Dear PAC,

I would like to make my support for the annual Haunt Your House canned food drive [and incidentally a happy Halloween for the Kids!].

This year, more than ever, kids are going to need something to cheer them up going into the holidays. Apart from all the food and other interest that this contest brings, it also brings visitors to Alameda from far and wide.

I personally have people drive down from Santa Rosa- almost entirely to see my "little haunt" created from upcycled old corporate scenery [my old line of work].

ESPECIALLY with the South Shore Center teenagers indoor haunt being a bad idea this year- Kids will need something to look forward to.

And the food drive Always brings in a ton of food for our local families in need.

PS I build professional movie quality custom scenery for my haunts, and SAFETY is my number one priority!
