**SWORN UNIT**

This Memorandum of Understanding is entered into pursuant to the provisions of Section 3500 et. seq. of the Government Code of the State of California.

The parties have met and conferred in good faith regarding wages, hours and other terms and conditions of employment for the employees in said representation unit, and have freely exchanged information, opinions and proposals and have reached agreement on all matters relating to the employment conditions and Employer-employee relations of such employees.

This Memorandum of Understanding shall be presented to the City Council of the City of Alameda as the joint recommendation of the undersigned parties for salary and employee benefit adjustments for the period commencing July 1, 2022 and ending June 30, 2025.

**Section 1. Recognition**

**1.1 Employee Recognition**

The Alameda Police Officers Association Non-Sworn bargaining unit for the classifications listed in Appendix A, is represented as members of the Alameda Police Officers Association. (2) Authorization, cancellation or modification of payroll deduction shall

be made upon forms provided or approved by the City Manager. The voluntary payroll deduction authorization shall remain in effect until employment with the City is terminated or until canceled or modified by the employee by written notice to the City Manager. Employees may accumulate no more than eighty (80) hours of vacation in addition to the employee's regular, annual vacation accrual entitlement, at any one time.

Except as so limited, earned vacation not used may be accrued and carried

over from year-to-year without limitation.

**Section 18. Sick Leave**

**18.1 Benefits**

. Employees shall accrue sick leave benefits as follows:

Employee's Standard Work Week	Hourly Accrual Rate	Maximum Yearly Accrual
40 Hours Per Week	.0462	96 Hours

Paid time excludes any overtime and/or compensatory time worked.

For the purposes of this Section, employees with a standard work week of 40 hours shall be entitled to earn 8 hours per month. Except as so limited, earned sick leave may be accrued and carried over from year-to-year without limitation. Sick leave usage shall not be considered as a privilege, which an employee may use at his or her discretion, but shall be allowed only in case of necessity of actual sickness or disability. Charge of sick leave used shall be on the basis of one (1) hour used; provided, however, that sick leave shall be charged for only those hours when the employee was absent from work. In no event shall sick leave be converted into a cash bonus. Sick leave may not be used before it is earned.

**18.2 Notification Requirement**

In order to receive compensation when absent on sick leave, the employee shall notify his or her immediate supervisor one-half (1/2) hour prior to the scheduled time for beginning his or her work duties of his or her impending absence.

**18.3 Doctor's Certificate or Other Proof**

To the extent permitted by law and after consultation with the Human Resources Director or their designee, proof of illness in the form of a doctor's certificate or an advice nurse statement may be required at any time after an employee has used fifty percent (50%) of their annual sick leave accrual in a calendar year.

**18.4 Illness in the Immediate Family**

An employee may use up to one-half of his or her annual sick leave allocation in any calendar year in the event of illness of a spouse, child, parent, or domestic partner. At the City's request, the employee will provide satisfactory evidence of the facts justifying such absence.

**18.5 Sick Leave during Probationary Period**

Employees on original probation shall be eligible to use their accrued Sick Leave upon employment.

**Section 19. Leaves of Absence**

**19.1 Leave Without Pay**

The City Manager may grant regular employees a leave of absence without pay. No leave shall be granted except upon written request of the employee.

Such requests shall be submitted to the City Manager. Such leaves shall normally be granted to permit the employee to engage in activities that will increase his or her value to the City upon return, or because of sickness, injury or personal hardship. Employees may not be granted a leave of absence until all accrued vacation is taken. Failure on the part of an employee on leave to report promptly at its expiration shall result in dismissal of the employee. Vacation and sick leave credits shall not accrue to an employee on leave of absence. The decision of the City Manager on granting or refusing to grant a leave of absence or extension thereof shall be final and conclusive and shall not be subject to the grievance procedure of this Memorandum of Understanding.

#### **19.2 Jury Duty**

An employee summoned to jury duty shall inform his or her supervisor and, if required to serve, may be absent from duty with full pay only for those hours required to serve.

#### **19.3 Military Leaves of Absence**

The provisions of the Military and Veterans Code of the State of California shall govern military leave of City employees.

