Section 3. Health and Welfare

The City will make available medical, dental and life insurance for eligible employees through a contribution to the Flexible Benefit Amount.

3.1 Medical Insurance - Miscellaneous

Two different structures for the medical component of the Flexible Benefit Amount will be provided to employees, based on their date of hire as outlined below.

Employees who were hired by the City of Alameda on or before November 14, 2006, and those promoted into the EXME employee group from another bargaining unit where the employee was receiving a medical component cash back provision equal to or greater than Plan A below, may choose to be covered under Plan A or Plan B as outlined below. If Plan A is chosen, the employee may choose to move to Plan B at any time. Once Plan B is chosen, the employee will not have the ability to move back into Plan A. All employees hired after November 14, 2006 shall be covered under Plan B.

Contribution rates shall be based upon the 2012 PERS premiums.

Plan A

Under Plan A, the City will make the following contributions per month per eligible employee toward the Flexible Benefit Amount for health insurance. These amounts include the PERS Minimum Employer Contribution (MEC) as required by state law, regardless of the year or amount, if enrolled in PERS medical insurance.

<u>Coverage Level</u>	2016	
	<u>City Contribution</u>	<u>Cash Back Max</u>
No coverage (0 party)	\$ 869.43	\$ 869.43
Employee only	\$ 1,788.58	\$ 530.74
Employee + 1	\$ 1,811.81	\$ 176.05
Employee + 2 or more dependents	\$ 1,825.76	\$ 0

If an employee elects no medical coverage through the City and can document they have alternative medical coverage, they will be eligible for cash back equal to the "0 Party" rate above. If an employee chooses to be covered by a lower cost medical plan, the employee will receive cash back equal to the City's Medical Contribution less the cost of the medical plan chosen by the employee, which shall not exceed the cash back maximum shown above.

If an employee chooses to be covered by a higher cost medical plan, they will be responsible for paying the difference in the cost for that medical plan. Employees receiving cash back will continue to receive it. The amount of cash back will not increase from current levels; however, the amount of cash back an employee

receives may change as a result of a change in enrollment based on coverage level. The cash back amounts will not be increased even if premiums rise.

Effective January 2017 and 2018, the City's contribution shall increase by 50% of the increase to the Kaiser premiums based upon each coverage level.

Plan B

Under Plan B, the City will make the following contributions per month per eligible employee toward the Flexible Benefit Amount for health insurance. These amounts include the PERS Minimum Employer Contribution (MEC) as required by state law, regardless of the year or amount, if enrolled in PERS medical insurance.

If an employee elects no medical coverage through the City and can document they have alternative medical coverage, they will be eligible for cash back of \$230.00.

Effective January 1, 2023, and every January 1st thereafter, during the term of this agreement, the City will increase the City Contribution to the medical premium to reflect 50% of the increase in cost from the previous year, of the CalPERS Kaiser plan in the area or region in which Alameda is assigned. The increase will be based on 50% of the increase to the Employee plus two or more dependents level of coverage. The \$106.15 per pay period cash-in-lieu of coverage rate shall not change.

January 2025 medical contribution rates:

Employee only	\$1,284.74
Employee plus one	\$2,236.84
Employee plus family	\$2,808.11

*The amounts indicated above do not include Life Insurance or Dental Insurance premiums which are paid by the City separately. The amounts indicated above do include the PERS Minimum Employer Contribution (MEC) as required by state law, regardless of the year or amount, if enrolled in PERS medical insurance.

At and following the expiration of this Compensation Plan, the amount of money allocated to the Flexible Benefit Amount for medical benefits shall remain the same, unless agreed to in a successor Compensation Plan.
