the repair of any damage or destruction the total cost to repair of which is \$10,000 or less, and, in such event, Landlord shall make any applicable insurance proceeds available to Tenant on a reasonable basis for that purpose.

Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, Tenant shall promptly contribute the shortage in proceeds (except as to the deductible (not to exceed \$10,000) which is Tenant's responsibility) as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Landlord shall have no obligation to fully restore the unique aspects of the Premises unless Tenant provides Landlord with the funds to cover same, or adequate assurance thereof, within ten (10) days following receipt of written notice of such shortage and request therefor. If Landlord receives said funds or adequate assurance thereof within said ten (10) day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not so received, Landlord may nevertheless elect by written notice to Tenant within ten (10) days thereafter to: (a) make such restoration and repair as is commercially reasonable with Landlord paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (b) have this Lease terminate thirty (30) days thereafter. Tenant shall not be entitled to reimbursement of any funds contributed by Tenant to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Section 16.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party. The foregoing notwithstanding, if Landlord's notice delivered pursuant to Section 16.1(a) above shows an estimated time for repairing the damage in excess of one hundred twenty (120) days with respect to the Building then Tenant may, within ten (10) business days of receipt of such notice, deliver written notice of its election to terminate this Lease. Such termination shall become effective on the tenth (10th) business day following such notice from Tenant.

16.3 Partial Damage - Uninsured Loss. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Tenant (in which event Tenant shall make the repairs at Tenant's expense), Landlord may either: (a) repair such damage as soon as reasonably possible at Landlord's expense, in which event this Lease shall continue in full force and effect, or (b) terminate this Lease by giving written notice to Tenant within thirty (30) days after receipt by Landlord of knowledge of the occurrence of such damage. Such termination shall be effective sixty (60) days following the date of such notice. In the event Landlord elects to terminate this Lease, Tenant shall have the right within ten (10) days after receipt of the termination notice to give written notice to Landlord of Tenant's commitment to pay for the repair of such damage without reimbursement from Landlord. Tenant shall provide Landlord with said funds or satisfactory assurance thereof within thirty (30) days after making such commitment. In such event this Lease shall continue in full force and effect, and Landlord shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Tenant does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

16.4 Total Destruction. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate sixty (60) days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Tenant, Landlord shall have the right to recover Landlord's damages from Tenant, subject to Section 15.6.

16.5 Damage Near End of Term. If at any time during the last six (6) months of this Lease Term (or the last 6 months of any Renewal Term) there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Landlord or Tenant may terminate this Lease effective sixty (60) days following the date of occurrence of such damage by giving a written termination notice to Landlord or Tenant within thirty (30) days after the date of occurrence of such damage. Notwithstanding the foregoing, if Tenant at that time has an exercisable option to extend this Lease or to purchase the Premises, then Tenant may preserve this Lease by (a) exercising such option and (b) providing Landlord with any shortage in insurance proceeds (or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is ten (10) days after Tenant's receipt of Landlord's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Tenant duly exercises such option during such period and provides Landlord with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Landlord shall, at Landlord's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Tenant fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Tenant's option shall be extinguished.

16.6 Abatement of Rent. In the event of Premises Partial Damage, Premises Total Destruction or Hazardous Material Condition for which Tenant is not responsible under this Lease, the Rent payable by Tenant for the period commencing on the date of the damage or destruction and ending on the date the repair, remediation or restoration is substantially completed shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired, and such abatement shall be Tenant's sole remedy for such impairment of use. All other obligations of Tenant hereunder shall be performed by Tenant, and Landlord shall have no liability for any such damage, destruction, Hazardous Material Condition, remediation, repair or restoration except as provided herein.

