

Federal Legislative Agenda

1. Continue work with the US Navy to complete conveyance and environmental clean-up;
2. Seek federal transportation funds with special emphasis on greenhouse gas mitigation;
3. Work with Army Corps of Engineers on shoreline stabilization and seek funds for implementation;
4. Seek sea-level rise and flood protection funds;
5. Establish National Wildlife Refuge at Alameda Point;
6. Seek Public Safety funds;
7. Seek funding for walking trails and bike trails;
8. Work to maintain US "Ready Reserve" fleet (MARAD) at Alameda Point; and
9. Seek housing funds

State Legislative Agenda

1. Improvements to and expansion of Bay Area wide water transit with an emphasis on ferry service in Alameda;
2. Conclusion of the Webster/Posey Tube (Broadway/Jackson) traffic improvements;
3. New state legislation for Tax Increment Financing (TIF) (for Alameda Point in lieu of redevelopment);
4. Fire Station 3 funding;
5. Emergency funds to develop tsunami preparedness plan;
6. State and County transportation funding;
7. License Plate Reader program funding; and
8. Streamline state mandated processes to encourage infill development
