

FIRST AMENDMENT TO AGREEMENT

This First Amendment of the Agreement, entered into this ____ day of _____, 2025, by and between the CITY OF ALAMEDA, a municipal corporation (hereinafter "the City") and BUREAU VERITAS NORTH AMERICA, INC., a Delaware, Corporation, whose address is 180 Promenade Circle, Suite 150 Sacramento CA 95834 (hereinafter "Provider"), is made with reference to the following:

RECITALS:

A. On October 28, 2024, an agreement was entered into by and between the City and Provider (hereinafter "Agreement") in an amount not to exceed \$74,999. for On-Call consulting services in plan review, inspections, code enforcement, permitting and administrative services.

B. Whereas, the City Council authorized the City Manager to execute this Agreement as amended on _____.

C. The City and Provider desire to modify the Agreement on the terms and conditions set forth herein.

NOW, THEREFORE, it is mutually agreed by and between the undersigned parties as follows:

1. Paragraph 3, COMPENSATION TO PROVIDER, is modified to read as follows:

a. By the 7th day of each month, Provider shall submit to the City an invoice for the total amount of work done the previous month. Pricing and accounting of charges are to be according to the fee schedule as set forth in Exhibit A-1 and incorporated herein by this reference. Extra work must be approved in writing by the City Manager or his/her designee prior to performance and shall be paid on a Time and Material basis as set forth in Exhibit A-1.

b. Provider shall be compensated for the services performed in accordance with the original contract, consistent with the terms of that Agreement. Additionally, Provider shall be compensated for the First Amendment, covering services performed during the period between Effective Date and June 30, 2028, at the hourly rates set forth in Exhibit B-1 of the First Amendment. Compensation for services performed pursuant to the First Amendment shall not exceed \$2,000,000. Total Compensation for this Agreement shall not exceed \$2,074,999.

2. Except as expressly modified herein, all other terms and covenants set forth in the Agreement shall remain the same and shall be in full force and effect.

Signatures on following page

IN WITNESS WHEREOF, the parties hereto have caused this modification of Agreement to be executed on the day and year first above written.

Re: SOQ for Plan Review, Inspections, Code Enforcement & Permitting Services

Dear Mr. Davalos,

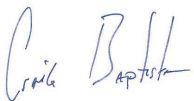

On behalf of Bureau Veritas (BV), we are pleased to present our proposal to provide **Plan Review, Inspections, Code Enforcement & Permitting Services** to the **City of Alameda**(City). We take great pride in our ability to provide exemplary services to our clients. Our proposal will highlight our experience providing similar services for other cities, counties, and building departments. We have the breadth and depth of resources, skills, and expertise needed to provide excellent full-scope, in-house building and safety services for the City. Since 1975, BV has provided comprehensive building safety services to jurisdictions throughout California and the United States. Our commitment to providing accurate and appropriate solutions to our clients and our ability to quickly and effectively meet the needs of the communities we serve makes BV an ideal partner. BV offers:

- Unparalleled building and safety expertise
- Established relationships to ensure timely reviews, transparency, and responsiveness
- Depth of resources and close proximity to maximize flexibility and deliver quality services
- Licensed and certified professionals
- Proven web-enabled best practices, quality control processes, and electronic plan check
- Proven experience providing services in the Northern California region

BV has the local expertise, staff continuity, depth of resources, and proven track record for reliable, responsive service and timely reviews. We believe our experience and expertise providing these services to public jurisdictions make BV the right choice for the City's needs. For this contract BV will provide the City with a highly qualified team to perform code-compliance review, building inspection, code enforcement and permitting services.

BV has the local expertise, staff continuity, depth of resources, and proven track record for reliable, responsive service and timely reviews. We believe our experience and expertise make Bureau Veritas the right choice for the City's needs. We greatly appreciate the opportunity to submit our firm and team capabilities and we look forward to building a successful relationship with the City of Alameda.

Sincerely,

Craig Baptista, M.B.A.,

1. FIRM INTRODUCTION

Firm Background

Founded in 1828, Bureau Veritas is a global leader in quality assurance, health, safety, and environmental (QHSE) solutions. Recognized and accredited by the largest national and international organizations, and with **over 82,000 employees**, Bureau Veritas has unparalleled expertise and resources to manage projects requiring a broad range of expertise across vast geographies. With operations in **140 countries and all continents**, Bureau Veritas draws on the synergies between its local teams and dedicated technical centers throughout the world.

Over the past number of years, Bureau Veritas has undergone several company acquisitions in order to grow our offerings. These acquisitions benefit our existing and future clients by increasing the level of support we can provide; diversifying our service offering; and enabling our teams to work together to cross train, tap into subject matter experts, and successfully support innovative and complex projects throughout the Western United States. Our combined team is excited to work together to better serve the built environment and to work towards safe solutions to new technology, building procedures, and alternate materials and methods.

What Sets Us Apart

We are ideally suited to provide plan review and inspection services because we possess:

Unparalleled Expertise

- Proven track record of providing services to 400+ agencies nationally
- Building, civil and fire life safety consulting to 150+ agencies in California
- Municipal management and staff augmentation expertise
- Key staff who have helped to establish and implement the latest codes and regulations

Depth of Resources and Proximity to Meet Peak Workloads

- 50+ offices throughout the United States, including eight offices in California, with three in Southern California
- Registered Engineers and ICC certified staff dedicated to code compliance
- No private sector design work = no conflict of interest

Best Practices and State-of-the-Art Processes to Consistently Meet Turnaround Schedules

- Comprehensive and formalized plan check procedures
- Award-winning, web-based project tracking and controls
- Electronic plan check to save time, money, and paper = a **GREEN** solution
- 99% success rate meeting review turnaround schedules

Putting the Right People to Work for You

We have extensive resources and a large pool of **licensed and certified experts** who are equipped to handle all of your needs. Our professionals have extensive experience in educational, residential, commercial, industrial, and other related projects of all sizes and complexities, allowing them to tailor solutions specifically to your needs.

2. SERVICE CAPABILITIES & QUALIFICATIONS

Building Department Plan Review

As the **largest plan review firm in the United States**, we provide full-service code consulting and plan review services for compliance with a variety of codes, including the California Building, Plumbing, Electrical, Mechanical, Fuel Gas, Energy Conservation, and Fire Codes, as well as the National Electric Codes as adopted by each jurisdiction. We have specific experience working through a variety of challenges, including (but not limited to) infill commercial development; adaptive reuse and change of occupancies of existing buildings; retrofit of un-reinforced masonry or soft-story buildings; large commercial shopping centers and mixed-use multi-family developments; live-work projects; and high tech, research, and development facilities.

