Alameda ❤️ Senator Alex Padilla!

In January, while in Washington, DC for the US Conference of Mayors annual meeting, Mayor Marilyn Ezzy Ashcraft and other California Mayors met with our US Senators, [Alex Padilla](#) and [Adam Schiff](#), who patiently listened to and offered advice about the mayors' concerns with securing federal funding for vital programs. This week, we were shocked, and saddened, to witness the deplorable treatment of Senator Padilla by federal agents at a news conference in Los Angeles. This is not the American way.
