

MINUTES OF THE REGULAR CITY COUNCIL MEETING
TUESDAY- - JANUARY 2, 2024- -7:00 P.M.

Mayor Ezzy Ashcraft convened the meeting at 7:03 p.m. Vice Mayor Daysog led the Pledge of Allegiance.

ROLL CALL - Present: Councilmembers Daysog, Herrera Spencer, Jensen, Vella, and Mayor Ezzy Ashcraft – 5. [Note: Councilmember Vella left the meeting at 11:25 p.m.]

AGENDA CHANGES

(24-003) Mayor Ezzy Ashcraft proposed hearing the Referral authorizing the Mayor to send a letter regarding a Gaza Ceasefire [paragraph no. 24-012] after the Consent Calendar followed by the remaining referrals in the order on the agenda.

Councilmember Herrera Spencer inquired whether non-agenda public comment would still be heard, to which Mayor Ezzy Ashcraft responded in the affirmative.

Councilmember Herrera Spencer inquired the proposed order.

Mayor Ezzy Ashcraft responded the Gaza Ceasefire item would be moved to the top as there are many speakers, the Council Referrals would then continue in alphabetical order.

Councilmember Herrera Spencer stated that she would prefer the order be the Gaza Ceasefire item, followed by the referral about animal testing facilities [paragraph no. 24-017] since the matter includes a lot of public participation and has been on the agenda for some time.

Mayor Ezzy Ashcraft stated that she is proposing sticking to alphabetical order as that is the order in which the Referrals were placed on the agenda by Councilmembers.

Councilmember Herrera Spencer noted Councilmembers have had referrals on the agenda for months and the public has attended multiple times to be able to participate.

Councilmember Jensen moved approval of the proposed agenda change.

Councilmember Herrera Spencer inquired how many speakers there are for the animal testing referral, to which the City Clerk responded there are no speaker slips on that item, however, there are over 110 in-person speaker slips for the Gaza Ceasefire item.

Vice Mayor Daysog seconded the motion, which carried by the following voice vote: Ayes: Councilmembers Daysog, Jensen and Mayor Ezzy Ashcraft – 3. Noes: Councilmembers Herrera Spencer and Vella – 2.

Mayor Ezzy Ashcraft gave a brief presentation.

Councilmember Jensen stated that she has met with many community members who feel strongly about the issue; many feel the City and Council have the potential to make a difference; many Alameda residents have felt unsafe for the past couple of months and live in fear for their friends and family; nobody has benefitted from the war.

Vice Mayor Daysog stated other cities in the Bay Area have fallen short when dealing with the issue; he does not agree with the characterization of Israel as an apartheid and genocidal state, which is not a voice he believes Council should be amplifying; Council must continue to be neutral and not take one side over the other; he is not in support of the proposed letter.

Mayor Ezzy Ashcraft stated that she agrees the City does not need to take sides; nothing in her letter mentions a genocide or apartheid state; she is trying to come down on the side of humanity; the United States yield considerable diplomatic, financial, and other influence; the City can urge elected representatives to use it.

Councilmember Herrera Spencer stated the Council is governed by a Charter; no place within the City Charter speaks to foreign policy and international matters; it is not appropriate to hear the matter and make a decision on it since it is outside the jurisdiction of the Charter; Council does not make decisions about how resident taxpayer dollars are being spent; there has been misguidance about the City Council jurisdiction; encouraged everyone to look at the Charter; stated that she will not be supporting the item.

Mayor Ezzy Ashcraft stated there is communication with federal officials all the time; it is right for the City to make our voices heard.

Councilmember Jensen stated the letter will not bring the community together and does not express the views of all Alameda residents; she does not believe Council should take a position suggesting U.S. foreign policy leaders are sabotaging national security.

In response to Mayor Ezzy Ashcraft's inquiry, Councilmember Jensen stated that she would support [moved approval of] Council sending a letter in support of House Resolution 786.

Mayor Ezzy Ashcraft seconded the motion.

Under discussion, Councilmember Herrera Spencer stated that she is not in support of the motion as she does not think it is appropriate; the matter has been divisive; the Council's job is to focus on the people in Alameda.

On the call for the question, the motion failed by the following voice vote: Ayes: Councilmember Jensen and Mayor Ezzy Ashcraft – 2. Noes: Councilmembers Daysog and Herrera Spencer – 2.
