  - Lois Butler, Economic and Community Services Manager,  
[lbutler@alamedaca.gov](mailto:lbutler@alamedaca.gov)

EveryOne Counts!  
2022

# Point In Time Count

*Katie Haverly,  
Director of Research and Data Analytics*

# PIT Count Planning Team

Alameda County  
Health Care Services Agency

Office of Homeless Care and Coordination

# What is the Point in Time (PIT) Count?

- A count and survey of sheltered and unsheltered people experiencing homelessness on a single night in January
- Required by HUD; informs funding that the county will receive for homeless services
- This year will be on **Tuesday January 25, 2022**

# How was the PIT Count Previously Done?

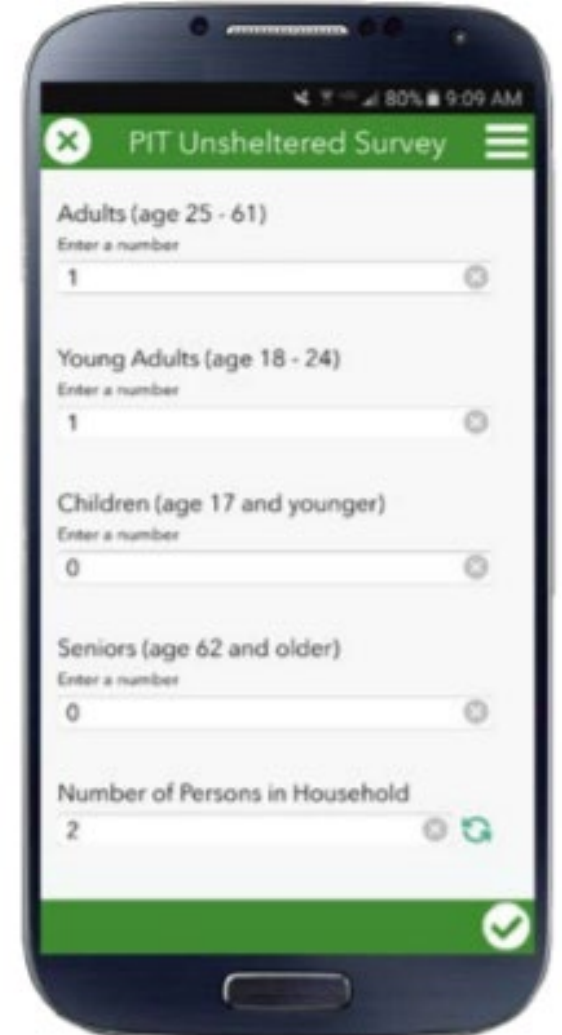

- Teams walked/drove through and observed every census tract in Alameda County to count those that are unsheltered
- Guides that are currently homeless or recently homeless partnered with community volunteers to ensure EveryOne Counts!

# Considerations for the 2022 PIT Count

- Careful considerations related to **COVID 19** safety protocols are being developed by all planning partners
- New technology will be utilized this year including a **phone app** to collect data

# Considerations for the 2022 PIT Count

- **Outreach teams and guides** will cover as many census tracts as possible in areas they are most familiar and that have higher concentrations of those experiencing homelessness
- **Guides** (those currently experiencing homelessness or recently homeless) will be paired with staff they know
  - Recruitment will begin in January
  - Guides are paid for their work and training
- **City and regional coordinators** are working closely with the planning team and outreach programs

# COVID 19 Considerations

- The Planning Team continues to monitor COVID trends and is finalizing the COVID policy for the count with the Alameda County Health Department.
- Adjustments to increase safety and comfort include:
  - Virtual deployment
  - Volunteers signing up in “pods” and preselection of census tract
  - Guides working only with those they know and are comfortable with for the count

