

Resolution

Passed by Alameda Free Library Board

May 11, 2016

WHEREAS, in order to improve library service to the residents of Alameda, providing them with modern automated library circulation, catalog, database and internet services; and

WHEREAS, in order to provide efficient and reliable library computer operations, it is necessary that the library replace its Sirsi Dynix - Horizon automated system; and

WHEREAS, an extensive and impartial evaluation process has determined that Innovative Inc. - Polaris automated system is the best replacement system for our library and our community;

NOW, THEREFORE, BE IT RESOLVED by the Board of the Alameda Free Library that the Board supports the acquisition of the Innovative Inc. - Polaris automated system and believes it will improve library services to the community and the efficiency and reliability of library operations, and therefore respectfully urges the City Council to approve acquisition of this system.