17. CONDEMNATION.

If the whole or if any material part of the Premises or Building is taken or condemned for any public or quasi-public use under either state or federal law, by eminent domain or purchase in lieu thereof (a "Taking"), and (a) such Taking renders the Premises or Building unsuitable, in Landlord's reasonable opinion, for the purposes for which they were constructed; or (b) the Premises or Building cannot be repaired, restored or replaced at reasonable expense to an economically profitable unit, then Landlord may, at its option, terminate this Lease as of the date possession vests in the condemning party. If twenty-five percent (25%) or more of the Premises is taken and if the Premises remaining after such Taking and any repairs by Landlord would be untenable (in Tenant's reasonable opinion) for the conduct of Tenant's business operations, Tenant shall have the right to terminate this Lease as of the date possession vests in the condemning party. The terminating party shall provide written notice of termination to the other party within thirty (30) days after it first receives notice of the Taking. The termination shall be effective as of the effective date of any order granting possession to, or vesting legal title in, the condemning authority. If this Lease is not terminated, Base Rent shall be appropriately adjusted to account for any reduction in the square footage of the Premises. If only a part of the Premises is subject to a Taking and this Lease is not terminated, Landlord, with reasonable diligence, will restore the remaining portion of the

Premises as nearly as practicable to the condition immediately prior to the Taking. Tenant hereby waives any and all rights it might otherwise have pursuant to Section 1265.130 of the California Code of Civil Procedure, or any similar or successor Laws. Landlord shall be entitled to any and all compensation, damages, income, rent, awards or any interest thereon which may be paid or made in connection with any such Taking, and Tenant shall have no claim against Landlord for the value of any expired term of this Lease or otherwise; provided, however, that Tenant shall be entitled to receive any award separately allocated by the condemning authority to Tenant for Tenant's relocation expenses, the value of Tenant's fixture, equipment and personal property (specifically excluding components of the Premises which under this Lease or by law are or at the expiration of the Term will become the property of Landlord, including, without limitation, fixtures and Alterations), or Tenant's loss of business goodwill, provide that such award does not reduce any award otherwise allocable or payable to Landlord.

18. DEFAULT.

18.1 Events of Default. The occurrence of any of the following shall constitute a "Default" by Tenant:

(a) Tenant fails to make any payment of Rent when due, if payment in full is not received by Landlord within five (5) days after written notice that it is past due.

(b) Tenant abandons the Premises as defined in Section 1951.3 of the California Civil Code.

(c) Tenant fails timely to deliver any subordination document or estoppel certificate requested by Landlord within the applicable time period specified herein below, and such failure continues for an additional five (5) days following notice of such failure from Landlord.

(d) Tenant violates the restrictions on Transfer set forth in Article 13.

(f) Tenant fails to perform or comply with any provision of this Lease other than those described in (a) through (e) above, and does not fully cure such failure within thirty (30) days after notice to Tenant or, if such failure cannot be cured within such thirty (30) day period, Tenant fails within such thirty (30)-day period to commence, and thereafter diligently proceed with, all actions necessary to cure such failure as soon as reasonably possible but in all events within ninety (90) days of such notice.

18.2 Remedies. Upon the occurrence of any Default under this Lease, whether enumerated in Section 18.1 or not, Landlord shall have the option to pursue any one or more of the following remedies without any notice (except as expressly prescribed herein) or demand whatsoever. Without limiting the generality of the foregoing, Tenant hereby specifically waives notice and demand for payment of Rent or other obligations, and waives any and all other notices or demand requirements imposed by applicable Law:

(a) Terminate this Lease and Tenant's right to possession of the Premises and recover from Tenant an award of damages equal to the sum of the following:

(i) The Worth at the Time of Award of the unpaid Rent which had been earned at the time of termination;

(ii) The Worth at the Time of Award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such Rent loss that Tenant affirmatively proves could have been reasonably avoided;

(iii) The Worth at the Time of Award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant affirmatively proves could be reasonably avoided discounted to the then present value;

(iv) Any other amount necessary to compensate Landlord for all the detriment either proximately caused by Tenant's failure to perform Tenant's obligations under this Lease or which in the ordinary course of things would be likely to result therefrom; and

(v) All such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time under applicable law.

