Dear Mayor Spencer, City Council Members and City Clerk Weisiger—

Unfortunately, due to a medical issue, the Board President of the Alameda Museum, Dennis Evanovsky, will not be able to attend Tuesday's City Council meeting. I will be stepping in as the Vice President of the Board to present to you. I understand that Dennis has already made a request to move the agenda item (6-F) for the Museum to the beginning of the evening's calendar, and I was writing to follow up to inquire if that would be possible.

I look forward to telling you all about the status of the Museum and what we have accomplished in the past year.

Thank you very much for your consideration.

Sincerely,

Adam Gillitt
