MEMORANDUM OF UNDERSTANDING
between
CITY OF ALAMEDA
and
ALAMEDA FIRE CHIEFS' ASSOCIATION

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and Employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the City Council of the City of Alameda on its regular agenda in accordance with the Brown Act and the City's Sunshine Ordinance as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing January 1, 2026, and ending December 31, 2027.

All compensation changes shall take effect the first full pay period following January 1, 2026, or first full pay period following ratification of this Agreement and approval by City Council which occurs later.

Section 1. Recognition

1.1 Association Recognition

The "Alameda Fire Chief's Association" (AFCA) hereinafter referred to as the "Association", is the recognized employee organization for the classification in Appendix A. Effective December 29, 2024 the classification of AFCA members shall consist of two (2) Deputy Chiefs and three (3) Division Chiefs. A member working in the Deputy Chief classification and/or Division Chief classification shall receive pay in accordance with section 11.1 of this agreement.

1.2 City Recognition

The Municipal Employee Relations officer of the City of Alameda or any person or organization duly authorized by the Municipal Employee Relations officer, is the representative of City of Alameda, hereinafter referred to as the "City" in employer-employee relations, as provided in Resolution No. 15735 adopted by the City Council on January 19, 2021.

Section 2. Association Security

2.1 Dues Deduction

Payroll deductions for membership dues shall be granted by the City only to the Association.

The following procedures shall be observed in the withholding of employee earnings:

- (1) Payroll deductions shall be for a specific amount as described within the

Alameda Fire Chiefs Association Bylaws shall not include fines, fees and/or assessments. Dues deduction shall be made only upon the employee's written authorization on a payroll deduction form provided by the Association. Authorization, cancellation or modification of payroll deduction shall be made upon forms provided or approved by the Association. The voluntary payroll deduction authorization shall remain in effect until employment with the City is terminated or until canceled or modified by the employee. Employees may authorize dues deductions only for the Association certified as the recognized representative of the unit to which such employees are assigned.

- (2) Amounts deducted and withheld by the City shall be transmitted to the officer designated in writing by the Association as the person authorized to receive such funds at the address specified.
- (3) The employee's earnings must be sufficient, after all other required deductions are made, to cover the amount of the deductions herein authorized. When an employee is in a non-pay status for an entire pay period, no withholdings will be made to cover that pay period from future earnings nor will the employee deposit the amount with the City which would have been withheld if the employee had been in a pay status during that period. In the case of an employee who is in a non-pay status during a part of the pay period, and the salary is not sufficient to cover the full withholding, no deduction shall be made. In this connection, all other required deductions have priority over the Association dues deduction.
- (4) The Association shall file with the City Manager an indemnity statement wherein the Association shall indemnify, defend and hold the City harmless against any claim made and against any suit initiated against the City on account of check off of Association dues or premiums for benefits. In addition, the Association shall refund to the City any amounts paid to it in error upon presentation of supporting evidence.

Monies withheld by the City shall be transmitted to the Treasurer of the Association at the address specified. The Association shall indemnify, defend, and hold the City harmless against any claims made, and against any suit instituted against the City on account of check-off of employee organization dues or service fees. In addition, the Association shall refund to the City any amount paid to it in error upon presentation of supporting evidence.

2.2 Employee Rights

Subject to the provisions of this Memorandum of Understanding, and applicable law, all employees of the City shall have the right to form, join and participate in the activities of employee organizations of their own choosing for the purpose of representation on all matters of Employer employee relations involving wages, hours and other terms and conditions of employment. Employees of the City also have the right to refuse to join or participate in the activities of employee organizations and shall have the right to represent themselves individually in the employment relations with the City. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against by the City or by the Association because of their exercise of these rights.

Section 3. Association Representatives

City employees who are official representatives of the Association shall be given reasonable time off with pay to attend meetings with management representatives, or to be present at hearings where matters within the scope of representation or grievances are being considered. The use of official time for this purpose shall be reasonable and shall not interfere with the performance of City services as determined by the City. Such employee representatives shall submit a written request for excused absence to their respective department heads, with an information copy to the Human Resources Director, at least two (2) working days prior to the scheduled meeting whenever possible. Except by mutual agreement, the number of employees excused for such purposes shall not exceed three (3).

