WHEREAS, pursuant to the City Council Policy for Naming City Property, the City of Alameda Historical Advisory Board has maintained a list of approved names for use on new city streets in Alameda,

WHEREAS, the Building Official of the City of Alameda has determined the need to assign addresses off two paseos at Blocks 6 and 7, and these paseos are located between Coronado and West Atlantic Avenues at Site A; and

WHEREAS, Trumark Homes, LLC. has proposed naming the paseos at Blocks 6 and 7 Halo Lane and Starling Lane, respectively, and both names relate to the history of the property as an important Naval Air Station; and

NOW, THEREFORE BE IT RESOLVED, the Planning Board considered the request, all public testimony, and all pertinent documents and reports and made the following findings concerning the request:

1. The proposed names at Blocks 6 and 7 comply with eligibility criteria and requirements in the Council-adopted Street Naming Policy.
2. The proposed names are appropriate for new streets at the former Naval Air Station.

BE IT FURTHER RESOLVED, the Planning Board finds this project exempt from the California Environmental Quality Act (CEQA) pursuant to CEQA Guidelines Section 15061(b), as it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.
