City of Alameda, a body politic and municipal corporation or chartered city of the State of California, referred to hereinafter as CITY.

RECITALS

1. PARTIES are authorized to enter into a cooperative agreement for improvements to the State Highway System per the California Streets and Highways Code sections 114 and 130 and Government Code 65086.5.
2. For the purpose of this AGREEMENT, *modification of State Route 61 between Main Street /Pacific Avenue and Sherman Street/Encinal Avenue in Alameda County*, will be referred to hereinafter as PROJECT. CITY desires that a Project Initiation Document (PID) be developed for the PROJECT. The Project Initiation Document will be a Project Study Report - Project Development Support (PSR-PDS).
3. All obligations and responsibilities assigned in this AGREEMENT to complete the following PROJECT COMPONENT will be referred to hereinafter as WORK:
 - PROJECT INITIATION DOCUMENT (PID)

Each PROJECT COMPONENT is defined in the CALTRANS Workplan Standards Guide as a distinct group of activities/products in the project planning and development process.

4. The term AGREEMENT, as used herein, includes this document and any attachments, exhibits, and amendments.

This AGREEMENT is separate from and does not modify or replace any other cooperative agreement or memorandum of understanding between the PARTIES regarding the PROJECT.

PARTIES intend this AGREEMENT to be their final expression that supersedes any oral understanding or writings pertaining to the WORK. The requirements of this AGREEMENT will preside over any conflicting requirements in any documents that are made an express part of this AGREEMENT.

If any provisions in this AGREEMENT are found by a court of competent jurisdiction to be, or are in fact, illegal, inoperative, or unenforceable, those provisions do not render any or all other AGREEMENT provisions invalid, inoperative, or unenforceable, and those provisions will be automatically severed from this AGREEMENT.

Except as otherwise provided in the AGREEMENT, PARTIES will execute a written amendment if there are any changes to the terms of this AGREEMENT.

AGREEMENT will terminate 180 days after PID is signed by PARTIES or as mutually agreed by PARTIES in writing. However, all indemnification articles will remain in effect until terminated or modified in writing by mutual agreement.

5. No PROJECT deliverables have been completed prior to this AGREEMENT.
6. In this AGREEMENT capitalized words represent defined terms, initialisms, or acronyms.
7. PARTIES hereby set forth the terms, covenants, and conditions of this AGREEMENT.

RESPONSIBILITIES

Sponsorship

8. A SPONSOR is responsible for establishing the scope of the PROJECT and securing the financial resources to fund the WORK. A SPONSOR is responsible for securing additional funds when necessary or implementing PROJECT changes to ensure the WORK can be completed with the funds obligated in this AGREEMENT.

PROJECT changes, as described in the CALTRANS Project Development Procedures Manual, will be approved by CALTRANS as the owner/operator of the State Highway System.

9. CITY is the SPONSOR for the WORK in this AGREEMENT.

Implementing Agency

10. The IMPLEMENTING AGENCY is the PARTY responsible for managing the scope, cost, schedule, and quality of the work activities and products of a PROJECT COMPONENT.

- CITY is the Project Initiation Document (PID) IMPLEMENTING AGENCY.

The PID identifies the PROJECT need and purpose, stakeholder input, project alternatives, anticipated right-of-way requirements, preliminary environmental analysis, initial cost estimates, and potential funding sources.

11. The IMPLEMENTING AGENCY for a PROJECT COMPONENT will provide a Quality Management Plan (QMP) for the WORK in that component. The Quality Management Plan describes the IMPLEMENTING AGENCY's quality policy and how it will be used. The Quality Management Plan will include a process for resolving disputes between the PARTIES at the team level. The Quality Management Plan is subject to CALTRANS review and approval.
12. Any PARTY responsible for completing WORK will make its personnel and consultants that prepare WORK available to help resolve WORK-related problems and changes for the entire duration of the PROJECT including PROJECT work that may occur under separate agreements.

Funding

13. CITY is the only PARTY obligating funds in this AGREEMENT and will fund the cost of the WORK in accordance with this AGREEMENT.

If, in the future, CALTRANS is allocated state funds and Personnel Years (PYs) for PID review or development of this PROJECT, PARTIES will agree to amend this AGREEMENT to change the reimbursement arrangement for PID review.

