# Proposed Contingency Service Plan

---

City of Alameda – AC Transit Interagency Liaison Committee  
June 18, 2026

# Why Plan for Service Reduction?

---

- Plan for the worst, hope for the best
- Only implement if revenue measure does not pass
- If measure does not pass, we will reassess and only do what is necessary to balance the budget

# Contingency Service Plan Framework Elements

- Maintain the Realign network.
- Minimize complete service eliminations.
- Focus on span and frequency reductions.
- Restructure High-Cost Services.
- Proportionately reduce service in Special District 1 (SD1) and Special District 2 (SD2).

## I. PURPOSE

The Federal Transit Administration (FTA) is responsible for ensuring that its funding recipients fully comply with Title VI of the Civil Rights Act of 1964 in their planning and implementation processes. Pursuant to Title 49 (U.S.C. Chapter 53), as amended, AC Transit is the designated recipient of funds under FTA (sections 5307 and 5309).

Further federal guidance, provided by Executive Order 12898 and FTA Environmental Justice Circular 4703.1, highlights the District's responsibility to ensure that environmental justice is incorporated into the District's mission of connecting our communities with safe, reliable, sustainable service for the greater East Bay. Additional federal guidance provided by Executive Order 13166 amplifies the Civil Rights Act mandate by providing that persons with limited English proficiency should have meaningful access to programs and activities receiving federal funds.

The FTA circular C4702.1B, "Title VI Requirements and Guidelines for Federal Transit Administration Recipients," provides guidance and instructions necessary to comply with these laws and executive orders. This policy sets forth activities the District undertakes, as a designated recipient of federal funds, to comply with that guidance.

## II. PERSONS AFFECTED

Title VI staff have primary responsibility for documenting the District's compliance with FTA requirements. Staff working on any project that may affect the populations protected by the
