Congratulations!

Alameda Free Library, Main Branch is certified as a Bay Area Green Business! Onsite verification inspections have taken place, and all standards were achieved as of today. As a Green Business, you have achieved exceptional *pollution prevention* and *conservation* of resources. In addition, you have met *environmental compliance* requirements. As a result of attaining Green Business standards, you will receive the following benefits for the duration of the inspection cycle:

- Positive public recognition from your peers and the community!
- Public promotions through the Green Business Program!

Please take advantage of our online directory! Using your link to access your application, go to the "Directory Information" section where you can list a robust business description, website address and upload photos and/or your business logo.

Our web site (www.greenbiz.ca.gov) lists Green Businesses throughout the greater Bay Area. Please consider using other Green Businesses for services - it's one more way to be 'green'!

Our next Green Business Recognition event will be in the Fall of 2015. We'll send out more information next year.

If you have any questions about environmentally preferable practices, the Green Business Program, our events or promotions, please call me at 510.567.6770 or email pamela.evans@acgov.org.

Sincerely,

Pamela J. Evans
Alameda County Green Business Coordinator