#### **19.4 Parental/Family/Medical & Other Statutory Leaves**

The provisions of Federal and State law regarding statutory leaves shall govern such leave of City employees.

Protected leave including leave under the federal Family Medical leave Act (FMLA), the California Family Rights Act (CFRA) and the California Pregnancy Disability Leave Law (PDL) shall be made available to eligible association members per the applicable federal and state law.

When an employee is on an approved protected leave (FMLA/CFRA/PDL) related to their own illness or to care for an ill family member, they may use up to 12 weeks of sick leave. For example an employee who works 36 hours per week will be entitled to use up 432 hours of sick leave while on an approved protected leave related to their own illness or to care of an ill family member. The employee will be required to provide leave related documentation as requested by the City.

When an employee is on an approved protected leave for the purpose of Baby Bonding, the employee may use up to ten weeks of sick leave. For example, a 36 hour employee may use up to 360 hours of sick leave while on an approved protected leave for the purpose of Baby Bonding and then must use two weeks of other accrued leave for the remaining 2 weeks of protected leave.

Where an employee is eligible for and receives State Disability Insurance (SDI) for their own disability or where they are eligible for and receive Paid Family Leave (PFL) to care for a family member or for Baby Bonding, the City will integrate the SDI/PFL benefit with the employee's accrued leave. The employee will be required to provide information on the amount of their SDI/PFL benefit and will use only the accrued leave necessary to keep the employee whole.

#### **19.5 Industrial Disability Leave**

Employees who suffer any disability arising out of and in the course of their

employment, as defined by the Workers' Compensation Laws of the State of California, shall be entitled to disability leave while so disabled for the period of such disability to a maximum of one (1) year or retirement, whichever occurs first. Compensation benefits shall be determined and paid in accordance with the Workers' Compensation Laws of the State of California. Integration of leave with Workers' Compensation is to be automatic. For the purposes of this subsection, integration shall mean the use of accrued leave to supplement Workers' Compensation payments to the employee. An employee shall determine which of their accrued leaves will be used for integration. Available leaves for integration include sick leave, vacation, holiday or compensatory time. Except for benefits as provided by the Workers' Compensation Laws of the State of California and except for allowing employees to integrate accumulated leave, no additional pay or salary replacement shall be provided by the City of Alameda to the employee.

The City reserves the right to withhold payment of any disability benefits until such time as it is determined whether or not the illness or injury is covered by Workers' Compensation.

#### **19.6 Funeral Leave**

In the event of a death in the immediate family of an employee of the City of Alameda, the employee shall, upon request, be granted such time off with pay as is necessary to make arrangements for the funeral and attend same, not to exceed three (3) regularly scheduled working days. (Five (5) days for the purposes of spouse, domestic partner, parent or child). This provision does not apply if the death occurs during the employee's paid vacation or while the employee is on leave of absence, layoff, or sick leave.

For the purposes of this provision, the immediate family shall be restricted to father, mother, brother, sister, spouse, domestic partner, child, mother-in-law, father-in-law, grandparents and grandchildren. At the request of the City, the employee will furnish a death certificate and proof of relationship.

Funeral leave applies only in instances in which the employee attends the funeral, or is required to make funeral arrangements, but is not applicable for other purposes such as settling the estate of the deceased.

#### **19.7 Catastrophic Leave Bank**

The City agrees to establish a Catastrophic Leave Bank to assist employees who have exhausted accrued leave time due to a serious or catastrophic illness or injury. The Catastrophic Leave Bank (CLB) will allow the bargaining unit employees to donate time to affected employees within and outside the unit, so that he/she can remain in a paid status for a longer period of time, thus partially ameliorating the financial impact of the illness, injury or condition. This donated time will be placed in a CLB and drawn down from the CLB by the eligible employee.

##### **Eligibility**

To be eligible for this benefit, the receiving employee must: 1) Be a regular full-time employee, 2) Have sustained or have an immediate family member who has sustained a life threatening or debilitating illness, injury or condition which may require confirmation by a physician, 3) Have exhausted all accumulated paid

leave including vacation, holiday, sick leave, and/or compensatory time off, 4) Be unable to return to work for at least 30 days or in the case of the condition affecting the immediate family member, that member must be in need of prolonged and significant personal care; and 5) Conformed with the requirements of the Family Medical Leave Act and/or Worker's Compensation.

