

Alameda Bus Stop Bench Installations

January 25, 2023

Project Goals

- ❖ Improve bus rider experience
- ❖ Document the current inventory of bus stop benches
- ❖ Add 20 new benches to prioritized stops
- ❖ Complete the project by summer 2023

Criteria for Site Selection

- ❖ Ridership (on-boardings)
- ❖ Pedestrian priority streets
- ❖ Proximity to goods & services
- ❖ Equity

Data Review

- ❖ Over 250 bus stops were reviewed in Alameda
- ❖ Percent of total stops in Alameda exceeds AC Transit average
- ❖ Most sites without benches have potential for bench

Project Schedule

January/February 2023	Prioritize and select sites
March 2023	Contact vendors and purchase benches
Summer 2023	Receive and install benches
Summer 2023	Create plan for future bench installations