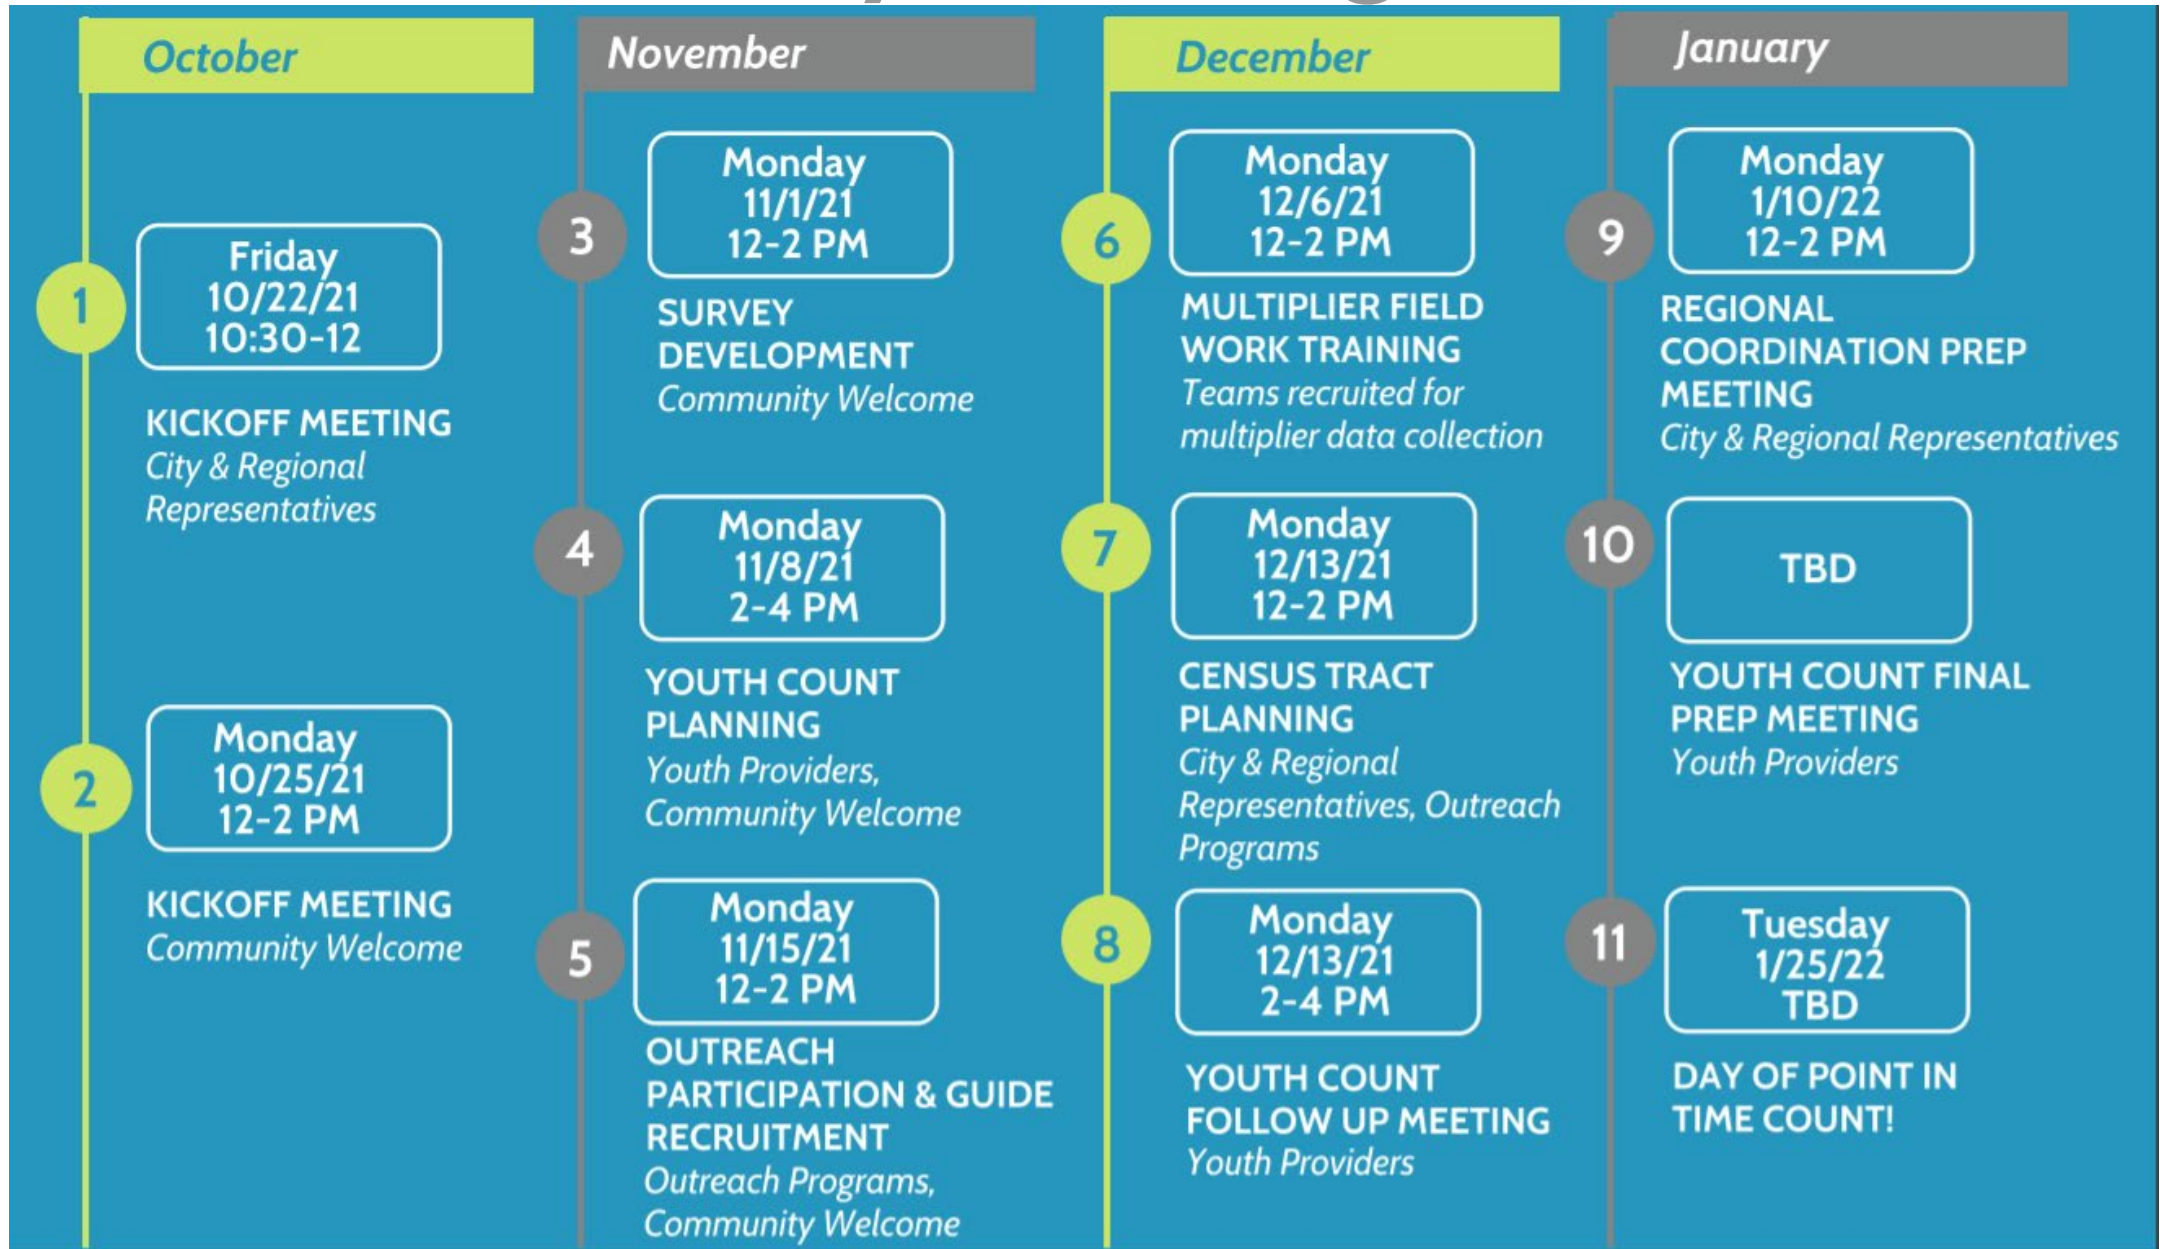

# Community Volunteers

- Community volunteers will identify the remaining census tracts of their preference online and will be asked to **sign up in teams or “pods”**
- Official link to sign up will go live in **December.**
- Deployment will happen **“virtually”** in order to prevent large gatherings of individuals