#### Benefits

Accrued vacation and compensatory time off hours donated by other employees will be converted to sick leave and credited to the receiving employee's sick leave time balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee. For as long as the receiving employee remains in a paid status, seniority, and all other benefits will continue, with the exception of sick leave and vacation accrual. The total leave credits received by an employee will not normally exceed three months. However, if approved by the Department Head and the Human Resources Director the total leave credits may be extended on a case by case basis, subject to review by the City Manager or designee.

#### Guidelines for Donating Leave Credits to the Time Bank

- a. Accrued vacation leave and compensatory time off may be donated by any regular full-time employee who has completed his/her initial City probationary period.
- b. Time donated will be converted from vacation or compensatory time to sick leave hours and credited to the receiving employee's sick leave balance on an hour-for-hour basis and shall be paid at the rate of pay of the receiving employee.
- c. The total amount of time donated to one employee by another employee shall not exceed forty (40) hours. The total leave credits received by the employee shall not exceed three months; however, the Human Resources Director may approve an extension to six months total time.
- d. Initial leave time donations must be a minimum of one work shift. An employee cannot donate leave hours that would reduce his/her vacation balance to less than one week.
- e. The use of donated leave hours will be in consecutive one-shift increments.
- f. While an employee is on leave using donated leave hours, no vacation or sick leave hours will accrue.
- g. Under all circumstances, time donations received for the employee are forfeited once made by the employee making the donation. In the event that the receiving employee does not use all transferred leave for the catastrophic illness/injury, any balance will remain with that employee until that employee's separation from City service.
- h. Taxability of leave donated or received under this program will be governed by Internal Revenue Service guidelines.
- i. For the purpose of the Section, "immediate family member" as referenced under Eligibility shall be defined as provided for in Section 18.6.

- j. Under extenuating and extraordinary circumstances and upon recommendation of the Human Resources Director the City Manager may grant exceptions on a case-by-case basis. Such exceptions shall not establish practice or precedence.

It is further understood that Catastrophic Leave will not apply to employees receiving Workers' Compensation or SDI benefits. These issues are under legal review and may require further explanation and amendment.

## **Section 20. Probationary Period**

All original and promotional appointments shall be subject to a probationary period. The probationary period shall be regarded as a part of the testing process and shall be utilized for closely observing the employee's work for securing the most effective adjustment of a new employee to their position and for rejecting any probationary employee whose performance does not meet the required standards of work.

The probationary period for a Senior Public Safety Dispatcher is six (6) months and the probationary period for all other classifications is twelve (12) months. An employee's probationary period may be extended for up to six (6) additional months, with the approval of the Human Resources Director, to provide the employee with additional time to meet the required standards of work. Probationary period extensions beyond six months must be approved by the City Manager.

These periods are normally considered sufficient to observe and evaluate an employee's performance of their full range of duties and responsibilities required in their position during "active duty". These periods may be extended for extended leaves of absence (including illness, injury or maternity leave) or limited duty. Extended leaves of absence or limited duty are not credited towards completion of the probationary period. In the event of extended leaves of absence, or periods of limited duty, in excess of fourteen (14) calendar days, the City may extend the probationary period by an equal amount upon prior written notification to the employee. The City may also extend a probationary period up to a maximum of six (6) months upon mutual written agreement with the employee.

During the probationary period, an employee may be rejected at any time by the City Manager without cause and without the right of appeal.

Any employee rejected during the probationary period following a promotional appointment shall be reinstated to the position from which they were promoted, unless the employee is rejected for reasons other than competency to perform the job in which they were promoted.

## **Section 21. Layoff**

### **21.1 Layoff and Reemployment**

In reduction of forces, the last employee hired shall be the first employee laid off, and in rehiring, the last employee laid off shall be the first employee rehired until the list of former employees is exhausted; provided that the employee

retained or rehired is capable, in the opinion of the City, to perform the work required. An employee laid off from City service prior to being rehired must pass the physical examination administered by a City-appointed physician and must pass the background check administered by the Police Department. The names of employees laid off shall be placed on a Reemployment Eligible List as hereinafter specified.