The "**Worth at the Time of Award**" of the amounts referred to in parts (i) and (ii) above, shall be computed by allowing interest at the lesser of a per annum rate equal to: (A) the greatest per annum rate of interest permitted from time to time under applicable law, or (B) the Prime Rate plus 5% as determined by Landlord.

(b) Employ the remedy described in California Civil Code § 1951.4 (Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover Rent as it becomes due, if Tenant has the right to sublet or assign, subject only to reasonable limitations); or

(c) Notwithstanding Landlord's exercise of the remedy described in California Civil Code § 1951.4 in respect of an event or events of Default, at such time thereafter as Landlord may elect in writing, to terminate this Lease and Tenant's right to possession of the Premises and recover an award of damages as provided above.

18.3 No Waiver. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such Rent. No waiver by Landlord of any breach hereof shall be effective unless such waiver is in writing and signed by Landlord.

18.4 Waiver of Redemption, Reinstatement, or Restoration. Tenant hereby waives any and all rights conferred by Section 3275 of the Civil Code of California and by Sections 1174(c) and 1179 of the Code of Civil Procedure of California and any and all other laws and rules of law from time to time in effect during the Lease Term or thereafter providing that Tenant shall have any right to redeem, reinstate or restore this Lease following its termination as a result of Tenant's breach.

18.5 Remedies Cumulative. No right or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder or now or hereafter existing by agreement, applicable Law or in equity. In addition to other remedies provided in this Lease, Landlord shall be entitled, to the extent permitted by applicable Law, to injunctive relief, or to a decree compelling performance of any of the covenants, agreements, conditions or provisions of this Lease, or to any other remedy allowed to Landlord at law or in equity. Forbearance by Landlord to enforce one or more of the remedies herein provided upon an event of Default shall not be deemed or construed to constitute a waiver of such Default.

18.6 Landlord's Right to Perform Tenant's Obligations. If Tenant is in Default of any of its non-monetary obligations under this Lease, in addition to the other rights and remedies of Landlord provided herein, then Landlord may at Landlord's option, but without any obligation to do so and without further notice to Tenant, perform any such term, provision, covenant or condition or make any such payment and Landlord by reason of doing so shall not be liable or responsible for any loss or damage thereby sustained by Tenant. If Landlord performs any of Tenant's obligations hereunder in accordance with this Section 18.6, the full amount of the costs and expense incurred or the payments so made or the amount of the loss so sustained shall be immediately be owed by Tenant to Landlord, and Tenant shall promptly pay to Landlord upon demand, as Additional Rent, the full amount thereof with interest thereon from the day of payment by Landlord the lower of ten percent (10%) per annum, or the highest rate permitted by applicable law.

18.7 Severability. This Article 18 shall be enforceable to the maximum extent such enforcement is not prohibited by applicable Law, and the unenforceability of any portion thereof shall not thereby render unenforceable any other portion.

19. LIMITATION OF LIABILITY.

Notwithstanding anything to the contrary contained in this Lease, the liability of Landlord (and of any successor landlord) shall be governed by applicable state and federal laws for so long as Landlord is a public entity and, at any time thereafter, shall be limited to the interest of Landlord in the Building as the same may from time to time be encumbered. Tenant

shall look solely to Landlord's interest in the Building for the recovery of any judgment. Neither Landlord nor any Landlord Related Party shall be personally liable for any judgment or deficiency, and in no event shall Landlord or any Landlord Related Party be liable to Tenant for any lost profit, damage to or loss of business or a form of special, indirect or consequential damage. Before filing suit for an alleged default by Landlord, Tenant shall give Landlord and the Mortgagee(s) whom Tenant has been notified hold Mortgages (defined in Article 22 below), notice and reasonable time (not to exceed thirty (30) days, unless the nature of the default is such that more than thirty (30) days are necessary to cure such default) to cure the alleged default.

