LEASE AGREEMENT

THIS LEASE AGREEMENT is made and entered into by and between CITY OF ALAMEDA, a charter city and municipal corporation (“**Landlord**” or the “**City**”) and MATSON NAVIGATION COMPANY, INC., a Hawaii corporation (“**Tenant**”). The Basic Lease Information, the Exhibits and this Lease Agreement are and shall be construed as a single instrument and are referred to herein as the “**Lease**”.

1. DEMISE.

In consideration for the rents and all other charges and payments payable by Tenant, and for the agreements, terms and conditions to be performed by Tenant in this Lease, and subject to City Council approval, Landlord does hereby lease to Tenant and Tenant does hereby hire and take from Landlord, the Premises described below, upon the agreements, terms and conditions of this Lease for the Term hereinafter stated.

2. PREMISES.

2.1 Premises. The Premises demised by this Lease are as specified in the Basic Lease Information. Said Premises are located on property commonly referred to as the former Naval Air Station Alameda (“**Property**”). The Premises have the address and contain the square footage specified in the Basic Lease Information; provided, however, that any statement of square footage set forth in this Lease is an approximation which Landlord and Tenant agree is reasonable and no economic terms based thereon shall be subject to revision whether or not the actual square footage is more or less.

2.2 Land and Parking. Provided that Tenant shall not be in Default under the terms and conditions of this Lease, in addition to the Premises, Landlord grants to Tenant a license to use the land area appurtenant to the Premises as generally depicted on **Exhibit A-1** attached hereto (“**Land**”). The foregoing notwithstanding Landlord grants to Tenant an exclusive license for Tenant and its employees, agents, suppliers, customers and patrons the right to use those portions of the Land designated on **Exhibit A-2** for parking purposes (the “**Parking Area**”). Tenant may also use the Parking Area for the loading and unloading of trucks shipping items to and from the Premises. Landlord shall not be required to enforce Tenant’s rights to use any parking spaces on the Parking Area. Under no circumstances may the Land or Parking Area be utilized for the storage (beyond 72 hours), repair or maintenance of any vehicles. Should Tenant or its agents, employees or invitees use the Land or Parking Area or any portion thereof in violation of this Section 2.2, Landlord shall have the right, without notice, in addition to such other rights and remedies that it may have, to tow away any vehicle involved and charge the cost of towing and storage to Tenant, which cost shall be immediately payable upon demand by Landlord as Additional Rent. Except as otherwise provided herein, neither Landlord nor any Landlord Related Party (as defined in Section 14.1 below) shall be liable for: (a) loss or damage to any vehicle or other personal property parked or located upon or within the Land or Parking Area, whether pursuant to this license or otherwise and whether caused by fire, theft, explosions, strikes, riots, or any other cause whatsoever; or (b) injury to or death of any person in, about or around any parking spaces or any portion of the Land or Parking Area or any vehicles parked thereon whether caused by fire, theft, assault, explosion, riot or any other cause whatsoever and

Tenant hereby waives any claims for, or in respect to, the above. Tenant shall not assign any of its rights under this Section 2.2 except in connection with an assignment of Tenant's interests in the Lease or a sublease in accordance with Article 13 below and in the event an attempt to assign is made, it shall be void. Landlord shall have no maintenance obligations for the Land or Parking Area and all provisions of this Lease concerning Tenant's rights and obligations governing its use and occupancy of the Premises that are not inconsistent with this Section 2.2 shall be applicable to the Land and Parking Areas. Tenant shall have the right to store up to thirty-six (36) storage containers on the Land adjacent to the Premises, in the area so identified on **Exhibit A-3**. Said containers shall not be stacked and shall be maintained in good repair. Tenant may store such containers on the portion of the Land identified in **Exhibit A-3** or other equipment on the Land provided that it first erects and maintains a fence and installs a screen or slats to screen such containers or equipment.

2.3 [Intentionally Omitted].

2.4 Possession. Tenant accepts the Premises in "AS IS" "WITH ALL FAULTS" condition and configuration without any representations or warranties by Landlord, and subject to all matters of record and all applicable laws, ordinances, rules and regulations, with no obligation of Landlord to make alterations or improvements to the Premises. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the suitability of the Premises, Building or infrastructure for the conduct of Tenant's business. Tenant shall be responsible for requesting an inspection and obtaining a Certificate of Occupancy from the City of Alameda. This shall include, but is not limited to any necessary fire sprinkler upgrades, electrical service upgrades, compliance with the ADA (as defined at Section 6.2 below), and any other requirements mandated by the Certificate of Occupancy inspection.

2.5 [Intentionally Omitted].

3. **TERM.**

3.1 Term. The term of this Lease ("**Term**") shall be for the period specified in the Basic Lease Information, commencing on the later of (a) the Estimated Commencement Date or (b) one (1) day after this Lease has been approved by the City Council, the date of which approval shall be deemed to be the effective date of an ordinance approving this Lease as required by the City Charter ("**Commencement Date**"). This Lease shall terminate at midnight on the last day of the one hundred twentieth (120th) full calendar month following the Commencement Date ("**Expiration Date**"), unless sooner terminated or extended as hereinafter provided. Promptly following the Commencement Date, Landlord and Tenant shall enter into a letter agreement substantially in the form attached hereto as **Exhibit B**, specifying and confirming the Commencement Date and the Expiration Date; if Tenant fails to execute and deliver such letter agreement to Landlord within ten (10) business days after Landlord's delivery of the same to Tenant, said letter agreement will be deemed final and binding upon Tenant.

3.2 Delay and Delivery. If for any reason Landlord has not delivered to Tenant possession of the Premises by the Estimated Commencement Date set forth in the Basic Lease

Information, this Lease shall remain in effect and Landlord shall not be liable to Tenant for any loss or damage resulting therefrom.

3.3 Option to Renew.

(a) Renewal Options. Tenant shall have two (2) options to extend the Term (each a “**Renewal Option**”) for a period of five (5) years each (each a “**Renewal Term**”). A Renewal Option may be exercised only by the entity identified as the Tenant in the Basic Lease Information or an assignee that is a Tenant Affiliate and may not be exercised by any other sublessee or assignee or by any other successor or assign. The Renewal Options shall be effective only if Tenant is not in Default under this Lease, either at the time of exercise of the Renewal Option or the time of commencement of the Renewal Term. Tenant shall exercise its Renewal Options, if at all, by written notice (“**Election Notice**”) from Tenant to Landlord, in a form substantially the same as **Exhibit C**, given not more than nine (9) months nor less than six (6) months prior to expiration of the initial Term with respect to the first Renewal Option and with respect to the second Renewal Option, not more than twelve (12) months nor less than six (6) months prior to the expiration of the first Renewal Term. Any such notices given by Tenant to Landlord shall be irrevocable. If Tenant fails to exercise a Renewal Option in a timely manner as provided for above, said Renewal Option shall be void.

(b) Terms and Conditions. If Tenant exercises a Renewal Option, the Term shall be extended for an additional period of five (5) years upon the same terms and conditions as the initial Term except that (i) there shall be but one remaining Renewal Option available to Tenant at the expiration of the Renewal Term, (ii) Tenant shall continue to occupy the Premises in its “as-is” condition without any tenant improvement allowance from Landlord, and (iii) the Base Rent during each such Renewal Term (the “**Renewal Rate**”) shall be an amount equal to the greater of (A) the “Fair Market Rent” prevailing at the commencement of said Renewal Term or (B) the Base Rent in effect at the end of the initial Term or the then current Renewal Term.

Tenant shall be responsible for all brokerage costs and/or finder’s fees associated with Tenant’s exercise of a Renewal Option made by parties claiming through Tenant. Landlord shall be responsible for all brokerage costs and/or finder fees associated with Tenant’s exercise of a Renewal Option made by parties claiming through Landlord.

(c) Renewal Rate. For purposes of this Section 3.3, “**Fair Market Rent**” means the prevailing rental rate per square foot then being obtained by landlords for comparable buildings or spaces located in the City of Alameda, taking into account (in either case) applicable base years, tenant improvement allowances, free rent periods and other tenant concessions, existing improvements and configuration of the space, any additional rent and all other payments and escalations payable hereunder and by tenants under leases of such comparable spaces as determined by the following process:

(i) Within thirty (30) days after Landlord’s receipt of an Election Notice or as soon as thereafter as is reasonably practicable, Landlord shall notify Tenant in writing of the Renewal Rate (“**Renewal Rate Notice**”).

(ii) Tenant shall have twenty (20) days (“**Response Period**”) after receipt of the Renewal Rate Notice to advise Landlord whether or not Tenant agrees with Landlord’s determination of the Renewal Rate. If Tenant does not respond to Landlord in writing within the Response Period, then Tenant shall be deemed to have accepted the Renewal Rate specified by Landlord in the Renewal Rate Notice. If Tenant agrees or is deemed to have agreed with Landlord’s determination of the Renewal Rate, then such determination shall be final and binding on the parties.

(iii) If Tenant notifies Landlord in writing during the Response Period that Tenant disagrees with Landlord’s determination of the Renewal Rate, then within twenty (20) days after Landlord’s receipt of Tenant’s written notice, Landlord and Tenant shall each retain a licensed commercial real estate broker with at least five (5) years’ experience negotiating commercial lease transactions in the cities of Alameda and Oakland, California and Fair Market Rent shall be determined as follows:

A. If only one broker is appointed by the parties during such period, then said broker shall, within twenty (20) days after his or her appointment, determine the Fair Market Rent.

B. If Landlord and Tenant each appoint a broker during such period, then the brokers shall meet and confer during the thirty (30) day period commencing on the date on which the last of the brokers has appointed (“**Broker Negotiation Period**”) to attempt to mutually agree upon Fair Market Rent.

C. If the brokers cannot agree upon Fair Market Rent as of the expiration of the Broker Negotiation Period, the two brokers shall, within twenty (20) days thereafter, attempt to select an MAI appraiser meeting the qualifications stated in this Section (the “**Appraiser**”).

D. If the two brokers are unable to agree on the appraiser, either Landlord or Tenant, by giving fifteen (15) days written notice to the other party, can apply to then Presiding Judge of the Superior Court of Alameda County for the selection of an appraiser who meets the qualifications stated in this paragraph.