BV personnel have performed and managed plan review for thousands of projects. Project types include high-rise hotels and office buildings; institutional occupancies (including jails, shipping facilities, and room additions); single-family tract and custom homes; tilt-up shells; tenant improvements; and infrastructure (roads, wet and dry utilities). Our staff has considerable review experience of virtually any structure requiring permits, plan reviews, and inspections. Our large, licensed plan review staff enables us to manage numerous and complex projects simultaneously, as well as provide discipline-specific plan reviews (e.g., structural, mechanical/plumbing, electrical, fire, access, street, drainage, map, civil infrastructure).

We offer the following plan review and inspection services:

- Architectural, fire & life safety
- Structural
- Energy code
- Accessibility requirements, including:
 - Barrier free
 - Disabled access
 - CASp
 - ADA
- Mechanical, electrical, and plumbing code
- Review and approval of alternative materials, design, and methods of construction
- Civil plans examination, including:
 - Grading and drainage
 - NPDES/SWPPP
 - Development
 - Infrastructure
 - Water and wastewater
 - Sewer
- Green building and LEED consulting

Plan Review Time Schedule

At your request, BV can provide plan review activities on a fast-track basis. Turnaround times for each submittal will relate to the size and nature of the project and its impact on the construction schedule. To reduce turnaround times for plan review, we use electronic submittals, phased submittals, conference calling, and videoconferencing.

BV has built long-term partnerships with agencies. We understand that accuracy, efficiency, and integrity in all aspects of professional services are required. Testimony to our professional excellence is the fact that we have provided services to many of our municipal clients since their incorporation. Because of our large pool of accessible resources, we can assemble experienced personnel in order to help with project schedule recovery when necessary. Our team maintains efficient turnaround times on all reviews as a key measurement of performance of our plan review services.

BV will also accommodate preliminary reviews to facilitate fast-tracked, or accelerated, projects. This aids with timely turnaround and enhances public relations. If applicants include designs that do not conform to the prescriptive requirements of the codes, the jurisdiction's designee will have final approval over the plan being reviewed. If requested, our staff will make recommendations for the resolution. We are also available to meet with agency staff or others as needed to discuss our findings.

2. SERVICE CAPABILITIES & QUALIFICATIONS

Electronic Plan Reviewing

Bureau Veritas provides an alternative solution to traditional plan checking. By utilizing Adobe Acrobat with electronic plan submittal and commenting, our plan reviewers can quickly and accurately review plans for compliance with applicable codes; this allows for economical movement of plans and quick turnaround, eliminating shipping time and costs. In this way, electronic plans with comments can be viewed and discussed with tenant, designer, and plans examiner as needed to resolve issues quickly and efficiently.

As part of this process, plans are first submitted as PDF files via a secure and confidential FTP site in which the client also has access. Our staff then reviews these plans and places comments and redlines directly on the plans, corresponding to areas needing revisions. Next, redlined plans with comments are forwarded to, or placed on, the secure FTP site for the designers, engineers, and architects. Plans can then be revised and resubmitted via the same method described. Once all items are resolved, hard copy plans are

sent to BV for approval stamps and signatures. Finally, these stamped and signed approved drawings are sent to the jurisdiction for permitting.

Transmittal of Plans and Correction Lists

BV assumes responsibility for the pickup and return of plans. All plans shall be picked up from the jurisdiction offices within 24 hours of notification. Should the volume of work be sufficient, we propose to establish regular pickup of plans on a consistent basis. We will also utilize shipping courier at no additional cost to the jurisdiction.

Upon completion of each plan review, we will forward a copy of the correction list to both the jurisdiction and the applicant by mail. When corrected plans are resubmitted, we will either follow the previous procedure, or the applicant may schedule an office visit to go over any corrections in person. BV will forward completed plans once they are stamped and signed by BV staff. Our transmittal forms are customized for use unique to the specific jurisdiction.

2. SERVICE CAPABILITIES & QUALIFICATIONS

Building Inspection

At Bureau Veritas, we are client-focused and customize the work according to your specific needs. We can provide inspection services for a single project that presents unique complexities due to its construction or size, or we can provide enough staff to handle all inspection services for an entire jurisdiction. Our building inspection services can be adjusted to provide a high level of coordination specifically suited to the design-build concept. Our inspectors are ICC certified and have extensive experience in the construction trades. Fast-tracked projects may be built into small phases based on incremental design and fabrication steps. In such cases, our inspection team keeps daily logs to track corrections and plan review changes.

BV's inspection teams also provide on-call building inspection services to cover staff vacation time, peak workloads, specialized inspection activities, and any other situations that may arise. These activities may include next-day inspections and same-day response to important or urgent requests.

Bureau Veritas will provide the client with ICC certified personnel to provide the following services:

1. Read and study project specifications, plans, and drawings to become familiar with project prior to inspection, ensuring that structural or architectural changes have been stamped as approved by appropriate authority and recognizing the need for/ requiring of plan checks for electrical, plumbing, and mechanical code requirements.
2. Perform and document inspections on construction projects to determine that all aspects of the project, such as foundations, building, electrical, plumbing, and mechanical systems, conform to the applicable building codes, zoning ordinances, energy conservation, and accessibility requirements, including known local, city, state, and federal requirements.
3. Review plans for building construction, plumbing, electrical, and mechanical details prior to making inspection.
4. Bring to the attention of the jurisdiction for approval of certain changes in building, plumbing, mechanical, electrical, and related work consistent with code and ordinance requirements.
5. Participate in reviews with fire, health, and other government agency inspectors, as well as owners.
6. Maintain a record of non-complying items and follow up to resolution of such items.
7. Inspect existing buildings for substandard, unsafe conditions, upon request.

Permit Technician Services

BV staff will work with the jurisdiction staff to seamlessly staff the public counter, issue counter permits, answer plan review or inspection questions, and assist the public with a high level of customer service. Our staff will be trained and proficient in the policies, procedures, and administrative and technical regulations of the jurisdiction. All staff members are familiar with various software systems and are able to answer questions pertaining to inspections, plan approvals, business license approvals, and certificates of occupancy.

Permit technician services may include:

- Interfacing with the public, internal staff, and related departments
- Review of permit applications for completeness
- Acceptance and routing of plans
- Calculation and/or fee collection
- Issuance of permits
- Review and issuance of counter permits, when authorized
- Maintenance of permit records
- Use of jurisdiction permitting programs and/or software, where applicable

2. SERVICE CAPABILITIES & QUALIFICATIONS

Code Enforcement Services

BV staff will work with the City staff to develop and refine City codes and ordinances, collect and analyze data, present cases to City Attorney, issue notices on violations and maintain an accurate record of inspections and findings. Our staff is knowledgeable about practices of code enforcement and officer safety, and City policies, procedures, administrative and technical regulations.