Section 4. Access to Work Locations

Reasonable access to employee work locations shall be granted officers of the Association and their officially designated representatives for the purpose of processing grievances or contacting members of the Association concerning business within the scope of representation. Such officers or representatives shall not enter any work location without the consent of the City Manager. Access shall be restricted so as not to interfere with the normal operations of the department or with established safety or security requirements.

Solicitation of membership and activities concerned with the internal management of the Association, such as collecting dues, holding membership meetings, campaigning for office, conducting elections and distributing literature, shall not be conducted during working hours.

Section 5. Use of City Facilities

City employees or the Association or their representatives may, with the prior approval of the City Manager, be granted use of City facilities during non-work hours for meetings of City employees provided space is available. All such requests shall be in writing and shall state the purpose or purposes of the meeting. The use of City equipment other than items normally used in the conduct of business meetings, such as desks, chairs, and whiteboards is strictly prohibited, the presence of such equipment in approved City facilities notwithstanding.

Section 6. Bulletin Boards

The Association may use portions of City bulletin boards under the following conditions:

- (1) All materials must be dated and must identify the Association that published them.
- (2) Unless special arrangements are made, materials posted will be removed thirty-one (31) days after the publication date.
- (3) The City agrees to provide bulletin boards in reasonable locations and designate a reasonable portion thereof for Association use.

- (4) If the Association does not abide by these rules, it will forfeit its right to have materials posted on City bulletin boards.

Section 7. Advance Notice

Except in cases of emergency, reasonable advance written notice shall be given the Association of any ordinance, rule, resolution or regulation directly relating to matters within the scope of representation proposed to be adopted by the City Council and shall be given the opportunity to meet with such body prior to adoption. In cases of emergency when the City Council determines that an ordinance, rule, resolution or regulation must be adopted immediately without prior notice or meeting with the Association, the City shall provide such notice and opportunity to meet at the earliest practical time following the adoption of such ordinance, rule, resolution or regulation. The City agrees to post City job announcements on all bulletin boards at the earliest practical time.

Section 8. City Rights

The rights of the City include, but are not limited to, the exclusive right to determine the mission of its constituent departments, commissions and boards; set standards of service; determine the procedures and standards of selection for employment and promotion; direct its employees; take disciplinary action; relieve its employees from duty because of lack of work or for other legitimate reasons; maintain the efficiency of governmental operations; determine the methods, means and personnel by which government operations are to be conducted; determine the content of job classifications; take all necessary actions to carry out its mission in emergencies; and to exercise complete control and discretion over its organization and the technology of performing its work.

Section 9. No Discrimination

Consistent with state and federal law there shall be no discrimination or harassment of any kind based on any statutorily (federal, state or local) protected class including but not limited to; race, religious creed, color, national origin, ancestry, physical disability (including HIV and AIDS), mental disability, medical condition, (ex. Cancer), genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, pregnancy, political affiliation, military and veteran status or legitimate union activities, against any employee or applicant for employment by the Association or by the City or by anyone employed by the City.

Section 10. Hours of Work

10.1 Work Schedule

The standard workweek consists of a four (4)-day, forty (40) hour per week schedule.

This MOU recognizes that the time required by management employees to complete their duties is not limited by the length of the normal workweek and hours of service shall be determined by and subject to the direction of the Fire Chief after discussion with the impacted employee(s).

10.2 Administrative Leave Bank

Administrative Leave Bank AFCA members shall receive 130 hours of "Administrative Leave" to be used during the calendar year. 65 hours will be placed in each member's Administrative Leave Bank on January 1st and July 1st of each year and illustrated on their paystub.

Administrative leave hours cannot be carried over from year to year. Any hours not used within the calendar year will be lost and cannot be cashed out.