E. Landlord and Tenant shall each bear one half (1/2) cost of appointing the Appraiser and paying the Appraiser’s fees.

F. The Appraiser, however selected, shall be a person who has not previously acted in any capacity for either Landlord or Tenant. The Appraiser shall, within twenty (20) days after his or her appointment, make a determination of Fair Market Rent. The determinations of Fair Market Rent prepared by the two (2) brokers and the Appraiser shall be compared and the Renewal Rent Rate shall be whichever of the determinations by Landlord broker or Tenant’s broker is closer to the determination of the Appraiser (and if they are equally close, the Renewal Rate shall be the determination of the Appraiser). Such determination shall be final and binding upon the parties. Promptly following determination of a Renewal Rate pursuant to this Section, the parties shall execute an amendment to this Lease memorializing such Renewal Rate.

(d) Month Base Rent Increase. After the Renewal Rate has been determined for the first year of the Renewal Term, the Monthly Base Rent for the Premises shall increase at the annual rate of three percent (3%) throughout said Renewal Term.

4. **RENT.**

4.1 Base Rent.

(a) Generally. From and after the Commencement Date, Tenant shall pay to Landlord, in advance of the first day of each calendar month, without any setoff or deduction and without further notice or demand, the monthly installments of rent specified in the Basic Lease Information (“**Base Rent**”). One full installment of Monthly Base Rent shall be due and payable on the date of execution of this Lease by Tenant and shall be applied to the first full calendar month for which Monthly Base Rent is due. If the Commencement Date should be on a date other than the first day of a calendar month, the Monthly Base Rent installment paid for any fractional month during the Term shall be prorated based upon a thirty (30) day calendar month. Upon execution of this Lease, Tenant shall also pay to Landlord the amount of the Security Deposit as specified in the Basic Lease Information.

(b) Capital Repair Credits. Tenant represents and warrants to Landlord that it intends to undertake certain Capital Repairs to the Premises (as defined in the Tenant Work Letter (**Exhibit G**)), the total cost for which will equal or exceed the total Capital Repair Credit Amount (as defined in the Tenant Work Letter). Such representation by Tenant is a material element of consideration for Landlord’s decision to enter into this Lease under the terms and conditions set forth herein. As partial consideration for such representation, Landlord shall grant Tenant a Capital Repair Credit to be awarded in the form of Monthly Base Rent Credits, all as defined in the Tenant Work Letter.

4.2 Additional Rent. As used in this Lease, the term “**Additional Rent**” shall mean all sums of money, other than Base Rent, that are due and payable by Tenant under the terms of this Lease including, but not limited to, Tenant’s share of Utilities in accordance with Article 8 of this Lease. The term “**Rent**,” as used herein, shall mean all Base Rent, Additional Rent and all other amounts payable hereunder from Tenant to Landlord. Unless otherwise specified herein, all items of Rent other than Base Rent shall be due and payable by Tenant on or before the date that is thirty (30) days after billing by Landlord.

4.3 Late Charge. Other remedies for non-payment of Rent notwithstanding, if any Monthly Base Rent installment or Additional Rent is not received by Landlord on or before the fifth (5th) day following the due date, or any payment due Landlord by Tenant which does not have a scheduled date is not received by Landlord on or before the thirtieth (30th) day following the date Tenant was invoiced for such charge, a late charge of five percent (5%) of such past due amount shall be immediately due and payable as Additional Rent.

4.4 Interest. Any installment of Rent and any other sum due from Tenant under this Lease which is not received by Landlord within five (5) days from when the same is due shall bear interest from the date such payment was originally due under this Lease until paid at the lesser of: (a) an annual rate equal to the maximum rate of interest permitted by law, or (b) ten

percent (10%) per annum. Payment of such interest shall not excuse or cure any Default by Tenant.

5. OPERATING EXPENSES AND TAXES.

5.1 Definitions. For purposes of this Article 5, the following terms shall have the meanings hereinafter set forth:

(a) **Tenant's Share** shall mean the percentage figure so specified in the Basic Lease Information. The rentable area of the Premises specified in the Basic Lease Information is conclusive and binding upon Tenant. Tenant's Share has been computed by dividing the rentable area of the Premises by the total rentable area of the Building. In the event that either the rentable area of the Premises or the total rentable area of the Building is changed or remeasured by Landlord (which Landlord shall have the right to do from time to time), Tenant's Share and the rentable area of the Premises and Building will be appropriately adjusted; and, as to the Tax and Expense Year in which such change occurs, for purposes of this Article 5, Tenant's Share shall be determined on the basis of the number of days during such Tax and Expense Year that each such percentage is applicable.

(b) **Tax and Expense Year** shall mean each twelve (12) consecutive month period commencing July 1st and ending on June 30th of each year or partial year during the Term, provided that Landlord, upon notice to Tenant, may change the Tax and Expense Year from time to time (but not more frequently than once in any twelve (12) month period) to any other twelve (12) consecutive month period and, in the event of any such change, Tenant's Share of Taxes and Expenses shall be equitably adjusted for the Tax and Expense Years involved in any such change.

(c) **Taxes** shall mean all taxes, assessments, fees, impositions, assessments and charges levied (if at all) upon or with respect to the Building or Land, any personal property of Landlord used in the operation of the Building, or Landlord's interest in the Building or Land, other than Personal Property Taxes or Possessory Interest Taxes which are the subject of Article 9. Taxes shall include, without limitation and whether now existing or hereafter enacted or imposed, all general real property taxes, all general and special assessments, all charges, fees and levies for or with respect to transit, housing, police, fire or other governmental or quasi-governmental services or purported benefits to or burdens attributable to the Building or any occupants thereof, all service payments in lieu of taxes, and any tax, fee or excise on the act of entering into this Lease or any other lease of space in the Building or any occupants thereof, on the use or occupancy of the Building, on the rent payable under any lease or in connection with the business of renting space in the Building, that are now or hereafter levied or assessed against Landlord or the Building by the United States of America, the State of California, the City of Alameda, or any other political or public entity, and shall also include any other tax, fee or other excise, however described, that may now or hereafter be levied or assessed as a substitute for, or as an addition to, in whole or in part, any other Taxes, whether or not now customary or in the contemplation of the parties on the date of this Lease. Notwithstanding the foregoing, in the event Landlord has the right to elect to have assessments amortized over different time periods, Landlord will elect (or will charge such assessment through to Tenant as if Landlord had so elected) to have such assessment amortized over the longest period permitted

by the assessing authority, and only the amortized portion of such assessment (with interest at the lesser of the actual interest rate paid by Landlord or the then maximum rate of interest not prohibited or made usurious by Law) shall be included in Taxes on an annual basis. Taxes shall not include any franchise, transfer or inheritance or capital stock taxes, or any income taxes measured by the net income of Landlord from all sources, unless due to a change in the method of taxation any such taxes are levied or assessed against Landlord as a substitute for, or as an addition to, in whole or in part, any other tax that would otherwise constitute a Tax. Taxes shall also include reasonable legal fees and other costs and disbursements incurred by Landlord in connection with proceedings to contest, determine or reduce Taxes provided, however, that Landlord shall pay to Tenant promptly after receipt by Landlord an amount equal to Tenant's Share of any refunded or recovered Tax previously paid by Tenant.

(d) **Expenses** shall mean all costs of management, operation, maintenance, insuring and repair of the (i) structural elements of the Building (including the roof); and (ii) Landlord's property insurance, if any.

5.2 Determination and Payment of Operating Expenses and Taxes. Tenant shall pay to Landlord as Additional Rent one-twelfth (1/12th) of Tenant's Share of the Taxes and the Expenses for each Tax and Expense Year, or portion thereof, on or before the first day of each month during such Tax and Expense Year, in advance, in an amount estimated by Landlord set forth in an annual statement delivered by Landlord to Tenant; provided that Landlord shall have the right to revise such estimates not more than twice per Tax and Expense Year and Tenant shall thereafter make payments hereunder on the basis of such revised estimates. With reasonable promptness after the end of each Tax and Expense Year, Landlord shall submit to Tenant a statement showing the actual amount which should have been paid by Tenant with respect to Taxes and Expenses for the past Tax and Expense Year, the amount thereof actually paid during that year by Tenant and the amount of the resulting balance due thereof, or overpayment thereof, as the case may be ("**Landlord's Statement**"). Landlord's Statement shall set forth in reasonable detail, and shall contain a line-item breakdown showing at least the following major categories: (i) maintenance and repairs; (ii) landscaping; (iii) utilities (electricity; gas; water and sewer); and (iv) insurance. Any balance shown to be due pursuant to said statement shall be paid by Tenant to Landlord within thirty (30) days following Tenant's receipt thereof; and any overpayment shall be immediately credited against Tenant's obligation to make monthly payments for Taxes and Expenses for the then current Tax and Expense Year, or, if by reason of any termination of this Lease no such obligation exists, any such overpayment shall be refunded to Tenant. As an alternative to the monthly payment of Tenant's Share of Taxes and Expenses, and at Landlord's sole discretion, Landlord may direct Tenant to pay, within thirty (30) days of Landlord's delivery of Landlord's Statement, the full annual amount set forth therein. If the Expiration Date shall occur on a date other than the last day of a Tax and Expense Year, Tenant's Share of Taxes and Expenses for the Tax and Expense Year in which the Expiration Date occurs shall be in the proportion that the number of days from and including the first day of the Tax and Expense Year in which the Expiration Date occurs to and including the Expiration Date bears to 365. Where the calculation of Expenses and Taxes for a Tax and Expense Year cannot be made until after expiration or termination of this Lease, the obligation of Tenant to pay its proportionate share as Additional Rent shall survive the expiration or termination hereof and such Additional Rent for such period shall be payable by Tenant upon demand by Landlord.

6. USE; COMPLIANCE WITH LAWS.

6.1 Use. The Premises shall be used for the Permitted Use and for no other use whatsoever. At no time shall Tenant have the right to install, operate or maintain telecommunications or any other equipment on the roof or exterior areas of the Building, except as may be necessary for Tenant's Permitted Use of the Premises and Tenant's installation of such equipment is done in full compliance with Article 10. Tenant acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty with respect to the Premises, Buildings or Land with respect to the suitability or fitness of any for the conduct Tenant's business or for any other purpose.

6.2 Compliance with Laws. Tenant shall comply with all laws, ordinances, rules, regulations and codes, of all municipal, county, state and federal authorities, including the Americans With Disabilities Act, as amended, (42 U.S.C. Section 1201 et seq. [the "ADA"]) (collectively, "**Laws**") pertaining to Tenant's use and occupancy of the Premises and the conduct of its business. Tenant shall be responsible for making all improvements and alterations necessary to bring the Premises into compliance with applicable ADA requirements and to ensure that the Premises remain in compliance throughout the Term of this Lease. Tenant shall not commit, or suffer to be committed, any waste upon the Premises or any public or private nuisance, or other act or thing which disturbs the quiet enjoyment of any other tenant in the Building, nor shall Tenant store any materials on the Premises which are visible from areas adjacent to the Premises, unless otherwise specifically set forth in this lease. Tenant shall not permit any objectionable odor to escape or be emitted from the Premises and shall ensure that the Premises remain free from infestation from rodents or insects. Tenant shall not do or permit anything to be done on or about the Premises or bring or keep anything into the Premises which will in any way increase the rate of, invalidate, or prevent the procuring of any insurance, protecting against loss or damage to the Buildings or any of its contents by fire or other casualty or against liability for damage to property or injury to person in or about the Buildings.