Layoffs shall be made in the inverse order of Department seniority.

When a promotional reduction is made in the Police Department, demotions shall be made in the inverse order of seniority in classification. An employee being demoted shall be placed in the classification he or she last held prior to the classification from which he or she is being demoted. Time spent in the higher classification shall be treated as seniority time in the lower classification to which the employee is demoted for purposes of calculating seniority in that lower classification.

The Reemployment Eligible List shall consist of the names of employees and former employees having probationary or permanent status who were laid off in that classification. The rank order on such list shall be determined by relative seniority as specified above. Such list shall take precedence over all other eligible lists in making appointments to the classification in which the employee worked.

The name of any person laid off shall continue on the appropriate Reemployment Eligible List for a period of three (3) years after it is placed thereon. The names of any eligible employees on a Reemployment Eligible List shall be automatically removed from said list at the expiration of the appropriate period of eligibility.

Service with the City shall be terminated by discharge, resignation, or twelve (12) consecutive months of unemployment with the City.

An employee who is laid off shall not accrue or be eligible for any benefits, including but not limited to vacation, sick leave, holidays, medical, dental, life insurance, retirement contributions and uniforms. Any employee reemployed after a layoff shall retain all vacation and sick leave accruals that the employee did not receive compensation for at the time of layoff.

Any employee who was hired by the City prior to July 1, 1978, and who has been in the service of the City for a period of six (6) years or more but less than fifteen (15) years shall receive five (5) working days' pay at the employees current rate of pay at the time of layoff. An employee with more than sixteen (16) years of service with the City shall receive ten (10) working days' pay at the employee's current rate of pay at the time of layoff.

## **21.2 Alternatives to Layoff**

The parties agree that if the City were faced with a need to reduce costs and was planning to lay off employees, it would be appropriate for the parties to meet to discuss alternative cost reduction measures that could be taken. The objective would be to find steps that could be taken by the parties to eliminate the need for or reduce the extent of layoffs of bargaining unit members while

preserving service delivery to the public.

## **Section 22. Discharge or Discipline**

### **22.1 Right of Discharge or Discipline**

The City shall have the right to discharge or discipline any employee for dishonesty, insubordination, drunkenness, incompetence, willful negligence, failure to perform work as required or to observe the Department's safety and house rules and regulations which must be conspicuously posted and not in derogation of the Memorandum of Understanding, or for engaging in strikes, individual or group slowdowns or work stoppages, or refusal to accept overtime, or for violating or ordering the violation of the Memorandum of Understanding.

### **22.2 Appeals**

If an employee feels he or she has been unjustly discharged, he or she shall have the right to appeal his or her case through the appropriate procedure (Section 24.5). Such appeal must be filed with the City Manager or the Civil Service Board by the employee in writing within five (5) working days from the date of discharge and unless so filed the right of appeal is lost.

Any discharged employee shall be furnished the reason for his or her discharge in writing.

## **Section 23. Personnel Files**

An employee or his or her representative, on presentation of written authorization from the employee, shall have access to the employee's personnel file on request. The City shall furnish the employee copies of all performance evaluation reports and letters of reprimand or warning prior to placement of such documents into the employee's personnel file. The employee may be required to acknowledge the receipt of any document entered into his or her personnel file without prejudice to subsequent arguments concerning the contents of such documents. An employee shall have the right to respond within five (5) days in writing to any written material entered in the employee's personnel file. Such written response shall be included in the employee's personnel file.

## **Section 24. Grievance Procedure**

### **24.1 Definition of a Grievance**

A grievance is any dispute arising during the term of this Memorandum of Understanding which involves the interpretation or application of any provision of this Memorandum of Understanding including disputes over termination of non-probationary employees, demotions, reduction in grade and suspensions without pay. Discipline not involving termination, demotion, reduction in grade or suspension without pay is not subject to the Adjustment Board and advisory Arbitration provisions.

