## 9. MAINTENANCE AND REPAIR OF LICENSE AREA:

### 9.1 Maintenance and Repair by Licensee.

9.1.1 Licensee Maintenance. Licensee shall, at its sole cost and expense, maintain the License Area in good repair and in a neat and clean condition (ordinary wear and tear, casualty and condemnation excepted) including making all necessary repairs and

replacements as a result of any damage caused by Licensee's use of the License Area. If Licensee fails to commence such repairs or replacement within fifteen (15) days after notice from Licenser and diligently prosecute such repairs or replacements to completion, then Licenser may, at its option, upon prior reasonable notice to Licensee (except in an emergency) make the required repairs and replacements and the costs of such repairs or replacement (including Licenser's administrative charge) shall be charged to Licensee as an Additional Fee and shall become due and payable by Licensee with the monthly installment of the Licensee Fee next due hereunder.

9.2 Licenser Maintenance and Repair. Licenser shall maintain in good repair any buildings located in the License Area, including structural elements of exterior walls, roofs, and foundations, and existing fire and life safety system, provided such repairs are not necessitated by the actions or inactions of Licensee, Licensee's invitees or anyone in the employ or control of Licensee. Licensee shall further ensure that the License Area is maintained free of trash and debris outside of deposit bins or other authorized containers. Licensee hereby waives any and all rights under and benefits of California Civil Code sections 1932, 1941, and 1942 or any similar or successor laws now or hereby in effect. Licensee shall immediately give Licenser written notice of the need for repair of the items for which Licenser is responsible. If Licensee or Licensee's invitees or anyone in the employment or control of Licensee causes any damages necessitating such repair, then Licensee shall pay to Licenser the cost thereof, immediately upon demand therefor. Except as otherwise expressly set forth in this Agreement, Licensee waives any right to terminate this License or offset or abate the Licensee Fee or any Additional Fee by reason of any failure of Licenser to make repairs to the License Area.

## 10. ENVIRONMENTAL PROTECTION PROVISIONS:

10.1 Hazardous Materials. "**Hazardous Materials**" shall mean any material, substance or waste that is or has the characteristic of being hazardous, toxic, ignitable, reactive, flammable, explosive, radioactive or corrosive, including, without limitation, petroleum, solvents, lead, acids, pesticides, paints, printing ink, PCBs, asbestos, materials commonly known to cause cancer or reproductive problems, and those materials, substances and/or wastes, including wastes which are or later become regulated by any local governmental authority in the state in which the License Area is located or the United States Government, including, but not

limited to, substances defined as “hazardous substances,” “hazardous materials,” “toxic substances” or “hazardous wastes” in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. §1801, et seq.; the Resource Conservation and Recovery Act; all environmental laws and regulations of the state of California; and any other environmental law, regulation or ordinance now existing or hereinafter enacted. “**Hazardous Materials Laws**” shall mean all present and future federal, state and local laws, ordinances and regulations, prudent industry practices, requirements of governmental entities and manufacturer’s instructions relating to industrial hygiene, environmental protection or the use, analysis, generation, manufacture, storage, presence, disposal or transportation of any Hazardous Materials, including without limitation the laws, regulations and ordinances referred to in the preceding sentence.