6.3 Compliance with Restrictions. The Premises are is located on property known as the former Naval Air Station Alameda, portions of which were conveyed to the City by the United States of America, acting by and through the Department of the Navy by a quitclaim deed dated June 4, 2013, recorded June 6, 2013 as Series No. 2013-199818 of Official Records in the Office of the County Recorder, Alameda County, California ("**Quitclaim Deed**"). Said Quitclaim Deed conveyed the Premises subject to certain covenants, conditions, restrictions, easements, and encumbrances as set forth therein. The Premises are further encumbered by those certain restrictions set forth in the Declaration of Restrictions (Former Naval Air Station Alameda) dated June 4, 2013 and recorded June 6, 2013 as Series No.: 2013-199782 in the Office of the County Recorder of Alameda County ("**Declaration of Restrictions**"). Copies of the Quitclaim Deed and Declaration of Restrictions have been delivered to Tenant and, concurrently with the execution of this Lease, Tenant shall sign and return to Landlord the Acknowledgment of Receipt, attached hereto as **Exhibit D**. Use of the Premises is further restricted by the Covenant to Restrict Use of Property Environmental Restrictions recorded June 6, 2013 as Series No. 2013-199839 in the office of the County Recorder, Alameda County, CA (the "**CRUP**"), the National Environmental Protection Act Record of Decision ("**ROD**") for the disposal and reuse of the former Naval Air Station Alameda, and all conditions contained therein. A copy of the ROD is available for review at Landlord's office during normal business

hours. The covenants, conditions, restrictions, easements, rights-of-way, reservations, rights, agreements, and encumbrances set forth in the Quitclaim Deed, Declaration of Restrictions, the ROD, and Tidelands Grant Restrictions (as defined at Section 6.5) as they affect the Building, Land or Premises, are collectively referred to herein as the “**Restrictions.**” Any use of the Premises shall comply with the Restrictions and a failure to so comply shall constitute a Default under this Lease.

6.4 Use Permit. Tenant and any of its subtenants shall maintain a City of Alameda Use Permit and other applicable City permits and approvals for the intended use of the Premises (collectively “**Use Permit**”).

6.5 Tidelands Parcel.

(a) Background. A portion of the Property consists of former tide and submerged lands and is held by Landlord in trust for the people of California (the “**Tidelands Parcel**”). The Land and Building are located on the Tidelands Parcel portion of the Property. The Tidelands Parcel and other tide and submerged lands within the boundaries of the City, formerly owned by the State of California (“**State**”), were granted by the State to the City by Chapter 348 of the Statutes of 1913. That statute, as amended, most recently by Chapter 734 of the Statutes of 2000 (the Naval Air Station Alameda Public Trust Exchange Act, or “**Exchange Act**”) is referred to herein as the “**Granting Act.**” The Granting Act authorizes the City to enter into leases of the granted lands for terms not to exceed 66 years. Pursuant to the Exchange Act, the City and the State, acting by and through the State Lands Commission, entered into that certain Naval Air Station Alameda Title Settlement and Exchange Agreement dated February 18, 2014 (“**Exchange Agreement**”). The Exchange Agreement includes a boundary settlement by which the parties agreed that certain lands within the NAS Alameda site, including the Tidelands Parcel, will be subject to the public trust for commerce, navigation and fisheries (“**Public Trust**”) once they are conveyed out of federal ownership, and that the City will hold those lands subject to the Public Trust and the terms and conditions of the Granting Act (“**Statutory Trust**”). The Public Trust and the Statutory Trust are referred to collectively herein as the “**Trust.**”

(b) Permitted Uses – Generally. Tenant shall use the Land and Buildings during the Term solely for those uses permitted in the Trust, consistent with this Trust Lease and for no other purpose (“**Permitted Uses**”). For purposes of this Section 6.5 only, if there is a conflict between the Trust and this Lease as it relates to permitted uses, the Trust shall govern over this Lease. Notwithstanding anything to the contrary in this Lease, no use of the Tidelands Parcel or Premises shall be made which: (i) is prohibited by federal, state or local law, ordinance or regulation; (ii) would cause a cancellation of fire insurance required under this Lease, or (iii) would constitute a residential occupancy.

(c) Residential Uses. Residential uses are prohibited under this Lease within the Tidelands Parcel.

(d) Regulatory Approvals Required. Nothing in this Lease shall be construed as relieving Tenant of its obligation to obtain all required regulatory approvals or permits from the City of Alameda for any proposed use of the Premises, or as affecting the

City's authority to deny or condition such required regulatory approvals or permits. In approving a Permitted Use, improvement or other activity within the Tidelands Parcel, Landlord is acting in its capacity as owner and trustee of the Building and Tidelands Parcel only, not in its regulatory capacity, and such approval is in addition to, and not in lieu of, any required regulatory approvals for the use, improvement or other activity by the City of Alameda or other regulatory agency.

(e) Construction Activities. Tenant may use the Premises for construction activities related to Capital Repairs or Alterations under this Lease; provided however, that such activities shall not unreasonably interfere with the ability of the public to access and use any areas of the Tidelands Parcel designated for open space and public access that have been opened to the public.

(f) Telecommunications Towers. At no time shall Tenant have the right to install, operate or maintain telecommunications towers or Personal Wireless Services Facilities within the meaning of the Telecommunications Act of 1996 on the roof or exterior areas of the Building within the Tidelands Parcel, provided, however, nothing herein shall preclude the provision of public access wireless.

(g) No Representations re Permitted Uses. Landlord makes no representations or warranties that the Permitted Uses are consistent with the Trust and Tenant agrees that any representations, warranties or statements made by any agent or representative of the City may not be relied upon by Tenant and do not constitute a part of this Lease. By entering into this Lease, Tenant acknowledges that it is relying solely on its own review of the restrictions contained in the Trust documents and fully assumes the risk of compliance therewith.

7. SECURITY DEPOSIT.

Concurrently with the execution of this Lease, Tenant shall deliver to Landlord the amount identified in the Basic Lease Information as the Security Deposit to be held by Landlord without liability for interest (unless required by Law) as security for the performance of Tenant's obligations. The Security Deposit is not an advance payment of Rent or a measure of damages. Landlord may from time to time and without prejudice to any other remedy provided in this Lease or by Law, use all or a portion of the Security Deposit to the extent necessary to satisfy past due Rent or to satisfy Tenant's breach under this Lease or to reimburse or compensate Landlord for any liability, expense, loss or damage which Landlord may suffer or incur by reason thereof. If Landlord so uses or applies all or any portion of the Security Deposit, then within fifteen (15) days after demand therefore, Tenant shall deposit cash with Landlord in an amount sufficient to restore the deposit to the full amount thereof, and Tenant's failure to do so shall constitute a Default under this Lease. If there are no payments to be made from the Security Deposit as set out in this paragraph, or if there is any balance of the Security Deposit remaining after all payments have been made, the Security Deposit, or such balance thereof remaining, will be refunded to the Tenant after the expiration or earlier termination of this Lease. Tenant hereby waives the benefit of the provisions of California Civil Code Section 1950.7. In the event of an act of bankruptcy by or insolvency of Tenant or the appointment of a receiver for Tenant or general assignment for the benefit of Tenant's creditors, the Security Deposit shall be deemed immediately assigned to Landlord.

8. UTILITIES.

8.1 Payments for Utilities and Services. Tenant shall contract directly with the providers of, and shall pay all charges for, water, sewer, storm water, gas, electricity, heat, cooling, telephone, refuse collection, janitorial, pest control, security and monitoring services furnished to the Premises, together with all related installation or connection charges or deposits (“**Utilities**”). If any Utilities are provided by Alameda Municipal Power (“**AMP**”) it is understood and agreed that such entity is separate and distinct from Landlord and Tenant must contract directly with AMP for any such Utilities. If any such Utilities are not separately metered or billed to Tenant for the Premises but rather are billed to and paid by Landlord, Tenant shall pay to Landlord, as Additional Rent, its pro rata share of the cost of such services, as reasonably determined by Landlord. If any Utilities are not separately metered, Landlord shall have the right to determine Tenant's consumption by either submetering, survey or other methods designed to measure consumption with reasonable accuracy. In accordance with California Public Resources Code section 25402.10, Tenant shall, upon written request, promptly provide Landlord with monthly electrical and natural gas (if any) usage data (in either electronic or paper format) for the Premises for the period of time so requested by Landlord. In the alternative, and at Landlord's option, Tenant shall provide any written authorization or other documentation required by Landlord to request information regarding Tenant's electrical and natural gas usage data with respect to the Premises directly from the utility company providing electricity and natural gas to the Premises.

8.2 No Liability of Landlord. Except in the case of Landlord's gross negligence or willful misconduct, in no event shall Landlord be liable or responsible for any loss, damage, expense or liability, including, without limitation, loss of business or any consequential damages, arising from any failure or inadequacy of any service or Utilities provided to the Premises or Buildings, whether resulting from any change, failure, interference, disruption or defect in supply or character of the service or Utilities provided to the Premises or Building, or arising from the partial or total unavailability of the service or utility to the Premises or Buildings, from any cause whatsoever, or otherwise, nor shall any such failure, inadequacy, change, interference, disruption, defect or unavailability constitute an actual or constructive eviction of Tenant, or entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from its obligations under this Lease.

9. PERSONAL PROPERTY AND POSSESSORY INTEREST TAXES.

9.1 Tenant's Tax Obligation. “**Taxes**” shall mean all taxes, assessments and governmental charges, whether federal, state, county or municipal, and whether general or special, ordinary or extraordinary, foreseen or unforeseen, imposed upon Tenant's personal property or trade fixtures, the Premises, or any possessory interest therein, or their operation, whether or not directly paid by Landlord, but excluding those Taxes paid by Landlord as defined at Section 5.1(c) above.

9.2 Personal Property Taxes. Tenant shall pay all Taxes (as hereinafter defined) levied or imposed against the Premises or Tenant's personal property or trade fixtures placed by Tenant in or about the Premises during the Term (“**Personal Property Taxes**”).

