Mayor and City Council:

Related to Agenda Item #7B, in case you could not find the link to the 2021 Estuary Crossing Study, please find more specific directions on how to access it:

The document is here:

https://www.alamedaca.gov/files/content/public/v/271/departments/planning-building-and-transportation/transportation/estuary-crossing-report_20210125.pdf

It is linked from the City's Bridge page (www.alamedaca.gov/bridge) under the "Timeline" header, below the year 2021.

It can also be found on the Estuary Bridge web page (www.estuarybridge.org) in the "Documents" section: <https://estuarybridge.org/documents>