# Community Meeting Timeline

# PIT Count Report Options

- EveryOne Home will be providing to all cities/jurisdictions a simple infographic report of the unsheltered and sheltered count (if the city/jurisdiction has shelter programs) free of charge
- ASR is offering a range of other reports for purchase depending on preferred report type

# X City 2022 Point In Time Count Unsheltered & Sheltered Report

Every two years, during the last 10 days of January, communities across the country conduct comprehensive counts of people experiencing homelessness in order to measure the prevalence of homelessness in each local community. The 2022 Alameda County EveryOne Home Point-in-Time Count was a community-wide effort conducted on January 25th, 2021. Results presented below are for those individuals that were observed as being unsheltered or enrolled in sheltered services in X city on that day.

**80 Individuals**

Were observed as being unsheltered in City X.

**8000 Individuals**

Were observed as being unsheltered in Alameda County.

1% of unsheltered Individuals in Alameda County Live in X City

Count of Unsheltered/Sheltered Individuals Over Time

Unsheltered Population by Location

	Tent	Car/Van	RV	Street/Outside	Abandoned Building
<b>X City</b>	20% (16)	20% (16)	20% (16)	20% (16)	20% (16)
					
<b>Alameda County</b>	20% (16)	20% (16)	20% (16)	20% (16)	20% (16)

# X City Sheltered & Unsheltered Report

**200 Individuals**

Were Enrolled in Sheltered Services in City X.

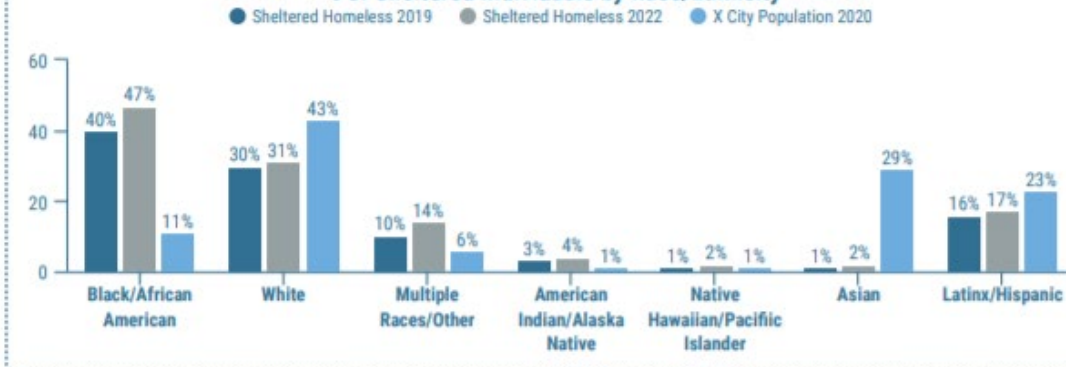

**2000 Individuals**

Were Enrolled in Sheltered Services in Alameda County.

1% of sheltered Individuals in Alameda County Live in X City

% of Sheltered Individuals by Race/Ethnicity

Gender Identity

Physical & Mental Health Conditions at Enrollment

-  Mental Health x%
-  Substance Use x%
-  Chronic Health Condition x%
-  HIV/AIDS x%
-  Developmental Disability x%
-  Physical Disability x%

Age

X% of Sheltered Individuals are **Veterans**

X% of Sheltered Individuals are **Chronically Homeless**

Type of Shelter

Emergency Shelter x%

Transitional Housing x%

Safe Haven x%