9.3 Possessory Interest Taxes. The interest created by this Lease may at some time be subject to property taxation under the laws of the State of California. If property taxes are imposed, the party in whom the possessory interest is vested may be subject to the payment of the taxes levied on such interest. This notice is included in this Lease pursuant to the requirements of section 107.6 (a) of the Revenue and Taxation Code of the State of California.

9.4 Payment. Tenant shall pay the Personal Property Taxes or possessory interest taxes in accordance with the instructions of the taxing entity. Tenant shall pay the Personal Property Taxes, if any, originally imposed upon Landlord, upon Landlord's election, either (a) annually within thirty (30) days after the date Landlord provides Tenant with a statement setting forth in reasonable detail such Taxes, or (b) monthly in advance based on estimates provided by Landlord based upon the previous year's tax bill. All Personal Property Taxes originally imposed upon Landlord and payable by Tenant with respect to the Premises shall be prorated on a per diem basis for any partial tax year included in the Term. Tenant's obligation to pay Taxes during the last year of the Term shall survive the termination of this Lease.

10. ALTERATIONS.

10.1 Landlord Consent Required. Except for the Capital Repairs, the construction of which shall be governed by the terms and conditions of the Tenant Work Letter, attached hereto as **Exhibit G**, Tenant shall not make any alterations, improvements, or additions (each an "**Alteration**") in or about the Premises or any part thereof without the prior written consent of Landlord, which consent may be reasonably conditioned upon criteria and/or requirements deemed necessary by Landlord; provided, however, that Landlord shall have the right in its sole and absolute discretion to withhold its consent to any Alteration which affects the structural components of the Building, including the roof, support structures, foundations, the exterior of the Building and/or the systems serving the Premises or the Building. Any such approval by Landlord shall be in its proprietary capacity as Landlord and no such approval shall be deemed an approval by the City of Alameda in its regulatory capacity. Notwithstanding the foregoing, Tenant shall have the right to make Alterations to the Premises with prior written notice to, but without the consent of, Landlord provided that such Alterations (a) do not require the procurement of a building permit, (b) do not affect the structural portion of the Building or the systems serving the Building, (c) are performed below the ceiling and above the raised floor of the Premises, (d) the reasonably estimated costs of the Alterations, together with the costs of any other Alteration made during the immediately preceding twelve (12) months period, do not exceed Ten Thousand Dollars (\$10,000) and, (e) are performed in full compliance with the terms Sections 10.2 through 10.4 below.

10.2 Alterations. Any Alterations to the Premises shall be at Tenant's sole cost and expense, and made in compliance with all applicable Laws and all reasonable requirements requested by Landlord. Except for the Capital Repairs, the construction of which shall be governed by the terms and conditions of the Tenant Work Letter, prior to starting work, Tenant shall furnish Landlord with plans and specifications (which shall be in CAD format if requested by Landlord); names of contractors reasonably acceptable to Landlord; required permits and approvals; evidence of contractors and subcontractors insurance in amounts reasonably required by Landlord and naming Landlord, the managing agent for the Building and such other persons or entities as Landlord may reasonably request, as additional insureds; and any security for

payment in performance and amounts reasonably required by Landlord. In addition, if any such Alteration requires the removal of asbestos, an appropriate asbestos disposal plan, identifying the proposed disposal site of all such asbestos, must be included with the plans and specifications provided to Landlord. Tenant shall reimburse Landlord for any sums paid by Landlord for third party examination of Tenant's plans for Alterations. Landlord agrees to respond to Tenant's request for consent to any Alterations within fifteen (15) days following Tenant's delivery of such request, accompanied by plans and specifications depicting the proposed Alterations ("Plans") and a designation of Tenant's general contractor (and major subcontractors) to perform such work. Landlord's response shall be in writing and, if Landlord withholds its consent to any Alterations, Landlord shall specify in reasonable detail in Landlord's notice of disapproval, the basis for such disapproval. If Landlord fails to timely notify Tenant of Landlord's approval or disapproval of any such Plans, Tenant shall have the right to provide Landlord with a second written request for approval (a "**Second Request**") that specifically identifies the applicable Plans and contains the following statement in bold and capital letters: "**THIS IS A SECOND REQUEST FOR APPROVAL OF PLANS PURSUANT TO THE PROVISIONS OF SECTION 10.2 OF THE LEASE. IF LANDLORD FAILS TO RESPOND WITHIN FIVE (5) BUSINESS DAYS AFTER RECEIPT OF THIS NOTICE, THEN LANDLORD SHALL BE DEEMED TO HAVE APPROVED THE PLANS DESCRIBED HEREIN.**" If Landlord fails to respond to such Second Request within five (5) business days after receipt by Landlord, the Plans in question shall be deemed disapproved by Landlord in its proprietary capacity only. If Landlord disapproves of any Plans, Tenant may revise Tenant's Plans and resubmit such Plans to Landlord; in such event the scope of Landlord's review of such Plans shall be limited to Tenant's correction of the items to which Landlord had previously objected. Landlord's review and approval (or deemed approval) of such revised Plans shall be governed by the provisions as set forth above in this Section 10.2. The procedure set forth above for approval of Tenant's Plans will also apply to any change, addition or amendments to Tenant's Plans. Landlord's approval of an Alteration shall not be deemed a representation by Landlord that the Alteration complies with Law. In addition, Tenant shall pay Landlord a fee for Landlord's oversight and coordination of any Alteration equal to five percent (5%) of the total costs of the Alteration, to the extent the costs of the Alteration is equal to or less than \$100,000; plus four percent (4%) of the costs of the Alteration to the extent that the costs of the Alteration is in excess of \$100,000, but not more than \$500,000 million; plus three percent (3%) of any portion of the costs of the Alteration in excess of \$500,000. Upon completion, Tenant shall furnish Landlord with at least three (3) sets of "as built" Plans (as well as a set in CAD format, if requested by Landlord) for the Alterations, completion affidavit and full and final unconditional waivers of liens and will cause a Notice of Completion to be recorded in the Office of the Recorder of the County of Alameda. Any Alteration shall at once become the property of Landlord; provided, however, that Landlord, at its option, may require Tenant to remove any Alterations prior to the expiration or sooner termination of this Lease. If Tenant serves a request in writing together with Tenant's request for Landlord's consent to any such Alterations ("**Removal Request**"), Landlord will notify Tenant at the time of Landlord's consent to any such Alterations as to whether Landlord requires their removal. All costs of any Alterations (including, without limitation, the removal thereof, if required) shall be borne by Tenant. If Tenant fails to promptly complete the removal of any Alterations and/or to repair any damage caused by the removal, Landlord may do so and may charge the reasonable costs thereof to Tenant. All Alterations shall be made in a good and workmanlike manner and in a manner that will not disturb other tenants, and Tenant shall

maintain appropriate liability and builders' risk insurance throughout the construction. Tenant shall indemnify, defend, protect and hold Landlord harmless from and against any and all claims for injury to or death of persons or damage or destruction of property arising out of or relating to the performance of any Alterations by or on behalf of Tenant. Under no circumstances shall Landlord be required to pay, during the Term (as the same may be extended or renewed) any ad valorem or other Taxes on such Alterations, Tenant hereby covenanting to pay all such taxes when they become due.

10.3 Excavations. In the event Tenant intends to perform any Alterations requiring excavations below the surface of the Premises (whether inside or outside of the Buildings) or construction of a permanent structure on the Premises, Tenant must determine the actual location of all utilities using standard methods (i.e., potholing, metal fish line, etc.) and submit this information with an application to excavate or application to build a permanent structure to Landlord for approval (which shall also include the approval of other applicable governmental authorities). The application shall include a site plan showing the location of utilities and that construction will not take place above the utility line or within the utility easement, specifically showing that no permanent structure will be constructed in these areas. Tenant shall be responsible for complying with the provisions of the City of Alameda's Marsh Crust Ordinance, as well as the Covenant to Restrict Use of Property Environmental Restrictions recorded June 6, 2013 as Series No. 2013- 199838 of Official Records of the County of Alameda, the Site Management Plan for Alameda Point and, if required, shall obtain a Marsh Crust Permit.

10.4 Liens. Tenant shall pay when due all claims for labor or materials furnished Tenant for use in the Premises. Tenant shall not permit any mechanic liens, stop notices, or any other liens against the Premises, Building, Alterations or any of Tenant's interests under this Lease for any labor or materials furnished to Tenant in connection with work performed on or about the Premises by or at the direction of Tenant. Tenant shall indemnify, hold harmless and defend Landlord (by counsel reasonably satisfactory to Landlord) from any liens and encumbrances arising out of any work performed or materials furnished by or at the direction of Tenant. In the event that Tenant shall not, within ten (10) days following the imposition of any such lien, cause such lien to be released of record by payment or posting of a proper bond, Landlord shall have, in addition to all other remedies provided herein or by law, the right, but not the obligation, to cause the same to be released by such means as it may deem proper, including payment of the claim giving rise to such lien. All such sums paid by Landlord and expenses reasonably incurred in connection therewith, including attorneys' fees and costs, shall be payable to Landlord by Tenant on demand.

11. MAINTENANCE AND REPAIR OF PREMISES.

11.1 Maintenance and Repair by Tenant.

(a) Tenant Maintenance. Tenant shall, at its sole cost and expense, maintain the Premises in good repair and in a neat and clean, operating condition, including making all necessary repairs and replacements. Tenant's repair and maintenance obligations include, without limitation, repairs to all elements of the Building (excluding the roof and structural elements of the Building) and outdoor paved areas used for parking.

(b) Tenant Repair. Tenant shall further, at its own costs and expense, repair or restore any damage or injury to all or any part of the Building caused by Tenant or Tenant Parties, including but not limited to repairs or replacements necessitated by (i) the construction or installation of improvements to the Premises by or on behalf of Tenant and (ii) the moving of any property into or out of the Premises. If Tenant fails to make such repairs or replacement within fifteen (15) days after notice from Landlord, then Landlord may, at its option, upon prior reasonable notice to Tenant (except in an emergency) make the required repairs and replacements and the costs of such repairs or replacement (including Landlord's administrative charge) shall be charged to Tenant as Additional Rent and shall become due and payable by Tenant with the monthly installment of Base Rent next due hereunder.

