Supplemental Memo regarding 5-H on the March 19, 2024 City Council Agenda (2024-3860)

SUPPLEMENTAL INFORMATION

This memo is being provided to supplement the staff report already published for the March 19, 2024 City Council meeting.

At the request of a Councilmember, staff are providing additional photographs of the current condition of the existing fence adjacent to the south side of the hangar at 2505 Monarch Street (Building 22). These photographs were taken by staff on March 15, 2024.
