**Subject:** Alameda should be a sanctuary city

Dear City Council members,

I'm writing to express my support for the resolution declaring Alameda as a sanctuary city, upon which you are slated to vote on Tuesday. Alameda should join our neighboring towns as a city declaring itself as a safe community, no matter of immigration and documentation status. This feels especially important in light of the dangerous and heartless direction our current President has promised regarding immigration policies. Alameda must take a stand for human decency.

Best regards,

Lisa Foster
