12.3 Step Increases

If the City Manager at any time determines that it is in the City's interest, they may assign an employee to a higher rate within the salary range fixed for the classification. The City Manager shall regulate the accelerated advancement through the salary range steps.

When a Division Chief or Deputy Chief is ~~moved from suppression~~promoted to an Office-administrative assignment and is responsible for one or more divisions and is not already at step 5 on the salary schedule, they will be moved to the next higher step on the salary range than their current step. They will remain at this rate until they are moved based on the employee's anniversary date or are no longer assigned to an administrative assignment. For example, an employee at step 3 when moved to an Office-administrative assignment, will be placed at step 4 on the salary schedule at the time of appointment. When the employee receives their next step increase they will be moved to step 5 on the salary schedule. They will continue to advance in the salary schedule until they reach step ~~5~~6. ~~If the employee leaves the Office assignment, they will be placed at the step below that at which they were, for example moving from step 6 while in an office assignment to step 5 when moved to a suppression assignment.~~

An employee shall receive increases in salary according to the following plan:

Step 2 upon completion of twelve (12) months, service in Step 1 unless the City Manager disapproves.

Step 3 upon completion of twelve (12) months, service in Step 2 unless the City Manager disapproves.

Step 4 upon completion of twelve (12) months, service in Step 3 unless the City Manager disapproves.

Step 5 upon completion of twelve (12) months, service in Step 4 unless the City Manager disapproves.

~~Step 6 upon assignment to an administrative assignment, where they are already at Step 5.~~

Raises to the 2nd, 3rd, 4th, 5th steps shall be automatic unless the City Manager disapproves.

12.4 Conversion Rate

Any yearly, monthly, per diem, or hourly rate of pay may be converted into any equivalent rate of pay or to any other time basis when, in the judgment of the City Manager, such a conversion is advisable. In determining equivalent amounts on different time basis, the Finance Director, subject to the approval of the City Manager, shall provide tables or regulations for the calculation of payment for service of less than full time, and for use in converting monthly salaries to hourly rates, as well as for calculating hourly rates.

Where part-time service is on an irregular basis, the pay for such service shall be calculated according to procedures established by the Finance Director, subject to the approval of the City Manager.

12.5 Deferred Compensation

Deferred compensation is available to all members of the Association at their own expense.

12.6 Mutual Aid

Employees assigned to provide mutual aid under either the "Agreement for Local Government Fire and Emergency Assistance to the State of California and Federal Fire Agencies" or "Federal Emergency Management Agency Cooperative Agreement" or declared "Disaster Agreement with California Task Force Four Urban Search & Rescue" will be compensated, for work outside of their normal hours at one and a half (1.5) times the employee's base hourly rate of pay portal to portal as long as the hourly rate is eligible for 100 percent reimbursement by the requesting agency under the agreements listed. No employee may be approved for mutual aid without a request and an order number or equivalent from requesting agency.

Section 13. Health and Welfare

13.1 Flexible Benefit Plan

The City has contracted with the Public Employees' Retirement System (PERS) for the purpose of providing medical insurance benefits for employees covered by this Memorandum of Understanding, eligible retired employees and eligible survivors of retired employees. Eligibility of retired employees and survivors of retired employees to participate in this program shall be in accordance with regulations promulgated by PERS and subject to the provisions of Section 4 (a) and (b) of the Agreement of May 31, 1990 between the City and the "members of the 1082 Pension System", transferring the 1082 pension system to PERS (See Section 14.3 and Appendix B).

The structures for the medical component of the Flexible Benefits Plan will be provided to employees as follows:

Through the term of the agreement, the City shall contribute the maximums listed below for the calendar year 2022. These contribution rates reflect 50% of the Kaiser increase over 2021 contribution rates. There shall be no cash back to employees of any excess dollars should the employee elect a plan that is less than the maximums listed below. Employees who elect not to enroll in one of the City's health plans and show proof of enrollment in an alternative plan, shall receive \$106.15 per pay period while waiving coverage.

The maximum contribution rates upon ratification of this agreement are as follows:

Waiver of Coverage:	\$106.15 per pay period
Single Party	\$1,097.90 per month
Two-Party	\$2,019.92 per month
Family	\$2,573.13 per month

Should the employee elect a more expensive plan, the balance of the cost incurred to provide medical care benefits for the employee and eligible dependents shall be paid by the employee. The City shall make a payroll deduction from the employee's pay to cover the difference.