20. SURRENDER OF PREMISES.

At the termination of this Lease or Tenant's right of possession, Tenant shall remove Tenant's property including any furniture, fixtures, equipment or cabling installed by or for the benefit of Tenant from the Premises, and quit and surrender the Premises to Landlord, broom clean, and in good order, condition and repair, ordinary wear and tear and damage which Landlord is obligated to repair hereunder excepted. Landlord may, by notice to Tenant not less than sixty (60) days prior to the Expiration Date (except in the event of a termination of this Lease prior to the scheduled Expiration Date, in which event no advance notice shall be required) require Tenant, at Tenant's expense, remove any Alterations (except as otherwise provided at Section 10.2, above) and repair any damage caused by such removal. If Tenant fails to remove any of Tenant's property, or to restore the Premises to the required condition, Landlord, at Tenant's sole cost and expense, shall be entitled (but not obligated) to remove and store Tenant's property and/or perform such restoration of the Premises. Landlord shall not be responsible for the value, preservation or safekeeping of Tenant's property. Tenant shall pay Landlord, upon demand, the expenses and storage charges incurred. If Tenant fails to remove Tenant's property from the Premises or storage, within thirty (30) days after notice, Landlord may deem all or any part of Tenant's property to be abandoned and, at Landlord's option, title to Tenant's property shall vest in Landlord or Landlord may dispose of Tenant's property in any manner Landlord deems appropriate.

21. HOLDING OVER.

If Tenant fails to surrender all or any part of the Premises at the termination of this Lease, occupancy of the Premises after termination shall be that of a tenancy at sufferance. Tenant's occupancy shall be subject to all the terms and provisions of this Lease and Tenant shall pay an amount (on a per month basis without reduction for partial months during the holdover) equal to 150% of the sum of the Base Rent due for the period immediately preceding the holdover. No holding over by Tenant shall operate to extend the Term. If Tenant does not surrender possession at the end of the Term or sooner termination of this Lease, Tenant shall indemnify and hold Landlord harmless from and against any and all losses or liability resulting from delay in Tenant so surrendering the Premises including, without limitations, any loss or liability resulting from any claim against Landlord made by any succeeding tenant or prospective tenant founded on or resulting from such delay. Any holding over by Tenant with the written consent of Landlord shall thereafter constitute a lease from month to month.

22. MORTGAGES.

22.1 Subordination to Mortgages. Tenant accepts this Lease subject and subordinate to any mortgage(s), deed(s) of trust, ground lease(s) or other lien(s) now or subsequently arising upon the Premises, or Building and any ground lease(s) or other agreements or covenants running with the land now or subsequently arising upon the Building, and to renewals, modifications, refinancing and extensions thereof (collectively referred to as a “**Mortgage**”). The party having the benefit of a Mortgage shall be referred to as a “**Mortgagee**”. This clause shall be self-operative, but upon request from a Mortgagee, Tenant shall, within ten (10) business days written request therefor from Landlord, execute a commercially reasonable subordination agreement in favor of the Mortgagee. Landlord shall use commercially reasonable efforts to obtain for Tenant a non-disturbance provision in any such subordination agreement. As an alternative, a Mortgagee shall have the right at any time to subordinate its Mortgage to this Lease. Upon request, Tenant, shall attorn to any successor to Landlord’s interest in this Lease.

22.2 Mortgage Protection. Tenant shall give to any Mortgagee, in accordance with the notice requirements of Article 25 below, at the same time as it is given to Landlord, a copy of any notices of default given to Landlord, provided that, prior to such notice, Tenant has been notified in writing (by way of notice of assignment of rent and leases, or otherwise) of the existence and address of such Mortgagee. Tenant further agrees that, if Landlord shall have failed to cure such default within the time provided for in this Lease, and the Mortgagee has notified Tenant, prior to the expiration of Landlord’s cure period that such Mortgagee intends to attempt to cure Landlord’s default hereunder, then the Mortgagee shall have an additional reasonable period of time within which to cure such default, or if such default cannot be cured without Mortgagee pursuing its remedies against Landlord, then mortgagee shall have such additional time as may be necessary to commence and complete a foreclosure proceeding. If, in connection with obtaining financing for the Project, or a portion thereof, Landlord’s lender shall request reasonable modifications to this Lease as a condition to such financing, Tenant shall not unreasonably withhold, delay or defer its consent to such modifications, provided that such modifications do not materially adversely affect Tenant’s rights or increase Tenant’s obligations under this Lease.