11.2 Maintenance and Repair by Landlord. Landlord shall maintain in good repair the structural elements of the Building, including structural elements of exterior walls and foundations and roof (but only if Tenant assigns to Landlord the warranty for the new roof to be constructed as an element of the Capital Repairs) but exclusive of all glass and exterior doorways; provided such repairs are not necessitated by the actions or inactions of Tenant, Tenant's invitees or anyone in the employ or control of Tenant. Tenant hereby waives any and all rights under and benefits of subsection 1 of Section 1932, and Sections 1941 and 1942 of the California Civil Code or any similar or successor Laws now or hereby in effect. Tenant shall immediately give Landlord written notice of the need for repair of the items for which Landlord is responsible. If Tenant or Tenant's invitees or anyone in the employed or control of Tenant caused any damages necessitating such repair, then Tenant shall pay to Landlord the cost thereof, immediately upon demand therefor. Except as otherwise expressly set forth in this Lease, Tenant waives any right to terminate this Lease or offset or abate Rent by reason of any failure of Landlord to make repairs to the Premises or Building.

12. ENVIRONMENTAL PROTECTION PROVISIONS.

12.1 Hazardous Materials. "**Hazardous Materials**" shall mean any material, substance or waste that is or has the characteristic of being hazardous, toxic, ignitable, reactive, flammable, explosive, radioactive or corrosive, including, without limitation, petroleum, solvents, lead, acids, pesticides, paints, printing ink, PCBs, asbestos, materials commonly known to cause cancer or reproductive harm and those materials, substances and/or wastes, including wastes which are or later become regulated by any local governmental authority, the state in which the Premises are located or the United States Government, including, but not limited to, substances defined as "hazardous substances," "hazardous materials," "toxic substances" or "hazardous wastes" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9601, et seq.; the Hazardous Materials Transportation Act, 49 U.S.C. §1801, et seq.; the Resource Conservation and Recovery Act; all environmental laws of the state where the Premises are located, and any other environmental law, regulation or ordinance now existing or hereinafter enacted. "**Hazardous Materials Laws**" shall mean all present and future federal, state and local laws, ordinances and regulations, prudent industry practices, requirements of governmental entities and manufacturer's instructions relating to industrial hygiene, environmental protection or the use, analysis, generation, manufacture, storage, presence, disposal or transportation of any Hazardous Materials, including without limitation the laws, regulations and ordinances referred to in the preceding sentence.

12.2 Reportable Uses Required Consent. Except as permitted in this Article 12, Tenant hereby agrees that Tenant and Tenant's officers, employees, representatives, agents, contractors, subcontractors, successors, assigns, subtenants, concessionaires, invitees and any other occupants of the Premises (for purposes of this Article 12, referred to collectively herein as "**Tenant Parties**") shall not cause or permit any Hazardous Materials to be used, generated, manufactured, refined, produced, processed, stored or disposed of, on, under or about the Premises or Building or transported to or from the Premises or Building without the express prior written consent of Landlord, which consent may be limited in scope and predicated on strict compliance by Tenant with all applicable Hazardous Materials Laws and such other reasonable rules, regulations and safeguards as may be required by Landlord that are provided to Tenant in writing in connection with using, generating, manufacturing, refining, producing, processing, storing or disposing of Hazardous Materials on, under or about the Premises or the Building. In connection therewith, Tenant shall, at its own expense, procure, maintain in effect and comply with all conditions of any and all permits, licenses and other governmental and regulatory approvals required for the storage or use by Tenant or any of Tenant Parties of Hazardous Materials on the Premises or the Building, including without limitation, discharge of (appropriately treated) materials or wastes into or through any sanitary sewer serving the Premises or the Building. The foregoing notwithstanding, Tenant may use ordinary and customary materials reasonably required to be used in the course of the Permitted Use, ordinary office supplies (copier, toner, liquid paper, glue, etc.) and common household cleaning materials, so long as such use is in compliance with all Hazardous Materials Laws and does not expose the Premises or neighboring property to any meaningful risk of contamination or damage or expose Landlord to any liability therefor.

12.3 Remediation Obligations. If at any time during the Term, any contamination of the Premises by Hazardous Materials shall occur where such contamination is clearly introduced by an act or omission of Tenant or Tenant Parties ("**Tenant's Contamination**"), then Tenant, at Tenant's sole cost and expense, shall promptly and diligently remediate such Hazardous Materials from the Premises or the groundwater underlying the Premises to the extent required to comply with applicable Hazardous Materials Laws. Tenant shall not take any required remedial action in response to any Tenant's Contamination in or about the Premises or enter into any settlement agreement, consent, decree or other compromise in respect to any claims relating to any Tenant's Contamination without first obtaining the prior written consent of Landlord, which may be subject to conditions imposed by Landlord as determined in Landlord's sole discretion. Such prior written consent shall not be required to the extent the delay caused by the requirement to obtain consent may increase the damage to the Premises or the risk of harm to human health, safety, the environment or security caused by the Tenant Contamination. Landlord and Tenant shall jointly prepare a remediation plan in compliance with all Hazardous Materials Laws and the provisions of this Lease. In addition to all other rights and remedies of Landlord hereunder, if Tenant does not promptly and diligently take all steps to prepare and obtain all necessary approvals of a remediation plan for any Tenant's Contamination, and thereafter commence the required remediation of any Hazardous Materials released or discharged in connection with Tenant's Contamination within thirty (30) days after all necessary approvals and consents have been obtained, and thereafter continue to prosecute such remediation to completion in accordance with the approved remediation plan, then Landlord, at its sole discretion, shall have the right, but not the obligation, to cause such remediation to be accomplished, and Tenant shall reimburse Landlord within fifteen (15) business days of Landlord's demand for reimbursement

of all amounts reasonably paid by Landlord (together with interest on such amounts at the highest lawful rate until paid), when such demand is accompanied by proof of payment by Landlord of the amounts demanded. Tenant shall promptly deliver to Landlord, copies of hazardous waste manifests reflecting the legal and proper disposal of all Hazardous Materials removed from the Premises as part of Tenant's remediation of any Tenant's Contamination. The foregoing notwithstanding, for purposes of this Article 12, "Tenant's Contamination" shall not refer to or include any Hazardous Materials that were not clearly introduced to the Premises by Tenant or Tenant Parties. As an example, if lead dust or asbestos are found on the Premises, unless there is clear evidence that Tenant introduced those Hazardous Materials to the Premises or they were dislodged by a Tenant Alteration, those Hazardous Materials shall not be considered "Tenant's Contamination," and it shall not be Tenant's responsibility to take remedial action relating to such Hazardous Materials.

12.4 Environmental Permits. Tenant and Tenant Parties shall be solely responsible for obtaining and complying with, at their cost and sole expense, any environmental permits required for Tenant's operations under this Lease, independent of any existing permits held by Landlord. Tenant shall not conduct operations or activities under any environmental permit that names Landlord as a secondary discharger or co-permittee. Tenant shall provide prior written notice to Landlord of all environmental permits and permit applications required for any of Tenant's operations or activities. Tenant acknowledges that Landlord will not consent to being named a secondary discharger or co-permittee for any operations or activities of Tenant, its contractors, assigns or subtenants. Tenant shall strictly comply with any and all environmental permits (including any hazardous waste permit required under the Resource Conservation and Recovery Act or its state equivalent) and must provide, at its own expense, any hazardous waste management facilities complying with all Hazardous Material Laws.

12.5 Landlord's Inspection Right. Landlord shall have the right to inspect, upon reasonable notice to Tenant, the Premises for Tenant's compliance with this Article 12. Landlord normally will give Tenant twenty-four (24) hours' prior notice of its intention to enter the Premises unless it determines the entry is required for exigent circumstances related to health, safety, or security; provided, however, Landlord agree to use its best commercial efforts to provide Tenant with the maximum advance notice of any such entrance and will, without representation or warranty, attempt to structure such entrance in the least intrusive manner possible. Tenant shall have no claim against Landlord, or any officer, agent, employee, contractor or subcontractor of Landlord by reason of entrance of such Landlord officer, agent, employee, contractor or subcontractor onto the Premises.

12.6 Hazardous Materials Handling Plan. Prior to the execution of this Lease, Tenant shall complete, execute and deliver to Landlord an Environmental Questionnaire Disclosure Statement (the "**Environmental Questionnaire**"), in the form of **Exhibit E** attached hereto and shall require any Subtenant who will bring to, or use at the Premises and Hazardous Materials to also execute and deliver to Landlord an environmental questionnaire. To the extent Tenant intends to store, use, treat or dispose of Hazardous Materials on the Premises, Tenant shall prepare and submit together with the Environmental Questionnaire a Hazardous Materials Handling Plan (the "**Hazardous Materials Handling Plan**"). For a period of fifteen (15) days following Landlord's receipt of the Environmental Questionnaire and Hazardous Materials Handling Plan, if applicable, Landlord shall have the right to approve or disapprove such

documents. The failure of Landlord to approve such documents shall be deemed Landlord's disapproval thereof. Landlord approval of the Environmental Questionnaire and the Hazardous Materials Handling Plan shall constitute approval for Tenant's use of the Hazardous Materials set forth therein in compliance with Hazardous Materials Laws and the Hazardous Materials Handling Plan. Following approval of the Hazardous Materials Handling Plan, Tenant shall comply therewith throughout the Term. To the extent Tenant is permitted to utilize Hazardous Materials upon the Premises, such use shall be limited to the items set forth in the Environmental Questionnaire, shall comply with Hazardous Materials Laws and the Hazardous Materials Handling Plan and Tenant shall promptly provide Landlord with complete and legible copies of all the following environmental items relating thereto: reports filed pursuant to any self-reporting requirements; permit applications, permits, monitoring reports, workplace exposure and community exposure warnings or notices and all other reports, disclosures, plans or documents relating to water discharges, air pollution, waste generation or disposal, and underground storage tanks for hazardous materials; orders, reports, notices, listing and correspondence of or concerning the release, investigation of, compliance, cleanup, remedial and corrective actions, and abatement of hazardous materials; and all complaints, pleadings and other legal documents filed by or against Tenant related to Tenant's use, handling, storage or disposal of Hazardous Materials. If, in conjunction with Tenant's Permitted Use of the Premises, Tenant desires to commence the use, treatment, storage or disposal of previously undisclosed Hazardous Materials, prior to such usage thereof, Tenant shall notify Landlord thereof, by written summary detailing the scope of such proposed usage and updating the Hazardous Materials Handling Plan to the extent required by such proposed usage. For a period of fifteen (15) days following Landlord's receipt of such notice, Landlord shall have the right to approve or disapprove of such documents. The failure of Landlord to approve of such documents within such time period shall be deemed Landlord's disapproval thereof.