Our staff is able to answer questions pertaining to inquiries, requests, and/or complaints related to licensing and codes

Typical duties of Code Enforcement programs and personnel include:

- Investigate alleged code violations of City nuisance, and property maintenance laws
- Review local codes and ordinances related to building, nuisance, and property maintenance
- Enforce violations of various City codes and ordinances and issue a Notice of Violation, Letters of Non-Compliance and when necessary, citations
- Identify and investigate violations observed while in the field and file complaints against violators, and testify in court when necessary
- Request title searches, records or remove violation notices on titles, and ensure that legal requirements are met
- Prepare correspondence and various reports, collect and analyze data; make effective oral and written presentations
- Summarize substantial file materials into clear and concise written reports and accurately compute simple statistical analyses
- Negotiate corrective action plans with property owners to abate violations and communicate effectively to resolve issues with property and business owners
- Guide and persuade uncooperative individuals to comply with ordinances, and seek voluntary compliance
- Coordinate summary abatement process including selecting contractors and monitoring their performance, enforcing, investigating, and interpreting code and ordinance violations

- Process cases in accordance with City procedures and standards and in accordance with federal, state and local laws
- Maintain records of inspections and enforcement efforts
- Research and compile data for each case; prepare required documentation for legal actions; testify in court proceedings regarding code violations, perform follow-up actions as needed to gain compliance
- Confer with related agencies and City departments on disposition of complaints and code violations
- Prepare detailed and specialized written reports and correspondence related to code enforcement inspections, violations, and other activities that are adequate for use in the prosecution of violations

Equipment

BV will provide the necessary equipment and uniforms for our code enforcement officers. We understand that the City may determine the uniform and issue the identification badges and may supply office space with furniture, land line phones in the office and office supplies. BV will supply a cell phone, tablet and other electronic equipment needed to carry out the work of the contract. BV will, at City's request, comply with all open records requests the City receives and the company will provide IT security associated with data and usage of City and Company issued equipment.

Customer Service

At Bureau Veritas, our #1 goal is to meet and exceed the service levels required from our municipal clients. Our commitment is to provide staff continuity, close communication, immediate accessibility to staff and information, implementation of best practices, and pro-actively solve issues not clearly identified in the code. BV will pro-actively ensure exceptional customer service, balance development momentum with code compliance/ processing requirements and seamlessly serve as an extension of the client's staff.

2. SERVICE CAPABILITIES & QUALIFICATIONS

Code Enforcement Procedures Manual Development Services

BV will work closely and in collaboration with City personnel and key stakeholders to develop Code Enforcement policies, procedures and best practices. Prompt turnaround of quality inspections and reviews is the hallmark of our service. To achieve this, it is important for the Code Enforcement Officers to see the “big picture” during the approval process, and to expedite the inspection and review, while assuring adherence to all City standards and requirements.

Continuous Improvement Efforts

We help clients define their strategies, manage risk, monitor quality, improve performance and enhance their return on investments. We do this by offering the City demonstrated expertise in code compliance services, a commitment to reducing the City’s review turnaround times and accurate corrections based on the current adopted federal, state, county, and local City Municipal codes related to construction and zoning codes. BV is very familiar with and understands the importance of these established codes and is committed to helping maintain a standard in the community for all to enjoy.

Our ability to offer a variety of services and to customize services for each community makes BV an ideal partner. BV will identify and bring to the attention of the City state-of-the-art practices and innovative good neighbor policies and code compliance programs.

ADDITIONAL SERVICES

Building Department Administration and Special Project Management

Our experienced BV building official staff will work with the jurisdiction’s management team to administer the building and safety or community development divisions. Our staff is familiar with the day-to-day building department operations, financial budget management, and political environment of a jurisdiction department. Our experienced building officials will participate in the project’s design review sessions and pre-plan check code compliance meetings with permit applicants, as well as attend other required meetings for different types of large, special developments and other projects on behalf of the jurisdiction.

Fire Plan Review

Our staff will consult closely with the Fire Chief/Fire Marshal or this person’s designated representative on any areas which require code interpretation or where alternate methods are being proposed and considered. Our proposed fire plan review engineers have specific experience working within multiple types of facilities to ensure compliance with applicable codes, standards, and amendments, including CFC, CBC, the Adopted National Fire Protection Standards, the California Health & Safety Codes, CSFM, and U.L. Our experience includes written comments and verbal communication with applicants to better understand requirements and provide direction for compliance, as well as close communication with fire departments to clarify policies, code interpretations, plan review status, and procedures.

Bureau Veritas staff have reviewed hundreds of projects for fire safety components, including NFPA 13, NFPA 72, and NFPA 101, among others. Example projects in which our reviewers have worked include The Village at Bella Terra in Huntington Beach, Lifetime Fitness in Roseville, and Sysco Food Services Expansion in Sutter County. All personnel assigned to your project will have the necessary materials, resources, and training available to conduct plan reviews, including copies of applicable local amendments, policies, procedures, and forms.

Fire Inspections

BV can place an experienced fire inspector for a single project or to augment existing staff to cover staff vacations and other leaves of absence. We can even provide all fire inspection on a daily basis. Systems and components we inspect include (but are not limited to):

- Fire sprinklers, including systems beginning at property line, as directed
- Fire pumps
- Fire alarm systems
- Automatic suppression systems, including Halon, FM200, and CO2
- Hoods
- Duct extinguishing systems
- Exits
- Emergency lighting

2. SERVICE CAPABILITIES & QUALIFICATIONS

- Voice evacuation systems
- Fire permit inspections

Additionally, we can provide regular inspections of all aspects of the fire permit requirements, whether annually, biannually, triennially, every five years, or any other length of time as mandated by the adopted codes.

Engineering Plan Review Services

As a result of our extensive experience providing development review and processing services to public agencies, we are able to evaluate those qualities which are essential to providing effective review services.

Foremost among these are the following:

- A thorough command of the adopted design standards for drainage and streets, as well as NPDES-enhanced Clean Water Act requirements
- Clear, friendly, and articulate communication with the applicant

BV has developed a successful approach to providing development review services to achieve these goals.

Plan Review Compliance Standards

As an initial step prior to beginning a review, our professional staff familiarize themselves with all city, state, and federal requirements applicable to the project. Requirements for civil infrastructure originate from multiple sources, including statutory requirements; local ordinances and design guidelines; federal requirements, including ADA and NPDES; state requirements, including Title 24; and the requirements of any affected utilities, districts, or agencies.