23. TENANT’S ESTOPPEL CERTIFICATE.

Within ten (10) days after written request therefor, Tenant shall execute and deliver to Landlord, in a form provided by or satisfactory to Landlord, (which may be revised with such modifications as may be reasonably required by Tenant to make the estoppel factually true), an estoppel certificate stating, that this Lease is in full force and effect, describing any amendments or modifications thereto, acknowledging that this Lease is subordinate or prior, as the case may be, to any Mortgage and stating any other information Landlord may reasonably request, including the Term, the monthly Base Rent, the date to which Rent has been paid, the amount of any security deposit or prepaid rent, whether either party hereto is in default under the terms of the Lease, and whether Landlord has completed any construction obligations hereunder. Any such estoppel certificate may be relied upon by any person or entity purchasing, acquiring an interest in or extending finance with respect to the Building, or any part thereof. If Tenant fails to provide such certificate within ten (10) days as herein provided, and such failure continues for an additional five (5) days following notice of such failure from Landlord as provided in

Section 18.1(e), then such failure shall at Landlord's election, constitute a Default and Tenant shall be deemed to have given such certificate as above provided without modification and shall be deemed to have admitted the accuracy of any information supplied by Landlord to a prospective purchaser or mortgagee or deed of trust holder.

24. [INTENTIONALLY OMITTED.]

25. NOTICE.

All notices shall be in writing and delivered by hand or sent by registered, express, or certified mail, with return receipt requested or with delivery confirmation requested from the U.S. postal service, or sent by overnight or same day courier service at the party's respective Notice Address(es) set forth in the Basic Lease Information ("**Notice Address**"). Without limiting the generality of the foregoing, if Landlord utilizes the services of an attorney for the purpose of collecting any Rent due and unpaid by Tenant or in connection with any other breach of this Lease by Tenant following a written demand of Landlord to pay such amount or cure such breach, Tenant agrees to pay Landlord reasonable actual attorneys' fees for such services, irrespective of whether any legal action may be commenced or filed by Landlord.

27.4 Force Majeure. Whenever a period of time is prescribed for the taking of an action by Landlord or Tenant (other than the payment of Rent), the period of time for the performance of such action shall be extended by the number of days that the performance is actually delayed due to strikes, acts of God, shortages of labor or materials, war, terrorist acts, pandemics, civil disturbances, extreme weather and other causes beyond the reasonable control of the performing party ("**Force Majeure**").

If the waiver set forth in this Section 27.9 is determined by any court to be invalid because it was executed prior to the commencement of any action, then Landlord and Tenant each covenant and agree to execute and deliver to the other, within five (5) days of a written request by the other, a waiver of the right to trial by jury similar in terms and scope to the waiver set forth in this Section 27.9 at such time following the commencement of such action as such waiver, if then made, would be valid.

28. **OPTION TO PURCHASE.**

28.1 Option. Subject to satisfaction of the Subdivision Condition as defined at Section 28.1(a) below (the "**Condition Precedent**"), Landlord grants to Tenant or an assignee that is a Tenant Affiliate an option to purchase ("**Option**") the real property including the Building and Parking Areas consisting of approximately 5.3 acres as more particularly described and depicted in **Exhibit H**, attached hereto and incorporated herein by this reference ("**Option Property**") upon all of the terms, covenants and conditions set forth in this Article. For purposes of this Article, Landlord may sometimes be referred to as "Optionor" and Tenant as "Optionee". This Option is personal to and may be exercised only by the entity identified as the Tenant in the Basic Lease Information or an assignee that is a Tenant Affiliate.