12.7 Hazardous Materials Indemnity. In addition to any other provisions of this Lease, Tenant shall, and does hereby agree, to, indemnify and hold harmless Landlord from any costs, expenses, liabilities, fines or penalties resulting from discharges, emissions, spills, storage or disposal arising from Tenant's occupancy, use or operations, or any other action by Tenant or its contractors, employees, agents, assigns, invitees, or subtenants giving rise to liability, civil or criminal, or any other action by Tenant or its contractors, employees, agents, assigns, or subtenants giving rise to responsibility under any Hazardous Materials Laws. Tenant's obligations hereunder shall apply whenever Landlord incurs costs or liabilities for Tenant's activities or for the activities of Tenant's contractors, employees, agents, assigns, invitees, or subtenants as provided hereunder. This provision shall survive the expiration or termination of this Lease.

13. ASSIGNMENT AND SUBLETTING.

13.1 Landlord Consent Required. Subject to Sections 13.5 and 13.6 below, Tenant shall not voluntarily or by operation of law, (a) mortgage, pledge, hypothecate or encumber this Lease or any interest therein, (b) assign or transfer this Lease or any interest herein, sublease the Premises or any part thereof or any right or privilege appurtenant thereto, or allow any other person (the employees and invitees of Tenant excepted) to occupy or use the Premises, or any portion thereof, without first obtaining the written consent of Landlord, which consent shall not be withheld unreasonably provided that (i) Tenant is not then in Default under this Lease nor is

any event then occurring, with the giving of notice or the passage of time, or both, would constitute a Default hereunder, and (ii) Tenant has not previously assigned or transferred this Lease or any interest herein or subleased the Premises or any part thereof. A transfer of greater than fifty percent (50%) interest (whether stock, partnership interest, membership interest or otherwise) of Tenant, either in one (1) transaction or a series of transaction shall be deemed to be an assignment under this Lease.

13.2 Landlord Recapture. In the event of an assignment of this Lease or subletting of more than twenty percent (20%) of the rentable square footage of the Premises, Landlord shall have the right to recapture the portion of the Premises that Tenant is proposing to transfer. If Landlord exercises its right to recapture, this Lease shall automatically be amended (or terminated if the entire Premises is being assigned or sublet) to delete the applicable portion of the Premises effective on the proposed effective date of the Transfer, although Landlord may require Tenant to execute a reasonable amendment or other document reflecting such reduction or termination.

13.3 Reasonable Consent. If Tenant intends to assign this Lease or sublet the Premises or any part thereof, Tenant shall give Landlord written notice of such intent (“**Transfer Notice**”). Tenant’s Transfer Notice shall be accompanied by a copy of the proposed assignment or sublease between Tenant and the proposed assignee or subtenant, together with current and three (3) years’ prior financial statements, if available, for the proposed assignee or subtenant, which financial statement shall be prepared in accordance with generally accepted accounting principles. Tenant shall provide Landlord with any additional information or documentation reasonably requested by Landlord within ten (10) business days after receiving Landlord’s request. Landlord shall then have a period of thirty (30) days following receipt of such additional information (or 30 days after receipt of Tenant’s Transfer Notice if no additional information is requested) within which to notify Tenant in writing that Landlord elects either (a) to exercise its recapture rights in accordance with Section 13.2 in which event Tenant will be relieved of all further obligations hereunder as to such space as of the date specified in Landlord’s notice terminating the Lease with respect to the relevant space, (b) to permit Tenant to assign this Lease or sublet such space as described in the Transfer Notice, subject, however, to prior written consent to the proposed assignment or sublease or (c) deny Tenant’s request to assign this Lease or sublet such space. Among other factors upon which Landlord may base a withholding of consent are the following: (i) the use of the Premises by such proposed assignee or subtenant would not be a Permitted Use; (ii) the financial condition of the proposed assignee or subtenant is such that, in Landlord’s reasonable determination, it would be unable to perform its obligations under the proposed sublease or assignment; (iii) the portion of the Premises proposed to be sublet is irregular in shape and/or does not permit safe or otherwise appropriate means of ingress and egress, or does not comply with other Laws or regulations; (iv) Landlord or Landlord’s agents have negotiated with the proposed assignee or subtenant with regard to the leasing of space at the Property, at any time within the preceding six (6) months; or (v) any other reasonable basis that Landlord may assert.

13.4 Transfer Premium. If Landlord consents to any requested assignment or sublease (each a “**Transfer**”) and the assignee or subtenant pays to Tenant an amount in excess of the Rent due under this Lease (without any deduction for Capital Repair Credits but after deducting Tenant’s reasonable, actual expenses in obtaining such assignment or sublease, such expenses

being limited to (a) any Alterations to the subject space made in order to achieve the Transfer or contributions to the cost thereof, amortized in equal monthly installments over the then remainder of the Term and (b) any commercially reasonable brokerage commissions, reasonable attorneys' fees and reasonable advertising and marketing costs incurred by Tenant in connection with the Transfer) ("**Transfer Premium**"). Tenant shall pay fifty percent (50%) of such Transfer Premium to Landlord as and when the monthly payments are received by Tenant.

13.5 Tenant Affiliates. Notwithstanding anything to the contrary contained in Section 13.1, Tenant may, without obtaining the prior consent of Landlord, and without the payment of any amounts pursuant to Section 13.4, sublet or license the use of all or any part of the Premises or assign this Lease to a Tenant Affiliate, provided that (a) Tenant shall give not less than thirty (30) days' prior written notice thereof to Landlord (to the extent such notice is permitted by applicable Law), (b) Tenant shall continue to be fully obligated under this Lease, and (c) any such assignee or sublessee shall expressly assume and agree to perform all the terms and conditions of this Lease to be performed by Tenant and to use the Premises only for a Permitted Use (but with respect to a sublease, only with respect to that portion of the Premises that is the subject of the sublease and excluding all rental obligations of Tenant hereunder). As used herein, "**Tenant Affiliate**" means (i) an entity controlling, controlled by or under common control with Tenant, (ii) a successor corporation related to Tenant by merger, consolidation, nonbankruptcy reorganization, or government action, or (iii) a purchaser of substantially all of Tenant's assets located in the Premises; and a party shall be deemed to "control" another party for purposes of the definition contained in the aforesaid clause (i) only if the first party owns more than fifty percent (50%) of the stock or other beneficial interests of the second party or has the power to direct or cause the direction of the management or policy of the second party, or the first and second party share the same, or substantially the same (defined as a majority of directors on the "controlled" entity's board are also on the other entity's board), board of directors. Within five (5) business days of execution of any such sublease or license with a Tenant Affiliate, Tenant shall deliver to Landlord a copy of the fully executed assignment, sublease or license.

13.6 No Release. No Transfer shall release or discharge Tenant of or from any liability, whether past, present or future, under this Lease, and Tenant shall continue to be fully liable hereunder. Each subtenant or assignee shall agree, in a form reasonably satisfactory to Landlord, to comply with and be bound by all of the terms, covenants, conditions, provisions and agreements of this Lease. The assignment or sublease agreement, as the case may be, after approval by Landlord, shall not be amended without Landlord's prior written consent, and shall contain a provision directing the assignee or subtenant to pay the rent and other sums due thereunder directly to Landlord upon receiving written notice from Landlord that Tenant is in default under this Lease with respect to the payment of Rent. In the event that, notwithstanding the giving of such notice, Tenant collects any rent or other sums from the assignee or subtenant, then Tenant shall hold such sums in trust for the benefit of Landlord and shall immediately forward the same to Landlord. Landlord's collection of such rent and other sums shall not constitute an acceptance by Landlord of attornment by such assignee or subtenant. Tenant shall deliver to Landlord promptly after execution an executed copy of each Transfer and an agreement of compliance by each such subtenant or assignee.

13.7 Expenses and Attorneys' Fees. Tenant shall pay to Landlord all reasonable costs and expenses (including without limitation, the fees of Landlord's counsel) incurred in connection Landlord's review and processing of documents regarding any proposed Transfer (which under no circumstances shall be less than \$750 per proposed Transfer).

13.8 Limitations on Transfer Reasonable. Tenant acknowledges and agrees that the restrictions, conditions, and limitations imposed by this Article 13 on Tenant's ability to assign or transfer this Lease or any other interests herein, to sublet the Premises or any part thereof, are, for purposes of California Civil Code Section 1951.4, as amended from time to time, and for all other purposes, reasonable at the time this Lease was entered into and shall be deemed to be reasonable at the time that Tenant seeks to assign or transfer this Lease or any interest herein, to sublet the Premises or any part thereof, or transfer or assign any right or privilege appurtenant to the Premises.

14. INDEMNITY AND WAIVER OF CLAIMS.

14.1 Tenant Indemnification. Tenant shall indemnify, defend and hold Landlord and Landlord Related Parties harmless against and from all liabilities, obligations, damages, penalties, claims, actions, costs, charges, judgment and expenses (including reasonable attorneys' fees, costs and disbursements) (collectively referred to as "**Losses**"), arising from (a) the use of, or any activity done, permitted or suffered in or about the Premises (b) any activity done, permitted or suffered by Tenant or Tenant's agents in or about the Buildings (c) any act, neglect, fault, willful misconduct of Tenant or Tenant's agents, or (d) from any breach or default in the terms of this Lease by Tenant or Tenant's agents, except to the extent such claims arise out of or relate to the gross negligence or willful misconduct of Landlord or any Landlord Related Parties. If any action or proceeding is brought against Landlord by reason of any such claim, upon notice from Landlord, Tenant shall defend the same at Tenant's expense by counsel reasonably satisfactory to Landlord. As a material part of the consideration to Landlord, Tenant hereby releases Landlord and its trustees, members, principals, beneficiaries, partners, officers, directors, employees, property managers, Mortgagees, contractors and agents ("**Landlord Related Parties**") from responsibility for, waives its entire claim of recovery for and assumes all risks of (i) damage to property or injury to person in or about the Premises or the Building from any cause whatsoever except to the extent caused by the gross negligence or willful misconduct of Landlord or any Landlord Related Parties, or (ii) loss resulting from business interruption or loss of income at the Premises.

