**DONATE ITEMS FOR THE 2026 POINT-IN-TIME COUNT**

The Youth Advisory Committee (YAC) from the Alameda Collaborative for Children, Youth, and their Families (ACCYF) is seeking donations for the City of Alameda's 2026 Point in Time Count. The PIT Count is a citywide survey that will be held January 2026 that estimates how many people are experiencing homelessness. It helps secure vital funding for the city to address the issue.
