Good afternoon!

No problem at all. If you take a look at the exhibit attached to the staff report, it'll contain the redlines. I hope that helps.

Happy holidays!

Hi Jennifer and Nishant,

Happy Holidays!

For Item 5C, were these all updates entirely from our Lexipro subscription to revise policy language, or did the department/staff/city attorney craft anything custom or new for Alameda? If we did, is it possible to get a redline version between the custom language we made and the language from Lexipro if it's not a huge issue?

Thanks a bunch!