Civil infrastructure and site plans are reviewed for conformity to the following quality standards:

- Greenbook
- Geotechnical Report recommendations
- Conditions of Approval of the use permit or tentative map
- Municipal Code and local ordinances
- Jurisdiction's design guidelines and standard plans and

specifications

- ADA and Title 24 accessibility standards
- NPDES C.3 requirements when applicable
- Environmental mitigation requirements
- Requirements of affected outside agencies and utility districts

Our professional plan reviewers provide a comprehensive assessment of the conformity of submitted improvement plans to these quality standards.

Improvement Plan Review Tasks

The following outlines our typical scope of services for the review plans:

- Check design for conformity to the approved tentative map and conditions of approval
- Evaluate the layout for consistency with the final map
- Review grading plans for consistency with the applicable drainage standards and grading ordinance
- Review for erosion and sediment control provisions
- Check Storm Water Pollution Prevention Plans and RWQCB N.O.I.
- Review horizontal and vertical alignment of streets for conformity to the applicable street design standards
- Check pavement structural section against geotechnical recommendations
- Review storm and sanitary sewer systems and hydrology/hydraulic calculations
- Review water distribution system for fire hydrant and valve spacing
- Check streetlight spacing and location for potential conflicts
- Review underground utilities for crossing clearances and conflicts
- Review for compliance with outside agency requirements
- Review quantities, estimates, and schedules

Prompt turnaround of quality plan reviews is the hallmark of our service. Ideally, the review process involves no more than two plan submittals, perhaps three under extraordinary

2. SERVICE CAPABILITIES & QUALIFICATIONS

circumstances. To achieve this, it is important for the plan reviewer to see the “big picture” during the approval process and to expedite the review, while assuring adherence to all adopted standards and requirements.

Development Review & Entitlement Processing

Accurate, Timely Civil Engineering Plan & Final Map Reviews

Facilitating land development projects requires a strong public-private partnership. Project momentum must be balanced with engineering, water quality, traffic, public safety, and final map plans that comply with applicable codes, requirements, and design standards. The various parties need impartial counsel from Registered Engineers and Land Surveyors, as well as quick turnaround review comments in a seamless manner.

Development review and entitlement processing involves working seamlessly with the public agency and developer in the preliminary planning stages to facilitate development agreements along with the review of civil engineering plans and maps for conformity with conditions of approval along with local and other applicable ordinances and standards. All work is performed under the direction of a Registered Civil Engineer or Land Surveyor. BV utilizes proven best practices, staff specialists, and comprehensive web-based tools to provide timely review, responsiveness, and accurate and detailed review comments.

Map Review

Final Maps and Parcel Maps

Review final maps and parcel maps for conformity to the requirements of the Subdivision Map Act, the Land Surveyors Act, the Municipal Code and ordinances, the approved tentative map, and any conditions of approval which have been set by the Planning Commission.

Reversions to Acreage

Review reversions to acreage maps prepared pursuant to §66499.11 of the Subdivision Map Act.

Lot Line Adjustments and Parcel Mergers

Review legal descriptions prepared to affect lot line adjustments pursuant to §66412(d) and parcel mergers pursuant to §66451.10 of the Subdivision Map Act.

Legal Descriptions and Plats

Review and/or prepare legal descriptions and plats for right-of-way takes and easements or for other purposes when necessary.

Certificates of Correction

Review proposed map amendments and Certificates of Correction prepared pursuant to §66469 of the Subdivision Map Act.

Flood/Floodplain Management

BV provides comprehensive inspection and review of projects proposed within the designated floodplain. We review plans for compliance with federal, state, and local adopted regulations and practices. Plan review will consider FIRM map designations; Flood Plain Elevation Certificate review; and any LOMA, LOMR, or CLOMRs appropriately approved for the proposed project. Floodplain resistant construction will be plan checked and inspected in accordance with adopted regulations and standards as well as any pertinent FEMA technical bulletins.

3. RELEVANT PROJECT EXPERIENCE

PROJECT OWNER
**City of
Santa Rosa**

CASESTUDY

BUILDING & SAFETY, PLANNING, FIRE AND ENGINEERING SERVICES / RESILIENT CITY PERMIT CENTER AND PLANNING SERVICES

PROJECT SUMMARY

In October 2017, one of the most destructive wildfires in California history (second only to the Camp Fire in November 2018) spread through the Sonoma County region. This catastrophic event resulted in more than \$1.2 billion of property damage. In addition to the City of Santa Rosa selecting Bureau Veritas North America, Inc. (BV) for a two-year contract to support recovery and rebuilding efforts which include applicable standards, permit review, and inspection services for compliance with environmental, building, planning, and engineering regulations, the company was also asked to provide a variety of health, safety, and environmental (HSE) services.

Health, Safety, and Environment (HSE) Services

BV collaborated with representatives from the county's Health, Fire, and City agencies to establish how the company would align with cleanup efforts and criteria in this capacity. Action steps taken by BVNA included, the development of an asbestos letter for the City as part of their permit requirements; waste clearance guidance for the City and County; technical support for contractors and consultants submitting workplan and closure packets on behalf of the City and County; evaluation of over 600 burn site Property Clean-up Completion Certification report submittals, including asbestos data, disposal manifests, and soil clearance reports; providing guidance on health screening levels and geological background interpretations; landfill acceptance criteria evaluation; providing support for the City with regards to newspaper articles published with erroneous information; and initial comments to both the City and County regarding permit requirements.

Resilient City Permit Center and Planning Services

BV also provides services for the Resilient City Permit Center. The firm's team has supported the center for approximately 3 years while 3,000 residential homes and over 20 commercial structures are rebuilt. On-site planners are assisting with questions from homeowners, interpreting ordinances, evaluating requirements for each rebuilt structure, etc.

3. RELEVANT PROJECT EXPERIENCE

PROJECT OWNER
City of
Burlingame

CASE STUDY

PLAN REVIEW, INSPECTION, AND IN-HOUSE STAFF AUGMENTATION SERVICES

DATES OF SERVICE/COMPLETION: 2013 - Present

PROJECT SUMMARY

BV provides in-house staff and outside plan reviews as well as inspections for a wide range of projects for the City of Burlingame. Staff have reviewed commercial buildings, condominiums, office buildings, medical offices, residential projects, tenant improvements of various complexities as well as buildings for assembly occupancies. BV provides a licensed engineer two days per week to the City. Additionally, the firm has provided a building inspector to inspect residential and commercial projects.