The amount of Administrative Leave granted for employees promoting into the bargaining group will be prorated based on the pay period in which the promotion occurs.

Administrative Leave hours replaced exchange hours earned in the department by AFCA members as of January 15th, 2022.

Section 11. Management Incentive Pay, Acting Pay

 - i. [Base Pay]
 - ii. + [Base Pay x 0.03]
 - iii. + [Base Pay x 0.04]
 - iv. x 0.05 = 20 Year Retention

Section 12. Salaries

12.1 Rates of Pay

The salary range for each classification shall consist of 5 steps, and shall be as set forth in Amended Appendix A which is attached hereto and made a part hereof.

There shall, at all times, be a minimum of 5% between the top step Battalion Chief base salary and top step Division Chief base salary. There shall, at all times, be a minimum of 5% between the top step Division Chief base salary and the top step Deputy Chief base salary.

Wage increases for the term of this MOU will be based upon the Base Revenue Index (BRI). The BRI is defined as one-half (i.e., 50%) of the year-over-year rate of growth measured between the two most recent successive fiscal years of the combined dollar amount of the following four local Alameda taxes:

- Property Tax
- 1% Bradley-Burns Sales Tax
- Utility Users Tax
- Transient Occupancy Tax

Wage increases for 2026 are based upon the BRI from fiscal year 2023-2024 and 2024-2025, Following the finalized BRI calculation, an increase to base wages of 1.16% will be effective the first full pay period following ratification of this successor MOU by the Union and approval by City Council on its regular agenda in accordance with the Brown Act and the City's Sunshine Ordinance, but in no event earlier than the first full pay period following January 1, 2026.

Wage increases for 2027 will be based upon the BRI from fiscal year 2024-2025 and 2025-2026, with a minimum increase of 1.0% and a maximum of 5.0%. Wage adjustments based upon the BRI will take effect the first full pay period following January 1, 2027.

12.2 Starting Rate

When circumstances warrant, the City Manager may approve an entrance salary which is more than the minimum salary. The City Manager's decision shall be final.

When a member is promoted to Division Chief or Deputy Chief they shall be placed on the step that is at least 5% above the prior rate of pay.

12.3 Step Increases

If the City Manager at any time determines that it is in the City's interest, they may assign an employee to a higher rate within the salary range fixed for the classification. The City Manager shall regulate the accelerated advancement through the salary range steps.

When a Division Chief or Deputy Chief is promoted to an administrative assignment and is responsible for one or more divisions and is not already at step 5 on the salary schedule, they will be moved to the next higher step on the salary range than their current step. They will remain at this rate until they are moved based on the employee's anniversary date or are no longer assigned to an administrative assignment. For example, an employee at step 3 when moved to an administrative assignment, will be placed at step 4 on the salary schedule at the time of appointment. When the employee receives their next step increase they will be moved to step 5 on the salary schedule. They will continue to advance in the salary schedule until they reach step 5.

An employee shall receive increases in salary according to the following plan:

Step 2 upon completion of twelve (12) months, service in Step 1 unless the City Manager disapproves.

Step 3 upon completion of twelve (12) months, service in Step 2 unless the City Manager disapproves.

Step 4 upon completion of twelve (12) months, service in Step 3 unless the City Manager disapproves.

Step 5 upon completion of twelve (12) months, service in Step 4 unless the City Manager disapproves.

Raises to the 2nd, 3rd, 4th, 5th steps shall be automatic unless the City Manager disapproves.

12.4 Conversion Rate

Any yearly, monthly, per diem, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time basis when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time basis, the Finance Director, subject to the approval of the City Manager, shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates.

Where part-time service is on an irregular basis, the pay for such service shall be calculated according to procedures established by the Finance Director, subject to the approval of the City Manager.