(a) Subdivision Condition. Optionee acknowledges that the Option Property has not been surveyed, subdivided or assigned an Assessor Parcel Number. This Option is therefore contingent upon the approval and filing for record of a final subdivision

map or parcel map in compliance with California laws, including the Subdivision Map Act (Government Code sections 66410, et seq.) (the “**Subdivision Condition**”). Optionee agrees to undertake such actions as may be reasonably requested by Optionor to assist in the satisfaction of this condition. Optionee acknowledges that in satisfying such Subdivision Condition, Optionor may be required to reserve easements for utilities and access to adjacent properties or buildings, but such reservation shall be accompanied by a Declaration of Reciprocal Easements (the “**REA**”) which shall be recorded with such parcel or subdivision map. The boundaries and permitted uses of all such easements shall also be subject to the prior approval of Optionee, which approval shall not unreasonably be withheld. The reservation of such easements shall not affect the amount of the Purchase Price as specified at Section 28.3 below. Satisfaction of such Subdivision Condition may also require Optionee to comply with the City of Alameda’s Private Sewer Lateral ordinance, on-site wastewater collection system requirements of the Alameda Point Master Infrastructure Plan and such flood protection or insurance requirements deemed necessary by the Public Works Director.

(b) Notice of Completion of Subdivision Condition. The Condition Precedent to the Option shall be deemed satisfied by Optionor’s delivery of notice that the Subdivision Condition has been completed (“**Notice of Completion of Subdivision Condition**”). Said Notice of Completion of Subdivision Condition shall be delivered to Optionee in the manner provided in Article 25 of this Lease, and may be delivered at any time after the Commencement Date. The Notice of Completion of Subdivision Condition shall not bind Optionee to buy the Option Property, but shall instead serve as a notice to Optionee of the satisfaction of the Condition Precedent to its option rights.

28.2 Term. The term of this Option (“**Option Term**”) shall be for a period commencing upon the date Optionor delivers its Notice of Completion of Subdivision Condition (“**Option Commencement Date**”) and, unless earlier exercised or terminated pursuant to the terms and conditions set forth below, terminate at midnight on the last day of the Twelfth (12th) calendar month following the Option Commencement Date (“**Option Termination Date**”).

28.3 Purchase Price. The purchase price for the Option Property (“**Purchase Price**”) shall be Eight Million Dollars (\$8,000,000). The Purchase Price shall be paid by Optionee in cash, to Escrow Holder (as defined at Section 28.7 below) in good, same day funds, or before the Closing Date.

28.4 Exercise of Option.

(a) Notice. Provided that the (i) Optionee is not in Default under this Lease; (ii) Optionee delivers a Notice of Intent in accordance with Section 28.1(b); and (iii) Optionor has given its Notice of Completion of Subdivision Condition, the Option may be exercised by Optionee at any time thereafter during the Option Term described in Section 28.2 above. The Option shall be exercised by written notice (“**Option Notice**”) delivered by Optionee to Optionor on or before the Option Termination Date unconditionally stating Optionee’s exercise of the Option. Said notice shall identify a Closing Date, which Closing Date shall be a date which is not more than ninety (90) days from and after the delivery of the Option Notice unless the parties agree in writing to further extend the Closing Date. The Option Notice shall be delivered to Optionor in a manner provided for in Article 25 of the Lease.

(b) Binding Agreement. Upon due and timely delivery of the Option Notice in accordance with Section 28.4(a), Optionee shall become obligated to buy and Optionor shall become obligated to sell, the Option Property, upon and subject to the terms and conditions of this Article. If the Option is not timely exercised as provided in Section 28.4(a) above, the Option shall irrevocably terminate, and Optionee shall have no further right to purchase the Option Property.

28.5 Condition of Option Property and Risk of Loss.

(a) Risk of Loss. Until the Close of Escrow, the risk of any loss or damage to the Option Property shall be governed by the terms and conditions of this Lease. The risk of loss or damage to the Option Property shall pass to Optionee upon the recordation of the Quitclaim Deed on the Closing Date.