Effective January 1, 2023, and every January 1st thereafter, during the term of this agreement, the City will increase its contribution to the member's Flexible Benefit Plan to reflect 50% of the increase in cost for premiums for the then current year as compared to the prior year, of the CalPERS Kaiser rate in the area or region in which Alameda is assigned-based upon the coverage level for the employee +2 or more dependents. The \$106.15 per pay period cash-in-lieu will not change.

Each employee shall be responsible for providing immediate written notification to the Human Resources Department of any change to the number of their dependents which affects the amount of the City payment to the Flexible Benefits Account. An employee, who by reason of failing to report a change in dependents, receives a City payment greater than the amount to which they are entitled shall be liable for refunding the excess amounts received via a reduction in the amount paid to their Flexible Benefits Account. Changes to flexible benefit payments required because of a change in an employee's number of dependents shall take effect at the start of the first pay period in the month next following the month in which advice from the employee is received by the Human Resources Department. No retroactive increases to the City's payments shall be allowed.

13.2 Dental Insurance

Effective January 1, 2014, the City will switch from an 80%- 20% plan to a plan that covers 90% of the cost of services, with the employee picking-up 10% of the cost of services.

The current dental plan is a \$2500.00/\$2500.00 benefit plan per employee and eligible dependent(s) for annual dental care and lifetime orthodontic care.

13.3 Vision Coverage

The City will make the current Vision Coverage available at the employee's cost.

13.6 Employee Assistance Program

The City shall continue to provide for all employees an employee assistance program. The cost of such program shall continue to be paid by the City only during the term of this Memorandum of Understanding.

Section 14. Retirement Plan

The provisions described in this Section A apply only to CalPERS eligible employees hired before January 1, 2013, or to eligible employees hired after that date who qualify for pension reciprocity pursuant to Government Code Section 7522.02 (c).

Except as modified below, the parties agree to be bound by the Agreement entered into on May 31, 1990, and executed by the City Manager and the President of the Union and attached to this Memorandum of Understanding as Appendix B.

The City has implemented the provision of Section 414(h)(2) Internal Revenue Code by making employee contributions pursuant to California Government Code Section 20691 to PERS on behalf of all its employees in this recognized group or class of employment. "Employee contributions "shall mean those contributions to PERS which are deducted from the salary of employees and are credited to individual employee's accounts pursuant to California Government Code Section 20691.

The City has contracted with PERS for Employee Cost Sharing under Government Code Section 20516(a). The member's contribution in prior MOUs was 2% over and above the normal 9% contributions made by the employee in previous MOUs. This 11% contribution was in accordance with Section 414(h)(2) of the Internal Revenue Code whereby employee contributions shall be tax deferred and not subject to taxation until the time of constructive receipt.

There was a one percent increase in the employee contribution of PERS pension costs, effective the first day of the first full pay period following the dates listed:

- July 1, 2016 increase 1% resulting in a total employee contribution of 15%. (9% employee contribution plus additional contribution of 6% of the employer cost)

If during the term of this MOU, actuarial valuation numbers improve and the employers normal cost for the retirement benefit reduces, the parties agree to the employees contribution rate being no more than 50% of the employers normal cost. Otherwise, the total employee contribution at levels set forth above will remain in effect until the expiration of this MOU with the understanding that after July 1, 2016 the level shall remain at 15%.

14.1 (b) Employees Hired On Or After January 1, 2013

This Section B shall apply to CalPERS eligible employees hired on or after January 1, 2013, who do not qualify for pension reciprocity pursuant to Government Code Section 7522.02(c). All of the following requirements apply to these employees:

- b. As required by Government Code Section 7522.32, for the purposes of determining a retirement benefit for CalPERS eligible employees, final compensation shall mean the highest average annual pensionable compensation earned during 36 consecutive months of service.
- c. As required by Government code Section 7522.30, employees shall have an initial contribution rate of 50% of the total normal cost rate.

14.2 Retirement Plan Final Compensation Calculation:

Pursuant to the Public Employees’ Pension Reform Act, all employees who constitute “new PEPRA members” of the City’s defined benefit plan will have their final compensation for pension purposes calculated based on a formula that defines final compensation as the highest average annual pensionable compensation earned during a period of at least 36 consecutive months. Employees who constitute “classic members” of the City’s defined benefit plan will have their final compensation for pension purposes calculated based on a formula that defines final compensation on a 12-consecutive month period in accordance with the Public Employees’ Retirement Law.

