**Subject:** TONIGHT: Item 9-A, Re-establish Economic Development Comm.

Please add to the record for tonight's meeting my support for re-establishing the Economic Development Commission.

I have long advocated for expansion of the commercial tax base in Alameda, to generate more revenue for the general fund, and to correct the existing jobs/housing imbalance in Alameda, which sees the bulk of residents leave the island each morning for work.

Thanks,

David Howard
