Alameda Citizens Task Force

Vigilance, Truth, Civility

Dear Mayor Ashcraft, Vice Mayor Daysog & Council Members Vella, Spencer & Jensen:

After expressing our strong objections to the amendments as presented by the City Attorney, we were gratified to hear the thoughtful modifications contained in Council Member Vella's motion and adopted by Council. However, the following "tweaking" is needed (to use the City Attorney's description of changes you can make at the March 5 meeting without triggering the need for a third reading).

The Vella motion provides for amending the ordinance to provide 10 days public notice on the city website, with hearings open to the public and available to watch online. The City Attorney has chosen to address these issues outside of the ordinance in the Hearing Officer Administrative Regulations in a new Section VII. It provides for 10 days' notice **but does not specify where published or required content**. It requires that the public may attend a hearing in person or remotely but **does not specify the means of remote attendance or the preservation of the audio/visual record**.

We believe that the Hearing Officer Sunshine Ordinance complaint hearings should be required to meet the same notice and public attendance requirements now required for OGC complaint hearings. We also believe that lay readers of the Sunshine Ordinance should not have to go to a separate Regulations document to learn their rights.

OGC Complaint hearings now must meet the notice and public attendance requirements contained in the Sunshine Ordinance at Section 2-91.5 concerning the location and content of

hearing notices and Section 2-91.14 (c) regarding videos of a hearing and the preservation of the same.

We propose that both Sections 2-91.5 (b) through (e) and Section 2-91.14 (c) be incorporated into the Sunshine Ordinance amendments. This would ensure that the notice is placed on the current city “Agenda, Minute and Video Data Base” web page and contain all relative documents so that the public can understand the issues and watch the proceedings by live video or by a preserved video thereafter. *We note that Section 2-91.14 (c) is included in Item 5-I Staff report, indicating that the City Attorney may intend to apply it to hearing officers, but the section only applies to a policy body, agency, or department. We fear it does not clearly include a hearing officer.*

This is not re-inventing the wheel, but merely making a Sunshine complaint hearing presided over a hearing officer subject to the same notice and attendance requirements now applicable to an OGC complaint hearing.

The following is our suggestion of simple modifications of the amendments on these issues:

1. Add a new subsection (d) to Section 2-93.2 as follows:

At least 10 days’ notice of a hearing shall be given in compliance with Section 2-91.5 (b) through (e)

2. Add a new subsection (e) to Section 2-93.2 to read as follows:

All hearings on Sunshine Ordinance complaints shall be livestreamed to the public and recorded in compliance with Section 2-91.14(c).

3. Re-letter the existing subsection (d) of Section 2-93.2 to (f)

Sincerely,

Alameda Citizens Task Force Board of Directors

Mayor Ashcraft, Vice Mayor Daysog and Council Members Jensen, Herrera Spencer and Vella

RE: Sunshine Ordinance

We have carefully reviewed the draft of the amendment to the Sunshine Ordinance which is scheduled for final approval on the consent calendar for the 3/5 City Council meeting. We believe that the text does not fully reflect the decisions made at the 2/20 meeting and are proposing changes to conform it to the intended result. We are also suggesting a modification to the regulation to reflect the language of the ordinance.

I am attaching a document which lists our proposed changes and the rationale behind them. I am also attaching a redlined copy of the proposed ordinance which includes our reasoning as comments. Please consider our recommendations to enhance the effort to improve the implementation of the Sunshine Ordinance.

City of Alameda - File #: 2024-3829

Approved as to form:

Yibin Shen, City Attorney
City of Alameda

Changes to proposed Sunshine Ordinance revision submitted for March 5, 2024 City Council Meeting.

Section 2-93.2(d). Add a new Section 2-93.2(d) to read as follows:

“All hearings on Sunshine Ordinance complaints shall be recorded by audio or video, and such recordings shall be handled in the manner described in Section 2-91.14(c). All decisions and recommendations of the Hearing Officer, and the relevant body’s action in response to that recommendation, shall be public records and handled in accordance with Section 2-92.”

Reason for change: This is to conform with what was discussed at the February 20, 2024 City Council meeting, and is in accordance with the existing procedures for handling Sunshine Ordinance complaints.

Section 2-93.2(e). Re-letter Section 2-93.2(d) to Section 2.93.2(e)

Section 2-93.8(a). Change the second sentence to read as follows:

“The originating body shall consider the Hearing Officer’s recommendation and, as soon as practicable, render a final decision on whether to accept or reject the Hearing Officer’s recommendation [This replaces the word “decision”], in whole or in part, and notify the City Council and the Commission of its decision.”

Reason for change: The originating body only has discretion to accept or reject the Hearing Officer’s proposed remedy, not other parts of the Hearing Officer’s decision. This change is consistent with Section 2-93.8(b). In addition, since the City Council and the Commission are informed of the Hearing Officer’s recommendation, they should also be informed of the final action taken on that recommendation.

Section 2-93.8(a). Change the fourth sentence to read as follows:

“The City is encouraged to consider taking all necessary actions to maintain the status quo pending the originating body’s review of the Hearing Officer’s [This replaces the word “Commission’s” in the original text] recommendations, to the extent doing so would not be prejudicial to the City.”

Reason for change: This reflects that recommendations are to be made by the Hearing Officer, not by the Commission.

Section 2-93.8(b). Change the second sentence to read as follows:

“The City Clerk, City Manager and/or the City Attorney, as appropriate, shall promptly consider the Hearing Officer’s recommendations and inform the City Council and the Commission of their final decision.”

Reason for change: Since the City Council and the Commission are informed of the Hearing Officer's recommendation, they should also be informed of the final action taken on that recommendation.

Change to the regulation

Add the **bolded** wording to the text of the regulation:

On the City's webpage, **to the Open Government Commission**, and to any subscriber who has requested to be noticed when there will be a hearing about a Sunshine Ordinance complaint, the City Clerk's office shall provide 10 days **written** notice prior to the hearing of the date, time, and place of the hearing and whether the hearing will be via teleconference. **A copy of the Sunshine Ordinance complaint shall be included with such notice.** The City Manager will also announce under City Manager Communications at a City Council meeting any upcoming hearings, **including the same information and documents as contained in the required notice.** Parties who filed a Sunshine Ordinance complaint and members of the public are permitted to attend the hearing including attending remotely."

Reason for change: Since the Open Government Commission is being informed of other matters in the Sunshine Ordinance complaint process, it should also be given notice of the hearing. Providing a copy of the complaint is necessary to make that notice meaningful.
