

CITY OF ALAMEDA PLANNING BOARD
DRAFT RESOLUTION

A RESOLUTION OF THE PLANNING BOARD OF THE CITY OF ALAMEDA APPROVING USE PERMIT PLN24-0094 TO ALLOW ADDITIONAL OPERATING HOURS FOR THE EXISTING LEGAL NON-CONFORMING GAS STATION LOCATED AT 1310 CENTRAL AVENUE, AS WELL AS SALE OF PACKAGED FOODS AND NON-ALCOHOLIC BEVERAGES IN THE EXISTING STORE.

WHEREAS, an application was made on February 27, 2024 by Qais Ahmed for a Use Permit to modify the conditions of the existing use permit PB-12-11 to allow additional operating hours and sales of a broader mix of convenience items at the existing Mobil gas station located at 1310 Central Avenue; and

WHEREAS, the existing gas station and auto repair use have operated continuously at this location for generations providing necessary and convenient services the neighborhood; and

WHEREAS, increased competition from new gas stations, changes in consumer demand including hybrid and electric vehicles, remote work and limited operating hours have resulted in a significant decrease in fuel sales at this location in the last decade; and

WHEREAS, ensuring the continued viability of the existing small business while providing needed access to services for residents is in the community interest; and

WHEREAS, the subject property is designated as Medium Density Residential in the General Plan; and

WHEREAS, the subject property in the R-4, Residential District; and

WHEREAS, the existing gas station use is a non-conforming use and pursuant to AMC 30-20.2, If no structural alterations are made, a nonconforming use of a building may, upon approval of a use permit be changed to another nonconforming use of the same or more restricted use classification; and

WHEREAS, the Planning Board held a duly noticed public hearing for the project on June 9, 2025 and examined pertinent documents.

NOW, THEREFORE, BE IT RESOLVED, that the Planning Board finds this project categorically exempt from additional environmental review pursuant to CEQA Guidelines Sections 15301 – existing facilities; and no exceptions to the categorical exemption apply; and

BE IT FURTHER RESOLVED, that the Planning Board makes the following findings relative to the Use Permit application (AMC Sections 30-21.3):

1. **The location of the proposed use is compatible with other land uses in the general neighborhood area, and the project design and size is architecturally, aesthetically, and operationally harmonious with the community and surrounding development.**

The existing gas station has operated at the site for many years. The gas station and auto repair businesses complement the nearby Morton Station neighborhood business district. The use of the property has been generally compatible with the adjacent residential uses due to carefully crafted limitations on the hours of operation and the types of services provided at the station if they are adhered to. The current proposed modification would maintain compatibility between the gas station and the neighborhood by not increasing the allowed hours of operation for the onsite auto repair business and prohibiting sales of alcohol and tobacco products.

2. **The proposed use will be served by adequate transportation and service facilities including pedestrian, bicycle, and transit facilities.**

The property is located at the intersection of three streets that serve citywide circulation needs as described in the City's Street Classification Index of the General Plan, including State Highway 61, with no barriers to access. AC Transit lines 51A and O stop one block away. The project site is served by continuous existing and under construction bicycle facilities. Therefore, the proposed use is served by adequate transportation and service facilities, including pedestrian, bicycle, and transit facilities.

3. **The proposed use, if it complies with all conditions upon which approval is made contingent, will not adversely affect other property in the vicinity and will not have substantial deleterious effects on existing business districts or the local economy.**

The proposed additional hours of operation and diversified product selection in the small onsite store will improve the available services to the local residents, reducing the need for people to drive greater distances through the neighborhood to access fuel and convenience items. By continuing to limit the auto repair hours of operation and other conditions of approval, the use will not adversely affect other property in the vicinity. By ensuring the continued viability of the business and avoiding the potential of another shuttered and blighted former gas station property, the use will continue to support the adjacent Morton Station neighborhood business district and the local economy.

4. **The proposed use relates favorably to the General Plan and the purpose of the Alameda Point Zoning District.**

Approving this use is consistent with Alameda General Plan Land Use Element goals and policies. Land Use Element action LU-5a calls for "Permit(ing) continuation and re-investment in existing, small, legal nonconforming neighborhood-serving commercial uses in commercial buildings that predate the zoning code." Approving the use permit modification will support Goal 2 of the Land Use Element to "strengthen and diversify the Alameda business community and economy."

BE IT FURTHER RESOLVED, that the Planning Board approves Use Permit PLN24-0094 to allow additional operating hours for the existing legal non-conforming gas

station located at 1310 Central Avenue, as well as sale of packaged foods and non-alcoholic beverages in the existing store.

subject property and the common boundary residences shall be properly maintained.

15. Applicant shall provide customers with sufficient waste collection receptacles and ensure premises are maintained in a clean and tidy manner to prevent litter on and adjacent to the property.
16. Vesting: The Use Permit approval shall expire two (2) years after the date of approval or by **December 11, 2025**, unless authorized construction or use of the property, as stated under this Use Permit, has commenced. The applicant may apply for a time extension, not to exceed two (2) years. An extension request will be subject to approval by the Zoning Administrator and must be filed prior to the date of expiration.
17. Revocation: This Use Permit may be modified or revoked by the Planning Board, pursuant to Alameda Municipal Code Section 30-21.3d should the Planning Board determine that: 1) the use or conditions under which it is being operated or maintained is detrimental to the public health, welfare or materially injurious to property or improvements in the vicinity; 2) the property is operated or maintained so as to constitute a public nuisance; or 3) the use is operated in violation of the conditions of the Use Permit.

HOLD HARMLESS. To the maximum extent permitted by law, the applicant (or its successor in interest) shall defend (with counsel acceptable to the City), indemnify, and hold harmless the City of Alameda, its City Council, City Planning Board, officials, employees, agents and volunteers (collectively, "Indemnitees") from and against any and all claims, actions, or proceedings against Indemnitees to attack, set aside, void or annul an approval by Indemnitees relating to this project. This indemnification shall include, but is not limited to, all damages, losses, and expenses (including, without limitation, legal costs and attorney's fees) that may be awarded to the prevailing party arising out of or in connection with an approval by the Indemnitees relating to this project. The City shall promptly notify the applicant of any claim, action or proceeding and the City shall cooperate in the defense. The City may elect, in its sole discretion, to participate in the defense of said claim, action, or proceeding and the applicant (or its successor in interest) shall reimburse the City for its reasonable legal costs and attorneys' fees.

NOTICE. No judicial proceedings subject to review pursuant to California Code of Civil Procedure Section 1094.5 may be prosecuted more than ninety (90) days following the date of this decision plus extensions authorized by California Code of Civil Procedure Section 1094.6.

NOTICE. The conditions of project approval set forth herein include certain fees and other exactions. Pursuant to Government Code section 66020(d) (1), these Conditions constitute written notice of a statement of the amount of such fees, and a description of the dedications, reservations and exactions. The Applicant is hereby further notified that the 90-day appeal period, in which the Applicant may protest these fees and other exactions, pursuant to Government Code section 66020(a) has begun. If the Applicant fails to file a protest within this 90-day period complying with all requirements of section 66020, the Applicant will be legally barred from later challenging such fees or exactions.

The decision of the Planning Board shall be final unless appealed to the City Council, in writing and within ten (10) days of the decision, by filing with the Planning, Building, and Transportation Department a written notice of appeal stating the basis of appeal and paying the required fees.