10.2 Reportable Uses Required Consent. Except as permitted in this Section 10.2, Licensee hereby agrees that Licensee and Licensee’s officers, employees, representatives, agents, contractors, subcontractors, successors, assigns, vendors, concessionaires, invitees and any other occupants of the License Area (collectively, “**Licensee’s Representatives**”) shall not cause or permit any Hazardous Materials to be used, generated, manufactured, refined, produced, processed, stored or disposed of, on, under or about the License Area or transported to or from the License Area without the express prior written consent of Licensor, which consent may be limited in scope and predicated on strict compliance by Licensee of all applicable Hazardous Materials Laws and such other reasonable rules, regulations and safeguards as may be required by Licensor (or any insurance carrier, environmental consultant or lender of Licensor, or environmental consultant retained by any lender of Licensor) in connection with using, generating, manufacturing, refining, producing, processing, storing or disposing of Hazardous Materials on, under or about the License Area. In connection therewith, Licensee shall, at its own expense, procure, maintain in effect and comply with all conditions of any and all permits, licenses and other governmental and regulatory approvals required for the storage or use of Hazardous Materials by Licensee or any of Licensee’s Representatives in the License Area, including without limitation, discharge of (appropriately treated) materials or wastes into or through any sanitary sewer serving the License Area. The foregoing notwithstanding, Licensee may use ordinary and customary materials reasonably required to be used in the course of the Permitted Use or other use as approved or permitted by Licensor, ordinary office supplies (copier, toner, liquid paper, glue, etc.), common household cleaning materials, generators, gasoline and oil in vehicle tanks, so long as such use is in compliance with all Hazardous Materials Laws and does not expose the License Area or neighboring property to any meaningful risk of contamination or damage or expose Licensor to any liability therefor.

10.3 Remediation Obligations. If at any time during the Term, any contamination of the License Area by Hazardous Materials shall occur where such contamination is caused by the act or omission of Licensee or Licensee’s Representatives (“**Licensee’s Contamination**”), then Licensee, at Licensee’s sole cost and expense, shall promptly and diligently remove such Hazardous Materials from the License Area or the groundwater underlying the License Area to the extent required to comply with applicable Hazardous Materials Laws. Licensee shall not take any required remedial action in response to any Licensee’s Contamination in or about the License Area or enter into any settlement agreement, consent, decree or other compromise in respect to any claims relating to any Licensee’s

Contamination without first obtaining the prior written consent of Licensor, which may be subject to conditions imposed by Licensor as determined in Licensor's sole discretion. Such prior written consent shall not be required to the extent the delay caused by the requirement to obtain consent may increase the damage to the License Area or the risk of harm to human health, safety or security caused by the Licensee's Contamination. Licensor and Licensee shall jointly prepare a remediation plan in compliance with all Hazardous Materials Laws and the provisions of this License. In addition to all other rights and remedies of Licensor hereunder, if Licensee does not promptly and diligently take all steps to prepare and obtain all necessary approvals of a remediation plan for any Licensee's Contamination, and thereafter commence the required remediation of any Hazardous Materials released or discharged in connection with Licensee's Contamination within thirty (30) days after all necessary approvals and consents have been obtained, and thereafter continue to prosecute such remediation to completion in accordance with the approved remediation plan, then Licensor, at its sole discretion, shall have the right, but not the obligation, to cause such remediation to be accomplished, and Licensee shall reimburse Licensor within fifteen (15) business days of Licensor's demand for reimbursement of all amounts reasonably paid by Licensor for such remediation (together with interest on such amounts at the highest lawful rate until paid), when such demand is accompanied by proof of payment by Licensor of the amounts demanded. Licensee shall promptly deliver to Licensor copies of hazardous waste manifests reflecting the legal and proper disposal of all Hazardous Materials removed from the License Area as part of Licensee's remediation of any Licensee's Contamination. The foregoing notwithstanding, "Licensee's Contamination" shall not refer to or include any Hazardous Materials that were not clearly introduced to the License Area by Licensee or Licensee's Representatives. As an example, if lead dust or asbestos is found on the License Area, unless there is clear evidence that Licensee introduced those Hazardous Materials to the License Area, those Hazardous Materials shall not be considered "Licensee's Contamination," and it shall not be Licensee's responsibility to take remedial action relating to such Hazardous Materials. Moreover, Licensee shall not be responsible for any Hazardous Materials that were present in, on, or below the License Area before Licensee occupied the License Area.

10.4 Licensor's Inspection Right. Licensor shall have the right to inspect the License Area for compliance with environmental, safety, and occupational health laws and regulations, regardless of whether Licensor is responsible for enforcing or complying with them. Licensee shall have no claim against Licensor, or any officer, agent, employee, contractor or subcontractor of Licensor by reason of entrance of such Licensor officer, agent, employee, contractor or subcontractor onto the License Area, provided such inspection is undertaken as reasonably as possible so as not to disrupt or interfere with the Permitted Use. Except in the event of an emergency, Licensor shall provide Licensee with reasonable prior notice and an opportunity to have a representative present at any inspection.

