Exhibit 2

Item 6-B, July 26, 2021

Planning Board Meeting

The following events involve no amplified sound:

09/04, 09/05, 09/11 & 09/12 at 4pm - The Food Bank Players present "Much Ado About Nothing" on the Healing Garden Stage. Donations from these events go directly to the Alameda Food Bank.

Saturday/ Sunday mornings 9-11am. Back to Life wellness center offers community yoga and meditation classes in the Garden. These classes would involve less than thirty people and we hope that these can take place in the garden despite being outside of our event hours.

We also host occasional Garden gatherings where the volunteers who water and maintain the garden come together to work on the garden and get to know each other. These events are limited to a maximum of 40 people and do not involve any amplified sound.
