 City of Alameda, City Hall  
 2236 Santa Clara Avenue, Rm. 190  
 Alameda, Ca 94501

We are very concerned about the proposed project of expansion of hours and services at the Alameda gas station. This change likely lead to increased traffic, noise, and potential safety issues in our neighborhood.

We respectfully ask you do not approve the extended operating hours and help preserve the Residential character and design of our community as currently stands.

Thank you for your attention to this matter.

Sincerely,