14.2 Waiver of Claims. Except in the event of its own gross negligence or willful misconduct, Landlord or Landlord Related Parties shall not be liable to Tenant and Tenant hereby waives all claims against Landlord and Landlord Related Parties for any injury or damage to any person or property occurring or incurred in connection with or in any way relating to the Premises or Building from any cause. Without limiting the foregoing, neither Landlord nor any Landlord Related Party shall be liable for and there shall be no abatement rent for (a) any damage to Tenant's property stored with or entrusted to any Landlord Related Party, (b) loss of or damage to any property by theft or any other wrongful or illegal act, or (c) any injury or damage to person or property resulting from fire, explosion, falling plaster, steam, gas, electricity, water or rain which may leak from any part of the Premises or Building or from the pipes, appliances, appurtenance or plumbing works thereof or from the roof, street or surface or

from any other place or resulting from dampness or any other cause whatsoever or from the acts or omissions of other tenants, occupants or other visitors to the Premises or Building or from any other cause whatsoever, (d) any diminution or shutting off of light, air or view by any structure which may be erected on lands adjacent to the Premises or (e) any latent or other defects in the Premises or the Building. Tenant agrees that in no case shall Landlord or any Landlord Related Party be responsible or liable on any theory for any injury to Tenant's business, loss of profits, loss of income or any other form of consequential damage. Landlord agrees that, except in the event of a Tenant holdover as defined in Article 21 or as otherwise provided in Section 18.2, Tenant shall not be responsible or liable for any injury to Landlord's business, loss of profits, loss of income or any other form of consequential damage.

14.3 Survival/No Impairment. The obligations of Tenant under this Article 14 shall survive any termination of this Lease. The foregoing indemnity obligations shall not relieve any insurance carrier of its obligations under any policies required to be carried by either party pursuant to this Lease, to the extent that such policies cover the peril or currents that results in the claims that is subject to the foregoing indemnity.

15. INSURANCE.

15.1 Tenant's Insurance.

(a) Liability Insurance. Tenant shall maintain in full force throughout the Term, commercial general liability insurance providing coverage on an occurrence form basis with limits of not less than Two Million Dollars (\$2,000,000.00) each occurrence for bodily injury and property damage combined, or such larger amount as Landlord may prudently require from time to time, covering bodily injury and property damage liability and product liability if a product is sold from the Premises. Each policy of liability insurance required by this Section shall: (i) contain a cross liability endorsement or separation of insureds clause; (ii) provide that any waiver of subrogation rights or release prior to a loss does not void coverage; (iii) provide that it is primary to and not contributing with, any policy of insurance carried by Landlord covering the same loss; (iv) provide that any failure to comply with the reporting provisions shall not affect coverage provided to Landlord, its partners, property managers and Mortgagees; and (v) name Landlord, PM Realty Group L.P. and such other parties in interest as Landlord may from time to time reasonably designate to Tenant in writing, as additional insureds in an Additional Insured Endorsement. Such additional insureds shall be provided at least the same extent of coverage as is provided to Tenant under such policies. The additional insured endorsement shall be in a form at least as broad as endorsement form number CG 20 11 01 96 promulgated by the Insurance Services Office.

(b) Personal Property Insurance. Tenant shall maintain in full force and effect on all of its personal property, furniture, furnishings, trade fixtures and equipment from time to time located in, on or upon the Premises ("**Tenant's Property**"), and any Alterations (as defined in Article 10) in an amount not less than one hundred percent (100%) of their full replacement value from time to time during the Term, providing protection against all perils, included within the standard form of "all-risk" (i.e., "Special Cause or Loss") fire and casualty insurance policy. Landlord shall have no interest in the insurance upon Tenant's Property or Alterations and will sign all documents reasonably necessary in connection with the

settlement of any claims or loss by Tenant. Landlord will not carry insurance on Tenant's Property or Alterations.

(c) Worker's Compensation Insurance; Employer's Liability Insurance. Tenant shall, at Tenant's expense, maintain in full force and effect during the Term of this Lease, worker's compensation insurance with not less than the minimum limits required by law, and employer's liability insurance with a minimum limit of coverage of One Million Dollars (\$1,000,000.00).

15.2 Requirements For All Policies. Each policy of insurance required under Section 15.1 shall: (a) be in a form, and written by an insurer, reasonably acceptable to Landlord, (b) be maintained at Tenant's sole cost and expense, and (c) require at least thirty (30) days' written notice to Landlord prior to any cancellation, nonrenewal or modification of insurance coverage. Insurance companies issuing such policies shall have rating classifications of "A-" or better and financial size category ratings of "VII" or better according to the latest edition of the Best Key Rating Guide. All insurance companies issuing such policies shall be admitted carriers licensed to do business in the state where the Property is located. Any deductible amount under such general liability insurance shall not exceed \$100,000. Tenant shall provide to Landlord, upon request, evidence that the insurance required to be carried by Tenant pursuant to this Section, including any endorsement affecting the additional insured status, is in full force and effect and that premiums therefor have been paid. Tenant shall, at least thirty (30) days prior to expiration of each policy, furnish Landlord with certificates of renewal thereof and shall provide Landlord with at least thirty days prior written notice of any cancellation or modification. Landlord and Tenant agree, to the extent such waivers are commercially reasonable, to have their respective insurance companies waive any rights of subrogation that such company may have against Landlord or Tenant, as the case may be.

15.3 Certificates of Insurance. Upon execution of this Lease by Tenant, on or before expiration of any policy thereafter, Tenant shall furnish to Landlord a certificate of insurance reflecting that the insurance required by this Article is in force, accompanied by an endorsement(s) showing the required additional insureds satisfactory to Landlord in substance and form.

15.4 Landlord's Insurance. During the Term, Landlord shall keep in effect property insurance covering the Building in amounts not less than the full insurance replacement value thereof (but not on any Alterations or any of Tenant's Property) with customary limits and deductibles, together with such other types of insurance coverage, if any, as Landlord, in Landlord's sole discretion, may elect to carry.

16. DAMAGE OR DESTRUCTION.

16.1 Definitions.

(a) **“Premises Partial Damage”** shall mean damage or destruction to the improvements on the Premises (or Hazardous Material Condition for which Tenant is not responsible), other than Tenant’s Property (as defined at Section 15.1(b)), or Alterations (as defined at Article 10), which can reasonably be repaired in six (6) months or less from the date of the damage or destruction. Landlord shall notify Tenant in writing within thirty (30) days from the date of the damage or destruction as to whether or not the damage is Partial or Total and the estimated time for repairing said damage. Notwithstanding the foregoing, Premises Partial Damage shall not include damage to windows, doors, and/or other similar items which Tenant has the responsibility to repair or replace pursuant to the provisions of Section 11.1.

(b) **“Premises Total Destruction”** shall mean damage or destruction to the Premises (or Hazardous Material Condition for which Tenant is not responsible), other than Tenant’s Property (as defined at Section 15.1(b)), or Alterations (as defined at Article 10), which cannot reasonably be repaired in six (6) months or less from the date of the damage or destruction. Landlord shall notify Tenant in writing within thirty (30) days from the date of the damage or destruction as to whether or not the damage is Partial or Total.

(c) **“Insured Loss”** shall mean damage or destruction to improvements on the Premises, other than Tenant’s Property (as defined at Section 15.1(b)), or Alterations (as defined at Article 10), which was caused by an event required to be covered by the insurance described in Section 15.4, irrespective of any deductible amounts or coverage limits involved.

(d) **“Replacement Cost”** shall mean the cost to repair or rebuild the improvements owned by Landlord (excluding Alterations) at the time of the occurrence to their condition existing immediately prior thereto, including demolition, debris removal and upgrading required by the operation of Laws governing the Premises, and without deduction for depreciation.

(e) **“Hazardous Material Condition”** shall mean the occurrence or discovery of a condition involving the presence of, or a contamination by, a Hazardous Material as (defined in Section 12.1), in, on, or under the Premises which requires repair, remediation, or restoration.

16.2 Partial Damage - Insured Loss. If a Premises Partial Damage that is an Insured Loss occurs, Landlord shall repair such damage (but not Tenant’s Property or Alterations) as soon as reasonably possible and this Lease shall continue in full force and effect; provided, however, that Tenant shall, at Landlord’s election, make the repair of any damage or destruction the total cost to repair of which is \$10,000 or less, and, in such event, Landlord shall make any applicable insurance proceeds available to Tenant on a reasonable basis for that purpose. Notwithstanding the foregoing, if the required insurance was not in force or the insurance proceeds are not sufficient to effect such repair, Landlord shall promptly contribute the shortage

in proceeds (except as to the deductible which is Tenant's responsibility) as and when required to complete said repairs. In the event, however, such shortage was due to the fact that, by reason of the unique nature of the improvements, full replacement cost insurance coverage was not commercially reasonable and available, Landlord shall have no obligation to fully restore the unique aspects of the Premises unless Tenant provides Landlord with the funds to cover same, or adequate assurance thereof, within ten (10) days following receipt of written notice of such shortage and request therefor. If Landlord receives said funds or adequate assurance thereof within said ten (10) day period, the party responsible for making the repairs shall complete them as soon as reasonably possible and this Lease shall remain in full force and effect. If such funds or assurance are not so received, Landlord may nevertheless elect by written notice to Tenant within ten (10) days thereafter to: (a) make such restoration and repair as is commercially reasonable with Landlord paying any shortage in proceeds, in which case this Lease shall remain in full force and effect, or (b) have this Lease terminate thirty (30) days thereafter. Tenant shall not be entitled to reimbursement of any funds contributed by Tenant to repair any such damage or destruction. Premises Partial Damage due to flood or earthquake shall be subject to Section 16.3, notwithstanding that there may be some insurance coverage, but the net proceeds of any such insurance shall be made available for the repairs if made by either Party.

16.3 Partial Damage - Uninsured Loss. If a Premises Partial Damage that is not an Insured Loss occurs, unless caused by a negligent or willful act of Tenant (in which event Tenant shall make the repairs at Tenant's expense), Landlord may either: (a) repair such damage as soon as reasonably possible at Landlord's expense, in which event this Lease shall continue in full force and effect, or (b) terminate this Lease by giving written notice to Tenant within thirty (30) days after receipt by Landlord of knowledge of the occurrence of such damage. Such termination shall be effective sixty (60) days following the date of such notice. In the event Landlord elects to terminate this Lease, Tenant shall have the right within ten (10) days after receipt of the termination notice to give written notice to Landlord of Tenant's commitment to pay for the repair of such damage without reimbursement from Landlord. Tenant shall provide Landlord with said funds or satisfactory assurance thereof within thirty (30) days after making such commitment. In such event this Lease shall continue in full force and effect, and Landlord shall proceed to make such repairs as soon as reasonably possible after the required funds are available. If Tenant does not make the required commitment, this Lease shall terminate as of the date specified in the termination notice.

16.4 Total Destruction. Notwithstanding any other provision hereof, if a Premises Total Destruction occurs, this Lease shall terminate sixty (60) days following such Destruction. If the damage or destruction was caused by the gross negligence or willful misconduct of Tenant, Landlord shall have the right to recover Landlord's damages from Tenant.

