

REGISTRAR OF VOTERS CERTIFICATE TO PETITION

I, **Tim Dupuis**, Registrar of Voters for the County of Alameda, State of California, hereby certify that:
An Initiative Petition titled: Initiative Measure to Change the Land Use Designation for a 3,671 acre site on Mc Kay Avenue, by amending the General Plan designation from Federal Facilities to Open Space, and by amending the Zoning Ordinance from Administrative-Professional District, with Special Government Combining District overlay, to Open Space District, was filed with the Alameda City Clerk within the statutory time limit and forwarded to this office for verification on November 8, 2018 and;

The petition contained 6,872 unverified signatures; and

Pursuant to California Elections Code section 9215, to be sufficient, the petition must have been signed by 4,711 qualified registered voters in the City of Alameda, that number being equal to 10 percent of 47,105 total registered voters of the City at the time of filing the Notice of Intent, and;

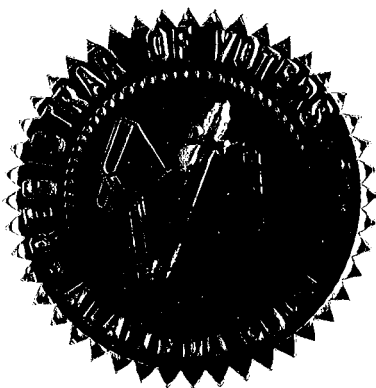

I have examined, or caused to be examined, signatures on the petition pursuant to California Elections Code sections 9211 and 9115; and

Have determined that the petition contained 467 valid signatures of qualified registered voters in the City of Alameda based on the random sample examination set forth in section 9115 and the formula prescribed by the California Secretary of State; and

That this number represents 132.53% of the total number of signatures needed to qualify the initiative; therefore

The petition is found to be sufficient to require the City Council of the City of Alameda to take the appropriate action specified in the California Elections Code.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed my official seal this 28^h day of **November 2018**.
