

Introduction of an Ordinance to Add Section 8-8.9 (Electric Vehicle Charging) to Article 8-8 (General Parking Regulations) to the Alameda Municipal Code

Alameda City Council Meeting
April 1, 2025

Public access to Electric Vehicle (EV) Charging Stations

- 8 Public Charging Stations Citywide
 - 4 spaces at Civic Center Garage
 - 10 spaces at Seaplane Lagoon Ferry Terminal
- Future EV stations at 12 parking lots and 30 curbside locations

Charging stations at Civic Center Garage and Seaplane Lagoon Ferry Terminal

Reducing Emissions with EV Charger Deployment and Enforcement

- Transportation = 54% of Alameda's total greenhouse gas emissions.
- Public EV charging is key to reducing emissions and meeting Climate Action goals.
- An Enforcement mechanism to ensure proper use of EV charging spaces is essential for achieving goals and ensuring availability.

PW Enforcement vehicle – W. Atlantic Avenue

Increasing parking compliance

Citation Example: Civic Center Garage

- \$45 Fine for non-compliance, aligned with expired meter fines.
- New Fine at FY 2025-27 Biennial Budget adoption and annual Master Fee Schedule update.
- Goal: Ensure fair EV station access and support sustainability.