10.5 Hazardous Materials Indemnity. In addition to any other provisions of this Agreement, Licensee shall, and does hereby agree, to indemnify and hold harmless Licensor from any costs, expenses, liabilities, fines or penalties resulting from discharges, emissions, spills, storage or disposal resulting from Licensee's Contamination, giving rise to liability, civil or criminal, or any other action by Licensee or its contractors, employees, agents, or assigns giving rise to responsibility under any Hazardous Materials Laws. Licensee's obligations hereunder shall apply whenever Licensor incurs costs or liabilities for Licensee's Contamination

as provided hereunder. This provision shall survive the expiration or termination of this Agreement.

# 11. INDEMNITY AND WAIVER OF CLAIMS:

11.1 Licensee Indemnification. Licensee shall indemnify, defend and hold Licensor and its trustees, members, principles, beneficiaries, partners, officers, directors, employees, and property managers (“**Licensor Related Parties**”) harmless against and from all third party liabilities, obligations, damages, penalties, claims, actions, costs, charges, judgment and expenses (including reasonable attorneys’ fees, costs and disbursements) arising from (a) the use of, or any activity done, permitted or suffered in or about the License Area by Licensee (including, but not limited to, injuries suffered by Licensee’s agents or employees); (b) any activity done, permitted or suffered by Licensee or Licensee’s agents or employees in or about the License Area during Licensee’s possession and use of the License Area; (c) any act, neglect, fault, willful misconduct of Licensee or Licensee’s agents or employees in or about the License Area during Licensee’s possession and use thereof; or (d) from any breach or default in the terms of this Agreement by Licensee or Licensee’s agents or employees, except to the extent such claims arise out of or relate to the gross negligence or willful misconduct of Licensor or any Licensor Related Party. If any action or proceeding is brought against Licensor by reason of any such claim, upon notice from Licensor, Licensee shall defend the same at Licensee’s expense by Licensor’s Office of the City Attorney or, at Licensor’s election, other counsel reasonably satisfactory to Licensor. As a material part of the consideration to Licensor, Licensee releases Licensor and Licensor Related Parties from responsibility for, waives its entire claim of recovery for, and assumes all risks of (i) damage to property or injury to person in or about the License Area from any cause whatsoever except to the extent caused by the gross negligence or willful misconduct of Licensor or Licensor Related Parties, or (ii) loss resulting from business interruption or loss of income at the License Area.

11.2 Waiver of Claims. Except in the event of Licensor’s or Licensor Related Parties’ own gross negligence or willful misconduct Licensor shall not be liable to Licensee and Licensee waives all claims against Licensor and Licensor Related Parties for any injury or damage to any person or property occurring or incurred in connection with or in any way relating to the License Area from any cause. Without limiting the foregoing, neither Licensor nor any Licensor Related Party shall be liable for and there shall be no abatement of Fees for (a) any damage to Licensee’s property stored with or entrusted to any Licensor Related Party, (b) loss of or damage to any property by theft or any other wrongful or illegal act, or (c) any injury or damage to person or property resulting from fire, explosion, water or rain that may blow onto the License Area from the streets or other surfaces or from any other place or resulting from dampness or any other cause whatsoever, or from the acts or omissions of other tenants, occupants or other visitors to the License Area or from any other cause whatsoever, (d) any diminution or shutting off of light, air or view by any structure that may be erected on lands adjacent to the License Area or (e) any latent or other defects in the License Area. 11.3 Survival/No Impairment. The obligations of Licensee under this Section 11 shall survive any termination of this Agreement. The foregoing indemnity obligations shall not relieve any insurance carrier of its obligations under any policies required to be carried by either party pursuant to this Agreement, to the extent that such policies cover the peril or currents that results in the claims that are subject to the foregoing indemnity.

