Subject: two referrals on tonight's agenda

Dear Mayor Spencer and Council Members

I am writing to reiterate my strong support for the Council to provide standards for a Bird Safe Building Ordinance. This would establish Alameda's credentials as a bird-friendly city and could encourage nearby communities to do likewise. Please move forward on this referral. Thank you.

I also encourage the Council to direct staff to prepare a report on taking title to the uncompleted strip of Shoreline Park next to Harbor Bay Parkway. This would be a huge win-win for the citizens of Alameda as well as for the wildlife that depend on Shoreline Park for their very existence. Please move forward on this referral. Thank you.