The value of BV's contract with the City of Burlingame is based on time and materials. The firm delivers 100% of the aforementioned services and does not collaborate with any subconsultants for said services. BV adheres to schedule and budget requirements while working on projects for the City of Burlingame. Adherence to these project requirements is a paramount indicator of the firm's overall performance.

3. RELEVANT PROJECT EXPERIENCE

PROJECT OWNER
**City of San
Jose**

CASE STUDY

BUILDING PLAN REVIEW AND PEAK STAFF AUGMENTATION SERVICES

DATES OF SERVICE/COMPLETION: 2012 - Present

PROJECT SUMMARY

BV has been working with the City since 2012 and currently provide in-house plan review engineer services half-time. Our plan review engineer assists with reviewing residential and commercial projects, which include new construction, tenant improvements, additions, and remodels. Select projects include:

- IBM/303 Almaden Building: BV was retained to perform an expedited three-phase, complete plan review for this eleven-story, Type I AFES, mixed office/parking garage structure located in the heart of San Jose's revitalized Redevelopment Area. Submitted in three distinct phases, BV was asked to perform a foundation-only, superstructure, and balance-of-building plan review, working closely with designers and City staff to complete an aggressive, expedited plan review. The building structure is seven stories of steel ductile moment framing (offices) on top of a four story concrete shear wall (plus one concrete basement level). The lateral design included a dynamic analysis performed using ETABS. BV remained on schedule and on budget.

3. RELEVANT PROJECT EXPERIENCE

PROJECT OWNER City of San Carlos

BUREAU
VERITAS

CASE STUDY

BUILDING AND FIRE PLAN REVIEW SERVICES

DATES OF SERVICE/COMPLETION: September 2019 - Present

PROJECT SUMMARY

Bureau Veritas currently provides professional and technical assistance on short notice and as-needed basis to the City of San Carlos. These support services are provided under the direction of the Building Official and include a broad range of specialized engineering and construction services to complete task project orders issued by the Building Division by direct assignment of its own personnel, including, but not limited to, consultation, planning, administration, specialized analytical studies, construction support, and other miscellaneous municipal report writing. Task projects may include, but are not limited to:

Administrative Duties: When directed, BV attends staff level meetings with City staff, public officials, community leaders, developers, contractors and the General Public; Additionally, BV reviews and provides written comments on land development matters, and construction plan review; The firm provides technical advice to City personnel related to all matters of engineering, including but not limited to Disabled Access, current California Building Code requirements, State and Federal regulations, and civil and structural engineering.

Geotechnical Engineering: BV provides professional geotechnical services for peer review of soils report and analysis for the Building Division and also provides review, technical advice, and recommendations to the Building Division.

Plan Check Services: When directed, the firm reviews for compliance construction plans, documents, engineering, fire sprinkler / alarm plans, and specifications. Plan review approval is not recommended to the City until ALL code compliance issues are resolved to the best of BV's knowledge and all permit issuance requirements of the Building Division are satisfied. BV picks up all documents to be reviewed from the City of San Carlos City Hall. BV conducts each plan review in a timely manner and within time-frame guidelines established by the City of San Carlos. Upon completion of each plan review, BV returns the reviewed documents to the Building Division and provides an electronic and hard copy of the plan review comments. Plan review comment letters are completed in an approved format and provided to the Building Division; As directed, BV sends a copy of the plan review comments to the designer of record for the project by email, and responds to designer questions by email or by phone within one business day; BV is available within one business day to respond to questions from the City of San Carlos that may be generated during field inspection for each authorized plan check that is subsequently issued a permit for construction.

Inspections Services: BV has provided CASp inspections / Assessment of the San Carlos Museum and Vacation Coverage Inspection services in San Carlos.

TENURE AT BVNA

9+

TOTAL YEARS OF EXPERIENCE

20+

Prior to joining Bureau Veritas, Craig served as Director of Operations and is a business professional experienced in leading multiple branch offices in various states. Craig has over 20 years of experience in the construction industry. He is results-oriented and has exceptional experience building and managing successful programs and relationships. He is a skilled communicator capable of articulating complex ideas in a concise and persuasive manner. Craig has proven experience as a facilitator of solutions for client problems and is a strategic thinker with the ability to translate vision into tactics. He is self-motivated, passionate and resourceful. Craig has expertise identifying client needs and is able to execute problems quickly by utilizing his professional business management skills. He is equally effective working independently or collaborating with others.

SELECT PROJECT EXPERIENCE

Craig has managed various projects as Director of Operations and successfully reduced operating expenses by 18% through implementation of a preventative maintenance program and establishment of a baseline repair cost matrix. He provided leadership, mentoring, direction and training for a 35 member Operations team that included Branch Managers, Project Managers, and other staff. He developed annual business plans, market strategies, operations and sales goals which resulted in year over year growth. Craig has worked on various significant projects, including, but not limited to:

- Apple Campus II in Cupertino, CA
- Cal Trans - Bay Bridge Project in Oakland, CA
- Tesla Gigafactory in Sparks, NV
- Souza Construction - Lemoore Naval Air Station Project in Fresno, CA
- Advance Range Solution - Fort Hunter Liggett in Jolon, CA
- Hensel Phelps - Mule Creek Prison in Ione, CA

Vice President - West, Plan Check & Inspection

Bureau Veritas North America, Inc.

2015 - Present

Serves as Vice President for the West Coast code compliance division. Manages over 50 employees throughout California, Arizona, Nevada, Washington, and Utah. Oversees plan review and inspection activities to ensure BVNA has ample resources to meet turnaround times and provide quick response to inspection requests. Works directly with plan review team to gain efficiencies in turnaround times. Effectively reduced the number of reviews by promoting direct contact with designers and municipalities to remedy code deficiencies during the first and second reviews, allowing our team to approve projects during the second submittal phase.

TOTAL YEARS OF EXPERIENCE

39+

Trang is a licensed professional engineer and certified building official with over 39 years of experience working in public and private services as executive director and plan review engineer. He has implemented excellent public service programs and gained exceptional understanding of the building and safety division, community and economic development, public relations, redevelopment, financial and budget management, employee and organizational developments, and state and local officials. As a professor for Cambridge College in Southern California he has taught graduate and undergraduate classes in business, finance, and management. Trang has outstanding public relations, management, and problem solving skills with a proven record of strong and positive working relationships with local and state elected officials, inter-governmental agencies, business organizations, development community, labor groups, community groups, and residents. He was awarded the "Civil Engineer of the Year" award by the ASCE Chapter of San Bernardino and Riverside Chapter in 2011. He was also a recipient of the "Good Government Award" from the BIA Inland Empire Chapter in 2015. Finally, Trang has an excellent understanding of cultural diversity and knows how municipality services can be provided efficiently with an objective from "Good to Great".