12.5 Deferred Compensation

Employees may participate in the City's voluntary deferred compensation

program (457 Plan). For employees who have completed one year of service with the City, the City will make a contribution into the employee's account of one percent (1.0%) of the employee's base salary if the employee contributes at least one-half of one percent (0.5%) towards their 457 Plan account. The maximum City contribution will be 1.0%. The City's contribution will go into effect the first full pay period after the employee completes their first year of service with the City. For employee contributions, the City will make payroll deductions and transmit funds to the administrator. The City makes no representation on the merit of the plan or any investment products or instruments, which may be offered by the plan. The individual participant is responsible for evaluating the investment options with the plan. The City currently contracts with Mission Square, Nationwide and CalPERS (VOYA) to provide a 457 program.

12.6 Mutual Aid

Employees assigned to provide mutual aid under either the "Agreement for Local Government Fire and Emergency Assistance to the State of California and Federal Fire Agencies" or "Federal Emergency Management Agency Cooperative Agreement" or declared "Disaster Agreement with California Task Force Four Urban Search & Rescue" will be compensated, for work outside of their normal hours at one and a half (1.5) times the employee's base hourly rate of pay portal to portal as long as the hourly rate is eligible for 100 percent reimbursement by the requesting agency under the agreements listed. No employee may be approved for mutual aid without a request and an order number or equivalent from requesting agency.

Section 13. Health and Welfare

13.1 Flexible Benefit Plan

The City has contracted with the Public Employees' Retirement System (PERS) for the purpose of providing medical insurance benefits for employees covered by this Memorandum of Understanding, eligible retired employees and eligible survivors of retired employees. Eligibility of retired employees and survivors of retired employees to participate in this program shall be in accordance with regulations promulgated by PERS and subject to the provisions of Section 4 (a) and (b) of the Agreement of May 31, 1990 between the City and the "members of the 1082 Pension System", transferring the 1082 pension system to PERS (See Section 14.3 and Appendix B).

The structures for the medical component of the Flexible Benefits Plan will be provided to employees as follows:

Through the term of the agreement, the City shall contribute the maximums listed below for the calendar year 2026. These contribution rates reflect 50% of the Kaiser increase over 2025 contribution rates. There shall be no cash back to employees of any excess dollars should the employee elect a plan that is less than the maximums listed below. Employees who elect not to enroll in one of the City's health plans and show proof of enrollment in an alternative plan, shall receive \$106.15 per pay period while waiving coverage.

The maximum contribution rates upon ratification of this agreement are as follows:

Waiver of Coverage:	\$106.15 per pay period
Single Party	\$1,503.59 per month
Two-Party	\$2,425.61 per month
Family	\$2,978.82 per month

Should the employee elect a more expensive plan, the balance of the cost incurred to provide medical care benefits for the employee and eligible dependents shall be paid by the employee. The City shall make a payroll deduction from the employee's pay to cover the difference.

Effective January 1, 2027, and every January 1st thereafter, during the term of this agreement, the City will increase its contribution to the member's Flexible Benefit Plan to reflect 50% of the increase in cost for premiums for the then current year as compared to the prior year, of the CalPERS Kaiser rate in the area or region in which Alameda is assigned-based upon the coverage level for the employee +2 or more dependents. The \$106.15 per pay period cash-in-lieu will not change.

Each employee shall be responsible for providing immediate written notification to the Human Resources Department of any change to the number of their dependents which affects the amount of the City payment to the Flexible Benefits Account. An employee, who by reason of failing to report a change in dependents, receives a City payment greater than the amount to which they are entitled shall be liable for refunding the excess amounts received via a reduction in the amount paid to their Flexible Benefits Account. Changes to flexible benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Department. No retroactive increases to the City's payments shall be allowed.

13.2 Dental Insurance

Effective January 1, 2014, the City will switch from an 80%- 20% plan to a plan that covers 90% of the cost of services, with the employee picking-up 10% of the cost of services.

The current dental plan is a \$2500.00/\$2500.00 benefit plan per employee and eligible dependent(s) for annual dental care and lifetime orthodontic care.

13.3 Vision Coverage

The City will make the current Vision Coverage available at the employee's cost. Effective January 1, 2016, the City will split the cost of the Vision Premiums 50-50 with members of the bargaining units who opt for this coverage.

