Closed Session Report Out

3-B 2019-7182 CONFERENCE WITH LEGAL COUNSEL – Boatworks v. City of Alameda

This case (Alameda Superior Court Case Number RG16-823346, Court of Appeal Case Numbers A150276) involves litigation between Developer Boatworks the City regarding the applicability of an October 2010 Settlement Agreement to Boatwork's current plans to redevelop its property near the intersection of Oak Street and Clement Avenue. On March 5, 2019, the California Court of Appeal reversed the trial court's grant of preliminary injunction in favor of Boatworks and concluded that "Boatworks has not shown a likelihood of success in enforcing the Settlement Agreement." The City Council authorizes the City Attorney to accept \$77,334.03 from Boatworks as compensation for attorney's fees expended by the City in prosecuting the appeal.

The Council further authorizes the City Attorney to enter into tolling agreements, to the extent necessary or appropriate, in any ongoing or new litigation with Boatworks.