(b) Property Sold in an "As-Is" Condition "With All Faults". Optionor and Optionee mutually acknowledge and agree that the Option Property is being sold in an "As-Is" condition "with all faults" known or unknown, contingent or existing, and without any representation or warranty by Optionor as to its fitness for any purpose. Optionee has the sole responsibility to fully inspect the Option Property, to investigate all matters relevant thereto and to reach its own independent evaluation of the risks (environmental or otherwise) or rewards associated with the ownership of the Option Property. Effective as of the Closing Date, except as otherwise expressly set forth herein, Optionee hereby waives and releases the Landlord Related Parties (as defined at Section 14.1 above) and their successors and assigns from and against any claims, obligations or liabilities arising out of or in connection with the physical condition of the Option Property.

(c) Waiver of Environmental Conditions. To the fullest extent permitted by law, and except as expressly set forth in this Lease, Optionee does hereby unconditionally waive and release the Landlord Related Parties from any present or future claims and liabilities of any nature arising from or relating to the presence or alleged presence of Hazardous Materials (as defined at Section 12.1 above) in, on, at, from, under, or about the Option Property including, without limitation, any claims under or on account of any Hazardous Materials Laws regardless if other such Hazardous Materials are located in, on, at, from, under, or about the Option Property prior to or after the date hereof. Upon the giving of Option Notice in accordance with Section 28.4 above, Optionee shall be deemed to have expressly released Optionor from any Remediation Obligations under Section 12.3 of this Lease.

(d) Waiver of Natural Hazards. Optionee further acknowledges that "Natural Hazards" described in the following California Code Sections ("**Natural Hazards Laws**") may affect the Option Property: Government Code sections 8589.4; 8589.3; Government Code sections 51183.4; Public Resource Code section 2621.9; and Public Resource Code section 4136. Optionee acknowledges and agrees that Optionee has had the opportunity independently to evaluate and investigate whether any or all such Natural Hazards affect the Option Property, and Optionor shall have no liabilities or obligations with respect thereto. Without limiting the foregoing, Optionee acknowledges and agrees that Optionee knowingly and intentionally waives and releases Optionor from any disclosures, obligations, or requirements of Optionor with respect to Natural Hazards, including, without limitation, any

disclosures, obligations, or requirements, under the aforementioned code sections or under Article 1.5 section 1102, et seq. of the California Civil Code.

(e) Waiver of Energy Consumption Disclosure. Optionee acknowledges that it will have been in possession of the Option Property and will have contracted directly with the providers of any Utilities in accordance with Section 8.1 of the Lease prior to the Option Effective Date and, to the extent that Optionor may have any energy use disclosure requirements under California Public Resource Code section 25402.10 and any implementing regulations promulgated pursuant thereto, Optionee does hereby unconditionally waive and release Optionor from any such disclosure requirements.

28.6 Title. Upon and subject to Close of Escrow, Optionor shall convey title to the Option Property to Optionee by quitclaim deed. Optionee acknowledges that the Option Property will be conveyed subject only to all of the Restrictions as described at section 6.3 of this Lease and the REA.

28.7 Closing.

(a) Establishment of Escrow. Concurrent with the delivery of its Option Notice, Optionee shall establish an escrow with **Chicago Title Company, 1 Kaiser Plaza, Suite 745, Oakland, California or such other title company as Optionor and Optionee may agree** (“Escrow Holder” or “Title Company”) and shall promptly give Optionor notice of the escrow number for this transaction.

(b) Time. The “**Closing Date**” or “**Ciose of Escrow**” or “**Closing**” shall mean and refer to the date of the close of escrow, which shall occur through Escrow Holder.

(c) Deposit of Documents by Optionor. On or before the Closing Date, Optionor shall deposit with Escrow Holder:

(i) a duly executed and acknowledged quitclaim deed conveying the Option Property to Optionee;

(ii) written instructions to Escrow Holder instructing the Escrow Holder to close the escrow in accordance with the terms of this Article;

(iii) any other documents as may be reasonably requested by Optionee or the Escrow Holder as may be necessary to consummate the transaction including, but not limited to, any statement of information requested by the Escrow Holder.