Two-party coverage for health and dental shall include the employee and the spouse to whom the employee is married at the time of retirement. If the employee dies during retirement, the City will provide to the surviving unmarried spouse health and dental insurance at the two-party rate. If a retired employee marries or remarries during retirement, the retiree may add the new spouse to the health or dental insurance at the retiree's expense.

To be eligible for the retiree health and dental benefits, employees hired after June 7, 2011 must have been employed by the City of Alameda for no less than ten years and must retire from the City of Alameda within 120 days of separation. Should an employee elect a plan other than Kaiser or Blue Shield, the maximum contribution by the City shall be an amount not to exceed the higher of the Kaiser or Blue Shield rates in the Region or Area that Alameda County is assigned by CalPERS and shall not exceed the cost of the elected plan. When the employee becomes eligible for Medicare, the Medicare supplement rates for Kaiser or Blue Shield will apply. For dental, the City shall provide dental benefits up to the single-party rate.

In any year in which Blue Shield is not offered, the limit to reimbursement will be the higher of either the Kaiser single –party premium or the average of all plans offered in the Region or Area that Alameda County is assigned by CalPERS. The averaging of plans is limited to only the impacted categories that no longer offer Blue Shield (Basic, Combination, or Supplement/Managed Medicare).

Should the Kaiser plan no longer be offered, the parties shall meet and confer on a substitute provider or rate.

The City will notify the AFCA prior to open enrollment if the Blue Shield plan is not included in the medical plans being offered for the coming year. The City will meet at AFCA's request to review the calculation of the average plan cost used to set the reimbursement rate.

(c) Supplemental Retirement Plans (401(a) & 401(h)) for employees hired after June 7, 2011:

Employees hired after June 7, 2011 shall contribute an amount equal to 2% of regular base monthly salary to a supplemental retirement plan created under IRC 401(a) and 401(h) and to be invested in a way chosen by the employees. Contributions to the supplemental retirement plan shall be on a “pick up” basis as defined in IRC 414(h)(2). This supplemental retirement plan allows the accrual of retiree health benefits. Contributions are divided 25% to the 401(h) or retiree health bucket, and 75% to the 401(a) or retiree income bucket. The plan will be administered by a third party administrator, Peery and Associates Inc. All plan expenses will be paid by the participants from the trust. APPENDIX B

APPENDIX "C" - TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

AGREEMENT TRANSFERRING 1082 PENSION SYSTEM MEMBERS TO PERS

This Agreement, entered into this 31ST day of May, 1990, by and between the CITY OF ALAMEDA, a municipal corporation (hereinafter "City") and the members (hereinafter "Members") of the 1082 Pension System (hereinafter "1082 Plan"), is made with reference to the following:

RECITALS:

A. The City of Alameda created by ordinance the 1082 Plan which provides pension benefits for its Members.

B. City and Members desire to transfer membership in the 1082 Plan to the State of California's Public Employees' Pension System (hereinafter "PERS").

NOW, THEREFORE, it is mutually agreed by and between and undersigned parties as follows:

- 1) As soon as practicable all current retirees and all current active and future employees covered by the 1082 Plan will be transferred to the PERS Safety 2 $\frac{3}{4}$ at 50 full formula as provided in Section 21252.01 of the Government Code of the State of California, including the following optional benefits:
 - a) Section 20024.2 (One Year Highest Compensation)
 - b) Section 20835.1 (Limit Prior Service to Members Employed on Contract Date)
 - c) Section 21361.5 (Local System Service Credit)
 - d) Section 20862.8 (Credit for Unused Sick Leave) and (non-restricted accrual of sick leave)
 - e) Section 21263 and 21263.1 (Post-Retirement Survivor Allowance)
 - f) Section 21266 (Post-Retirement Survivor Allowance to Continue After Remarriage)
 - g) Section 21382.4 (Third level of 1959 Survivor Benefits). Employer will pay employer contribution.

- 2) Upon the City transferring the 1082 Plan to PERS, the IRS will

be requested to review the tax consequences of the following language: "Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status."

- 3) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all safety employees of the City:

Employees who are members of the Public Employees' Retirement System (PERS) may participate in a PERS "Pick-Up Program". Said Program operates under the provisions contained in Section 414(h)(2) of the Internal Revenue Code concerning the tax treatment of employee retirement contributions to PERS paid by the City of Alameda on behalf of said employees.

The City shall contribute to PERS each pay period a portion of the employee contribution rate as established by law equal to nine percent (9%) of the employee's "compensation" as that term is administered by the Board of Administration of PERS.