SELECT PROJECT EXPERIENCE

Regional Manager, Southern California Bureau Veritas North America, Inc.

2017 - Present

Directs the BVNA Building & Safety and Civil Engineering operations for the Southern California region, serving as the supervising building official and plan check engineer for multiple Southern California municipalities. Responsibilities include building official duties, special project management, managing contracts of permits, plan check, and inspection services for 24 jurisdictions.

Building and Safety Services Director City of Rancho Cucamonga

2002 - 2017

As one of the executive team members of the City to directed and coordinated the work of the Community Development team. Managed all activities and operations of building and fire plan checks, permits, building and fire inspections, grading, community improvement, code enforcement, citizen volunteers for an affluent community of 175,000 people. Prepared and administered an annual operating budget up to \$4,200,000. Supervised up to 40 employees, citizen volunteers and interacted with businesses, developers, designers and residents. Executive member of the City's economic development team to develop and implement the economic development strategy plans. Worked with other departments to manage the City's annual capital building and improvement projects. Excellent knowledge and understanding of managing municipal services from business improvements and economic developments to public safety. Trang has outstanding public relations, management, and problem solving skills. Have a proven record of strong and positive working relationship with local and State elected officials, inter-governmental agencies, business organizations, development community, labor groups, community groups and residents.

Salvador Gonzalez has 17+ years of experience within the industry. Salvador has recieved various certifications throughout his career which have served to demonstrate his knowledge and expertise. He has excelled in various projects within California and has worked in various sectors throughout the industry. Salvador Gonzalez is a well-rounded individual and a team player.

SELECT PROJECT EXPERIENCE:

Business Unit Manger
Bureau Veritas North America, Inc.
2021 – Present

Directs the operations for the Northern California region, managing the day to day operations of the office. On a daily basis works closely with clients to meet their needs and provide quality services efficiently. Responsibilities include building official duties, special project management, managing contracts of permits, plan check, and inspection services for the jurisdictions throughout Northern California.

Senior Building Plans Examiner
City of West Sacramento, CA
2015 - 2021

Reviewed and approved building construction plans to ensure compliance of plans with pertinent codes, regulations, and ordinances. Organized, assigned, and reviewed the work of assigned consultants engaged in residential, commercial, and industrial building plan reviews. Performed complex accessibility field inspections to ensure compliance with plans and accessibility code requirements.

Senior Building Inspector
City of Ventura, CA
2012 - 2015

Inspected commercial and residential buildings and structures to determine compliance with the structural, mechanical, plumbing, electrical, and housing codes and approved plans. Inspected workmanship and materials in building construction plans for conformance with plans and specifications and inspected potentially substandard or dangerous buildings. Prepared and maintained reports, letters, and correction notices on code violations and variations from approved plans.

Building Inspector II
Amador County, CA
2006 - 2012

Performed field inspections of residential, commercial, or industrial structures in varying stages of construction, alteration, or repair. Interpreted applicable codes, ordinances, and regulations for builders and homeowners. Investigated violations of building and zoning laws.

6. FEE SCHEDULE

SCHEDULE OF FEES

PLAN REVIEW, INSPECTION, CODE ENFORCEMENT & PERMIT TECHNICIAN SERVICES

JUNE 5, 2025

Bureau Veritas’ pricing reflects our commitment to the success of your project by helping you maintain significant quality and cost saving benefits moving forward.

These include:

- Reduced plan review and inspection turnaround times
- Implementation of established electronic plan review processes
- Commitment to maintain a proposed rate structure for the life of the initial contract period
- Confidence of working with a well-established consultant in business for 190+ years

PLAN REVIEW FEE	
65% of City Collected Plan Review Fees	
HOURLY RATES	
Personnel Classification/Title:	Hourly Rate:
Project Manager	\$170
Sr. Civil Engineer or Fire Protection Engineer	\$180
Structural Engineer or Sr. Plan Review Engineer	\$165
Civil Engineer	\$165
CASp Inspector (Transition Planning and Site Assessment)	\$150
Plan Review Engineer or CASp Plans Examiner or Sr. ICC Plans Examiner	\$140
Engineering Technician	\$125
ICC Certified Building or Fire Plans Examiner	\$125
Sr. Code Enforcement Officer	\$125 - \$140

COMMERCIAL GENERAL LIABILITY
CG 20 10 12 19**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY****ADDITIONAL INSURED – OWNERS, LESSEES OR
CONTRACTORS – SCHEDULED PERSON OR
ORGANIZATION**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s)	Location(s) Of Covered Operations
Any owner, lessee or contractor for whom you are performing operations when you and such owner, lessee or contractor have agreed in writing in a contract or agreement that such owner, lessee or contractor should be added as an additional insured on your policy.	Locations that are listed in the written contracts or agreements stated on the left side of this SCHEDULE.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

C. With respect to the insurance afforded to these additional insureds, the following is added to **Section III – Limits Of Insurance:**

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

2. Available under the applicable limits of insurance;
whichever is less.

This endorsement shall not increase the applicable limits of insurance.

COMMERCIAL GENERAL LIABILITY COVERAGE PART
PRODUCTS/COMPLETED OPERATIONS LIABILITY COVERAGE PART**SCHEDULE**

Name Of Additional Insured Person(s) Or Organization(s)	Location And Description Of Completed Operations
Any owner, lessee or contractor for whom you are performing operations when you and such owner, lessee or contractor have agreed in writing in a contract or agreement that such owner, lessee or contractor should be added as an additional insured on your policy.	Locations that are listed in the written contracts or agreements stated on the left side of this SCHEDULE.
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the Schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or

This policy is amended as follows:

If we initiate cancellation of this policy for any reason other than non payment of premium, and

- A.** The effective date of cancellation is prior to this policy's expiration date; and
- B.** The "First Named Insured" is under an existing contractual obligation to notify an entity to whom a certificate of insurance has been issued (hereinafter, the Certificate Holder) when this policy is canceled; and
- C.** The "First Named Insured" has provided us, either directly or through the "First Named Insured's" broker of record the email address of the contact of each such Certificate Holder; and
- D.** We received this information after the "First Named Insured" receives notice of cancellation of this policy and prior to the policy's cancellation date in an electronic spreadsheet format that is acceptable to us;

We will provide "Advice of Cancellation" via e-mail to such Certificate Holders.

Proof of emailing the "Advice of Cancellation", using the information provided by the "First Named Insured", will serve as proof that we have fully satisfied our obligations under this endorsement. The "Advice of Cancellation" shall be emailed to each such Certificate Holder as soon as possible upon receipt of the information from the "First Named Insured", however we are under no contractual obligation to email the "Advice of Cancellation" prior to the policy's cancellation date.