13.4 Life Insurance

The City shall provide each employee with a \$100,000 life insurance program. This coverage will be mandatory for all employees.

The City shall provide each employee with the opportunity to purchase, at their own cost, additional optional life insurance up to the maximum amount provided by and subject to the conditions of the carrier.

13.5 IRC Section 125

At such time as the City institutes the Flexible Benefits Plan, the City agrees to

implement an IRC Section 125 plan to redirect the employees, pre-selected amount of salary to pay employee paid insurance premiums and other approved expenses with "pre-tax" instead of "after tax" dollars.

13.6 Employee Assistance Program

The City shall continue to provide for all employees an employee assistance program. The cost of such program shall continue to be paid by the City only during the term of this Memorandum of Understanding.

Section 14. Retirement Plan

14.1 (a) California Public Employees Retirement System (CalPERS) Classic Membership

The provisions described in this Section A apply only to CalPERS eligible employees hired before January 1, 2013, or to eligible employees hired after that date who qualify for pension reciprocity in the CalPERS or public retirement system pursuant to Government Code Section 7522.02 (c) and who are defined as "classic" members of CalPERS as defined by the Public Employees' Pension Reform Act (PEPRA).

Except as modified below, the parties agree to be bound by the Agreement entered into on May 31, 1990, and executed by the City Manager and the President of the Union and attached to this Memorandum of Understanding as Appendix B.

The City shall continue to provide retirement benefits in accordance with the existing contract with PERS to provide for the 3.0% @ 50 retirement formula as set forth in Section 21362.2 of the California Government Code effective July 1, 2011 for employees hired prior to January 1, 2013. The City has implemented the provision of Section 414(h)(2) Internal Revenue Code by making employee contributions pursuant to California Government Code Section 20691 to PERS on behalf of all its employees in this recognized group or class of employment. "Employee contributions" shall mean those contributions to PERS which are deducted from the salary of employees and are credited to individual employee's accounts pursuant to California Government Code Section 20691.

The City has contracted with PERS for Employee Cost Sharing under Government Code Section 20516(a). The member's contribution in prior MOUs was 2.0% over and above the normal 9.0% contributions made by the employee in previous MOUs. This 11.0% contribution was in accordance with Section 414(h)(2) of the Internal Revenue Code whereby employee contributions shall be tax deferred and not subject to taxation until the time of constructive receipt.

There was a one percent increase in the employee contribution of PERS pension costs, effective the first day of the first full pay period following the dates listed:

- July 1, 2013 increase 1.0% resulting in a total employee contribution of 12.0%.
- July 1, 2014 increase 1.0% resulting in a total employee contribution of 13.0%.
- July 1, 2015 increase 1.0% resulting in a total employee contribution of 14.0%.
- July 1, 2016 increase 1.0% resulting in a total employee contribution of

15.0%. (9% employee contribution plus additional contribution of 6.0% of the employer cost)

If during the term of this MOU, actuarial valuation numbers improve and the employers normal cost for the retirement benefit reduces, the parties agree to the employees contribution rate being no more than 50% of the employers normal cost. Otherwise, the total employee contribution at levels set forth above will remain in effect until the expiration of this MOU with the understanding that after July 1, 2016 the level shall remain at 15%.

14.1 (b) CalPERS New Membership

This Section B shall apply to CalPERS eligible employees hired on or after January 1, 2013, who do not qualify for pension reciprocity pursuant to Government Code Section 7522.02(c), and classified as “new” members of CalPERS as defined by PEPRA. In the event the Association and the City are unable to reach a mutually satisfactory accord on any grievance (as the term "grievance" is herein above defined) which arises and is presented during the term of the Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of three (3) employee representatives, and three (3) representatives of the City. The

Association shall be an indispensable party to any grievance which is submitted to the Adjustment Board. Any party desiring an official transcript of the Adjustment Board hearing shall bear the cost of same.