Contributions made pursuant to this section shall be reported to PERS as "employee contributions being made by the contracting agency." The City will not treat these contributions as compensation subject to income tax withholding unless the Internal Revenue Service or Franchise Tax Board determines that such contributions are taxable income subject to withholding.

Each employee is solely and personally responsible for any federal, state or local tax liability of the employee that may arise out of the implementation of this section or any penalty that may be imposed therefor.

Except as set forth in the following paragraphs the aforesaid contribution shall be considered solely for the purpose set forth herein and shall not be considered for any other purpose including, but not limited to, being considered as part of any employee's salary for the purpose of computing straight-time earnings, compensation for paid leaves, compensation for overtime worked, compensation benefits and the City's contribution to PERS.

Any employee who has attained the age of forty-five (45) may elect to convert the said City-paid employee contribution to PERS to a salary increase of the same amount. Such election shall be irrevocable, must be made in writing and received by the Personnel Director, and shall become effective on the first of the month

following the date of election. In the event of such election the employee will thereafter be required to make the total amount of his or her contribution rate established by law.

In the event an illness or injury occurs which may cause an employee's retirement, that employee may immediately convert the nine percent (9%) City-paid employee contribution to the retirement fund to a nine percent (9%) salary increase, in which event the employee will be required to pay the total amount, nine percent (9%), of the employee contribution which had been paid by the City to the retirement fund.

The City shall afford the employee, at the employee's option, the ability to pay the nine percent (9%) City-paid employee contribution to the retirement fund retroactive twelve (12) months prior to an illness or injury which may cause an employee's retirement.

Any election to convert the City paid employee contribution will be revoked in the event the employee returns to duty status.

- 4) Upon the City transferring the 1082 Plan to PERS, the following language will apply to all 1082 safety employees and retirees who retired under 1082 who elect to transfer to PERS and current safety employees:

- a. Medical Insurance

For 1082 retirees and future Public Safety retirees who are currently members of one of the City sponsored health plans, the City shall contribute the health plan costs, at the one party or two-party rate as the case may be, for that plan until the retired employee is eligible for Medicare coverage. If and when the retiree becomes eligible for Medicare coverage, Part A and Part B, then the City shall provide the retiree a Medicare supplementary program as provided for in Government Code Sections 22819 and 22859. In place of the above described rates, the City will pay the full cost of such Medicare Supplement Program. Any of the above mentioned retirees who currently are not enrolled in a City sponsored health plan may elect to receive a monthly contribution by the City, equal to the average of the one-party or two-party rates, whichever is appropriate, paid by the City, to a qualified health care plan (on record with the City) for the purpose of purchasing health care. Retired employee dependent eligibility for City health plan contribution is conditional upon the active enrollment of the retired employee.

For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her medical insurance paid by the City at the single party rate.

If a retired employee remarries, the retiree may add the retiree's spouse to the medical insurance coverage at the retiree's expense.

b. Dental

1082 retirees and future Public Safety retirees may elect to receive a monthly contribution by the City, equal to the one party or two party rate, as the case may be, paid by the City, to a qualified dental care plan (on record with the City) for the purpose of purchasing dental care. For an employee of the City, who was married at the time of retirement and who dies during retirement, the surviving unmarried spouse of the retiree will have his or her dental insurance costs paid by the City at the single party rate. Should the City provide a dental benefit plan covering retired employees at a later date, the City shall provide the retiree and the surviving spouse the option of joining said plan at City cost at the appropriate rate. If a retired employee remarries, the retiree may add the retiree's spouse to the dental insurance coverage at the retiree's expense.

Any monies left in the 1082 Fund after the necessary funds have been transferred to PERS will be administered by the 1082 Pension Board to fund Health & Welfare (e.g. medical and dental) benefits for eligible retirees and dependents formerly members of the 1082 Pension System. Any other use of these monies would be a subject of negotiation with the Alameda Police Association and IAFF Local 689 representatives and would require their concurrence.

An individual Member who is retired from the City of Alameda under 1082 may make an irrevocable election to remain in the 1082 Plan. The existing benefits of the individual Member of the 1082 Plan at the time of election shall remain in full force and effect, without additions or deletions. Such election shall be made in writing to the City's Personnel Director and be made within 15 days from the date of the receipt of the Notice of Election.

This Agreement shall be effective upon ratification of all PERS transfer/contract amendment requirements. Non-restricted accrual of sick leave for purposes of Optional Benefit Section 20862.8 shall be effective as of January 1, 1990.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed on the day and year first above written.