This endorsement does not affect, in any way, coverage provided under this policy or the cancellation of this policy of the effective date of such cancellation. Nor shall this endorsement invest any rights to any entity that is not an insured under the terms of this policy.

The following Definitions apply to this endorsement:

- A.** "First Named Insured" means the Named Insured shown on the Declarations Page of this policy.
- B.** "Advice of Cancellation" means an email that provides the following information:
 - 1.** The Named Insured as shown on the Declarations Page of this policy;
 - 2.** The policy number of the policy being cancelled; and
 - 3.** The effective date and time of the cancellation.

All other terms and conditions remain unchanged.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

COMMERCIAL AUTOMOBILE BROAD FORM ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

To the extent that the provisions of this endorsement provide broader benefits to the "insured" than other provisions of the Coverage Form, the provisions of this endorsement apply.

1. BROAD FORM INSURED

Paragraph .1. - WHO IS AN INSURED - of Section II - Liability Coverage is amended to add the following:

d. Subsidiaries and Newly Acquired or Formed Organizations

The Named Insured shown in the Declarations is amended to include:

- (1) Any legal business entity other than a partnership or joint venture, formed as a subsidiary in which you have an ownership interest of more than 50% on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
- (2) Any organization that is acquired or formed by you and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
 - (a) That is a partnership or joint venture,
 - (b) That is an "insured" under any other policy,
 - (c) That has exhausted its Limit of Insurance under any other policy, or
 - (d) 180 days or more after its acquisition or formation by you, unless you have given us notice of the acquisition or formation.

Coverage does not apply to "bodily injury" or "property damage" that results from an "accident" that occurred before you formed or acquired the organization.

e. Employees as Insureds

- (1). Any "employee" of yours while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

f. Lessors as Insureds

- (1). The lessor of a covered "auto" while the "auto" is leased to you under a written agreement if:
 - (a) The agreement requires you to provide direct primary insurance for the lessor and
 - (b) The "auto" is leased without a driver.

Such a leased "auto" will be considered a covered "auto" you own and not a covered "auto" you hire.

g. Additional Insured if Required by Contract

- (1) When you have agreed, in a written contract or written agreement, that a person or organization be added as an additional insured on your business auto policy, such person or organization is an "insured", but only to the extent such person or organization is liable for "bodily injury" or "property damage" caused by the conduct of an "insured" under paragraphs a. or b. of Who Is An Insured with regard to the ownership, maintenance or use of a covered "auto."

The insurance afforded to any such additional insured applies only if the "bodily injury" or "property damage" occurs:

- (a) During the policy period, and
- (b) Subsequent to the execution of such written contract, and

- (c) Prior to the expiration of the period of time that the written contract requires such insurance be provided to the additional insured.

(2) How Limits Apply

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the most we will pay on behalf of such additional insured is the lesser of:

- (a) The limits of insurance specified in the written contract or written agreement; or
- (b) The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

(3) Additional Insureds Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance.

(4) Duties in The Event Of Accident, Claim, Suit or Loss

If you have agreed in a written contract or written agreement that another person or organization be added as an additional insured on your policy, the additional insured shall be required to comply with the provisions in LOSS CONDITIONS 2. - DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS - OF SECTION IV - BUSINESS AUTO CONDITIONS, in the same manner as the Named Insured.

2. Primary and Non-Contributory if Required by Contract

Only with respect to insurance provided to an additional insured in A.1.g. - Additional Insured If Required by Contract, the following provisions apply:

(1) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract or written agreement that this insurance be primary. If other insurance is also primary, we will share with all that other insurance by the method described in Other Insurance 5.d.

(2) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs (1) and (2) do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

- (1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- (2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, by the method described in SECTION IV- Business Auto Conditions, B. General Conditions, Other Insurance 5.d.

3. AUTOS RENTED BY EMPLOYEES

Any "auto" hired or rented by your "employee" on your behalf and at your direction will be considered an "auto" you hire.

The SECTION IV- Business Auto Conditions, B. General Conditions, 5. OTHER INSURANCE Condition is amended by adding the following:

- e. If an "employee's" personal insurance also applies on an excess basis to a covered "auto" hired or rented by your "employee" on your behalf and at your direction, this insurance will be primary to the "employee's" personal insurance.

4. AMENDED FELLOW EMPLOYEE EXCLUSION

EXCLUSION 5. - FELLOW EMPLOYEE - of SECTION II - LIABILITY COVERAGE does not apply if you have workers' compensation insurance in-force covering all of your "employees".

Coverage is excess over any other collectible insurance.

5. HIRED AUTO PHYSICAL DAMAGE COVERAGE

If hired "autos" are covered "autos" for Liability Coverage and if Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form for any "auto" you own, then the Physical Damage Coverages provided are extended to "autos" you hire or borrow, subject to the following limit.

The most we will pay for "loss" to any hired "auto" is:

- (1) \$100,000;
- (2) The actual cash value of the damaged or stolen property at the time of the "loss"; or
- (3) The cost of repairing or replacing the damaged or stolen property,

whichever is smallest, minus a deductible. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning. Hired Auto Physical Damage coverage is excess over any other collectible insurance. Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

We will also cover loss of use of the hired "auto" if it results from an "accident", you are legally liable and the lessor incurs an actual financial loss, subject to a maximum of \$1000 per "accident".

This extension of coverage does not apply to any "auto" you hire or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

6. PHYSICAL DAMAGE - ADDITIONAL TEMPORARY TRANSPORTATION EXPENSE COVERAGE

Paragraph A.4.a. of SECTION III - PHYSICAL DAMAGE COVERAGE is amended to provide a limit of \$50 per day and a maximum limit of \$1,000.

7. LOAN/LEASE GAP COVERAGE

Under SECTION III - PHYSICAL DAMAGE COVERAGE, in the event of a total "loss" to a covered "auto", we will pay your additional legal

obligation for any difference between the actual cash value of the "auto" at the time of the "loss" and the "outstanding balance" of the loan/lease.

"Outstanding balance" means the amount you owe on the loan/lease at the time of "loss" less any amounts representing taxes; overdue payments; penalties, interest or charges resulting from overdue payments; additional mileage charges; excess wear and tear charges; lease termination fees; security deposits not returned by the lessor; costs for extended warranties, credit life Insurance, health, accident or disability insurance purchased with the loan or lease; and carry-over balances from previous loans or leases.

