3. **MINUTES:**

Member Soderlund followed up on his question from the previous Pension Board Meeting whether the two Pensioners on the 1082 Pension Plan get an increase due to the rise in the cost of living. Financial Services Manager, Geoffrey Buchheim answered the two pensioners indeed received a 2% increase in the last 3 years and noted if there is inflation, that amount may increase. He further mentioned the 1079 Pension Plan for Police and Fire are based on their MOUs.

4. **AGENDA ITEMS:**

4-A. Pension Payroll and Financial Reports – Quarter Ending March 31, 2016 and City of Alameda Police & Fire Pension Funds Financial Reports for the Period Ending March 31, 2016.

Financial Services Manager, Geoffrey Buchheim summarized the quarterly, fiscal year totals, as well as the general expenditures, City contributions, audit expense, and actuarial valuations for the Pension Funds.

Member Soderlund and Elzig inquired whether the City pays for the actuarial valuations. Member Soderlund mentioned there was discussion that an actuarial valuation may not need to be done for the Fire and Police Pension and that would save approximately \$10,000. Financial Services Manager, Geoffrey Buchheim responded that there was indeed a discussion in the June 2015 Pension Board meeting and the \$10,000 was an unnecessary need to do a separate financial report. He continued and said Finance Director, Elena Adair did a presentation showing that a separate annual audit financial report is not necessary for the Pension Funds and would save \$10,000.

Member Soderlund asked if the actuarial is for the 1079 Pension Fund. Financial Services Manager, Geoffrey Buchheim answered that the actuarial is for both the 1079 and 1082 Pension Plans. He noted there are currently two members in the 1082 Pension Plan and approximately twenty-three (23) members left in the 1079 Pension Plan.

Member Soderlund commented that only three firemen are left in the Pension Plans. Member Edwards also mentioned one member recently turned ninety-one years old and is the last member on the 1079 Pension Plan before the 1082 Pension Plan was introduced. Member Soderlund noted it is primarily surviving spouses left on the Pension Plans.

Member Elzig moved to accept the financial statement. Member Soderlund seconded. Passed 4-0