### **24.2 Initial Discussion**

Any employee or Unit representative shall discuss a grievance with the Chief of Police or with such subordinate management official as the Chief of Police may designate.

### **24.3 Referral to City Manager**

If the grievance is not resolved within the Department, the employee or Unit representative may notify the City Manager in writing that a grievance exists. Such notifications shall state the particulars of the grievance and, if possible, the nature of the determination which is desired. A grievance which has been heard and investigated pursuant to this Section and Section 24.1 and which remains unresolved thirty (30) calendar days after it has been submitted in writing may be referred to the Adjustment Board.

### **24.4 Adjustment Board**

In the event the Unit and the City are unable to reach a mutually satisfactory accord on any grievance (as the term "grievance" is hereinabove defined) which arises and is presented during the term of this Memorandum of Understanding, such grievance shall be submitted to an Adjustment Board comprised of three (3) employee representatives, and three (3) representatives of the City. The Unit shall be an indispensable party to any grievance that is submitted to the Adjustment Board.

If an Adjustment Board is unable to arrive at a majority decision, either the Unit or the City may request that the grievance be referred to the City Manager. The Unit or the City may, alternatively, refer the grievance to advisory arbitration.

No Adjustment Board or Arbitrator shall entertain, hear, or decide any dispute involving a position over which a recognized employee organization has jurisdiction unless such dispute falls within the definition of a grievance as hereinabove set forth in paragraph (1) of this Section.

Proposals to add to or change this Memorandum of Understanding or written agreements or addenda supplementary hereto shall not be grievable and no proposal to modify, amend or terminate this Memorandum of Understanding, may be referred for grievance under this Section; and no Adjustment Board or Arbitrator shall have the power to amend or modify this Memorandum of Understanding or written agreements or addenda supplementary hereto or to establish any new terms or conditions of employment.

Decisions of Adjustment Board on matters properly before them shall be final and binding on the parties hereto, to the extent permitted by the Charter of the City.

No changes in the Memorandum of Understanding or interpretations thereof will be recognized unless agreed to by the City Manager and the Unit.

### **24.5 Advisory Arbitration**

If advisory arbitration is requested, representatives of the City and the Unit shall meet promptly to select a mutually acceptable arbitrator. The fees and expenses of the arbitrator and of a court reporter shall be shared equally by the Unit and the City. Each party, however, shall bear the cost of its own presentation, including preparation and post hearing briefs, if any.

### **24.6 No Abridgement of Other Rights of Appeal**

The provisions of this grievance procedure shall not abridge on rights granted to

employees under the City Charter or City ordinances, resolutions, rules and regulations providing other procedures for resolving disputes, except that an employee may not submit a grievance to an Adjustment Board or arbitrator in accordance with this grievance procedure if the employee has elected to use another procedure available under the City Charter or City ordinances, resolutions, rules and regulations for the resolution of his or her grievance.

#### **24.7 Pay Claims**

All complaints involving or concerning payment of compensation shall be filed in writing and no adjustments shall be retroactive for more than sixty (60) days from the date of filing.

#### **24.8 Disciplinary Action**

No grievance involving the discharge, demotion, reduction in grade, or suspension of an employee will be entertained unless it is filed in writing by the employee with the City Manager or Civil Service Board within five (5) working days from the date of the notification of the action.

### **Section 25. Outside Employment**

No full-time employee shall engage in employment that constitutes a conflict of interest for the employee or the City. No employee shall engage in outside employment during his/her regular working hours. No uniform, emblem, badge or other employee identification shall be worn by any person while in the employment of someone other than the City. All requests by the employee for permission to engage in outside employment shall be made on a form provided by the City. No employee shall accept or continue employment from other than the City of Alameda without the approval of the City Manager.

### **Section 26. Miscellaneous**

#### **26.1 Residence**

Employees may reside within the City, or within a geographical area located in and limited to an area which permits a time of response, using the most direct and feasible surface route in compliance with the legal vehicular speed limits, from place of residence to place of work not exceeding fifty (50) minutes.

