

Proclamation

Whereas, the older residents in our City enrich our community through their diverse life experiences; and

Whereas, Mastick Senior Center is committed to strengthening our community by connecting with and supporting older adults, their families and caregivers and acknowledging their many valuable contributions; and

Whereas, the Alameda Recreation and Parks Department recognizes the importance of bringing together all generations to engage in activities that promote physical, mental, and emotional well-being; and

Whereas, the City of Alameda and our business community can enhance the lives of older residents in our community by promoting home and community based services that support independent living, involving older adults in community events and other activities, and providing opportunities for older adults to work, volunteer, learn, lead, and mentor.

Now, therefore be it resolved, that I, Marilyn Ezzy Ashcraft, Mayor of the City of Alameda, do hereby proclaim May 2022 to be

Older Americans Month

in the City of Alameda. I urge every resident to take time during this month to recognize older adults and those who serve them as essential and valuable members of our community.