If an Adjustment Board is unable to arrive at a majority decision, either the grievant, the Association or the City may request that the grievance be referred to the City Manager, or arbitration.

No Adjustment Board or Arbitrator shall entertain, hear, decide or make recommendations on any dispute involving a position over which a recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as herein above set forth in paragraph (1) of this Section.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary thereto shall not be grievable and no proposal to modify, amend or terminate this Memorandum of Understanding, nor any matter or subject arising out of or in connection with such proposal, may be referred for grievance under this Section; and no Adjustment Board or Arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

No changes in the Memorandum of Understanding or interpretations thereof will be recognized unless agreed to by the City Manager and the Association.

24.4 City Manager and Arbitration

If the grievance is not resolved at the previous step, the grievant, the Association, or the City may, after completion of the previous step in the grievance procedure, submit the grievance directly to the City Manager or may request arbitration. If arbitration is requested, representatives of the City and of the Association shall meet promptly to select a mutually acceptable arbitrator. A hearing before the arbitrator shall be held as soon as practical and the arbitrator shall render a decision which shall be advisory to the City Manager. If the City Manager declines to follow the arbitrator's decision, they shall state their reason for doing so in writing. The cost of arbitration shall be borne equally by the City and the Association, except in the case of an advisory arbitration decision which is not accepted by the City Manager, in which case the cost of arbitration shall be borne by the City.

24.5 Matters excluded from the Grievance Procedure of the Memorandum of Understanding

Employee disciplinary matters in those cases where the matter concerns any rule or policy or administrative procedure of the City contained in the City Charter, the Civil Service Ordinance, or the Civil Service Rules and Regulations which are adopted pursuant to the City Charter, which provisions pertain to discharge, discipline, and examination and promotion procedures, the appeal procedures contained therein shall be utilized.

All requests by the employee for permission to engage in outside employment shall be made on a form provided by the City. APPENDIX B

APPENDIX "C" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

AGREEMENT
TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

This Agreement, entered into this 31ST day of May, 1990, by and between the CITY OF ALAMEDA, a municipal corporation (hereinafter "City") and the members (hereinafter "Members") of the 1082 Pension System (hereinafter "1082 Plan"), is made with reference to the following:

RECITALS:

A. The City of Alameda created by ordinance the 1082 Plan which provides pension benefits for its Members.

B. City and Members desire to transfer membership in the 1082 Plan to the State of California's Public Employees' Pension System (hereinafter "PERS").

NOW, THEREFORE, it is mutually agreed by and between and undersigned parties as follows:

- 1) As soon as practicable all current retirees and all current active and future employees covered by the 1082 Plan will be transferred to the PERS Safety 2 $\frac{3}{4}$ at 50 full formula as provided in Section 21252.01 of the Government Code of the State of California, including the following optional benefits:
 - a) Section 20024.2 (One Year Highest Compensation)
 - b) Section 20835.1 (Limit Prior Service to Members Employed on Contract Date)
 - c) Section 21361.5 (Local System Service Credit)
 - d) Section 20862.8 (Credit for Unused Sick Leave) and (non-restricted accrual of sick leave)
 - e) Section 21263 and 21263.1 (Post-Retirement Survivor Allowance)
 - f) Section 21266 (Post-Retirement Survivor Allowance to Continue After Remarriage)
 - g) Section 21382.4 (Third level of 1959 Survivor Benefits). Employer will pay employer contribution.

- 2) Upon the City transferring the 1082 Plan to PERS, the IRS will

be requested to review the tax consequences of the following language: "Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status."

- 3) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all safety employees of the City:

Employees who are members of the Public Employees' Retirement System (PERS) may participate in a PERS "Pick-Up Program". Said Program operates under the provisions contained in Section 414(h)(2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions to PERS paid by the City of Alameda on behalf of said employees.

The City shall contribute to PERS each pay period a portion of the employee contribution rate as established by law equal to nine percent (9%) of the employee's "compensation" as that term is administered by the Board of Administration of PERS.