(d) Deposit of Documents and Money by Optionee. On or before the Closing Date, Optionee shall deposit with Escrow Holder:

(i) the Purchase Price in cash, increased or reduced, as the case may be, by Optionee’s share of the closing costs and other prorations;

(ii) written instructions to the Escrow Holder instructing the Escrow Holder to close the escrow in accordance with the terms of this Article; and

(iii) any other documents or money as may be reasonably requested by the Optionor or the Escrow Holder as necessary to consummate the transaction.

(e) Closing. Escrow shall close by:

(i) recording the quitclaim deed conveying the Option Property to Optionee;

(ii) payment of the Purchase Price to Optionor, less Optionor's share of closing costs and prorations as required by this Article; and

(iii) obtaining from the Title Company for Optionee an owner's policy of title insurance in form and with endorsements designated by Optionee in the amount of the Purchase Price showing title to the Option Property vested of record as of the Closing Date in Optionee.

(f) Closing Costs and Prorations.

(i) Closing Costs. Optionor and Optionee shall each pay one half (1/2) of all escrow fees.

Optionee shall pay:

A. All premium costs and expenses incurred in connection with any policy of title insurance obtained by or on behalf of Optionee; and

B. 50% of any real estate transfer tax.

C. The expense of its own counsel.

D. Any other closing costs not specified herein shall be divided equally between the parties.

Optionor shall pay:

E. 50% of any real estate transfer tax.

(ii) Prorations and Adjustments. The following shall be prorated and adjusted between Optionor and Optionee as of the Closing Date, except as otherwise specified:

A. It is acknowledged that prior to the Closing Date, the Option Property has not been subject to ad valorem taxes or assessments thus no proration of such taxes is required. The foregoing notwithstanding, Optionee shall remain solely responsible for payment of any Personal Property Taxes or possessory interest taxes in accordance with Sections 9.2 and 9.3 of this Lease;

B. All maintenance and repair obligation and expenses of Landlord pursuant to Section 11.2 of the Lease and all Base Rent payable by Tenant shall be prorated effective as of 11:59 pm on the day prior to the Closing Date. If the exact amount of any item to be prorated is not known as of the Closing Date, the proration shall be based upon a reasonable estimate thereof made by Optionor and Optionee, and, as soon after the Closing as the exact amount of the item is known, the proration shall be adjusted, Tenant shall also receive a credit against the Purchase Price in the amount of the Security Deposit held by Landlord at Closing and Landlord shall be allowed to retain the Security Deposit.

28.8 Infrastructure Financing. As additional consideration for the rights and obligations of the parties under this Article 28, Optionee agrees on behalf of itself and any successors and assigns that it will not unreasonably oppose and will vote in favor of the formation of any reasonable City of Alameda Community Financing Districts or other reasonable special tax districts for infrastructure, municipal services, transportation, parking, community benefit and geological hazard abatement districts. The parties hereto acknowledge that the Purchase Price includes an allocated share of "backbone infrastructure" costs, which includes streets, utilities and public benefits. Except as otherwise provided herein, Optionor, agrees to exempt the Option Property from bonds or other assessments made for the purpose of infrastructure capital funding. The foregoing notwithstanding, Optionor and Optionee agree that the Option Property may be subject to bonds or other assessments for any City of Alameda Community Financing.

28.9 Termination of Option upon Default. No attempt to exercise this Option pursuant to Section 28.4 shall be effective if Optionee, as Tenant under this Lease, is in Default beyond any notice and cure period under the terms and conditions of this Lease as of the date of giving said Option Notice, or at any time subsequent thereto prior to Close of Escrow. If this Lease is terminated prior to Close Escrow as the result of a Default by Optionee as Tenant under the Lease, this Option shall be terminated.