8. AIRBAG COVERAGE

Under Paragraph B. EXCLUSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

The exclusion relating to mechanical breakdown does not apply to the accidental discharge of an airbag.

9. ELECTRONIC EQUIPMENT - BROADENED COVERAGE

a. The exceptions to Paragraphs B.4 - EXCLUSIONS - of SECTION III - PHYSICAL DAMAGE COVERAGE are replaced by the following:

Exclusions 4.c. and 4.d. do not apply to equipment designed to be operated solely by use of the power from the "auto's" electrical system that, at the time of "loss", is:

- (1) Permanently installed in or upon the covered "auto";
- (2) Removable from a housing unit which is permanently installed in or upon the covered "auto";
- (3) An integral part of the same unit housing any electronic equipment described in Paragraphs (1) and (2) above; or
- (4) Necessary for the normal operation of the covered "auto" or the monitoring of the covered "auto's" operating system.

b. Section III, Physical Damage Coverage, Limit of Insurance, Paragraph C.2. is amended to add the following:

\$1,500 is the most we will pay for "loss" in any one "accident" to all electronic equipment (other than equipment designed solely for the reproduction of sound, and accessories used with such equipment) that reproduces, receives or transmits audio, visual or data signals which, at the time of "loss", is:

- (1) Permanently installed in or upon the covered "auto" in a housing, opening or other location that is not normally used by the "auto" manufacturer for the installation of such equipment;
- (2) Removable from a permanently installed housing unit as described in Paragraph 2.a. above or is an integral part of that equipment; or
- (3) An integral part of such equipment.

c. For each covered "auto", should loss be limited to electronic equipment only, our obligation to pay for, repair, return or replace damaged or stolen electronic equipment will be reduced by the applicable deductible shown in the Declarations, or \$250, whichever deductible is less.

10. EXTRA EXPENSE - BROADENED COVERAGE

Under Paragraph A. - COVERAGE - of SECTION III - PHYSICAL DAMAGE COVERAGE, we will pay for the expense of returning a stolen covered "auto" to you.

11. GLASS REPAIR - WAIVER OF DEDUCTIBLE

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

No deductible applies to glass damage if the glass is repaired rather than replaced.

12. TWO OR MORE DEDUCTIBLES

Under Paragraph D. - DEDUCTIBLE - of SECTION III - PHYSICAL DAMAGE COVERAGE, the following is added:

If another Hartford Financial Services Group, Inc. company policy or coverage form that is not an automobile policy or coverage form applies to the same "accident", the following applies:

- (1) If the deductible under this Business Auto Coverage Form is the smaller (or smallest) deductible, it will be waived;
- (2) If the deductible under this Business Auto Coverage Form is not the smaller (or smallest) deductible, it will be reduced by the amount of the smaller (or smallest) deductible.

13. AMENDED DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

The requirement in LOSS CONDITIONS 2.a. - DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS - of SECTION IV - BUSINESS AUTO CONDITIONS that you must notify us of an "accident" applies only when the "accident" is known to:

- (1) You, if you are an individual;

- (2) A partner, if you are a partnership;
- (3) A member, if you are a limited liability company; or
- (4) An executive officer or insurance manager, if you are a corporation.

14. UNINTENTIONAL FAILURE TO DISCLOSE HAZARDS

If you unintentionally fail to disclose any hazards existing at the inception date of your policy, we will not deny coverage under this Coverage Form because of such failure.

15. HIRED AUTO - COVERAGE TERRITORY

SECTION IV, BUSINESS AUTO CONDITIONS, PARAGRAPH B. GENERAL CONDITIONS, 7. - POLICY PERIOD, COVERAGE TERRITORY - is added to include the following:

- (6) For short-term hired "autos", the coverage territory with respect to Liability Coverage is anywhere in the world provided that if the "insured's" responsibility to pay damages for "bodily injury" or "property damage" is determined in a "suit," the "suit" is brought in the United States of America, the territories and possessions of the United States of America, Puerto Rico or Canada or in a settlement we agree to.

16. WAIVER OF SUBROGATION

Paragraph 5. TRANSFER OF RIGHTS OF RECOVERY AGAINST OTHERS TO US - of SECTION IV - BUSINESS AUTO CONDITIONS A. Loss Conditions is amended by adding the following:

We waive any right of recovery we may have against any person or organization with whom you have a written contract that requires such waiver because of payments we make for damages under this Coverage Form.

17. RESULTANT MENTAL ANGUISH COVERAGE

The definition of "bodily injury" in SECTION V-DEFINITIONS, C. is replaced by the following:

"Bodily injury" means bodily injury, sickness or disease sustained by any person, including mental anguish or death resulting from any of these.

18. EXTENDED CANCELLATION CONDITION

Paragraph 2. of the COMMON POLICY CONDITIONS - CANCELLATION - applies except as follows:

If we cancel for any reason other than nonpayment of premium, we will mail or deliver to the first Named Insured written notice of cancellation at least 60 days before the effective date of cancellation.

19. HYBRID, ELECTRIC, OR NATURAL GAS VEHICLE PAYMENT COVERAGE

In the event of a total loss to a "non-hybrid" auto for which Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form, then such Physical Damage Coverages are amended as follows:

- a. If the auto is replaced with a "hybrid" auto or an auto powered solely by electricity or natural gas, we will pay an additional 10%, to a maximum of \$2,500, of the "non-hybrid" auto's actual cash value or replacement cost, whichever is less,
- b. The auto must be replaced and a copy of a bill of sale or new lease agreement received by us within 60 calendar days of the date of "loss,"
- c. Regardless of the number of autos deemed a total loss, the most we will pay under this Hybrid, Electric, or Natural Gas Vehicle Payment Coverage provision for any one "loss" is \$10,000.

For the purposes of the coverage provision,

- a. A "non-hybrid" auto is defined as an auto that uses only an internal combustion engine to move the auto but does not include autos powered solely by electricity or natural gas.

- b. A "hybrid" auto is defined as an auto with an internal combustion engine and one or more electric motors; and that uses the internal combustion engine and one or more electric motors to move the auto, or the internal combustion engine to charge one or more electric motors, which move the auto.

20. VEHICLE WRAP COVERAGE

In the event of a total loss to an "auto" for which Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form, then such Physical Damage Coverages are amended to add the following:

In addition to the actual cash value of the "auto", we will pay up to \$1,000 for vinyl vehicle wraps which are displayed on the covered "auto" at the time of total loss. Regardless of the number of autos deemed a total loss, the most we will pay under this Vehicle Wrap Coverage provision for any one "loss" is \$5,000. For purposes of this coverage provision, signs or other graphics painted or magnetically affixed to the vehicle are not considered vehicle wraps.