16.5 Damage Near End of Term. If at any time during the last six (6) months of this Lease Term (or the last 6 months of any Renewal Term) there is damage for which the cost to repair exceeds one month's Base Rent, whether or not an Insured Loss, Landlord may terminate this Lease effective sixty (60) days following the date of occurrence of such damage by giving a written termination notice to Tenant within thirty (30) days after the date of occurrence of such damage. Notwithstanding the foregoing, if Tenant at that time has an exercisable option to extend this Lease or to purchase the Premises, then Tenant may preserve this Lease by (a) exercising such option and (b) providing Landlord with any shortage in insurance proceeds

(or adequate assurance thereof) needed to make the repairs on or before the earlier of (i) the date which is ten (10) days after Tenant's receipt of Landlord's written notice purporting to terminate this Lease, or (ii) the day prior to the date upon which such option expires. If Tenant duly exercises such option during such period and provides Landlord with funds (or adequate assurance thereof) to cover any shortage in insurance proceeds, Landlord shall, at Landlord's commercially reasonable expense, repair such damage as soon as reasonably possible and this Lease shall continue in full force and effect. If Tenant fails to exercise such option and provide such funds or assurance during such period, then this Lease shall terminate on the date specified in the termination notice and Tenant's option shall be extinguished.

16.6 Abatement of Rent. Notwithstanding any other provision of this Article, in the event of Premises Partial Damage, Premises Total Destruction or Hazardous Material Condition for which Tenant is not responsible under this Lease, the Rent payable by Tenant for the period required for the repair, remediation or restoration of such damage shall be abated in proportion to the degree to which Tenant's use of the Premises is impaired, and such abatement shall be Tenant's sole remedy for such impairment of use. All other obligations of Tenant hereunder shall be performed by Tenant, and Landlord shall have no liability for any such damage, destruction, Hazardous Material Condition, remediation, repair or restoration except as provided herein.

17. CONDEMNATION.

If the whole or if any material part of the Premises or Building is taken or condemned for any public or quasi-public use under either state or federal law, by eminent domain or purchase in lieu thereof (a "Taking"), and (a) such Taking renders the Premises or Building unsuitable, in Landlord's reasonable opinion, for the purposes for which they were constructed; or (b) the Premises or Building cannot be repaired, restored or replaced at reasonable expense to an economically profitable unit, then Landlord may, at its option, terminate this Lease as of the date possession vests in the condemning party. If twenty-five percent (25%) or more of the Premises is taken and if the Premises remaining after such Taking and any repairs by Landlord would be untenable (in Tenant's reasonable opinion) for the conduct of Tenant's business operations, Tenant shall have the right to terminate this Lease as of the date possession vests in the condemning party. The terminating party shall provide written notice of termination to the other party within thirty (30) days after it first receives notice of the Taking. The termination shall be effective as of the effective date of any order granting possession to, or vesting legal title in, the condemning authority. If this Lease is not terminated, Base Rent shall be appropriately adjusted to account for any reduction in the square footage of the Premises. If only a part of the Premises is subject to a Taking and this Lease is not terminated, Landlord, with reasonable diligence, will restore the remaining portion of the Premises as nearly as practicable to the condition immediately prior to the Taking. Tenant hereby waives any and all rights it might otherwise have pursuant to Section 1265.130 of the California Code of Civil Procedure, or any similar or successor Laws. Landlord shall be entitled to any and all compensation, damages, income, rent, awards or any interest thereon which may be paid or made in connection with any such Taking, and Tenant shall have no claim against Landlord for the value of any expired term of this Lease or otherwise; provided, however, that Tenant shall be entitled to receive any award separately allocated by the condemning authority to Tenant for Tenant's relocation expenses, the value of Tenant's fixture, equipment and personal property (specifically excluding components of the Premises which under this Lease or by law

are or at the expiration of the Term will become the property of Landlord, including, without limitation, fixtures and Alterations), or Tenant's loss of business goodwill, provide that such award does not reduce any award otherwise allocable or payable to Landlord.

18. DEFAULT.

18.1 Events of Default. The occurrence of any of the following shall constitute a "Default" by Tenant:

(a) Tenant fails to make any payment of Rent when due, if payment in full is not received by Landlord within five (5) days after written notice that it is past due.

(b) Tenant abandons the Premises as defined in Section 1951.3 of the California Civil Code.

(c) Tenant fails timely to deliver any subordination document or estoppel certificate requested by Landlord within the applicable time period specified hereinbelow.

(d) Tenant violates the restrictions on Transfer set forth in Article 13.

(e) Tenant ceases doing business as a going concern; makes an assignment for the benefit of creditors; is adjudicated an insolvent, files a petition (or files an answer admitting the material allegations of a petition) seeking relief under any state or federal bankruptcy or other statute, law or regulation affecting creditors' rights; all or substantially all of Tenant's assets are subject to judicial seizure or attachment and are not released within thirty (30) days, or Tenant consents to or acquiesces in the appointment of a trustee, receiver or liquidator for Tenant or for all or any substantial part of Tenant's assets.

(f) Tenant fails to perform or comply with any provision of this Lease other than those described in (a) through (e) above, and does not fully cure such failure within fifteen (15) days after notice to Tenant or, if such failure cannot be cured within such fifteen (15) day period, Tenant fails within such fifteen (15)-day period to commence, and thereafter diligently proceed with, all actions necessary to cure such failure as soon as reasonably possible but in all events within ninety (90) days of such notice.

18.2 Remedies. Upon the occurrence of any Default under this Lease, whether enumerated in Section 18.1 or not, Landlord shall have the option to pursue any one or more of the following remedies without any notice (except as expressly prescribed herein) or demand whatsoever. Without limiting the generality of the foregoing, Tenant hereby specifically waives notice and demand for payment of Rent or other obligations, and waives any and all other notices or demand requirements imposed by applicable Law:

(a) Terminate this Lease and Tenant's right to possession of the Premises and recover from Tenant an award of damages equal to the sum of the following:

(i) The Worth at the Time of Award of the unpaid Rent which had been earned at the time of termination;

(ii) The Worth at the Time of Award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such Rent loss that Tenant affirmatively proves could have been reasonably avoided;

(iii) The Worth at the Time of Award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant affirmatively proves could be reasonably avoided discounted to the then present value;

(iv) Any other amount necessary to compensate Landlord for all the detriment either proximately caused by Tenant's failure to perform Tenant's obligations under this Lease or which in the ordinary course of things would be likely to result therefrom; and

(v) All such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time under applicable law.

The "**Worth at the Time of Award**" of the amounts referred to in parts (i) and (ii) above, shall be computed by allowing interest at the lesser of a per annum rate equal to: (A) the greatest per annum rate of interest permitted from time to time under applicable law, or (B) the Prime Rate plus 5% as determined by Landlord.

(b) Employ the remedy described in California Civil Code § 1951.4 (Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover Rent as it becomes due, if Tenant has the right to sublet or assign, subject only to reasonable limitations); or

(c) Notwithstanding Landlord's exercise of the remedy described in California Civil Code § 1951.4 in respect of an event or events of Default, at such time thereafter as Landlord may elect in writing, to terminate this Lease and Tenant's right to possession of the Premises and recover an award of damages as provided above.

18.3 No Waiver. The subsequent acceptance of Rent hereunder by Landlord shall not be deemed to be a waiver of any preceding breach by Tenant of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of acceptance of such Rent. No waiver by Landlord of any breach hereof shall be effective unless such waiver is in writing and signed by Landlord.

18.4 Waiver of Redemption, Reinstatement, or Restoration. Tenant hereby waives any and all rights conferred by Section 3275 of the Civil Code of California and by Sections 1174(c) and 1179 of the Code of Civil Procedure of California and any and all other laws and rules of law from time to time in effect during the Lease Term or thereafter providing that Tenant shall

have any right to redeem, reinstate or restore this Lease following its termination as a result of Tenant's breach.

18.5 Remedies Cumulative. No right or remedy herein conferred upon or reserved to Landlord is intended to be exclusive of any other right or remedy, and each and every right and remedy shall be cumulative and in addition to any other right or remedy given hereunder or now or hereafter existing by agreement, applicable Law or in equity. In addition to other remedies provided in this Lease, Landlord shall be entitled, to the extent permitted by applicable Law, to injunctive relief, or to a decree compelling performance of any of the covenants, agreements, conditions or provisions of this Lease, or to any other remedy allowed to Landlord at law or in equity. Forbearance by Landlord to enforce one or more of the remedies herein provided upon an event of Default shall not be deemed or construed to constitute a waiver of such Default.

18.6 Landlord's Right to Perform Tenant's Obligations. If Tenant is in Default of any of its non-monetary obligations under this Lease, in addition to the other rights and remedies of Landlord provided herein, then Landlord may at Landlord's option, but without any obligation to do so and without further notice to Tenant, perform any such term, provision, covenant or condition or make any such payment and Landlord by reason of doing so shall not be liable or responsible for any loss or damage thereby sustained by Tenant. If Landlord performs any of Tenant's obligations hereunder in accordance with this Section 18.6, the full amount of the costs and expense incurred or the payments so made or the amount of the loss so sustained shall be immediately be owed by Tenant to Landlord, and Tenant shall promptly pay to Landlord upon demand, as Additional Rent, the full amount thereof with interest thereon from the day of payment by Landlord the lower of ten percent (10%) per annum, or the highest rate permitted by applicable law.

To the extent that the provision of any service or the performance of any maintenance or other act respecting the Pier 1 License Area is the responsibility of the Government under the LIFOC, upon Licensee’s request, Licensor will use its commercially reasonable efforts to cause the Government to perform such obligations under the LIFOC.

28.7 Maintenance of Pier 1 License Area. Licensee shall, at its sole cost and expense, make all necessary repairs or restoration of any damage or injury to all or a part of the Pier 1 License Area caused by Licensee or resulting from Licensee's use or occupancy of Pier 1. Licensor is presently preparing a condition report for all existing piers at Alameda Point. A copy of said report will be made available to Licensee upon its completion. It is agreed by Licensor and Licensee that the condition of Pier 1 as described in said report shall be deemed to be the condition of the Pier 1 License Area as of the Commencement Date of the Pier 1 License Term. If Licensee fails to make such repairs or replacements within fifteen (15) days after notice of notice on Licensor, then Licensor may, at its option, upon prior reasonable notice to Licensee (except in an emergency) make the required repairs and replacements and the cost of such of repairs and replacements (including Licensor's administrative charge) shall be charged to Licensee as an additional License Fee which shall be become due and payable by Licensee with the monthly installment of the base License Fee next due hereunder.