#### **26.2 Compensation of Property Damaged in the Course of Employment**

PANS membership elected to participate in the State Disability Insurance (SDI) program. Such SDI coverage is the sole economic responsibility of the employee, and the City shall not contribute toward the expense of that coverage. SDI deductions will be implemented as soon as administratively possible. In the event the Association wishes to discontinue this benefit in the future, the Association must notify the City in writing that a majority of its membership wishes to discontinue participation in the program. The parties will then meet to discuss how such discontinuation may occur.

**26.10 Catastrophic Leave and SDI Process**

In January of 2019, or as soon thereafter as is reasonably possible, the parties will commence meeting and conferring in good faith about changes to the Catastrophic Leave Bank (Section 19.7) and State Disability Insurance (SDI) (Section 26.9). **Section 27. Severability of Provisions**

Should any section, clause or provision of this Memorandum of Understanding be

declared illegal by final judgment of a court of competent jurisdiction, such invalidation of such section, clause or provision shall not invalidate the remaining portions hereof, and such remaining portions shall remain in full force and effect for the duration of this Memorandum of Understanding. ## APPENDIX B

December 3, 1970  
REVISED August 26, 1971

### CITY OF ALAMEDA

#### REGULATIONS GOVERNING THE EDUCATION REIMBURSEMENT PROGRAM

##### I. PROGRAM ESTABLISHED

- A. An Education Reimbursement Program is established in all City departments to reimburse qualified full-time City employees below the level of Division Head for necessary and proper expenses incurred in connection with certain approved educational costs. This program is designed to encourage City employees to increase their knowledge and improve their skills for both the benefit of themselves and the City.
- B. The purpose of these regulations is to set forth the rules under which this program shall be administered.

##### II. ELIGIBILITY

- A. Any full-time City employee below the level of Division Head may qualify for the Educational Reimbursement Program, except employees in the following classifications: Police Officer, Policewoman, Police Sergeant and Police Lieutenant.
- B. Any employee who qualifies for benefits under the G.I. Bill, or some other outside source of funds, for a proposed course of study will be eligible only for reimbursement of that portion of tuition and fees not covered by the G.I. benefits, or other outside source of funds.

##### III. GENERAL RULES AND REGULATIONS

- A. Application for education reimbursement may be made only for attendance at a school of recognized and approved educational standing.
- B. Proposed course must relate to the employee's present job, or to a reasonably predictable future job, with the City. This means that proposed courses must be of immediate benefit to the employee in the performance of current job assignments, or in qualifying for promotion within his present field of specialization, or is part of a logically related sequence of courses leading to a degree in his present field of specialization.
- C. To benefit from this program an employee must complete the course of study successfully. This means finishing the proposed course with a passing grade.

- G. In lieu of reimbursement for textbooks expense described above, the Department Head, at his option, may provide textbooks to employees for approved courses. These books must be returned in good condition to the Department Head at the completion of the course for use by others taking similar courses.

V. ADMINISTRATIVE PROCEDURE

- A. Prior to enrolling in a course for which reimbursement will be sought, an employee shall apply through proper channels to his or her Department Head for authorization to take the course under the provisions of this program. The application shall be a statement containing the name of the school, the course title and description, the number of credits or units, the name of the instructor, the class schedule and an estimate of the "eligible expenses" as described in Section IV.
- B. The Department Head will be responsible for determining whether or not the course qualifies under the program for educational reimbursement, and so notify the employee who has submitted the application. Any application, which by itself, or taken with other applications already submitted and approved, which involves reimbursement of more than ~~\$200~~ per employee per year must receive prior approval by the City Manager.
- C. The Department Head may, at his option, <sup>\$500-750</sup> establish regulations for administering this program in his Department, as long as they are consistent with these regulations. This may involve, if desirable, preparation and distribution of a list of courses which will qualify under this program for the information of the employees in his Department.

IV. AUTHORIZATION AND AMENDMENT

- A. The Educational Reimbursement Program was authorized by the Alameda City Council in adopting Resolution No. 7702, dated December 1, 1970.
- B. The rules regulating the Educational Reimbursement Program shall be established by administrative directive issued by the City Manager.
