

CITY OF ALAMEDA RESOLUTION NO. _____

TERMINATING THE DECLARATION OF THE EXISTENCE OF A LOCAL EMERGENCY IN RESPONSE TO THE COVID-19 PANDEMIC, CONSISTENT WITH GOVERNMENT CODE SECTION 8630(d)

WHEREAS, the Alameda Municipal Code, Chapter 2-24, defines a local emergency as “the actual or threatened existence of conditions of disaster or of extreme peril to safety of persons and property within a jurisdiction”; and

WHEREAS, Government Code Section 8630 empowers the City Council to proclaim a local emergency by ordinance when the City of Alameda is affected by a public calamity and/or serious threat to the public health, safety and welfare, and provide that such proclamation shall terminate if the conditions so warrant; and

WHEREAS, Section 3-12 of the City Charter authorizes the City Council, with a 4/5 vote, to adopt as an urgency measure an ordinance for the immediate preservation of the public peace, health or safety upon a finding of facts constituting the urgency thereof; and

WHEREAS, on March 17, 2020 the City Council made findings that due to the COVID-19 pandemic, conditions of extreme peril to the health, safety and welfare of persons have arisen in the City of Alameda and, based thereon, adopted an urgency ordinance (Ordinance No. 3267) declaring a local emergency existing in the City of Alameda as a result of the COVID-19 pandemic; and

WHEREAS, Ordinance No. 3267 adopted various measures in response to the local emergency; and

WHEREAS, on April 7, 2020 the City Council adopted on an urgency basis Ordinance No. 3272 making findings that due to the COVID-19 pandemic, the March 17 declaration should be extended for the duration of the State of California’s COVID-19 Emergency Declaration and authorizing the City Manager with certain authority concerning competitive bidding and spending; and

WHEREAS, Government Code, subsection (c) of section 8630 requires that the governing body review the need for continuing the local emergency at least once every 60 days until the governing body terminates the local emergency and subsection (b) of Section 8630 authorizes a designated officer of a local agency to proclaim the existence of a local emergency if the governing body is not in session, so long as the governing body thereafter ratifies such proclamation; and

WHEREAS, in June, September, November of 2020 and in January, March, April, June, July, September, November, December of 2021 and in February, March, May, July and September, 2022, the City Council made findings that due to the COVID-19 pandemic

and the continued duration of the State's declaration of emergency, the City's declaration of local emergency should be continued; and

WHEREAS, beginning in March 2020 and continuing to this time, the City Council while in session has engaged in frequent and regular review of the COVID-19 local emergency and the City Council has taken action on numerous items relating to the local emergency; and

WHEREAS, the City Council at its regular meeting on September 6, 2022, directed staff to return in October 2022 with an agenda item to consider terminating the declaration of local emergency; and

WHEREAS, the City Council finds that the conditions that existed in March 2020 that led to the initial declaration of a local emergency no longer support continuing that declaration; and

WHEREAS, the State of California's COVID-19 Pandemic Emergency Declaration also remains in effect at this time; and

WHEREAS, adoption of this resolution is exempt from review under the California Environmental Quality Act Guidelines, Section 15378 (not a project) and Section 15061(b)(3) (no significant environmental impact).

Section 1. The City Council finds and determines that the foregoing recitals to be true and correct and hereby incorporates them in this resolution.

Section 2. The City Council declares that the continuation of the previously declared local emergency relating to COVID-19 is no longer appropriate given that the conditions no longer warrant such a proclamation and as a result such declaration of local emergency is hereby terminated.
