Subject: Request for Continuance on Item 9-G for tonight's City Council Agenda

Councilmembers and City Staff,

On behalf of Friends of the Alameda Animal Shelter (FAAS), I sent a request to the Mayor earlier today asking to continue her item to October 4, and as a courtesy, am sending this on to you all now. Please accept my sincere apology for the late notice.

As you are no doubt aware, FAAS has been working with City leadership staff to come up with a solution. The next step is for FAAS to identify an outside consultant who would work directly with both the City and FAAS – a request that we have been actively working on. I reported to Jill Keimach a couple of weeks ago via email that I would report back to her mid-September. To date, we are on track, and respectfully request a continuance for our referral.

Sincerely,
Nancy Baglietto