Contributions made pursuant to this section shall be reported to PERS as "employee contributions being made by the contracting agency." The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board determines that such contributions are taxable income subject to withholding.

Each employee is solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

Except as set forth in the following paragraphs the aforesaid contribution shall be considered solely for the purpose set forth herein and shall not be considered for any other purpose including, but not limited to, being considered as part of any employee's salary for the purpose of computing straight-time earnings, compensation for paid leaves, compensation for overtime worked, compensation benefits and the City's contribution to PERS.

Any employee who has attained the age of forty-five (45) may elect to convert the said City-paid employee contribution to PERS to a salary increase of the same amount. Such election shall be irrevocable, must be made in writing and received by the Personnel Director, and shall become effective on the first of the month

following the date of election. In the event of such election the employee will thereafter be required to make the total amount of his or her contribution rate established by law.

In the event an illness or injury occurs which may cause an employee's retirement, that employee may immediately convert the nine percent (9%) City-paid employee contribution to the retirement fund to a nine percent (9%) salary increase, in which event the employee will be required to pay the total amount, nine percent (9%), of the employee contribution which had been paid by the City to the retirement fund.

The City shall afford the employee, at the employee's option, the ability to pay the nine percent (9%) City-paid employee contribution to the retirement fund retroactive twelve (12) months prior to an illness or injury which may cause an employee's retirement.

Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status.

- 4) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all 1082 safety employees and retirees who retired under 1082 who elect to transfer to PERS and current safety employees:

a. Medical Insurance

For 1082 retirees and future Public Safety retirees who are currently members of one of the City sponsored health plans, the City shall contribute the health plan costs, at the one party or two-party rate as the case may be, for that plan until the retired employee is eligible for Medicare coverage. If and when the retiree becomes eligible for Medicare coverage, Part A and Part B, then the City shall provide the retiree a Medicare supplementary program as provided for in Government Code Sections 22819 and 22859. In place of the above described rates, the City will pay the full cost of such Medicare Supplement Program. Any of the above mentioned retirees who currently are not enrolled in a City sponsored health plan may elect to receive a monthly contribution by the City, equal to the average of the one-party or two-party rates, whichever is appropriate, paid by the City, to a qualified health care plan (on record with the City) for the purpose of purchasing health care. Retired employee dependent eligibility for City health plan contribution is conditional upon the active enrollment of the retired employee.

For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her medical insurance paid by the City at the single party rate.

If a retired employee remarries, the retiree may add the retiree's spouse to the medical insurance coverage at the retiree's expense.

b. Dental

1082 retirees and future Public Safety retirees may elect to receive a monthly contribution by the City, equal to the one party or two party rate, as the case may be, paid by the City, to a qualified dental care plan (on record with the City) for the purpose of purchasing dental care. For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her dental insurance costs paid by the City at the single party rate. Should the City provide a dental benefit plan covering retired employees at a later date, the City shall provide the retiree and the surviving spouse the option of joining said plan at City cost at the appropriate rate. If a retired employee remarries, the retiree may add the retiree's spouse to the dental insurance coverage at the retiree's expense.

Any monies left in the 1082 Fund after the necessary funds have been transferred to PERS will be administered by the 1082 Pension Board to fund Health & Welfare (e.g. medical and dental) benefits for eligible retirees and dependents formerly members of the 1082 Pension System. Any other use of these monies would be a subject of negotiation with the Alameda Police Association and IAFF Local 689 representatives and would require their concurrence.

An individual Member who is retired from the City of Alameda under 1082 may make an irrevocable election to remain in the 1082 Plan. The existing benefits of the individual Member of the 1082 Plan at the time of election shall remain in full force and effect, without additions or deletions. Such election shall be made in writing to the City's Personnel Director and be made within 15 days from the date of the receipt of the Notice of Election.

This Agreement shall be effective upon ratification of all PERS transfer/contract amendment requirements. Non-restricted accrual of sick leave for purposes of Optional Benefit Section 20862.8 shall be effective as of January 1, 1990.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first above written.
