

To Lara

Dear City Manager:

On Dec. 3<sup>rd</sup> Alameda Support Foundation held a Plant Sale as a fundraiser for FAAS. We raised more than \$3,000.00 for the animals.

As you can see from the enclosed document, forty-three people signed a petition urging the City Council to increase its financial support of FAAS so that the care for Alameda's stray and homeless animals continues.

We urge you to increase support for the Alameda Animal Shelter.

Sincerely,

Les Hilger

We, the undersigned, want the city to increase its support of the Alameda Animal Shelter.

Since the Friends of the Alameda Animal Shelter, a nonprofit, took over its operation from the Alameda Police Dept. several years ago, stray animal care has improved. Now homeless, lost animals receive medical care, neutering and appropriate inoculations and for the most part, homes!

The shelter has become a vital and crucial institution in our island community.
