WHEREAS, the MidPen Housing Corporation, a California nonprofit public benefit corporation ("MidPen"), Alameda Point Collaborative, a California nonprofit public benefit corporation ("APC"), Building Futures With Women and Children, a California nonprofit public benefit corporation ("Building Futures"), and Operation Dignity, a California nonprofit public benefit corporation ("Operation Dignity") (collectively referred to as the "Collaborating Partners or "the Developer") and the City of Alameda have identified an 8 acres of city-owned real property located at the corner of West Midway Avenue and Pan Am Way at Alameda Point that is appropriate for supportive housing and associated services ("RESHAP Property"); and

WHEREAS, the City is desirous of addressing the affordable housing crises; providing supportive housing for the City's most vulnerable citizens; and advancing the socioeconomic interests of the City and its residents by promoting the productive use of underdeveloped property and encouraging quality development; and

WHEREAS, the City is also desirous of establishing certainty for the future development of the Property which will advance the planning objectives of, and provide benefits to, the City; and

WHEREAS, the City has determined that by entering into this Development Agreement: (1) the City will ensure the productive use of underdeveloped property and

foster orderly growth and quality development in the City; (2) development will proceed in accordance with the goals and policies set forth in the City of Alameda General Plan and will implement the City's stated General Plan policies; (3) the City will receive substantially increased property tax and sales tax revenues; and (4) the City will receive the public benefits provided the provision of much needed supportive housing; and

As documented in the staff report and associated materials, the Development Agreement vests the rights granted by the Development Plan, which is in substantial conformance with, and implements, the City of Alameda General Plan, Housing Element, and Zoning Ordinance policies and standards for the site. The Development Plan implements General Plan policies for mixed use redevelopment of former Naval Air Station property and provides a plan for the development of housing for those who are least able to afford housing in the Bay Area; and

WHEREAS, pursuant to the streamlining provision of Public Resources Sections 21166 and 21083.3 and Sections 15162 and 15183 of the California Environmental Quality Act (CEQA) Guidelines, no further environmental review is required because the

RESHAP project is consistent with the development density in an adopted Specific Plan for the area; the environmental impacts of the development of the area consistent with the Specific Plan were considered in the Alameda Point Project (APP) FEIR adopted by the City Council on February 4, 2014, in compliance with the CEQA; the RESHAP project is consistent with the development density of, is specifically listed in, and implements the City of Alameda's Housing Element adopted on November 15, 2022; the environmental impacts of the Housing Element and the development of the sites included in the Housing sites inventory were considered in the General Plan Update EIR adopted by the City Council on November 30, 2021; and as documented in the project CEQA Checklist, the RESHAP project would not result in new or substantially more severe significant impacts than identified in the APP FEIR or the General Plan Update FEIR (together, the "Previous CEQA Documents") due to changes in the project, changed circumstances, or new information and there are no new or considerably different feasible mitigation measures or alternatives from those identified in the APP FEIR or the General Plan Update FEIR that would substantially reduce one or more significant effects that the project proponent declines to adopt; and the RESHAP project would not result in significant impacts that: (1) are peculiar to the project or project site; (2) were not already identified as significant effects, cumulative effects, or off-site effects in the Previous CEQA Documents; or (3) were previously identified as significant effects; but are determined to be substantially more severe than discussed in the Previous CEQA Documents.

NOW THEREFORE, BE IT ORDAINED by the City Council of the City of Alameda that:

Section 1.

The City Council, based on its independent review, consideration, and exercise of its independent judgment, hereby finds and determines, on the basis of substantial evidence in the entire record before the City, that none of the circumstances necessitating further CEQA review are present. The proposed project would not require major revisions to the Previous CEQA Documents due to new significant impacts or due to a substantial increase in the severity of the significant environmental effects. There have been no substantial changes with respect to the circumstances under which the project would be undertaken that would require major revisions of the Previous CEQA Documents due to new or substantially increased significant environmental effects, and there has been no discovery of new information of substantial importance that would trigger or require major revisions to the Previous CEQA Documents due to new or substantially increased significant environmental effects. Thus, the City can rely on the Previous CEQA Documents and no further environmental review is required for the proposed project.

Section 2.

In accordance with Development Agreement Legislation and the City Development Agreement Regulations, the City Council hereby finds the RESHAP Development Agreement to be consistent with the General Plan, and approves the Development Agreement for the RESHAP Property, the form of which shall be substantially as attached