14. Funding sources, PARTIES committing funds, funding amounts, and invoicing/payment details are documented in the Funding Summary section of this AGREEMENT.

PARTIES will amend this AGREEMENT by updating and replacing the Funding Summary, in its entirety, each time the funding details change. Funding Summary replacements will be executed by a legally authorized representative of the respective PARTIES. The most current fully executed Funding Summary supersedes any previous Funding Summary created for this AGREEMENT.

15. PARTIES will not be reimbursed for costs beyond the funds obligated in this AGREEMENT.

16. Unless otherwise documented in the Funding Summary, overall liability for project costs within a PROJECT COMPONENT will be in proportion to the amount contributed to that PROJECT COMPONENT by each fund type.
17. Unless otherwise documented in the Funding Summary, any savings recognized within a PROJECT COMPONENT will be credited or reimbursed, when allowed by policy or law, in proportion to the amount contributed to that PROJECT COMPONENT by each fund type.
18. WORK costs, except those that are specifically excluded in this AGREEMENT, are to be paid from the funds obligated in the Funding Summary. Costs that are specifically excluded from the funds obligated in this AGREEMENT are to be paid by the PARTY incurring the costs from funds that are independent of this AGREEMENT.

CALTRANS' Quality Management

19. CALTRANS, as the owner/operator of the State Highway System, will perform quality management work including independent quality assurance (IQA) and owner/operator approvals for the portions of WORK within the existing and proposed State Highway System right-of-way.
20. CALTRANS' independent quality assurance (IQA) efforts are to ensure that CITY's quality assurance results in WORK that is in accordance with the applicable standards and the PROJECT's quality management plan (QMP). An IQA does not include any efforts necessary to develop or deliver WORK or any validation by verifying or rechecking WORK.

When CALTRANS performs IQA it does so for its own benefit. No one can assign liability to CALTRANS due to its IQA.

21. CALTRANS, as the owner/operator of the State Highway System, will approve WORK products in accordance with CALTRANS policies and guidance and as indicated in this AGREEMENT.
22. CITY will provide WORK-related products and supporting documentation upon CALTRANS' request for the purpose of CALTRANS' quality management work.

Project Initiation Document (PID)

23. As the PID IMPLEMENTING AGENCY, CITY is responsible for all PID WORK except those activities and responsibilities that are assigned to another PARTY in this AGREEMENT and those activities that may be specifically excluded.

24. Should CITY request CALTRANS to perform any portion of PID preparation work, except as otherwise set forth in this AGREEMENT, CITY agrees to reimburse CALTRANS for such work and PARTIES will amend this AGREEMENT.
25. CALTRANS will be responsible for completing the following PID activities:

CALTRANS Work Breakdown Structure Identifier (If Applicable)	AGREEMENT Funded Cost

28. CALTRANS will actively participate in the Project Delivery Team meetings.
29. The PID will be signed on behalf of CITY by a Civil Engineer registered in the State of California.
30. CALTRANS will review and approve the Project Initiation Document as required by California Government Code 65086.5.

CALTRANS will complete a review of the draft PID and provide its comments to CITY within 60 calendar days from the date CALTRANS received the draft PID from CITY. CITY will address the comments provided by CALTRANS. If any interim reviews are requested of CALTRANS by CITY, CALTRANS will complete those reviews within 30 calendar days from the date CALTRANS received the draft PID from CITY.

After CITY revises the PID to address all of CALTRANS' comments and submits the revised draft PID and all related attachments and appendices, CALTRANS will complete its review and final determination of the revised draft PID within 30 calendar days from the date CALTRANS received the revised draft PID from CITY. Should CALTRANS require supporting data necessary to defend facts or claims cited in the revised draft PID, CITY will provide all available supporting data in a reasonable time so that CALTRANS may conclude its review. The 30-day CALTRANS review period will be stalled during that time and will continue to run after CITY provides the required data.

PARTIES will include prevailing wage requirements in contracts for public work and require contractors to include the same prevailing wage requirements in all subcontracts.

Work performed by a PARTY's own employees is exempt from the Labor Code's Prevailing Wage requirements.

If WORK is paid for, in whole or part, with federal funds and is of the type of work subject to federal prevailing wage requirements, PARTIES will conform to the provisions of the Davis-Bacon and Related Acts, 40 U.S.C. §§ 3141-3148.
