Madam Mayor and Members of the City Council,

On behalf of MidPen Housing, I would like to voice my strong support for Staff's recommendation and the selection of the Brookfield Properties/Catellus Development Team. Staff provided MidPen, Building Futures, and Operation Dignity with the opportunity to review the proposals. Although Alameda Point Collaborative recused itself from reviewing the proposals due to a conflict of interest, the remaining Collaborating Partners provided feedback and ensured that the selected team has the capacity to complete the needed infrastructure work. We were impressed by the thoughtfulness of the Brookfield/Catellus proposal and we look forward to working with them to realize our vision of rebuilding the existing supportive housing and creating a vibrant new community at Alameda Point. Thank you for taking this important action that is the critical next step to move RESHAP forward as quickly as possible.