Any other insurance held by an additional insured shall not be required to contribute anything toward any loss or expense covered by the insurance provided by this policy. Licensee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether Licensor has received a waiver of subrogation endorsement from the insurer. The Workers’ Compensation policy shall be endorsed with a waiver of subrogation in favor of Licensor for all work performed by Licensee, its employees, agents and subcontractors.

Licensor shall not be responsible for the value, preservation or safekeeping of Licensee's property that is not removed by Licensee from the License Area. Licensee shall pay Licensor, upon demand, the expenses and storage charges incurred for any such property. If Licensee fails to remove Licensee's property from the License Area upon the expiration or earlier termination of this Agreement, Licensor may deem all or any part of Licensee's property to be abandoned and, at Licensor's option, title to Licensee's property shall vest in Licensor or Licensor may dispose of Licensee's property in any manner Licensor deems appropriate.

15. NONDISCRIMINATION: Consistent with Licensor's policy that harassment and discrimination are unacceptable conduct, Licensee agrees that harassment or discrimination directed toward a City employee, or contractor, or employees, or Licensee's employee or

contractor on the basis of race, religious creed, color, national origin, ancestry, handicap, disability, marital status, pregnancy, sex, age, or sexual orientation will not be tolerated. Licensee agrees that any and all violations of this provision shall constitute a material breach of this Agreement.

16. PERMITS AND LICENSES: Licensee, at its sole expense, shall obtain and maintain during the term of this Agreement, all appropriate permits (including any Special Event Permits, as required), certificates and licenses, including a City business license that may be required in connection with its use or occupation of the License Area.

Licensor shall have no obligation to repair or maintain License Area other than as set forth in Section 18 herein.

19. HOLDING OVER: If Licensee does not surrender possession at the end of the Term or sooner termination of this Agreement, Licensee shall indemnify and hold Licensor harmless from and against any and all losses or liability resulting from delay in Licensee so surrendering the License Area including, without limitations, any loss or liability resulting from any claim against Licensor made by any succeeding tenant or prospective tenant founded on or resulting from such delay. In addition to the foregoing, Licensee shall reimburse Licensor its reasonable attorneys' fees and costs incurred in enforcing Licensee's obligations under this Article, which include but are not limited to, any attorneys' fees and costs incurred in an unlawful detainer, ejectment or other legal proceeding to compel Licensee to relinquish the possession of the License Area.

20. SAFETY: Licensee will be solely and completely responsible for conditions of all vehicles operated by Licensee in the License Area, including the safety of all persons and property during such operation. This requirement will apply continuously and not be limited to normal working hours. In addition, Licensee will comply with all safety provisions in conformance with U.S. Department of Labor Occupational Safety and Health Act, any equivalent state law, and all other applicable federal, state, county and local laws, ordinances, codes, and any regulations that may be detailed in other parts of the Agreement. Where any of these are in conflict, the more stringent requirements will be followed. Licensee's failure to thoroughly familiarize itself with the aforementioned safety provisions will not relieve it from compliance with the obligations and penalties set forth herein. Licensee will immediately notify the City within 24 hours of any incident of death, serious personal injury or substantial property damage that occurs in the License Area.

21. DEFAULT:

21.1 Events of Default. The occurrence of any of the following shall constitute a "Default" by Licensee:

Upon notice of any such termination, Licensee shall vacate and discontinue its use of the License Area and Licensors may take any and all actions to enforce Licensee's obligations.

21.3 Licensors' Right to Perform Licensee's Obligations. If Licensee is in Default of any of its non-monetary obligations under this Agreement, in addition to the other rights and remedies of Licensors provided herein, then Licensors may at Licensors' option, but without any obligation to do so and without further notice to Licensee, perform any such term, provision, covenant or condition or make any such payment and, except in the case of its gross negligence or willful misconduct, Licensors by reason of doing so shall not be liable or responsible for any loss or damage thereby sustained by Licensee.
