NOW, THEREFORE, BE IT RESOLVED BY THE COUNCIL OF THE CITY OF ALAMEDA AS FOLLOWS:

That the Council of the City of Alameda, on its own motion, does hereby submit to the electors of said city, to be voted upon at the General Municipal Election to be held therein on March 9, 1943, seven separate proposals for amending the charter of said City of Alameda, which proposals shall be in words and figures as follows, to wit:

PROPOSAL NO. 1

That Sec. 3-10, of Article III, of the charter of the City of Alameda be amended to read as follows:

"Sec. 3-10. All acts of the Council imposing penalties, prescribing public regulations, granting franchises, or providing for the acquisition, transfer, or lease for a period longer than one year, of real property, shall be by ordinance; provided, however, that the acquisition of real property, or any interest therein, may be authorized by resolution when the purchase price to be paid, together with any obligation imposed on the City in connection with any such acquisition, does not exceed the sum of \$1,000.00, or when such acquisition is to be accomplished by condemnation in eminent domain proceedings, or in connection with public improvements proceedings taken under some law.

No real property of the City shall be leased for a period in excess of one year or sold, except upon the affirmative vote of four members of the Council.

The provisions of this section shall not apply to the acquisition or transfer of real property when, pursuant to procedure established by ordinance or by any code or general law of the State of California, such property has been acquired, or is transferred or acquired, in satisfaction, foreclosure or enforcement of a lien for taxes or special assessments of any character."

PROPOSAL NO. 2

That Sec. 3-12, of Article III, of the charter of the City of Alameda be amended to read as follows:

"Sec. 3-12. No ordinance shall become effective until thirty days from and after the date of its final passage, except an ordinance calling or otherwise relating to an election, or an ordinance determining the amount of money necessary to be raised by taxation, or fixing the rate of taxes to be levied, or an ordinance relating to a street improvement proceeding taken under some law, or an ordinance relating to public improvements or work the cost of which, or any portion of which, is to be borne by special assessments against property benefitted thereby, or an ordinance for the immediate preservation of the public peace, health or safety, which contains a declaration of the facts constituting its urgency, and is passed by a four-fifths vote of the Council, or an ordinance enacted in the event of great emergency or necessity passed by four votes of the Council and containing a statement of the emergency or necessity. Ordinances for the immediate preservation of the public peace, health or safety and ordinances enacted in the event of great emergency or necessity, when passed as aforesaid, may be introduced and passed at one and the same meeting and at either a regular or special meeting. No grant of any franchise, however, shall ever be construed as an urgency or emergency measure."

PROPOSAL NO. 3

That Sec. 17-7, of Article XVII, of the charter of the City of Alameda be amended to read as follows:

"Sec. 17-7. Unless otherwise provided by ordinance, the levy and collection of City taxes shall be pursuant to general law for the levy and collection of State and County taxes, and to that end all duties required by general law to be performed by County officers shall be performed by the City officers performing similar duties.

Every tax levied pursuant to law shall be a personal obligation of the person to whom the property or the tax is assessed. Every tax shall be and constitute a lien on the property assessed and, as to taxes on personal property, on the real property in this city of the person to whom the tax is assessed and, as to taxes on improvements, on the taxable land on which such improvements are located and, as to taxes on assessments of possessory interests, on the other taxable real property of the owner in this city. The time when taxes for any fiscal year become a lien on property is at noon on the first Monday in March preceding the beginning of the fiscal year for which the taxes are to be collected.

Except as otherwise provided in this section, the personal obligation is satisfied and the tax lien removed when, but not before,

- (a) the tax is paid or legally canceled, or
- (b) for non-payment of any taxes, the property is sold to a private purchaser or deeded to the City.

After thirty years succeeding the time, heretofore or hereafter, when any tax becomes a lien, if the lien has not been otherwise removed, the lien ceases to exist and the tax is conclusively presumed to be paid.

Except as otherwise provided in this charter or in any ordinance enacted by the affirmative vote of four members of the Council, the provisions and procedure provided in the Elections Code and the general law of the State of California, now in effect and as hereafter amended or codified, for elections in chartered cities and municipalities generally, and in all respects not so provided, then the present and future provisions of said code or laws governing County elections generally, insofar as they may be applicable, shall govern all elections in this City. No election, either general or special, shall be set aside for any error, irregularity or defect in the proceedings leading up to said election or in said election when the provisions of law governing the same are substantially complied with and where a fair expression of the will of the electorate is secured."

That there be added to Article XIX of the charter of the City of Alameda a new section to be known as Sec. 19-15 and which shall read as follows:

"Sec. 19-15. No person shall be entitled to vote at any City election unless he shall be registered as a voter in the office of the County Clerk of Alameda County and unless he would have been entitled to vote in a precinct in

Unless precincts be established as herein provided, they shall remain as last theretofore established within the City by said Board of Supervisors for holding general State and County elections.

It shall not be necessary to set forth in any ordinance or resolution calling or relating to such consolidated municipal election the election officers for the several precinct boards, but reference may be made to the resolution or ordinance of said Board of Supervisors appointing election officers for such State or County election.

At all municipal elections the election officers for each precinct board shall consist of one inspector, one judge and two clerks, except that the Council may determine that one inspector, one judge and one clerk is sufficient."
